## NOT WAITING UNTIL DEFCON 2019

As Darren finishes up with one last line, we shift to the center of the ring where Scott and Cary Stevens stand. Scott looks ready for a match as he is in his ring gear and his father has a microphone in hand and his expression is the kind that you have when someone has pissed in your Cheerios in the morning. Cary waits for the faithful to die down their anti-Stevens chants before he raises the microphone to his lips and begins to speak.

**Cary Stevens:**

Sluts and Scumbags, my name is Cary Stevens and I am the father of the Bad Ass from Texas. The Greatest FIST of DEFIANCE this miserable company and you filth have ever seen....SCOTT! STEVENS!

The crowd boos but Scott doesn't seem fazed by the negativity as he simply cracks his knuckles and neck as he stares long and hard into the camera.

**Cary Stevens:**

So let's talk about it. Let's get it out of the way about what happened at DEFCON.

Cary pauses as the crowd boos more before continuing.

**Cary Stevens:**

My son, as we told you he would, laid a beating on a Kiwi and an English queen that had never been seen before at DEFCON. My son took his hands and put them on the top two contenders for the FIST of DEFIANCE and did nothing but dominate and decimate all over the arena!

Cary pauses a bit from being flustered as the crowd boos some more with some cheers mixed in.

**Cary Stevens:**

Then my son got bored! He wanted to go home and bang his wife as a victory celebration. So he says, "Fuck you everybody" as he raises his fist high into the air and delivers a jaw-breaking blow that would kill most men!

Cary enunciates as the crowd boos.

**Cary Stevens:**

**Cary Stevens:**

**Cary Stevens:**

There is a mixture of boos and cheers from the faithful from the announcement as a sinister grin forms over Scott's

The Faithful go berserk with cheers as the former FIST of DEFIANCE champion motions for Kendrix to come to the ring.

**DDK:**

## OSCAR BURNS vs BUTCHER VICTORIOUS

### DDK:

We've got the first match of 2019 coming up next pitting one of BRAZEN's longest-tenured stars against a former FIST of DEFIANCE holder. The 2018 of Butcher Victorious and Oscar Burns both ended on a sour note, but tonight one of these men will try and get back on the horse.

### Angus:

Burnsie screwed the pooch at DEFCON because he took his eye off of Kendrix and Stevens for one second. Butcher himself tried to win some big matches recently and crapped out. He's getting a BIG match right now and if he wants to make a name for himself, he better not blow it.

### DDK:

The former FIST of DEFIANCE "Twists and Turns" Oscar Burns takes on BRAZEN star Butcher Victorious. Let's go to ringside for our first match of DEFIANCE's New Year!

And we do just that with Darren "DQ" Quimbey about to drop some words on you.

Burnsie's mad, bro. Don't think I've seen that peppy Kiwi look so pissed.

### DDK:

He almost hasn't been the same since being injured at the hands of Scott Stevens last July and losing the FIST. Then when he had the chance after months, it slips through his fingers. That kind of a fall can change anybody.

The scene jumps to outside the arena as Tyler and Conor Fuse come into focus. They are making their way from the parking lot to the main backstage entrance. The Gamers pop upon seeing the DEFIANCE Tag Team Champions. **Conor Fuse:**

Tyler seems a little bothered at the comment, although still acknowledging Player Two is right. Tyler continues to watch the unknown fighter continue to throw punches and kicks. The man hasn't noticed the tag champions yet until Conor speaks.

With that introduction, they already knew what they were in for. The Faithful rise to their feet as golden and purple lights swirl around the arena to the beat. Spotlights hit the entrance and Elise Ares walks out wearing the royal flowing cape and tiara from DEFCON, however this time she now wears the Southern Heritage Championship over her shoulder. As she walks down the aisle, two things are revealed. A small splint on her hand, taping two of her fingers together as a result of Jay Harvey breaking one. The other? The D and Klein holding the end of her cape escorting her down to ring side as she does her princess wave to the masses.

### DDK:

What a match Elise Ares had at DEFCON in a steel cage against what previously looked like to be an untouchable Jay Harvey. It was brutal. It was competitive. However at the end it was won by the lady who is possibly the most unlikely Southern Heritage Champion of all time, Elise Ares.

### Angus:

She proved him to be just A Jay Harvey like I've been saying all along!

### DDK:

That she did, but the last time we saw a championship on Elise Ares' waist was a tag team title with The D. Angus, that was pretty obnoxious.

### Angus:

We can probably expect more of that, Keebs, but I don't think there's anyone out there who can say that she didn't earn it this time. What a match!

Now in the middle of the ring, The D unlatches the cloak from the shoulder of Elise Ares as she holds the SOHER Championship high in the air to the applause of the crowd. She smiles and takes an exaggerated bow with her title.

Ripping the cloth off the table, Elise attempts to mimic a magic trick, but instead knocks her brand new championship off of the stand then quickly fumbles to place it upright again as if it never happened in the first place. A cheer echoes, and even a smattering of boos from the crowd as she does her best Vanna White gesturing towards the very shiny title now in front of her. **Elise Ares:**

Hey, I can only defend this thing against one person at a time, and next week... God willing, I'll be putting this title up for grabs against my partner-in-crime. But if Klein beats me, you'll have to take it up with him.

Klein immediately starts making a "new champion" motion across his shoulder because he doesn't know what the correct way to do that is, and Elise shakes her head. The D walks over to Klein and they share a tense moment before he embraces his best friend for a hug. The crowd cheers and Elise wipes a fake tear away from her eye as "Live For

Elise makes special attention to rub the back of The D and whisper something into their ear as golden and purple balloons begin to rain down from the sky.

**Angus:**

And who is going to clean all THIS mess up?! We have a match to get to!

Almost as if on cue, PCP leave the ring and immediately crew members rush in to start grabbing balloons as they fall. Scrambling to take down equipment and get the tarp cleared from the ring, PCP don't even pay attention as Elise shows off her two titles walking up the ramp. The D flanks her on the OG SoHer side, as Klein tries to avoid looking at the cameras adorned on Elise's new version.

Gage is on crutches and his left foot is in a cast. Although he is wearing black jeans and his recently released "THERE IS NO TOMORROW" t-shirt, it's clear he has a lot of tensor wrap around his right thigh and groin area. His right arm is in a sling, although he is still able to grip the crutches with both hands. On top of all of this... his neck is in a brace.

His face is now shown, in close-up. It's black and blue. He has one black eye and the trademark scar on his forehead shows he has new stitches. It's a cringe-worthy scene but even through all of this, Gage gives a nod to the crowd and begins his way down the ramp.

**Gage Blackwood:**

I wanted to thank all of you, from Lance Warner who did my first few interviews, to DDK who has always supported me, to even Angus who rips on me all the time. The #WalkingBandAid moniker he gave me a few months ago blew up on social media and let's be honest, it was pretty true.

Oh, shit! Dan RYAN!

Cut to Earlier Today.

Backstage where Christie Zane is standing with a microphone.

**Christie Zane:**

I'm here backstage before tonights DEFtv and believe it or not...

Dan Ryan walks into frame.

**Christie Zane:**

...I've managed to get a few words with Dan Ryan, who hasn't said much of anything since announcing his return by way of an attack on Jack Harmen about a month ago.

**Dan Ryan:**

Well, I wouldn't say a few words with, exactly.

**Christie Zane:**

What do you mean?

**Dan Ryan:**

Take a walk, Zane.

**Christie Zane:**

But I...

**Dan Ryan:** *[making a walking gesture with two of his fingers]*

Bye, Christie.

Zane sighs a big sigh but doesn't fight it any further. Ryan barely pays her any attention, and turns to face the camera.

**Dan Ryan:** *[suddenly smiling broadly]*

Hello everyone. It's so good to see all of you again, or, for you all to see me. Unfortunately I couldn't be with you there tonight, but I did want to say a few words to explain some of what's been going on.

Ryan looks down, pensive, then back up at the camera.

**Dan Ryan:**

I've heard your boos lately. I've heard the jeers and felt the ugly looks while I've bounced the Harmen family around the arena like so many racquetball matches. But, I forgive you. You can't get mad at stupid people when they don't think things through. Among the lot of you, I doubt you could solve a math problem with a calculator. So here, let me remind you all of a few things...

Ryan pulls his sunglasses off.

**Dan Ryan:**

You may all remember the long period of time last year during which Mikey Unlikely and UTA made their 'invasion' into

DEFIANCE. You may also remember that when all was said and done, I played Mikey like a fiddle, fooled his entire contingent and extracted control of DEFIANCE from his slimy little fingers. Now, what you will NOT remember, because there's no way you could have known, is that it was I who bankrolled the continued existence of DEFIANCE, and it was I who allowed Jack Harmen to take a modicum of control while I walked away to leave the company in the hands of the men who busted their ass for the company before and continue to do so now. What I did NOT do is walk away so that Jack Harmen could treat the company like his personal playpen. THAT... I did not do.

Ryan pauses for a moment while a buzz can be heard through the audience.

**Dan Ryan:**

So, what does that have to do with what's going on now? Well, I'll tell you. I've never been one to suffer fools, and apparently Jack Harmen thought I was fool. Maybe he thought they didn't have televisions where I went. Maybe he thought I would sit down in Texas and let him make a mockery of the company I ensured would continue to exist. Well... he thought wrong. So...

Ryan puts the sunglasses back on and relaxes.

**Dan Ryan:**

Let's lay it all out on the line. You cross me, and you don't get second chances. You don't take advantage of my kindness and live to tell the tale. So, from the moment I appeared back in that arena, in that ring, at any location or event bearing the DEFIANCE name, until the deed is done... if I see Jack Harmen, he gets an ass-kicking right there on the spot, no questions asked. And, as for his kid, believe me... I get that he thinks he's coming to his father's defense, no matter their relationship, but the kid means nothing to me. I don't care if he lives or dies. So believe me, if he wants to take his share of the Harmen medicine comin' Jackie's way, I'll be happy to give it to him.

The pre-recorded video begins to fade and Darren Keebler squeezes in a quick voice over before we cut to commercial.

**DDK:**

We'll be right back!

**Christie Zane:**

Hi, everybody! I'm Christie Zane! And with me at this time are the two guys that beat The Stevens Dynasty at DEFCON... please welcome "Manpower" Jack Mace and "Bantam" Ryan Batts... The WrestleFriends!

From both the left and right sides respectively, come Ryan Batts and his large tag team partner, Jack Mace.

**Jack Mace:**

Batts shakes his head.

**Ryan Batts:**

You know, it's like this, Christy... The League of Extraordinary Graps do live by a code of conduct in fair sportsmanship, respect for your fellow wrestlers and for that ring. The Stevens Dynasty are two of those people.

**Jack Mace:**

And all THAT got them was a flogging, love!

**Ryan Batts:**

Indeed. We haven't had the chance to talk to Oscar just yet, but I know what he's been feeling... after being injured by Scott, having his title stolen from him last year and losing out on it again, no thanks to Kendrix and especially Scott... a man can only take so much. I can't say I would have done the same thing in his shoes if I had been through all that, Christie.

**Christie Zane:**

Mace laughs.

**Jack Mace:**

Understatement of the year, love.

**Christie Zane:**

Well, with the Tag Team division getting hotter and you guys winning at DEFCON, what's next for The WrestleFriends?

Batts smiles.

**Ryan Batts:**

Glad you asked, Christie. See, we won the RISE Tag League to get here. We won our debut match on the roster and thus far, we're undefeated as a tag team, even defeating Stevens Dynasty like we said. And with that in mind, we're ready to bring some gold to the group. That's why we're announcing tonight...

He looks over to Jack Mace, who finishes his thoughts.

**Jack Mace:**

We are letting our tag team power combine... and we're challenging the winner of tonight's ToyBox/Fuse Bros match to a future match for the World Tag Team Titles!

The crowd cheers at the thought as Batts smiles.

**Ryan Batts:**

We've proven ourselves worthy of our spots, we proved that we're here to stay at DEFCON... And when we get the chance, Jackie and I are going to prove that we're the best team going today! With respect to teams like Team HOSS, PCP, and the Fuse Bros... we want to put our name next to them.

**Jack Mace:**

That's right, love! I'd love some more gold and leather to go with this leather coat I fashioned meself!

Klein shows a bit of reluctance to face his Pop Culture Phenom teammate, but Elise bolts past and goes for a single leg takedown. Klein answers with his own arm drag followed by a clothesline that rocks the champion. She gets up a little slow from that, but Klein isn't being super aggressive, giving her the chance to shake it off a bit as he signals for a test of strength. The Man in the Box is knocked off his feet, but recovers, showing great agility for a big man but not as much agility as

the champion who is all over him with a series of strikes. Open hand chops and kicks force Klein into the corner. Carla calls for a rope break and Ares lifts up her hands and backs away, giving a camera a good shot at the splint that still covers her fingers from her match at DEFCON. Klein escapes the corner as Elise backs away, but knows the nature of his opponent and sidesteps her as she tries to catch him off-guard by charging him. She finds nothing but turnbuckle and staggers back into the arms of Klein who plants her chest first into the mat with a reverse powerslam. Elise immediately rolls across the canvas grasping her midsection while The D yells at Klein to stay on the attack. Klein looks over and makes a whimper crying motion and the D shouts to man up. He even chortles a "Ha-Ha-Ha!" when she finishes. As Elise pushes to her back, Klein hurls her into the middle of the ring with a modified fallaway slam. Ares scrambles to get up after impact but is knocked back down with a shoulder block. Up and then back down with another. Up and then back down with a third. Finally, she's forced to roll out of the ring to gather herself and Klein looks back at The D for approval. He gets what he's looking for with a thumbs up. The Box nods in approval while Elise looks frustratedly back at him with her hands on her hips on the outside while Carla counts, unable to figure out how to get around his rare combination of strength and technical expertise. Oh really? Well, how about I tell you the real reason we not only deserve but will take a DEFIANCE Tag Team Championship match right now...

Jestal motions to the DEFIATRON behind him.

It starts up, playing the end of their match a few weeks ago and specifically the part where Jestal is thrown into The ToyBox's corner and then when Dandelion takes the pinfall.

**Jestal:**

My sister was not the legal opponent when you pinned her. As you can see, she did NOT tag me, I did NOT tag her and the outcome at DEFCON, therefore, DOES NOT COUNT.

Dandelion pulls the coin out from her tights, waving it towards The Bros. while collecting even more boos.

**DDK:**

This is idiotic. News to The ToyBox: life isn't fair! You lost, get over it!

Conor is fuming. He's on the ropes yelling towards them, outlining how the coin was useless, how a loss is a loss and that they just need to move on.

**Jestal:**

Tag Team Championship match... right... now!

Jestal snickers at them and heads to the ring followed by Dandelion and then WynLyn.

**Angus:**

Yes! I'll take it! Make the match Fuse Bros. Make it and *lose*! Conor wants to talk about cheating? Dandelion's coin being a fake? Well, there you have it, Keebs. COLD HARD FACTS. The Fuse Bros. did not win at DEFCON! The match is still on!

**DDK:**

How can the match still be on when it's over? Referee mistakes happen and I'm sorry Jestal, Dandelion. You lost. It's still in the record books as a loss.

Conor continues to shout at The ToyBox from the edge of the ring. Once the challengers approach the apron, they walk around to a different side of the squared-circle, away from Player Two, before entering.

Jestal gets into Tyler's face. Dandelion gets into Conor's. WynLyn stands in the center of the ring.

**Jestal:**

Tag team title match NOW.

Tyler removes himself from Jestal's face and pulls his brother away from Dandelion's. The Bros. begin to quietly discuss things as the crowd cheers them on. Tyler turns back to The ToyBox.

**Tyler Fuse:**

We aren't ones to back away but I side with my brother... that was a fake coin to begin with.

Dandelion shrugs and puts the coin back in her tights.

**Conor Fuse:**

And a loss IS A LOSS. Game. Over. I told you this!

All three members of The ToyBox emerge on the champions again, about to get into their faces once more until...

**Tyler Fuse:**

But we would never back down. Never. Do you want one more shot? It's on.

**Conor Fuse:**

GAME ON!!!!!!

**DDK:**

And just like that Conor Fuse leaps onto Dandelion with a fury of left hands!!! Tyler hammers Jestal with a clothesline and WynLyn gets the hell out of the ring!!

The Gamers pop loudly as Conor and Dandelion continue to brawl while Jestal gets up and takes a further beating from Tyler!

**DDK:**

We need a referee out here! We need one right now!

On cue, Mark Shields comes running out, although that's not saying much since he's slow and lethargic without a lot of care for his profession.

**DDK:**

Conor clotheslines both himself and Dandelion over the top rope! Now he goes for an Irish whip into the apron...

*CLANG!*

**DDK:**

No! DANDELION KICKED CONOR BELOW THE BELT AND HURLS HIM INTO THE STEEL STAIRS!

**Angus:**

Add WynLyn to the action, she's hammering the hell out of Conor with rights and lefts! This is great!

Inside the ring, Jestal tosses Tyler into the corner but Player One leaps over Jestal who comes in hard... turns him around... takes his head and runs up the ropes...

**DDK:**

'CQC' BY TYLER!!!

Dandelion slides into the ring and pushes Tyler from behind. He turns but eats a kick to the stomach and a DDT.

WynLyn is on the outside screaming at Mark Shields to get into the ring and call for the bell!

Jestal shakes himself off with help from Dandelion. He turns and goes to the second rope, only to stop and go to the TOP rope! The jeers come in as The Gamers can sense where this match is going...

**DDK:**

I don't believe this... Conor's down on the outside... Tyler is down in the middle of the ring... HUGE SPLASH BY JESTAL. HE HAS TYLER'S LEG HOOKED. WE MIGHT HAVE NEW CHAMPIONS! I CAN'T BELIEVE THIS!!

**Angus:** *[sigh]*

The kickout doesn't bother Jestal. Instead, he hits Tyler with a pump handle backbreaker and points to the top. WynLyn cheers him on.

**DDK:**

JESTAL GOING TO THE TOP... AGAIN!!! Not known to be high flying, he's looking for a second splash!!

Jestal measures Tyler. The Faithful try to wake Player One up by shouting as loud as possible.

Dandelion gets to her feet, shocked. Then she looks down and realizes Tyler is still nowhere near recovered. She huffs from relief and walks back to her corner, measuring one half of the champions before performing a handspring back elbow, sending Tyler to the corner. She snapmare's him to the center of the ring and kicks him square in the back. Then she crushes Player One with an implant DDT. Dandelion takes the coin out of her tights again and tosses it into the crowd which brings a chorus of boos.

**Angus:**

There, she doesn't even need it! It *was* fake, afterall.

**DDK:**

This does not look good for the champions. Conor is still out by the steel stairs, too.

Dandelion whips Tyler into the turnbuckle. He hits it hard and flips all the way up the padding, finally resting on the top. This sends Dandelion to join him while The Gamers become even more restless.

**DDK:**

Dandelion is setting Tyler Fuse up for... OH MY GOD!!! A HANDSTAND PILEDIVER FROM THE TOP ROPE TO TYLER FUSE! I DON'T BELIEVE WHAT I JUST SAW!

The Gamers are rallying heavily. Dandelion sits up and can't believe it. She looks over to her brother as her face becomes more tormented.

**DDK:**

Dandelion plants Tyler in the center of the ring with another implant DDT. She heads up to the top...

Out of nowhere, Tyler gains a second wind, runs all the way up the ropes and connects with a belly to belly suplex sending them both crashing to the mat!

**DDK:**

I DON'T BELIEVE IT! THAT HAS TO BE ALL TYLER HAS LEFT!

Meanwhile, Conor starts to make his way to The Fuse Bros. corner. However, he stills looks groggy and he is holding his right shoulder very tightly.

**DDK:**

Tyler will have to tag out if he can make it!

**Angus:**

Tag out? Conor might be in worse condition!

The two crawl to their respective corners. As they both reach them, Dandelion tags Jestal who rushes in and quickly grabs Tyler by the leg, pulling him away from Conor who has finally recovered. Tyler fights to get away. He manages to get to a vertical base but Jestal won't let go of the leg.

**DDK:**

ENZIGURI! Jestal is down! Make the tag, Tyler. MAKE THE TAG!

The Gamers are filling the ring with chaotic cheers, urging Tyler to get there.

BIG POP.

**DDK:**

Dandelion has stormed into the ring and gets nailed with a clothesline, just as Jestal gets to his feet and receives a standing dropkick sending the clown tumbling to the outside! WynLyn hops on the apron and Conor goes to strike her but she quickly leaps off before he can. Dandelion tries to attack from behind only to be turned inside out by a discus clothesline! Conor works the crowd into a rowdy manner!

**DDK:**

The champs are looking to finish this!

**Angus:**

I can't hear myself think!

Dandelion rolls out of the ring, now being checked on by Wyn. Jestal manages to get back in and Conor kicks Jestal in the gut and then jumps up into a guillotine ace crusher! Jestal is down!

**DDK:**

This is it! The Bros. are going for 2 UP...

**Angus:**

No... move Jestal for the love of GOD move!

Just as Tyler reaches his perch Dandelion hops on the apron and shoves him off the top rope, as his chin slams into the guardrail outside!

**Angus:**

Thank you Dandelion!

Conor notices his brother's predicament and before he can leap off Jestal tumbles into the ropes, forcing Conor to straddle himself across it! Jestal takes advantage and flips Conor over the turnbuckle and delivers a few stomps before picking Conor up and Irish whipping him to the ropes! Jestal ducks his head but Conor slams the breaks and delivers a swift kick jerking Jestal upward and followed by a rocking tilt-a-whirl DDT! Conor goes for the cover!!

**DDK:**
