LaCroix tries to ground Owens with a few hard shots to the legs when High Flyer IV tries to blind side him with a Locomotive! However The Big O simply launches him over the top. LaCroix sees the opportunity and tries to latch on a submission to the excitement of the crowd... or maybe they're reacting to MASSIVE Cowboy and Flex Kruger now exchanging haymakers in the middle of the ring! Amethysta begins to get up and sees LaCroix trying to lock-in on Owens with Howlin' Joe Wolfe trying to give him an assist, then scans to see the two big men trading wrecking balls and dropkicks Flex Kruger from behind sending him into the ropes but not over. Not happy with his fight being interrupted, MASSIVE Cowboy hits the purple lucha with a Kung-Fu LARIATOOOOOOOOO. The impact corkscrew flips her inside out making her faceplant dead-center in the ring.

Angus:

HI-YAAAAAAAAAAAA! Thanks for coming... who is that? How can I not know that one?

DDK:

Our notes say Amethysta is the newest member of the BRAZEN roster, a young lucha from Cancun, Mexico trying to make her first match in the United States a memorable one. She's come in today as part of BRAZEN's foreign talent exchange.

THE Jay Harvey:

It's memorable. She was just killed in the middle of the ring by a big ass Asian Cowboy.

LaCroix's attempts to lock in sleeper on The Big O are finally destroyed by a HUGE samoan drop. Rolling around on the canvas, LaCroix grabs his ribs as Wolfe showers Owens with wild fists, leaving him exposed for the first time tonight. LaCroix doesn't stay on the mat for too long, obviously in pain as the two Louisiana boys corner Owens. Flex Kruger and MASSIVE Cowboy restart their HOSS FITE to the roars of the crowd until Cowboy lands a shot that turns the cheers into groans. Stumbling back, Flex Kruger finds himself in the corner where Cowboy follows up with a running big boot. The smack of cowboy boot on face is even louder than cheers as LaCroix and Wolfe get Owens up off of his feet.

Angus:

Look out! The big guy isn't grounded anymore!

DDK:

Look at these two hometown boys, they might take care of the biggest guy in this match by themselves!

THE Jay Harvey:

As long as they take care of that PCPunk Flex Kruger next, I'm all for it!

When Rosey's feet leave the ground, he gets angry. Nobody likes Rosey when he's angry. Howlin' Joe Wolfe goes rollins across the canvas after a huge shove from The Big O. LaCroix isn't so lucky as he's lifted up over Rosey's head and dropped face first onto the outside of the ring right at Brother Lucius' feet. MASSIVE Cowboy drags Flex Kruger back up to his feet again because he can't eliminate him on the ground, but Flex rocks him with a huge right hand. MASSIVE stumbles back, holding his jaw and retaliates the only way he knows how.

Angus:

KUNG-FU LARIATOOOOOOOOOOOOOOOOOO!

THE Jay Harvey:

Damn that's fun to watch.

DDK:

Flex Kruger just took another hard shot and he's OUT.

By out he means of consciousness, because he's on the mat near the corner of the ring. Cowboy looks frustrated by his inability to get land a shot that knocks Kruger over the ropes as Joe Wolfe snarls and is refusing to back down from Big Rosey. He lands a big uppercut on the biggest man in the ring, but it's absorbed by The Big O looking for his opportunity. Another. Another. The crowd is fired up, getting behind Wolfe as he backs Rosey against the ropes again. Wolfe turns around and tries to get some help from MASSIVE Cowboy, and he does, right over the top rope as the man from Tokyo, Texas takes out his frustrations from Kruger out on the old school wrestler from cajun country.

Angus:

And there goes Joe! Probably wasn't the kind of help he was looking for, but it's the kind he got! It's every man for himself when it comes to a chance at the Southern Heritage Championship!

THE Jay Harvey:

When you get an opportunity to go one-on-one with THE Jay Harvey at what has to be the biggest DEFIANCE show of all time? You have to take it. There are no friends when it comes time to make yourself famous by joining the list of THE Jay Harvey's victims.

DDK:

Look at that ring, Angus. MASSIVE Cowboy. The Big O. Flex Kruger.

Angus:

HOSS FITE PARADISE!

Now Cowboy and The Big O are exchanging blows close to the ropes. The MASSIVE One seems to be gaining the upper hand and grabs the arm of Rosey. He whips Rosey into the ropes and swings his arm around lining him up for the Kung-Fu Lariat, he takes a step forward and his boot is grabbed. Trying to pull away he turns around and sees Brother Lucius hanging onto his ankle, the crowd jeers as Hector Navarro tries to pull Lucius away but a 400+ pound freight train returns and crushes into the MASSIVE Cowboy in what is the equivalent of a car crash, sending the Cowboy tumbling over the top rope and to the outside of the ring. Lucius cheers, but they're cut short as Navarro ejects him from ringside.

DDK:

The MASSIVE Cowboy is gone, but so is Lucius!

The other officials come to Navarro's aid to escort Lucius away from ringside. Meanwhile in the ring Rosey looks distraught, trying to plead for his uncle while Flex Kruger pulls himself up off the mat. The crowd goes into a frenzy.

FLEX! FLEX! FLEX! FLEX!

They chant to the beat of his entrance music as he seethes. Rosey hears the cheers and turns around to see the heaving shoulder of Flex Kruger. He turns his head and looks up at Jay Harvey on the stage doing commentary and screams "THIS IS FOR ELISE!" before he grapples Big Rosey, picks him up with a roar from the crowd, and body slams the behemoth over the top rope with an inhuman show of strength. The crowd goes wild.

THE Jay Harvey:

Of course!

Angus:

Hey Jay! Looks like no matter what you do you can't get away from these guys!

DDK:

How about that?! THAT WAS INSANE!

Angus:

I've known Flex for a long time and even I didn't know he had that in him!

THE Jay Harvey:

There's a first time for everything, I guess. It took a lot of luck for him to not get eliminated by that big Cowboy, Martial Arts... whatever he was bastard. Then he lifts more than he's ever lifted before in his entire life.

In ecstasy of victory, Flex Kruger goes up to the top rope and flexes for the crowd before pointing at Jay Harvey. What he doesn't see is Amethysta leaving her spot curled into a ball under the bottom turnbuckle in the far corner, jumping up to her feet and rushing the corner. She leaps into the arm and lands a stiff forearm to the back of Kruger's skull. The crowd goes nearly silent as Flex falls off the ropes onto the apron, and then onto the floor. On her knees in the ring, Amethysta has her hands on top of her mask in shock and her mouth is hanging wide open.

DDK:

Did that just happen?

He continues to squeeze as the fans rally behind The Guru of the Graps, trying to bring down his rival for good! The giant continues to scrape and claw, but he's already on his knees from the two previous chokes robbing him of precious air. He goes down and the official checks for signs of a tapout, but Crimson Lord quickly falls back, CRUSHING Burns

underneath his weight! The crowd groans as Burns now hits the mat again.

DDK:

Crimson Lord is just TOO big for Burns to get a good clasp around him.

Angus:

Too big! Too gooey! TOO CONTAGIOUS!

Crimson Lord is about ready to end it, still gasping for air, but still looking like he has enough left in the tank in order to finish off the very tenacious Burns. He kneels down and looks to end it...

DDK:

NO! THE LAST GRAPS! THAT'S WHAT HE BEAT CRIMSON LORD WITH ON DEFtv 100!

The fans recall that very feat as Burns now locks in what looks to be a modified MMA-style Foot Choke/Triangle Choke hybrid with an arm locked in and a shin pressed into the massive throat of one of his most heated rivals! The crowd goes nuts as Burns locks the hold in...

Crimson Lord continues to shake his free arm...

He tries to rise...

But...

Angus:

GORRAM TRASH!

Before anything more happens, the reigning FIST of DEFIANCE, Scott Stevens has made a beeline into the ring and stomps the life out of Oscar Burns, title in hand. Benny Doyle has no choice but to call for the bell!

DING DING DING DING DING!

The crowd jeers now as Bo and George Stevens follow right behind their fearless leader and now join in the ring, stomping down on Oscar Burns with a vicious three-on-one assault.

DDK:

The Stevens Dynasty clearly haven't forgotten about earlier and found an opening!

Scott Stevens continues to direct traffic, watching his cousins go to work on his opponent for DEFCON. George pulls up Burns by his arms while Bo takes turns, throwing a few good kicks to the chest of Burns. Scott holds up the FIST of DEFIANCE and grabs Burns by his face, pulling him in close.

Scott Stevens:

You see this? THIS is as close as you'll ever get to this title again!

He and Bo then bury some shots into the chest of Burns before the two stop... With a risen Crimson Lord holding his neck in one hand, but still staring them down angrily.

DDK:

These three just cost Crimson Lord this match by disqualification and there's NO way this ends well...

Crimson Lord stares down the Stevens Dynasty, specifically its ringleader Scott Stevens. But before anything transpires...

RRRRRRRRRRRRRRRRRRRAAAAAHHHHHHHHH1

Out comes The WrestleFriends!

And “Sub Pop” Scott Douglas!

All with chairs!

Angus:

Here comes the dorkiest calvary ever!

The men see them coming with weapons and like that, The Stevens Dynasty scatter out of the ring like roaches. Crimson Lord stares them down, but decides that discretion is the better part of valor as well and escapes the ring, heading back up the ramp with Scott Douglas BARELY missing a swing! The Stevens Dynasty have hightailed it into the crowd and Batts is the first to help Burns to his feet.

DDK:

The Stevens Dynasty tried to take out Oscar Burns here tonight, but The WrestleFriends and Scott Douglas came to his rescue. Burns was right to bring them in, knowing Scott Stevens was going to try something like this.

Angus:

Burns is realizing he can't do this fight with Scott Stevens alone, otherwise he'll be spending some time on the injured list again.

Burns gets helped back up by Jack Mace while he and the WrestleFriends stare down Scott, George and Bo Stevens halfway into the crowd. Scott holds up the FIST, screaming that he won't be losing it any time soon. On the other side of the ring, DEFIANCE's longest-reigning SoHer champion Scott Douglas watches his newfound tormentor, Crimson Lord, head back up the ramp with an angry scowl.

DDK:

Burns wins this match on a disqualification, but we've got a few weeks more until we get to DEFCON. And with everybody looking for momentum on the way there, who knows what explosions we're going to see. These battles between The League and The Stevens Dynasty, along with Crimson Lord and Scott Douglas are only going to get more intense from here. For Angus Skaaland, I'm Darren Keebler! Good night!

Angus:

Keyed cars for all these Occupation bastards!

One final shot on the multiple men involved in some of DEFIANCE's most volatile feuds before the scene fades to black with nothing but the DEFtv logo to take us out.
