The scene opens in the parking lot, the lens focuses in on the backdoor of a low riding stretch limo. The shot zooms out slightly as the driver, dressed professionally, opens the backdoor of the car. Two dark brown leather shoes pop out into the cold air. The shot refocuses, zooms out and reveals the FIST OF DEFIANCE standing tall as boos are heard over the live feed.

**DDK:**

A huge night in store for Jesse Fredericks Kendrix tonight. First title defence against his former bestest friend in the whole world, Mikey Unlikely.

**Angus:**

Jeez, are you actually talking like that idiot now as well?

The driver hands Kendrix his suitcase. The champ, suited and booted himself, raybans on and hair faded on the sides and tied back (held by a manly man knot, of course), surveys his surrounding with a look to his left and then over to his right. He ignores the camera and makes his way towards the arena entrance.

**OSV:**

Kendrix, how are you feeling going into what must be the most emotional match of your career against Mikey Unlikely?

Kendrix stops in his tracks upon hearing the question, looks over at the camera, the interviewer successfully grabbing his attention...however it results, in Kendrix, grabbing the camera from the cameraman and turning it on the man who dared to ask the question himself, Lance Warner.

**Kendrix:**

Listen yeah, Lancey boy. This is how it feels to be the star of the show. Unfortunately for you, you look like a piece of shit who's dressed up in the same suit he wore to his graduation. Say something, Lancey. Go on talk.

Warner just looks at the lens, completely out of his comfort zone, devoid of anything to say.

**Kendrix:**

Didn't think so, bruv.

The feed closes in on Warner as the camera regains focus on the champ.

**Kendrix:**

Listen up, Lance, hold that camera still and watch how it's done.

The champ removes his shades, sticks them in the inside pocket of his suit jacket before holding his hands flat out in front of the camera to set the scene.

**Kendrix:**

Tonight, the world will see two of the very best entertainers in the business go one on one in the ring for MY FIST OF DEFIANCE.

Jesse slaps the palm of his hand firmly against the title draped over his shoulder. He then points to the arena.

**Kendrix:**

Tonight, a sold-out crowd will witness two of the greatest visionaries, two of the greatest minds and two of the greatest talkers on the mic today, fight for the greatest prize in wrestling. That's why the FORMER...Hollywood Bruvs main event and the bellends in the back and the one holding the camera right in front of me can only dream to be in our position.

He looks over at the title for a moment, takes a deep breath and steadies himself before focussing on the lens.

**Kendrix:**

Mikey is the greatest sports entertainer there has ever been. He can do it all, movies, music, greatest HOHER Champion of all time. Mikey is wrestling ROYALTY. He comes and goes as he pleases because he is Mikey Money!

Jesse affords himself a stroke of the beard, a pause followed by a single raised finger.

**Kendrix:**

But the one thing that is beyond Mikey...is J...F...K! The one person that has always been one step ahead of Mikey Unlikely is J...F...K! Mikey Unlikely owes his wrestling career to Jesse Fredericks Kendrix. Mikey Unlikely thought he could once again make himself relevant in this business by using the new FIST OF DEFIANCE'S spotlight.

A smug shake of the head dismisses that thought instantly as he points toward the arena entrance.

**Kendrix:**

Tonight, Lance...has got nothing to do with emotion. The bruvv are over! The moment I won this...

He holds the title out in front of the camera for all to see.

**Kendrix:**

Meant that JFK became the greatest in every aspect of this business. Whether it be visionary, opportunist, on the mic and most importantly in the ring...and I did it all without Mikey Unlikely's help.

He drapes the title over his shoulder once more and points at the lens.

**Kendrix:**

Tonight has nothing to do with emotion for JFK. Tonight, I am all about getting business done, and Mikey...it will be done incredibly quickly and efficiently because you know you cannot hang with JFK in the ring. Tonight I will afford you one last, oh so very quick moment in JFK's spotlight and prove to the world that JFK has outgrown Mikey Money, that JFK has outgrown the Hollywood Bruvvs...

Jesse looks out in the distance before throwing a wink back at the camera.

**Kendrix:**

...and that JFK walks out the same way he walked in...as the FIST OF DEFIANCE!

Here we go, here we go, here we go, Keeps...

Your most anticipated match of the night, eh, Angus?

**Angus:**

Goddamn right!

**DDK:**

We've seen this one build up ever since DEFCON: Night Two when then-debuting "Titan of Industry" Uriel Cortez was confronted by Angel Trinidad. Cortez is now managed by The Family Keeling but before that time ever happened, Trinidad and Team HOSS were managed by Junior, then Thomas respectively. Since then, we've seen The Family Keeling try to persuade Angel out of taking this match even offering up their services again. He turned them down flat, signed the contract to make this match happen and here we are now.

**Angus:**

ALL THE HOSS, KEEBS!

**DDK:**

Tonight, the undefeated "Titan of Industry" Uriel Cortez gets his toughest challenge to date by far, going one-on-one against "The HOSS Overlord" Angel Trinidad!

And to the ringside area, we go.

**Darren Quimbey:**

The following contest is a singles match scheduled for one fall! Introducing first... from The Bronx, New York, weighing in at 303 pounds... **ANGEL TRINIDAD!**

♪ "Overlord" by Black Label Society ♪

The crowd roars in approval as smoke billows from either side of the entrance ramp. Stepping into the arena through a cloud of smoke is the former leader of Team HOSS and the solo-going Angel Trinidad!

**DDK:**

Angel has said so himself that his recent lack of success comes from a host of problems including dealing with family issues, but a win here tonight would not only put him back on the right track but spoil the party of his former managers.

**Angus:**

The Family Keeling know everything about Angel including in-ring. No way they didn't tell that big beautiful bastard, Uriel Cortez, what to watch for.

The HOSS Overlord pounds on his chest and lets out a howl for The Faithful before heading to the ring. Once he reaches the ring, he leaps onto the apron, surveys the scene and then LEAPS over the ropes a second time. He settles inside and paces around calmly, waiting for Uriel Cortez to arrive.

**Junior Keeling:**

A-HEM! A-HEM! THE FAMILY KEELING COMMANDS YOUR ATTENTION!

The jeers are even louder now as Thomas Keeling Sr. heads out from the back, looking extra debonair tonight in a gray Brooks Brothers business suit. Behind him, out comes "The Titan of Industry" Uriel Cortez, sans music.

**DDK:**

What's going on here? Is Cortez foregoing the typical Keeling entrance?

Thomas Keeling smiles as he looks at a pacing Angel Trinidad in the ring. Cortez has a knowing smile with Junior while Thomas points to the ring.

**Thomas Keeling:**

Angel... you've been wanting this match for some time, correct? That you'd been willing to do a lot to get it, whether it be harassing us endlessly or call us out. You even signed a contract to make that match happen, yeah?

Angel nods and waves for Uriel to get to the ring, but Thomas holds up the contract that was signed from the last DEFtv for this match.

**Thomas Keeling:**

This contract right here? The one you signed and didn't even bother reading because you're impatient. You want to fight. You have a lot of skills as a giant, Angel, but I know your weakness and it's your brain. You don't think. See... you signed this contract without hesitation instead of the one that I would have given you to rejoin The Family. In your impetuosity, you signed this without reading while I gave that other contract you tossed away... to somebody else...

**DDK:**

What does he mean?

Thomas smiles.

**Thomas Keeling:**

So somebody else will be getting rich with our help, Angel. And as for THIS match contract you signed... you didn't just sign up for a contract to fight Uriel Cortez... you've signed a contract to fight our giant, Uriel Cortez...

He gestures to the entrance behind him as Angel looks confused.

Sharp looks out to the crowd behind red-tinted shades and a thick, unkempt beard, garnering jeers from the crowd. He walks over to the Keelings, gives them a fist bump and then Uriel Cortez as this two-on-one handicap match now appears to be happening.

**DDK:**

And Andy Sharp and Angel Trinidad have history. When Trinidad was an ACW rookie, Andy Sharp was the man ruling the roost there.

Sharp and Cortez head down to ringside as Angel isn't waiting for either man to head to the ring. There, in the middle of the ring lays Shooter Landell from the beating he just took at the hands of Mushigihara. Furthermore, there lies Mushigihara, from the crutch he just took over the top of his head...

From Gage Blackwood.

Blackwood methodically drops the crutch, which has completely folded itself in half. Suddenly, he lets the other one fall from his armpit to the canvas.

He is blank-faced. Stoic. Zero emotion appears.

As the fans come-to and realize what's happened, boos slowly fill the arena. Then, all in one calm and quiet motion, Blackwood casually unstraps his walking boot and places it in front of him, beside the crutches. Next, he removes the neck brace and lays it on the canvas beside them, too. And finally, he stares Mushigihara down one more time before turning to exit the ring. Blackwood leaves and walks up the ramp showing no ill effects or injury.

Crimson Lord, obviously intends to watch on from his perch atop the rampway.

Reaper stops just in front of the ring as the eyes flash, looking as if they momentarily lose power, causing Reaper to slam it's hand against the side of the mask. The LEDs flash back on in a deep yet bright green, simultaneous taking the arena out of the darkness and into a sea of swirling green lights as it paces forward.

He looks as if he is interested to see where this will go.

It's not that hard, Keebs. The wizard, Zordon, with the help of his assistant Alpha 5, enlists five teenagers to become the Mighty Morphin Power Rangers to battle Rita's Repulsa's invasion of the Earth. In season 2's two-part "White Light" saga, Lord Zedd sends his monsters Nimrod, A.C., and D.C. to attack, who easily overpower the Power Rangers, leading Zordon and Alpha to come up with a plan to recruit a new Ranger. Initially the teens are put off at the idea of a newcomer out of their loyalty to Tommy, but are thrilled once they discover that it is actually Tommy himself, who has now become the new White Power Ranger with his powers created by the Light of Goodness, which are unable to be stolen by the forces of evil ...

The Reaper slides into the ring under the bottom rope and crawls for a few inches towards the Pacific Blitzkrieg before flipping up to its feet. It's dead, mechanical green eyes pierce the soul of Kerry Kuroyama before it reaches out and points at the third-generation superstar, before making a quick slashing motion around its neck with it's thumb. The music dies down as an electric crowd buzzes with anticipation.

The pair stand in the center of the ring, neither backing down. It is time for Kerry to fight to keep his legacy.

**Angus:**

The camera quickly cuts to a wide shot of the stage and commentary. Darren glaring at Angus and his shenanigans. Angus glaring at The Light and their infections. Jestal glaring at his rubber chicken.

Benny Doyle calls for the bell as the pair cautiously back down from one another and slowly begin circling.

**DDK:**

This maybe a mistake for Reaper.

**Angus:**

Oh, yeah. You don't want to underestimate old KCups there...

Kerry shakes it off and returns to the action, shooting in for another lock-up. Reaper, again with the advantage, turns this out into a Twisting Wrist Lock. Kerry rolls through, flipping and popping back up having turned the tables.

Before Reaper can take advantage of his positioning, Kerry spins out, raising both hands up high and briefly applying a top wristlock. Reaper is having none of it and snatches it back down, synching in the headlock.

**Angus:**

Kerry, with no other recourse, drives Reaper into the ropes and shoots him off and drops down. Reaper steps over and continues to the other side. Crimson Lord's henchmen returns and Kerry leapfrogs him and speeds toward the ropes. Reaper, however, stopped dead in his tracks and spun around ready for Kerry.

**DDK:**

Fast paced action at the start of this one, folks.

Kuroyama charges and Reaper leapfrogs him this time. Kuroyama mirroring Reapers previous movement stops and turns on a dime.

**Angus:**

An obvious statement that the "folks" can obviously see.

Reaper lands on his feet and the pair leap, flat-footed, and throw simultaneous dropkicks. Neither attempt hits there mark and both pop back up to their feet. The pair cock back ready to throw blows in unison but find themselves at a stalemate as the Faithful ignite in applause.

**DDK:**

The only thing obvious here, folks ... these two are quite evenly matched and *so far* neither man can get the upper hand!

Both opponents are slow to back down at the risk of giving either the advantage. Reaper breaks the stalemate with a hand high in the air calling for a Test of Strength. Kerry hesitates, glancing around the ringside area, as the boisterous Faithful cheer.

**Angus:**

Don't do it, K Cups!

Kuroyama decides to commit and locks fingers with the black-gloved Reaper but as they raise the second hand...

**DDK:**

OHH! Never underestimate the deviousness of anyone who would align themselves with Crimson Lord.

Reaper plants a boot in Kerry's mid-section, doubling the Pacific Blitzkrieg over. Reaper steps forward and tips Kerry up by the chin before grabbing him around the mid-section and tilt-a-whirling him up into position.

**DDK:**

Kerry shifts his weight and Reaper is forced over backward until Kerry's feet are back on the mat. Reaper's attempt is halted by the man he has been impersonating and finds himself sitting on top of Kuroyama's shoulders and gripping the back of his head trying to avoid being power bombed. Before Kerry can capitalize off the reversal, Reaper jams a thumb in Kerry's eye. Kerry releases Reaper, who lands mostly on his feet as Kerry stumbles backward with a hand over his eye.

With one hand still over his eye, he attempts a kick to the midsection but it's caught.

Kerry is down as Reaper gets back to his feet and stays on the attack, looming over the Asian American star. Kerry pushes himself up to all fours on his way back to a vertical base but Reaper puts an end that with a stomp to the hand. Kerry flips over and lands on his back clutching one hand with the other.

The Faithful's resonant boing spikes once again with the dirty move. Benny Doyle warns Reaper once again but whoever is behind those cold electronic eyes doesn't seem to care.

Klein is cheering Elise on as she reaches the ring and slides the ladder in underneath the bottom rope. She pauses for a second, turns back to the D, and grabs her discarded flask before kicking the D square in the forehead as he reached out for the same flask. Elise tucks the flask back into her bottoms, then turns back toward the ring and slides into cheers. Except for the one guy pissed about his phone. As she picks up the ladder, it takes her longer than usual because... ladders are heavy.

**DDK:**

Elise having a bit of trouble with that ladder, it's a bulky contraption and honestly, trying to make sure it doesn't catch on the ring ropes as you set it up is a bit tricky.

**Angus:**

She's got it fine Keebs, stop making excuses.

As Elise sets up the ladder and slams her hand down on the center support, she notices the D climbing up on the outside of the ring, using the draped ring apron to pull himself up. She takes a look and smiles, rushing off the far side and diving over the top and onto the recovering D.

**DDK:**

THERE SHE GOES!

**Angus:**

She's dumb as hell but damn is she pretty! That tope is pretty good looking too!

The crowd roars as she lands it perfectly. Adrenaline causes Elise to stumble right back up to her feet, which is followed by a rhythmic dance in celebration. It's cut short, however, to a chorus of jeers as O-Face grabs her by the

hair and throws her into the barricade with a loud thud. Klein sees what's going on and rushes to her aid, only to have Flex Kruger cut him off. Klein begins to try and shove past him but Carla rolls out of the ring to break it all up. Meanwhile, O-Face helps the D back up to his feet, where he grabs Elise in a daze and throws her into the barricade again like he just did it himself and brushes his hands.

**Angus:**

And there's The D, trying to take all the credit from his star again!

**DDK:**

Regardless that's two hard shots into the railing for Elise. D better start thinking about getting up that ladder and winning this thing.

The D stands over Elise slapping her and telling her that he made her before throwing her under the bottom rope and into the ring. Outside Flex keeps running his mouth keeping Carla occupied as O-Face follows the D into the ring, where he shoves Elise into the corner with his boot and begins stomping away before taking a step back and inviting O-Face to do the same. She does and the crowd voices their displeasure before she steps back and lets the D rain down hard boots to the head and chest of the SOHER champion.

**DDK:**

Hitting Elise with her own tag move with the help of the woman he replaced her with, now that's low!

**Angus:**

As much as I hate the little prick, that's how things go in Hollywood. One minute you're dictating the Blacklist, the next minute you're on the other end.

Carla finally returns her attention to the ring just to notice O-Face sliding out. She admonishes the D as the D asks her to admire his handiwork, a fallen stomped Elise. The D grabs Elise out of the corner and snap mares her, before locking in a rear chin lock. The D looks up and shouts.

**The D:**

SEE! I CAN WRESTLE!

*You Can't Wres-tle! \*Clap-Clap-ClapClapClap\**

**The D:**

I'M DOING IT RIGHT NOW!

The D breaks the chin lock and just drops elbow after elbow into Elise's right shoulder. He turns and runs off the far side ropes with another soccer kick to her spine. She screams and falls on her back, as the D places on boot on her chest and just steps over her to boos.

**The D:**

Que Tal ESO BITCH!

**DDK:**

That was unnecessary Angus.

**Angus:**

I honestly don't know what's necessary anymore Keebs.

**DDK:**

That wasn't.

The D reaches down and grabs Elise by her hair to a sitting position. He begins to slap the side of her head once, twice, a third time, before Elise fires to her feet with wild shots to the gut. Once she's able to stand, she smacks a few

knife edge chops into the D's chest, sending him reeling into the ropes. Elise tosses him off the far side and the D walks right into a leaping spinning heel kick. Elise jumps to her feet, looks to Klein who gives her a thumbs up.

**DDK:**

These two know each other so well. The D uses a spot from Elise, and Elise counters with her own stolen spot of the D!

**Angus:**

All with Klein's approval!

Elise is measuring the D from the corner. As a dazed D gets to his feet, Elise takes off, but O-Face and Flex yank and pull the D out of the ring.

**DDK:**

I think Elise might have been going for Amethystation there... but she's climbing the ladder instead!

With the D being tended to by Flex and O-Face on the outside, Elise takes the opportunity and starts to quickly climb the ladder. The D slides back in as Elise's fingertips just barely are out of reach of the dangling straps. He quickly rushes up on the opposite side and starts throwing haymakers at her midsection. Elise doubles over, as the D grabs her hair and slams her face first into the top rung of the ladder. The D hooks her under her arm, and moves to side position, before catching Elise in a  $\frac{3}{4}$  headlock. In a shock, as cameras go flashing, the D backflips from the top of the ladder, taking Elise down with him.

**DDK:**

NETFLIX MONEY! OFF THE TOP OF THE LADDER! THAT CAME OUT OF NOWHERE!

**Angus:**

Elise Ares is OUT Keeps. But I think that might have taken just as much out of the D! That drop Keeps, that drop.

**DDK:**

I don't know who took the worst of that. I mean, Elise took the brunt of the impact, but the D had to contort and fell from a much greater height.

After a good ten count of lack of movement, some growing concern, the D starts to crawl. He reaches the bottom rung of the ladder, and starts to use the ladder to pull himself up. Elise meanwhile, is now stirring and crawling toward the bottom rope out of instinct. As the D is able to place his boot on the bottom rung, Elise is just able to get to her feet in the corner. She turns and sees the D on the second rung now, and rushes toward him. From behind, she grips the D by the waist and with a quick tug SLAMS him back first off the ladder. Elise then turns and kicks the ladder down, sending it sprawling into the corner, held upright by the top rope. Elise turns her attention to the D, who's crawling to a neutral corner, and then just starts stomping the beejesus out of him. After a moment, she looks at the Faithful, and high fives above her head as a fake tag, and goes back to stomping away at the D.

**DDK:**

Could we consider that a Blacklist Angus? I'm going to give it to her.

**Angus:**

I just like seeing the snot stomped out of that mangey d-bag.

Elise grabs the D out of the corner and drags him to the center, before hip tossing him onto the laid out ladder. The D clutches his back in pain as he rolls off just as Elise dives with an attempted elbow drop. Elise hits nothing but ladder, and clutches her arm and side before rolling to the opposite side of the D. The two see each other, and start throwing punches over the ladder, before Elise shoots up from her kneeling position, kneeing the ladder up and into the face of the D. The D spins back, his spit flying into the air before he just face plants on the canvas. Elise looks to the ladder, it's been broken by their falls beyond repair. She lifts it, slowly, and then chucks it over the top as if it were a rumble combatant. But now, she's going to need to get a new ladder.

**DDK:**

Elise has the D down, he might be unconscious Angus, but Elise is going to need to get a ladder before she can climb and regain her SoHer championship!

**Angus:**

I'm so glad you're not calling it the So-Her title.

**DDK:**

Oh, look at that. I forgot.

**Angus:**

Please no.

Rummaging around underneath the ring, even though there are at least two additional ladders around ringside, Elise disappears completely under the tarp. After a few moments, we see that fine ass purposefully back up in full display. But alongside Elise...

**DDK:**

That can't be...

**Angus:**

Where do you even find THAT much glitter and fake diamonds THAT big?!

A smirk crosses the face of the Southern Heritage Champion as she looks upon her greatest creation. A ladder covered from top to bottom in glitter, gaudy ass fake gems, and gold paint trim. A sports entertainment ladder fit for a queen.

**Angus:**

I'm blind!

Elise carefully slides the ladder into the ring. Meanwhile, on the other side, O-Face has slipped a ladder inside to the D, who's using it to push himself to his feet. He looks confused but picks it up as he stands, and turns to face Elise. Ares has entered the ring and picked up her bedazzled ladder. The D looks with a "the fuck" expression before Elise charges, and the D takes that as a cue to meet her. The two ladders collide, as the former members of PCP bounce off each other, their hands hurting from the clang. They adjust how they hold the ladder, as the D swings the top half toward Elise. Elise uses her ladder like a shield, blocking it, before she raises the bottom half of her ladder to strike D's chest. The D uses his other side of the ladder to block it, and the two remain locked in a struggle before they push off and give themselves a bit of distance from one another. With both screaming wildly, the two CHARGE at each other and LEAP at one another.

**CLANG**

Elise and the D strike each other with resounding impact and just fall down from the blow like a couple of crash test dummies. Their bodies are laid sprawling, stuck and contorted between the separate colliding ladders.

**DDK:**

... I... I can honestly say I've never seen that before.

**Angus:**

Say what you will about these two, you'll see things you never expected. And that you never wanted.

Seconds tick by like minutes before Elise Ares crawls out of the car crash. She isn't quite sure what direction she's moving in, as shown by her movement towards Flex Kruger at ringside. Once she becomes aware, she stops and looks back to see the D just now rolling out of the pile himself. The D just swats at the air around him, dazed. If we could see into his brain, he'd be successfully swatting little birds flying around his head. The D clamors out of the

wreckage but then just face plants again on the canvas. This seems to wake him, as he crawls to the nearest ropes, crawling toward O-Face's shrieks of "COME ON!"

Flex climbs up onto the apron as Carla turns and starts to reprimand him. Flex shouts about "No Rules!" Meanwhile, O-Face slides into the ring and CHARGES toward Elise.

And Elise just turns and slams her rear into the face of the charging O-Face, taking her out. O-Face rolls out of the ring, clutching her eye. Elise reaches into the rear of her tights and pulls out her flask, gives a wink and shakes it to make sure there's still something inside. She turns to meet the D, who fumbles with something before getting super close and throwing some flame paper at Elise that makes it seem like a small fireball. Elise backs off, blinded, clutching her face.

**DDK:**

Did O-Face give that to the D before she attacked!?

**Angus:**

All's fair in love and the SoHer title.

**DDK:**

The So-Her title.

**Angus:**

No. Just no.

As Elise stumbles blinded, the D does a split and just uppercuts between her legs.

**DDK:**

Da D-Punch-Ah! Maybe not as effective against... well...

Elise winces in pain and goes "Ow!" before kneeing a split D square in the jaw. The D just falls onto his back, face up.

It's here where we go to the Selfie Cam for the first time, as we see a vantage point from above the ring. We see the unconscious D lying face up on the canvas, as Elise starts to pick her bedazzled ladder back up. She starts to set it up in the center of the ring and then tries to kick the D's ladder out of the ring.

The ladder slides out into the waiting hands of Flex Kruger. Flex smiles and starts to bridge it across the outside of the ring. Flex turns to the crowd and points to his head as if to show off how smart he is to which the crowd boos.

**Angus:**

Look at this goober, Gorram thinking he's smart. He's strong I'll give him that.

Elise does a double take to Flex but then turns back to the D, slamming the recovering former tag partner in the back with a double ax handle. Elise grabs D up and shoves him into the corner, before charging and striking him in the face with both knees. D slumps over, as Elise hooks him in a headlock and charges toward the ladder. She climbs three steps up and then pivots, pushing back off the other way. The bedazzled ladder teeters as Elise pushes off. She spins and is able to leap over the top rope and ace crusher stun gun's The D's head on it as she falls.

**DDK:**

Cuban Necktie! Over the top. She almost landed straight on that ladder though Angus!

**Angus:**

Ring awareness. It's coming together.

Ares lands just next to the ladder Flex set up. As the D is strung on the top rope, Elise hops up onto the ladder, runs across and hooks him, driving his neck into the rope. She eventually starts dragging a reluctant D up and over, as he

tries to fight and hook the ropes. With his legs on the top rope and Elise holding his upper body, Elise gives one final tug and the D body splashes on top of the ladder. It does not give much, but the D wish it did.

**DDK:**

These two, are going to kill each other. I mean it. I don't even know if they're trying to, but they will.

**Angus:**

And to think, three years ago I would be loving every blow. Now, I'm still loving it, but ... it feels weird.

As Elise lands on her feet, Flex Kruger steps underneath the ladder and between her and the D. He stands there flexing toward her and then crosses his arms over his chest. O-Face starts consoling the seemingly unconscious D who is half dangling off the ladder, half barely hanging on. Elise rolls her eyes and pfffts a bang out of her face before trying to step through Flex. Flex steps in her path. So Elise shrugs and slides back into the ring and starts quickly climbing the ladder. Flex's eyes go wide as he makes a break for it, but...

**Angus:**

BOX MAN!

**DDK:**

KLEIN! KLEIN EVENS THE ODDS!

Klein spins Flex around and lifts him, before spinebusting him on top of the now empty ladder. O-Face pulled the D off and is tending to him, as she notices Elise climbing the steps in the ring. Four. Five. O-Face's eyes go wide as she rushes in, Carla trying to step in her way, but O-Face just SHOVES her off her feet.

**DDK:**

Oh, come on! That's got to be a disqualification!

**Angus:**

It should, but there's only one way to win this one Keeps.

O-Face is quicker than Elise on her side, and gets up to meet her and starts just screaming in her face. O-Face then headbutted Elise, causing her to stagger. O-Face tried it again, but Ares dodges and just raises one knee to clock her in the head, causing O-Face to timber off the ladder in a large Oomph.

**DDK:**

It's just Elise! Elise and the two SoHer titles, dangling just inches from her fingertips!

Elise climbs the last step, as, on the outside of the ring, Flex reverse an Irish whip and SHOVES Klein into the corner turnbuckle post. Flex notices Ares and slides in, grabs one side of the empty bedazzled ladder and lifts, tilting it back just as Elise finally swats at the title. She looks back, worried, as Flex tips the ladder over and Elise goes crashing over the top rope, through the ladder the D had previously face planted through.

**DDK:**

Oh, come on! She had this! What are all these people even doing out here!

**Angus:**

Almost is worthless in wrestling. Ares had it within her fingertips and it's the BRAZEN champ that stops her.

The D pulls himself to his feet using the ring apron. He looks wide-eyed at the fallen and broken Elise Ares. He looks to the ring, where Flex is finishing resetting the ladder in the center of the ring. Flex waves the D on, as a groggy O-Face gives him the last shove in. The D gets to his knees, then to his feet but stumbles back down to a knee. He gets held upright by Flex and the D assures him he's okay. Flex encourages him to climb, as the two turn.

Klein stands before them and shakes his head no.

**DDK:**

OH, YOU BETTER THINK TWICE!

**Angus:**

I can't wait to see what Box Man does!

The D starts trying to reason with Klein, but Flex attacks and cuts that off. Klein sees it coming, and back body drops Flex over the top rope and onto O-Face.

**DDK:**

And the D is all alone with Klein!

The D looks wide-eyed at Klein, and backs off, shaking his head no and begging him. Telling him to think of the good times. Klein's head jerks back, his body stiffens, as he takes a deep inhale.

**Angus:**

Don't listen to him!

Klein raises one finger and points out of the ring toward Elise, who is just starting to stir from her fall. The D laughs, waves her off, and puts his hand around Klein's shoulder, escorting him to a corner of the ring as they talk. The camera's get very close to pick up what they can.

**The D:**

- don't need her. We were fine before, HEY! Get outta here!

The D swats away at the cameraman before Flex walks up and stands in front of it. The D continues talking to Klein, as Klein nods.

**Angus:**

NO! Klein! What are you doing!

Klein and the D turn back around and face Elise Ares, who had just slid into the ring. As Ares stands, she looks over to Klein with a very hurt face. The D shouts.

**The D:**

SEE! YOU WILL HAVE NOTHING! NOTH-

The D is pushed toward Elise by Klein, as Elise LEAPS.

**DDK:**

AMETHYSTATION! ELISE ARES JUST COLD CLOCKED THE D WITH THE HELP OF KLEIN!

Klein rushes up to Flex and lifts him from behind into an inverted airplane spin, spinning and spinning with the rotation after rotation counted alongside the Faithful. With a final heave, Klein tosses Kruger into a neck breaker. Flex rolls out of the ring.

Elise turns to climb up the ladder, but standing in her way is Klein.

**Angus:**

MOVE BOX HEAD!

Elise Ares tries to get past Klein but he further steps in his way. He starts miming toward Carla, being down in the ring and still not recovered. Elise gestures to the fallen Flex and sees O-Face trying to climb into the ring, only for Elise to charge and knock her off the apron. She turns back to Klein and waves him to move. Klein shakes his head no. He then rips off his shirt...

... revealing a referee's shirt.

**Angus:**  
AGAIN!?

**DDK:**  
Klein is... taking it upon himself to dish justice and order to this match?

**Angus:**  
Order? To THIS match!?

Elise finally relents, annoyed but compliant. She grabs the D and tosses him into the nearest corner. She lets loose with a resounding knife edge chop to his chest. The D's dried blood on his cheeks from the earlier wound long since closed is just about the same shade of red as his chest. Elise then lets loose with two kicks to the D's ribs and then a spin kick to the face sending the D reeling. Klein meanwhile, is checking on Carla while keeping one eye on the action.

Elise turns from the D and sees her opportunity, and begins to climb the ladder, not as briskly as before. The D meanwhile, is fumbling with the corner turnbuckle for some reason. After a moment, he removes the turnbuckle pad and the tag rope, and rushes toward Elise. He climbs the same side of the ladder she is, and then wraps the tag rope around Elise's neck, then HOPS off the ladder with a neckbreaker. Elise's head snaps from the whiplash as the D sits up and cackles like a mad man.

**DDK:**  
There is something not right with this man Angus.

**Angus:**  
The D is looking more and more psychotic every time I see him. I just imagine he's murdering prostitutes in his hotel bathroom.

The D tries to stand to his feet but one leg gives out on him and he spins, landing on one fist. He pushes up to his feet and stumbles into the nearest corner face first. Luckily, not the one with the removed turnbuckle pad. It's here where O-Face hops up on the apron with a water bottle and begins to squirt water into the D's hair and in his mouth. He drinks it up like a prize fighter in the fourteenth round.

Sneering his head over his shoulder, he notices Elise pushing herself to her feet. With a smile, he takes a step to her with his back still turned. He notices Klein in a referee's shirt and shoots him a "the hell?" look before turning.

**DDK:**  
DOUBLE SUPERKICK! Both members of the PCP had the same idea at the same time!

**Angus:**  
You work with someone long enough, you start to think like them.

**DDK:**  
I hope I'm rubbing off on you.

**Angus:**  
I hope the D isn't rubbing off on anyone.

**DDK:**  
Neither do I.

**Angus:**  
\*Laughing\*

**DDK:**

What. (moment) Oh. Yes.

Klein starts a count, as Carla finally gets to her feet. She notices Klein and looks at the double down and questions Klein. Klein tugs at his referee shirt and tries to mine that Flex and O-Face had interfered. Carla says she knows and orders Klein out of the ring, who reluctantly complies. He keeps his ref shirt on and starts cheering for Elise to get up on the outside. O-Face slams her hand once into the mat and reaches out to the fallen D.

**DDK:**

It may just be too much for both competitors. You've heard that matches like these, the ladder matches, the steel cage matches, they shave YEARS off of careers, and neither Elise or the D are spring chickens these days.

**Angus:**

They knew the risks. The SoHer is worth it Keeps. It's worth more than a lot of things.

After a few moments, D and Elise begin to stir, and then fight to their feet. Right hand from the D. Right-hand return from Elise. Right hand. Right hand. Right. Right. And a hockey brawl breaks out, as Elise gains the upper hand and backs the D into the corner. But the D hooks Elise by the tights and YANKS, pulling her face first into the exposed corner turnbuckle post.

**DDK:**

That missing turnbuckle pad! That's a dastardly act, Angus!

**Angus:**

I told you we'd see every trick in the book tonight!

Elise slumps against the turnbuckle, as the D gets to his feet, and just kicks her head off the middle turnbuckle so she falls down to the mat. The D adjusts his shoulders and holds his hand as if he were adjusting a tie, as Carla starts yelling at him about the missing turnbuckle pad. The D shrugs, pleading ignorance, as Klein is mime shouting on the outside. The D walks over to the bedazzled ladder and starts to climb.

Each time he climbs a single rung, he wipes his hands on his slacks as if the ladder is disgusting, before hesitatingly grabbing the edge to continue his climb.

**DDK:**

This is no time to care about appearances D!

**Angus:**

Do you see who you're talking to?

The D is near the top now, and just has two more rungs to climb. Elise is barely stirring, but she's near enough to grab the bottom rope and aware enough to start climbing. The D starts to feel a tug at his boot as he's about to comfortably reach the title belt, and looks down to see Elise. He starts frantically just kicking and trying to stomp her, which Elise is able to avoid before just yanking him down by his boot. The D lands on his feet, exposed.

**DDK:**

AMETHYSTATION! Square in the jaw! The D is KNOCKED OUT!

**Angus:**

But Elise isn't much better off. She's just moving at the moment, that's about her only advantage.

**DDK:**

Maybe the only one she needs as she starts to climb.

Elise Ares, with the Faithful cheering and swelling in joy, climbs rung after rung of the ladder. She reaches up, and her

nails scrape against the very bottom of the plate. She takes another step up...

Before she's YANKED off the ladder and POWERBOMBED.

**DDK:**

What are Thugs 4 Hire doing here now!? Emilio Byrd and Hurtlocker Holt have just interfered in this match, how many people has the D hired?!

**Angus:**

I hope not enough Keebs.

Byrd and Holt pick the D up and start shaking him away. It's here where Carla has lost all control and flees the ring to ringside for her safety. The D nods to Holt and Byrd, thanking them, as he looks up to the dangling SoHer title. He takes a step onto the bottom rung.

When he notices Klein has slid into the ring. The D rolls his eyes, as Holt and Byrd step between Klein and the D. The D keeps climbing, as Klein fakes a charge toward the Thugs and actually goes wide, to the other side of the ladder. He lifts the bedazzled ladder's free side and topples it to the side. The D, only on the second rung, hops off and shouts over at Klein, as Thugs 4 Hire start to just slam right hands and ax handles into the box man. The ladder itself folds closed as the D starts directing traffic.

**DDK:**

Business is Good on Klein! That Back suplex clothesline combo, such velocity.

**Angus:**

And look at this smug bastard. The D thinks he's got everything figured out.

The D smiles and turns around, and his face contorts in confusion. Where is the ladder? Where is Elise. He turns...

**DDK:**

ELISE HAS THE LADDER! INTO THE D! INTO BYRD! INTO HOLT! SHE'S SPINNING ANGUS! SHE'S SPINNING!

**Angus:**

Twirl beautiful girl TWIRL LIKE OUR LIVES DEPEND ON IT!

Elise keeps spinning, knocking Flex Kruger down and O-Face off the apron, Holt and Byrd take another shot, as the D barely ducks the first shot but eats the second rotation. After a few spins, Elise lowers the ladder and falls to her butt, dizzy. She raises a thumbs up to Klein, but she can't see him and just tries to stand. She wobbles but rights herself. She reaches down and grabs the bedazzled ladder, and sets it up, but it's way off from where the ladder should be set to get the title. She looks up, thinks it's good, and starts climbing as the Faithful try to warn her.

**DDK:**

Elise Ares could have this in the bag, but her depth perception must be off! She's nowhere close to where she should be!

**Angus:**

Never discount the flexibility of Elise Ares.

Ares gets to the fourth rung and looks up, and her eyes frown. She notices how far away she is, and gently starts to try to HOP the ladder over. She manages to reposition the ladder, but the time it takes her allows the D to recover. He climbs up the other side. O-Face jumps onto the apron and then springboards ONTO Elise's back. Thugs 4 Hire recover and flank the D, as the D shouts.

**The D:**

It's over! I'M DONE PLAYING.

**DDK:**

Great. Now all of the D's minions are returning to the fray. And with no disqualification, there's not much that can be done.

**Angus:**

I'm sure Kelly can find creative ways to make their lives miserable Keeps. Give her five minutes.

Boyd grabs Elise and hits an inverted atomic drop, and Holt charges with a spear that levels Elise Ares. Flex Kruger now enters and hooks Elise before dropping her with the Flex-Plex. The D smiles and laughs as O-Face climbs on top and just starts laying into her with rights and lefts.

**DDK:**

This is just disrespectful to the proud history and legacy of the Southern Heritage Title. The D should be ashamed of himself for trying to win it like this!

**Angus:**

That doesn't look like the face of someone who's ashamed. He looks proud Keeps. Proud.

The D throws both hands out and absorbs the jeers of the crowd.

**Angus:**

Look at him. So punchable.

The Faithful start to swell in cheers, and the D uses his hands to try to calm them down. It's only when he turns around he realizes they aren't cheering for him.

They're cheering for Klein.

**Angus:**

The Boxman returns!

Klein stands alone across the ring, fists clenched, looking almost exclusively at the D. The D laughs, taking a few steps to Klein. After a few soft words, the D extends a hand.

Stiffened shoulders, Klein charges forward and takes both members of Thugs 4 Hire off their feet with a double shoulder block. Flex tries for a wild right but Klein ducks, able to hit him with a German suplex that sent Flex skittering under the bottom rope. Klein returned to catch Holt in a spinebuster. Byrd charged forward for a right, but Klein ducked and caught him with a back body suplex that sent Byrd over the top rope. Holt rolled outside himself stunned from the blow.

**DDK:**

Oh boy! You can't talk your way out of this one D! This is it!

Klein starts to stalk toward the D, who shakes his head, saying it could all be the same again. It's here where O-Face jumps onto Klein's back, scratching and clawing. The D laughs, going to go for the ladder. Klein reaches up and like a monkey picking a gnat out of his hair, tosses O-Face off his shoulders. She rolls out of the ring, leaving the D to turn around to see a pissed off Klein. He stops mid-climb, only one foot on the ladder.

**The D:**

Seriously! Will you give it up already!?!

Klein reaches up and begins to remove a few latches. He then removes his box entirely, revealing a short blonde buzz cut forty year old. He looks at the D, tears welling up in his eyes, and just shakes his head.

**DDK:**

Woah.

There's a bit of an awkward silence as the D's eyes go wide at seeing Klein's face revealed on DEFIANCE programming. He said he never would. But... he just did.

**Angus:**

He... is... traditionally handsome. Not what I expected.

The D's facade fades, his brow contorts into that of sympathy and pain. He reaches out to Klein, placing his hand on Klein's shoulder.

**The D:**

I'm sorry.

The D and Klein lower their foreheads into one another, sobbing. The D's seems to quickly fall into hysterics as the two men embrace in the ring.

Before the D hooks Klein and flips.

**DDK:**

NETFLIX MONEY! NETFLIX MONEY ON KLEIN!?

**Angus:**

After. After all that? Klein unmasked! He reached out to you! HOW DARE YOU!

The D stands up, smug and basking in the boos. He looks down at the fallen Klein, and just spits on him. He looks super proud of himself.

**Angus:**

The D is just the worst.

The D turns to climb the ladder...

**DDK:**

AMETHYSTATION! Elise Ares was waiting! She just knocked The D clear out of the ring! She's alone, with the ladder set up! Could this be the karma that the D deserved! Could Elise do it right here!

**Angus:**

Go, Elise! Go!

Elise steadies herself and the ladder and begins her slow climb to the summit. She takes a deep inhale with each step, clutching her ribs and her injuries. As she approaches the pinnacle, she reaches up, the belts just swaying out of her reach. She takes one more step to the zenith and unlatches the hook. It was followed by a swell of cheers.

***DING DING DING*****Darren Quimbey:**

Your winner, and STILLLL..... SOUTHERN... HERITAGE... CHAMPION! ELIIIISSSEEEEEEE....

AAAAAAAARRRRRREEEEEEEEEEEEEESSSS!

**DDK:**

Wow, Angus. Elise Ares is able to defend her SoHer title against her former partner, and it feels like it's truly the end of the Pop Culture Phenom era. Three years, a tag team title, a trios title, they've done so much, and now... they tore each other apart.

Elise Ares hugs and clutches the SoHer title at the top of the ladder. She looks over to her custom made SoCal Championship, admires her reflection in the mirror.

We see our second shot from the selfie cam, as we look directly at Elise. She shouts “D, this is for you.” before kissing the SoHer championship plate. She raises the rightful belt high to huge cheers from the Faithful. Then she just drops the SoCal, and we watch ourselves fall away from the reigning champion.

We return to our normal wide shot, as Elise slowly climbs down the bedazzled ladder. Klein is there by her side, and is a shoulder to lean on. He goes to grab the SoCal title, but Ares shakes her head and tells him to leave it. She then realizes that Klein isn’t wearing his box, but instead carrying it in his free arm. She spends the rest of the time of her celebration walking up the rampway asking Klein questions about why he’s always looked so camera ready. Klein winces at every mention of the word camera as they two head backstage.

O-Face, Flex, and Thugs 4 Hire enter the ring, the first two helping the D to his feet. Thugs 4 Hire stand there, as Holt crosses his arms over his chest. The D blinks.

**The D:**

What do you want?!

Emilio Byrd just raises one hand and makes the motion that he wants his cash. The D looks around at Flex, and then to O-Face, and then back at the Thugs.

**The D:**

You didn’t help me win the title! I owe you NOTHING!

Byrd and Holt nod, looking to each other none too pleased. Flex just nods in agreement as O-Face shouts “Yeah!”

**DDK:**

That does not appear to be the correct answer, Derek.

Thugs 4 Hire turn back to the D, and charge. Holt spears Flex out of his boots, as Byrd grabs the D in a bear hug. The D shakes his head wildly to stop as O-Face jumps onto Byrd’s back. Byrd just backs up into the nearest corner, which happens to be the corner with the exposed buckle. O-Face crumbles, as Boyd tosses the smaller D in the air to spin him into an inverted atomic drop. The D clutches his D, before Holt charges into him with a back-breaking spear.

**Angus:**

That’s why you are ALWAYS a man of your word Keeps! Never promise something you aren’t willing to deliver.

**DDK:**

The D bit off too much tonight, he bet it all in black and the house won. And look at that, Emilio Byrd just got a nice top to a suit out of it.

**Angus:**

I love it! Elise Ares retains, and the D is left destroyed. Plus, the best belt is now the ONLY Gorram SoHer belt. It’s like Christmas, Keeps!

Hurtlocker Holt compliments Emilio on his newest threads.

## OSCAR BURNS vs. SCOTT STEVENS

### DDK:

We're down to our last two matches on tonight's card and for this next match, the stakes could not be any higher for two men looking to finally be done with one another. Ever since Maximum DEFIANCE 2017, the careers of "Twists and Turns" Oscar Burns and "The Angry Texan" Scott Stevens have intersected many times, but with the common denominator being Burns has yet to defeat Stevens one-on-one. Since the days of the UTA's attempted invasion of DEFIANCE, these two have been at one another's throats. Both men wanted this match so badly that they've each put up something major to make it happen.

### Angus:

Scott Stevens is putting up his contractually-obligated FIST of DEFIANCE Title rematch he got after losing the FIST to McFuckass Lite. For Burnsie, the King WrestleDork is putting up his DEFIANCE career.

### DDK:

After issues went unresolved after Kendrix's victory at DEFCON 2018, these two wasted no time in getting right back into their bad blood on DEFTv 113 in a massive brawl that saw multiple members of staff suffer injuries. As a result, both men were barred from being in the same arena until tonight, but that didn't stop either man from laying the challenge. Burns wanted another chance to regain the FIST and get Stevens out of his hair so he challenged him for his future title shot. Stevens offered up his FIST of DEFIANCE rematch and counteroffered with this match being a Texas Deathmatch - his specialty match - as well as Burns putting up his DEFIANCE career. Burns accepted without hesitation and the rest is history.

### Angus:

I hope Burnsie finally beats this annoying former UTA smug prick. You know me, Keebs, I am never a biased man...

### DDK: *[dryly]*

No way... But either way this issue spanning over a year and a half that saw both men hold the FIST of DEFIANCE, Scott Stevens put Oscar Burns on the shelf for three months last year... this all finally comes to a head tonight and after this match, these two are done with one another. With that, all said and done... let's go to Darren Quimbey at ringside to announce our second to the last match of the night.

The crowd buzzes with anticipation for the end of this on-again-off-again blood feud to finally be done as Darren Quimbey begins.

### Darren Quimbey:

The following contest is a Texas Deathmatch and the rules are as follows! No DQ, no count out, falls count anywhere! In order to win, you must pin your opponent, which then will start a mandatory ten-count for the participant to get back on their feet. If they fail to do so, they will lose the match!

He continues.

### Darren Quimbey:

As a reminder, both men have wagers at stake. If Oscar Burns wins, he will take the contractual rematch of Scott Stevens for a FIST of DEFIANCE title match. If Scott Stevens wins, the DEFIANCE career of Oscar Burns will be over.

With all that said... the crowd goes silent for the first intro...

### Darren Quimbey:

Introducing first...

♪ "Raise Your Flag" by MAN WITH A MISSION ♪

### Darren Quimbey:

From Wellington, New Zealand... weighing in at 243 pounds, he is **"TWISTS AND TURNS" OSCAR BURNS!**

The fans cheer in admiration for DEFIANCE's resident grappling expert as he walks out... but far from his normal yellow-themed shirt and orange attire. For perhaps the first time in his DEFIANCE career, he's decked out in his custom DEFIANCE fist logo with "WE LIKE GRAPS" on the back, complete with black jeans and boots. He stops on the entrance ramp and kneels down, surveying the landscape before him

**Angus:**

Wow, Burnsie isn't dressed like a wrestler for once. This shit's serious, Keeps.

**DDK:**

Scott Stevens has been the one man in DEFIANCE that Burns just cannot figure out. Burns has pinned Stevens once in a tag team match over a year and a half ago, but in these big matches, he's 0-2 against Stevens. And if he goes 0-3, Angus, he's gone. That's how much being the FIST means to Burns, that he's willing to put his career on the line to get it.

Oscar looks at the surroundings and eyes the ring once before he enters. He warms up in the ring and with the DEFIANCE Faithful fully behind him, he raises one finger in the air and leans against the middle rope, soaking in the adulation of a crowd that is certainly pro-Oscar tonight! Tonight, he isn't worried about autographing his shirt and throwing it into the crowd. He's dressed for a fight tonight; one he asked for in the first place and one he'll regret if he loses.

The lights in the arena go pitch black, as red lasers and spotlights light up the arena.

**DDK:**

I guess Stevens is continuing to go with no music...

**Angus:**

He doesn't deserve music, Keeps!

No music as the video screen lights up and flashes across the screen a Texas flag, with the words, "Texas Born. Texas Bred." "Texas Forever." branded into the flag. The cheers that had once filled the arena quickly turn into jeers. The Faithful know who is about to walk out and they are letting him know it by chanting his favorite chant as the final image that is displayed across the screen is a giant hand that slowly closes into a FIST as letters slowly appear and form a message and that message reads in bold, capitalized letters... *SCOTT STEVENS*.

**Darren Quimbey:**

From The Great State of Texas, THE FORMER FIST of DEFIANCE CHAMPION!!! ...SCOTT!  
STEEEEEEEEVEEEEEEEENS!

The wait is finally over as a spotlight shines towards the top of the entrance ramp and Scott Stevens appears from behind the curtain, and as soon as he makes his way to the edge of the stage golden pyro begins to rain down behind him as he raises up his right fist high into the air. As Stevens makes his way down the ramp he just smirks and shakes his head at the vocal bashers.

**DDK:**

Stevens not fazed by the Faithful here tonight.

**Angus:**

FUCK HIM UP BURNS!!!!!!!!!!

Stevens slowly makes his way around the ring talking smack and flipping off the DEFIANCE filth in the crowd until he reaches the nearest set of ring steps and proceeds to enter the ring. Once inside, Stevens goes to the nearest corner and ascends the ropes; looking out amongst the crowd before raising the two unofficial state birds of Texas before dropping to the canvas as a loud chant erupts from the crowd.

"FUCK YOU, STEVENS!" Clap x5

"FUCK YOU, STEVENS!" Clap x5

"FUCK YOU, STEVENS!" Clap x5

"FUCK YOU, STEVENS!" Clap x5

The Angry Texan shows no emotion as he stretches out on the ropes waiting for the bell to ring.

**DDK:**

Look at these two men. You hear descriptions in these big-fight matches about how you can feel hatred radiating from one another... AND LOOKS LIKE BURNS ISN'T GOING TO WAIT!

**Angus:**

Yeah, No sportsmanship tonight, no shaking hands, Burnsie! Just kick his prick ass!

Forearm!

Fist!

**Angus:**

Pretty much how I envisioned this match going from the jump, a damn fight!

**DDK:**

Burns still not using punches, but that's a product of his training. He's spent years honing those elbows and uppercuts to be just as deadly if not more so.

Off the jump, Burns blocks a punch and comes back with a stiff European Uppercut, followed by Burns CRACKING him with a back elbow to the mouth. Stevens reels while Burns turns behind him and hooks the neck for what looks like a Dragon Suplex from the get-go.

**DDK:**

No! Stevens stomps on his foot! Now he's looking for the Toxic Sting... NO!

Burns has it countered and shoves him to the ropes. Twists and Turns greets him at the ropes and CRACKS him in the mouth with a Running Elbow Smash against the ropes before running again. When he comes back, Stevens greets him with a boot to the face that sends Burns reeling. He doesn't go down immediately, but he then kicks Burns low and goes for his piledriver, the Moral Compass....

**DDK:**

Both men looking for a home run swing early!

He lifts Burnsie up, but the crowd cheers when he frantically kicks his legs and boxes Stevens' ears in the process to get him to let go. Burns then maneuvers him towards the turnbuckle...

**DDK:**

Release German Suplex right into the corner! Right from the start, both men want to end this, especially Burns who's fighting for his CAREER tonight!

The crowd grows louder as Burns tries to roll towards Stevens for a cover, but the smart veteran has enough wherewithal to head to the floor in order to create some distance between he and his rival. The crowd continues buzzing as The Team Graps Cap now waits on the ring apron waiting patiently for Scott Stevens to rise. The Angry Texas finds himself completely stunned off of the opening salvo of Burns and when he finally starts to stir, he doesn't like what comes his way...

**DDK:**

Running Knee Strike off the ring apron by Burns! Both men down now on the floor and Burns now goes for the first cover of the match.

*ONE!*

*TWO!*

*NO!*

**Angus:**

Damn, I thought that would have been it! One thing I didn't think about, Keeps, is that Burns hasn't been able to pin or submit Scott Stevens in these big matches... now he's gotta pin him and put him down for a ten-count after that?

**DDK:**

Fair point, but this is a different Burns than the quirky, hand-shaking technical marvel we know. This is a man fighting to keep his career going. I've seen a few of these match types in my time and you'd be shocked to see what people are capable of when put into a corner... something I know you've seen, too.

**Angus:**

...KILL THE FUCKBOI, BURNSIE!

The Technical Spectacle gets back up fires another Uppercut to the jaw of Stevens followed by rocking him with a hard Clothesline that sends him tumbling all the way across the barricade and into the audience! The Faithful in the front row flock away just a bit to give the two men space to fight and space for Burns to kick the ass of his career rival.

Burns then picks up Stevens by the hair and holds his leg out for a big twenty-something fan to hold. After that, Burns KICKS the leg of The Angry Texan while stretched out and sends him screaming in pain!

**Angus:**

Now THAT was some fan service! Hahahah! Eat a dick, Derp Dynasty!

**DDK:**

Even in the lawlessness of a match like a Texas Deathmatch, Oscar Burns still finds a way to work over a body part! And great call! If Stevens can't stand, that's a big part of the match right there!

Stevens slightly hobbles with his left knee, but Burnsie then finally goes low with a Chop Block in the crowd, doubling Stevens over in about the fifth row up! He curses to himself while Burns remains focused on the task at hand. He then grabs the other leg of Stevens and calls to the fans for a Figure Four Leg Lock of some sort, only for Stevens to use his free leg to kick Burns in the head until he lets go!

**DDK:**

That's a part of what Scott Stevens has been saying to Burns during the lead-up to this match. His connection with the crowd being too overwhelming for him at times. That may come back to bite him!

Stevens sits off the step and grabs Burns before surging forward, **CRACKING** him with a big ol' Lariat of his own, sending Burnsie flying back over the barricade and back into the ringside area! The crowd boos Stevens as he now looks out to the crazed Faithful.

**Scott Stevens:**

Save your stubs, assholes! You're gonna remember this night when I run his ass back to New Zealand for good!

After jaw-jacking with the Faithful, Stevens now grins as he grabs Burnsie and slams him viciously back-first into the ring apron. He turns him around and then does the same running him into the barricade! But before Burns can get any chance to wince, he gets rammed a third time into the ring post!

**DDK:**

Now Stevens is the better man in the brawls outside the ring and he just pinballed Burns all over the ringside area. Now... he's not wasting any time, he's going for a chair.

With Burns crumbled up against the ringpost, The Angry Texan shoves a ringside attendant out of his seat and then spits on him just because he's Scott Stevens and he's kind of a prick if you didn't know. He grabs the chair and has The Technical Spectacle all lined up...

**DDK:**

He swings...

**Angus:**

...HAHAH! AND HE MISSED! SUCK IT DOWN, SCOTTIE, SUCK IT DOWN!

Burns ducks right at the last second, sending the chair careening right into the ring post! An angered Stevens growls as Burns rolls into the ring and follows him inside... but when he sees Burns roll right back out the other side he tries to follow...

**DDK:**

No! Burns just suckered him in! He's got him by the leg! What's he doing?

Burns trips up the leg of Stevens, focusing on the left leg he started working before. He then grabs him by the leg, wraps it around the ring post...

**DDK:**

He's got him! Figure Four Leg Lock around the ring post! We don't see that move too often these days, but Burns has him locked in!

**Angus:**

Break his own foot off and kick him in the ass with it, Burnsie!

Stevens howls in immense pain as the hold is locked in! Burns shouts as he keeps the hold locked in while the crowd cheers him on, putting his rival through a lot of pain and displeasure that he was put through!

**DDK:**

Burns has targeted that knee in this match and though it's pinfall and knockout only, this is still a fantastic strategy!

Burns finally lets go of the hold but some significant damage could have been done to the knee of Stevens as Burns rolls back into the ring. He tries to pull Stevens back up by his hair and though his knee is killing him, he surprises him with a hard Headbutt that rocks Burns back to the ropes. The crowd jeers Stevens saving himself as he calls for Burns to rise. He kisses his fist and tries to catch him...

**DDK:**

The FIST... NO!

Burns sidesteps the Superman Punch and sends him hobbling into the corner, only to bounce back and CRACK him in the chest with the Hard Out Headbutt to the chest!

The crowd jeers as Burns shakes his head in disgust. Brian Slater's count has to stop so the match continues.

**Angus:**

Damn it!

**DDK:**

Scott Stevens now out on the floor and buying himself some time. Where's he going...?

The former FIST of DEFIANCE limps to the floor and leans back up to the ropes but when Burns tries to give chase, he kicks a leg upward to the middle rope, catching The New Zealander down under! (Shut up, it's close enough).

**DDK:**

Desperation move by Stevens right there! His title shot could have been taken from him just now, but somehow he pulled through and now he's got the advantage.

Burns is stuck between the ropes while an angered Scott SLAPS him across the face! The Faithful jeer as Stevens looks out to the crowd and then falls to the floor, draping Burns across the ring apron.

**Scott Stevens:**

Say bye-bye to your career, asshole...

He grabs Burns by the neck and then runs forward with a little speed, CRACKING him with his Running Knee Trembler called Don't Mess with Texas! Burns goes slumping halfway over the ring apron, but Stevens isn't done yet.

**Angus:**

Uh-oh, this some bad shit...

The Technical Spectacle uses the ring apron to pull himself up...

EIGHT... NO!

The count is waved off and Burns makes it to his **REMEMBER THE ALAMO!**

**DDK:**

What a Superkick! That knee just barely gave out on him, but there was enough of Remember The Alamo to send Burns back over the barricade and into the crowd!

**Angus:**

And who knows what the leader of Derp Dynasty's gonna do out there! Probably talk him to death to the next thirty minutes or something...

Stevens sacrifices his left knee a bit to nail the superkick as he grabs at his knee, but the damage looks worse for wear with Burns now out in the crowd, back where the two started brawling before in the earlier goings of this match. Now with a firm smile on his face, Stevens hobbles over the barricade with referee Brian Slater ready to follow both men.

**DDK:**

Stevens hobbling over to a down Burns and is making a cover.

Slater drops to count.

Stevens yells out in frustration before mounting Burns and raining down his patented right hands on the former FIST. The Texan raises his right hand slowly into the air and balls up his fist before kissing it and slamming it into the side of the head of Burns.

**Scott Stevens:**

The Angry Texan picks up his rival and delivers an overhead belly to belly suplex into the merchandise booth and the vendors hightail it before Burns hits them and as they exit Stevens enters and delivers boots to his rival as he looks upon the merch being sold.

**DDK:**

Stevens and Burns have made their way to the merchandise booth.

And no, cheap asses, they'll still be full price if torn and tattered.

Stevens eyes a replica of the FIST of DEFIANCE Championship and takes it off of the rack and takes a long look at it.

**DDK:**

That's what it's all about for Stevens. He feels he should still be the champion and would still be the champion if it wasn't for Burns. The same title Burns was willing to put his career on the line for another shot at tonight.

**Angus:**

He lost. Plain and simple Keeps. End of the line.

Stevens turns his attention back to Burns and yells at him to get up.

**Scott Stevens:**

Stevens signs his name rather badly into the red liquid before tossing the replica title to a fan.

Time to bite the curb, bitch...

**DDK:**

This is getting out of hand, Angus... but there's nothing Brian Slater or anybody else can do about this!

**Angus:**

No shit Keeps. I know how Texas Deathmatches work!

Brian Slater starts to get into Stevens' way, perhaps out of instinct for the way referees are inherently supposed to look for the well-being of wrestlers - but that said, Stevens' give-a-fuck-o-meter is at less than zero. He shoves Brian out of the way and begins to line up for the kill shot as some of the Faithful watch on in horror...

The Texan - remaining classy as ever - hawks a loogie in the direction of a few fans as he turns his attention back to Burns and runs and hops into the air to deliver a curb stomp...

**DDK:**

Stevens quickly turns and when he does receives an up kick from Oscar that staggers him back. Stevens comes forward only to be sent back by a vicious headbutt.

**DDK:**

Oscar regains his composure enough to charge at Stevens but the Texan saw the attack coming and delivered a massive spinning lariat.

**DDK:**

Both men are laying on the cold, concrete floor as the Faithful cheer for Burns to get up.

**Angus:**

Shit, shit, shit, this is gonna be Burnsie's best chance to finally stick it to this prick once and for all. But what's this Kiwi dork even got left?

**DDK:**

I don't know, but like I said, Angus... I've commentated many matches and when your back is against the wall like this, we can see anything.

No falls between either man, but after a few moments of either man not moving, it's Stevens that's back up first. He goes to pull Burns by his hair and looks to drag him back through a nearby curtain heading back in the direction

towards the ring. The camera cuts back to DDK and Angus at the commentation station.

**DDK:**

We knew this one was not going to be pretty, but we've seen things escalate in a bad, bad way. We're trying to get a camera back on Stevens and Burns... wait...

**Angus:**

That them? Back on the other side?

**DDK:**

Yeah... yeah, that was Burns being thrown through the curtain and Stevens right behind him!

A light shines on another side of the audience opposite from where the two men fought up moments ago, but now a bloodied Kiwi and the vicious Texan continue to exchange hits with The Faithful getting into it! A "YAY!" for Burns' forearm smashes is greeted with a "BOO!" from each right as the two fight back and forth down the steps.

The blows continue raining between the two, but Burns grits his teeth after another pair of right hands from Stevens. An eye rake from the man who lost the FIST of DEFIANCE at DEFCON 2018 catches Burns and stops him long enough for Stevens to palm the back of his head and THROW him into the barricade!

**DDK:**

And this fight is going back to the ring now, but Stevens has him lined up! He slams the back of Burns's head into the barricade violently!

**Angus:**

Do we have concussion protocols herein DEFIANCE? We probably should if we don't after this... mainly because I like my job and I like my checks going to me, not to pay against lawsuits.

The Kiwi Warrior is slumped over against the barricade with Stevens patting his knee brace. Seeing a chance to wrap this up, he charges in full speed ahead....

**CRASH!!!!**

Burns moves and Stevens' knee hits the barricade!

**DDK:**

Stevens misses with that knee!

**Angus:**

HA!

**DDK:**

Scott's in a severe amount of pain now! That knee wasn't bothering him after Burns assaulted it earlier, but that missed knee trembler might have just given Burns a big opening to exploit!

**Angus:**

Burnsie, finish this asshole!

The Team Graps Cap finally has an opening he desperately needs as he grabs Stevens by his side and then lifts him up by the knee...

**KNEEBREAKER INTO THE BARRICADE!**

**DDK:**

THAT WAS VICIOUS! BURNS DROPPING HIS KNEE INTO THE BARRICADE... NOW, WHAT?

Burns isn't done as he elevates Scott and drops him **HARSHLY** back-first across the guardrail with a Belly to Back Suplex!

**DDK:**

That's amazing! Burns is a technical marvel and using whatever he can to target that knee! He's wearing blood on his face, but Burnsie is working through this and finding an opening where he can chip away on the leg!

**Angus:**

Maybe Stevens will end up on a stretcher... make my dreams come true, Burnsie!

Stevens arches his back in pain on the ringside floor now as Burns takes a second to take off his shirt. He uses it as a makeshift cloth to wipe some of the excess blood from his face. He also takes a water bottle and pouring it on his head and face to get out some of the blood out of his eyes. With that respite out of the way, he grabs Stevens by the leg and then **THROWS** him into the barricade again, sending him tumbling right over and back towards the ring!

**DDK:**

We're about to go back where we started, Angus. Burns wants to end this thing right here, right now.

**Angus:**

As long as he doesn't fuck this up. I'd miss needling Captain Goody-Two-Shoes.

The Faithful continue to rally behind Burns as the fight goes back to ringside. He pulls Stevens up and leans him against the ring post before he **BLASTS** him under the jaw with a European Uppercut...

Again! And again! And again! And again and again!

**Angus:**

It looks like he's gonna try and Uppercut his head into the bleachers! Do it! Do it!

Burns finally throws Stevens down and then reaches underneath the ring apron. He grabs a small stack of chairs underneath the ring and starts to pile them up. The crowd continues cheering on Burnsie as he grabs each chair until he has a pile of about six in a row. He then grabs Stevens and looks for a Dragon... **NO!**

Stevens tries to get the leg in between his low blow-style, but Burns **GRABS** the leg! He **KICKS** the leg once again...

**RELEASE DRAGON SUPLEX ONTO THE CHAIRS!**

**DDK:**

HE JUST DROPPED STEVENS LIKE A BAD HABIT! DRAGON SUPLEX! HE'S DONE!

**Angus:**

End it, Burnsie! End it!

Burns crawls over, but he isn't done! He grabs another chair and then starts to slowly ascend the ring apron. He looks out to the crowd with a chair under his arm. He suddenly grins and then holds out the chair for all to see.

**Oscar Burns (and crowd):**

SWEET AS!

Instead of running for his typical Diving Knee Drop, he runs off the ring apron with the chair under his arm and SMASHES it right into the body of Scott Stevens!

*"HOLY SHIT!*

*HOLY SHIT!*

*HOLY SHIT!*

*HOLY SHIT!*

*HOLY SHIT!"*

**DDK:**

BURNS JUST BURIED HIM WITH THOSE CHAIRS! AND NOW HE'S GOING FOR THE COVER!

Burns limps his own way through the wreckage and then eventually throws his weight across the top of Stevens' shoulders, going for a cover.

*ONE!*

The crowd ROARS for Burnsie as he kneels upward, now leaning back against the barricade with Brian Slater now starting the ten-count.

**DDK:**

STEVENS IS UP AT NINE! HE USED THE CHAIR AS A PROP TO GET HIMSELF UP!

Stevens holds onto his leg, still searing with pain now but holds onto the chair and smirks at Burns, flipping him a single tall man. Burns shakes his head, not believing what he's seeing, but realizes he needs to end this. He doesn't stop and makes his way over to Stevens, grabbing him by the head and SMASHING it into the ring apron before throwing him back inside. Burns follows him in again and tries to end things.

**DDK:**

Oscar finally has Stevens on the ropes now! Can he finally end this battle between these two bitter rivals once and for all?

**Angus:**

I hope so! And that Stevens gets messed up!

Gritting his teeth, Burns has one of the chairs in hand. While he prides himself on being the ultimate sportsman, Burns knows what he has to do tonight and things like sportsmanship are out the window with a man like Stevens. The Kiwi grabs the chair and tries to land another blow...

**DDK:**

Burns misses with the chairshot!

**Angus:**

NO! DAMN IT!

Stevens cocks back as Burns has the chair in hand and WHACKS him with The FIST! The Superman Punch takes a lot out of him, but Burns goes down with the chair!

**DDK:**

Scott nails a chair-assisted FIST! That's gotta be all!

Burns doesn't move and for a few moments, neither does Stevens. But the former FIST of DEFIANCE and former UTA star slowly crawls over to Burns and hooks the far leg, laying across his chest.

*ONE!*

*TWO!*

*THRE... NO!*

**Angus:**

YAS KIWI!

**DDK:**

BURNS KICKED OUT! BURNS KICKED OUT! HE KICKED OUT OF THE FIST!

The Guru of the Graps rolls over onto his stomach and doesn't move after what may have been his last gas, but he does kick out! An enraged Stevens sits up to a knee and screams at Brian Slater.

**Scott Stevens:**

YOU WASHED-UP PIECE OF SHIT! THAT WAS A THREE-COUNT! THAT WAS A THREE-COUNT!

The former FIST of DEFIANCE howls in frustration before he decides to roll to the outside. He limps back over to the timekeeper's area and steals both the ring bell and ring hammer.

**DDK:**

Oh, no... That ring bell and hammer. This is what Stevens did in the summer of last year in order to put Oscar on the shelf for three months. He attacked his throat with that hammer and rammed that bell into his throat off the top rope...

**Angus:**

Shit, only he's gonna be gone for good this time if he gets away with it again!

Burns hasn't moved out from his spot and Stevens now has the ring bell with very bad intentions in mind as he gets inside. He CLOCKS Burns in the side of the head with the point of the bell hammer and then DROPS him down with a hard slam before he grabs the bell.

**DDK:**

No, no, no, don't do this...

**Angus:**

The WrestleDorks and Derp Dynasty are all barred from ringside for this, too. No help is coming for Burns.

The crowd JEERS as Stevens holds out the ring bell and starts to head to the top rope, now waiting to end things for good just like when he took the championship away from the Kiwi. He heads up to the top and holds the bell...

**Angus:**

Damn it, even keying his car won't make me feel better if he wins!

**DDK:**

He's up... NO! NO! BURNS MOVES! BURNS MOVES!

Burns moves out of the way at the last second! Stevens' knee buckles as he lands, YELLING out in pain and dropping the ring bell! Burns smells blood and grabs a chair, WHACKING his knee with it! Stevens howls in pain again and collapses to the mat!

**Angus:**

DAMN! I DIDN'T REALIZE KIWI HAD THIS IN HIM!

**DDK:**

Any niceties were thrown out the window a long time ago!

The Guru of the Graps finally grabs onto the leg of The Angry Texan and scowls before lifting him up and DRIVING him across his knee with the Backcrackamajig! The Belly to Back Backbreaker nearly folds Stevens in half, but Burns isn't done. He goes to the ring apron...

**Oscar Burns (and the crowd):**

Burns going after Stevens! Now he's going up top again!

Twists and Turns goes up a second time...

**DDK:**

Scott Stevens tried to end his career again just now and Burns now making him pay for it in spades! He's on the verge of victory!

Burns back up a third time, slower than he has been, but he looks out to the crowd...

**Oscar Burns (and the crowd):**

SWEET AS!

And a THIRD Diving Knee Drop finally connects, landing across the chest of Stevens before Burns pulls him up...

**DDK:**

HEADDROP-O-MATIC ON THE CHAIR! HEADDROP-O-MATIC ON THE CHAIR! IS THIS ENOUGH?

Burns defiantly rolls over and hooks the legs of Stevens, pulling back as far as he can go.

***DING DING DING!***

The Angry Texan collapses and the match is over!

**Darren Quimbey:**

HERE IS YOUR WINNER OF THE MATCH... **"TWISTS AND TURNS" OSCAR BURNS!"**

Burns can't contain his joy and finally leans back in his corner, face partially caked with blood again, but smiling every bit of the way. The war is over.

**DDK:**

BURNS HAS DONE IT! HE HAS FINALLY GOTTEN THE MONKEY OFF HIS BACK! HE JUST DEFEATED SCOTT STEVENS IN HIS OWN GAME AND IN THE PROCESS, HE'S NOW YOUR #1 CONTENDER FOR THE FIST OF DEFIANCE!

**Angus:**

HAHAHAHAHAHAHAHA! EAT A DICK, STEVENS! GO KING WRESTLEDORK!

Brian Slater runs over to Oscar Burns and raises his arm as the victor of the match. Saving his job, becoming the #1 Contender once again for the FIST and finally taking out the man he never had an answer for until now.

**DDK:**

The Faithful have been supportive of Burns since his very first day here. He worked his ass off, became one of the key members in DEFIANCE's fight against the UTA Invasion and became The FIST... now, he has a clear path to do it again... wait...

The Team Graps Cap is about to leave the ring and celebrate one of the biggest wins in his career, but not before he stops to look at a visibly upset and defeated Scott Stevens. He has barely moved and now leans in the corner, head sunk in defeat.

**DDK:**

What's he doing?

**Angus:**

Hopefully, he guts this fool.

Burns doesn't take his eyes off Stevens. His tormentor for the last year and a half. The man he didn't have an answer for until this very night. A man that once tried to end his career...

...And a hand goes out.

**Angus:**

...wut.

**DDK:**

It looks like Oscar Burns wants to put this issue to bed for good. Burns had to dig deep to find the will to win, but he's still a sportsman first and foremost. This war is over.

Oscar looks at Stevens in the corner.

**Oscar Burns:**

Shake my hand, GC... we're done.

Stevens looks up at Burns in utter confusion and disgust.

**DDK:**

He's offering his hand. I can't believe Burns STILL wants to do this after everything that he's done, but that's the type of man he is.

**Angus:**

Please tell me he has some mace in his other hand or something. If he gives Stevens that arm, he's going to end him.

The crowd actually egg Stevens on to take it. Burns waits for Stevens to do anything as the leader of the Stevens Dynasty tries to shrug it off...

He then TAKES it.

**DDK:**

Wow... I... that's the LAST thing I'd expect him to do.

**Angus:**

Come on, Burns, help me key his car later at least!

Stevens may have shaken the hand, but he's still PISSED about the loss and rolls out of the ring. limps his way out of the ring where a pair of trainers attend to him and his knee after the battering he has taken throughout the match. Even after shaking Burns's hand... he ignores the attendees and heads to the back, leaving Burns in the ring to bask in the cheers of the crowd.

**DDK:**

There we go! Burns has finally put Scott Stevens in his rearview mirror and he has a future title match against the winner of either Kendrix or Mikey Unlikely and that match will be in a few moments!

The final shots of the aftermath are Burns leaving the ring to celebrate at the top of the ramp! Onward and upwards for Burnsie!

## JFK © vs. MIKEY UNLIKELY

The camera comes to rest on the commentary table.

### DDK:

Years in the making, across a multitude of wrestling promotions and it all comes down to tonight! Best friends, now enemies. As Jesse Fredericks Kendrix defends the FIST OF DEFIANCE against the man he's been attached to for years... Mikey Unlikely!

### Angus:

Oh yea Keebs, One year ago if you asked me if I wanted to see this, I would have told you that no one does. Here I sit today and I can honestly say, I'm looking forward to this one!

### DDK:

REALLY? I'm very surprised partner...

### Angus:

Well yea! Either way this goes, I'm going to watch these two idiots bash each others brains in! Every single strike is a win for fans. Either JokeFK beats the piss out of McFuckass, or The Hollywood Hypocrite has something up his sleeve for Kendrix... Should be exciting.

### DDK:

Let's keep in mind these two have never faced each other one on one! This is a first time match up. Both guys know each other like brothers. Every hold, every mannerism, every strategy...

### Angus:

HA! Mikey doesn't know any holds!

We cut to the ring.

### Darren Quimbey:

Ladies and Gentlemen the next matchup is NO DISQUALIFICATION, scheduled for one fall and is for the FIST OF DEFIANCE!

The lights go out. Large roar from the crowd at the mention of the top prize. Two spotlights hit the curtain.

♪ "Battle Without Honor" by Hotei ♪

As the song breaks builds and the beat drops Mikey Unlikely excitedly comes through the curtain, arms already in the air! The crowd comes to life with cheers. He's got green and white tights on.

Quite the turnaround for Mikey Unlikely here in DEFIANCE. The fans are clearly behind him tonight!

Mikey makes his way to the ring.

Coming to the ring first is the CHALLENGER! Hailing from Hollywood, California. Weighing in at 230 lbs. He is the WORLD'S GREATEST SPORTS ENTERTAINER! This is MIKEY UNLIKELY!

### Angus:

I'm just glad he stopped with the huge elaborate entrances. It's too much. We're here to wrestle and to HOSSFITE, that's it. We're not here for sports entertainment purposes! DEFIANCE is much more than that!

The lights go out in the arena before flashing black and white fills the centre of the stage, immediately bringing Kendrix into view with his back facing the ring. His index fingers point to the sky before he turns to face the arena with that smirk.

**DDK:**

There he is, the FIST of DEFIANCE, making his way toward the ring and in his own words, looking to make quick work of Mikey.

**Angus:**

The Hollywood Bruvs are no more, Keebs, Kendrix made certain of that with some brutal and unexpected beat downs on Mikey. But, as much as I'm shocked, Mikey hasn't backed down, he's still standing and ready for a fight tonight.

Jesse hops down from the turnbuckle, having rudely waved his closed fist at his less than adoring welcome from the DEFIANCE faithful he readies himself with some rather lacklustre stretching in his corner.

As the music fades and the lights come up the official meets both competitors in the ring. He reminds them this is a No Disqualifications match. He takes the FIST from Kendrix before holding it up in the center of the ring.

Mikey warms up in his corner, stretching over the ropes. Kendrix looks over at him and sneers.

**DDK:**

We've come a long way in a short time from The Bruvs. Mikey couldn't believe when his friend turned on him. He even tried to reconcile just to be attacked viciously again! Now whether it's for revenge, or for the FIST Mikey Unlikely gets his chance against Kendrix.

**Angus:**

Likewise Kendrix has the opportunity to finally separate his name from Unlikely. For as long as we've known both of these guys they have always been attached. With Hollywood, Hulu, and all the stupid things McFuckboi appears on, he casts a very large shadow... which is the real catalyst that got us to this point partner!

Benny Doyle signals for the bell.

**DDK:**

For the first time ever, Bruvs collide!

Mikey and Kendrix begin to circle the ring. Mikey with a pep in his step, Kendrix a little more calculated. The two size each other up before moving toward one another. As they do a "Mi-Key" chant breaks out across the arena which stops the pair. Mikey smiles, Kendrix scoffs. JFK drops to his knees and puts his fists up, as if now he's Mikey's size. Mikey is hardly offended as the pair go towards one another again.

**Angus:**

Please tell me this isn't a posing contest.

Finally a lock up in the middle of the ring, and Kendrix immediately pushes Mikey off and down to his back. He flexes as Mikey rolls to his knees. Mikey gets right up, recalculates and locks up again. Same thing happens. Mikey to his back and rolls through.

**DDK:**

Unlikely is unable to match power with the FIST of DEFIANCE.

**Angus:**

He should have known that coming in.

Once more Mikey shakes it off and wants to lock up. Kendrix is happy to oblige. They go to Lock up but Mikey ducks instead, when Kendrix misses the lockup and is off balance Mikey pops up and slaps him whole handedly across the face before backing up. The smack is loud and heard across the arena and a quick "Ohhhh" comes from the fans.

He caught him flush! Kendrix is caught by surprise, but look at him now!

Oh he's pissed!

Kendrix takes off after Mikey who dives through the ropes to the outside, JFK follows him, Unlikely circles the ring before sliding in the other side. JFK does the same thing and Mikeys there to catch him with a stomp to the back of the head.

Kendrix gets up through the onslaught but Mikey is putting punches and kicks into the back of JFK. As the FIST reaches his feet, Mikey hits the ropes and tries to come back with a flying cross body to knock the champion back down. Instead Kendrix catches him in mid air.

**DDK:**

Uh Oh! JFK has him!

**Angus:**

This isn't going to end well!

In fact JFK smiles as Mikey shakes his head no! Kendrix takes a few steps, turns and slams Mikey down with a powerslam variation. Unlikely arches his back off the mat after impact, obviously in pain.

Kendrix gets up and faces the crowd.

**Kendrix:**

How else did you think this was gonna go, Bruv?

He turns around, grabs the Hollywood stars arm, and twists his wrist as he pulls Mikey to his feet who cries out in pain. Kendrix says something to Mikey before hitting him with a short arm clothesline. Kendrix doesn't release the hold on the arm however, he pulls him to his feet again. Pulls for another clothesline, but Mikey ducks it, spins behind JFK's back. He pulls his arm that Kendrix has locked causing JFK to spin towards him, then Mikey puts a thumb to the eye of the champion. This finally breaks the wristlock. Kendrix stumbles holding his eye with his hand as the crowd laughs.

Unlikely runs and hits a dropkick. Kendrix stumbles and falls through the ring ropes to the outside.

**DDK:**

He got him! Kendrix falls to the outside. Mikey taking a moment to catch his breath.

Kendrix gets to his feet. Kicks the guardrail he's near. He walks up the ring steps and gets back into the ring. Mikey who's made it to his feet as well keeps his eyes on his opponent.

The two take a beat and begin to circle again. After a quick lockup, Kendrix this time wastes no time lifting a knee into the gut of the challenger. He sends him into the turnbuckle with an irish whip. Kendrix follows him in with a clothesline. This sends Mikey out of the turnbuckle trying to collect himself, Kendrix seizes the opportunity.

**DDK:**

He lifts him up. Body Press over his head! Look at the power of the FIST.

Kendrix talks trash with Mikey up in the air before slamming him down into the ring. Mikey's back clearly hurts again, he tries rolling to the outside to escape JFK, but the FIST follows him outside and from the ring apron drops a forearm across the back of Mikey, sending him face first to the floor on the outside.

Kendrix picks him up quickly, and drops him neck first across the fan barrier. Mikey holds his neck as he chokes. Official Benny Doyle tries to get JFK off of him, but Kendrix knows it's no DQ.

**Angus:**

Like him or hate him...and I hate him... but JFK can be relentless when he's not being a douche.

**DDK:**

You're right partner, Kendrix is big and strong, he's smart, and he's very dangerous. However after teaming up with Mikey for several years, you have to think he's got the inside track on JFK.

**Angus:**

Not thus far.

Mikey tries crawling away from the FIST but JFK grabs a steel chair. The crowd gets to their feet trying to see. Mikey stands up next to the ring, using the ring post as a balance. Kendrix lines up the shot to hit Mikey's head in between the chair and the ring post.

**DDK:**

**Kendrix:**

**DDK:**

Too close on that one! He clearly doesn't care if he destroys his former friend. This isn't about the title to Kendrix, this is much bigger!

Mikey takes advantage. As Kendrix isn't paying attention he comes running down the ring apron, he had time to hop up on and takes down Kendrix with a sloppy diving clothesline to the floor.

The crowd gets excited.

Mikey sees Kendrix hold the back of his head and pounces on his chance, grabbing his opponent by his hair knot and bouncing his head onto the guardrail, sending Kendrix on a wobbly walk about towards the ring steps.

**Angus:**

McFuckass is giving some here, Kendrix looks totally unprepared for this aggressive side we're seeing from Mikey so far.

*CLAP CLAP, CLAP CLAP CLAP!*

Mikey takes in the crowds encouragement as Kendrix rolls back out of the ring and crawling away on all fours. Mikey soon follows his opponent, scouts him as Kendrix pulls himself up on by the apron. Mikey charges but Kendrix catches him just in time and helps Mikey run straight into the steel steps.

**Angus:**

Now he's in trouble. Mikey should have ignored the crowd reaction to him. He took his eyes off the ball.

Jesse shakes off the blows he took to the head and pounces on Mikey, who's holding his knee in pain. Kendrix doesn't help with a couple of stomps to the injured area. He helps Mikey up against the apron and runs a knee into his former bruv's gut, doubling the challenger over and straight into a vicious double arm DDT head first onto the ground.

**DDK:**

Dear god, what impact. And Kendrix is sat down beside Mikey, smiling. That's his best friend!

**Angus:**

Keeps, I know it's difficult to imagine still, but the Hollywood Bruvs are done. Kendrix only cares about one man now and that's himself.

Kendrix now rolls Mikey into the ring and covers the lifeless body of his opponent. The ref drops to his knees.

**DDK:**

KICKOUT FROM MIKEY! Kendrix wanted to finish this as efficiently and as quickly as possible and the champ is not happy with the count.

Kendrix, getting to his feet, frustratedly holds three fingers in the refs face but receives an adamant two back from the official.

Mikey throws his arm up to the middle rope trying to pull himself up but the effects of the DDT have taken a lot out of him. Regaining his composure, Kendrix helps his former best friend up backfirst against the ropes with a chop across Mikey's chest which echoes around the arena. He connects with another before irish whipping Unlikely to the opposite ropes, he bounces back and walks straight into a swinging neck breaker.

**DDK:**

Mikey is in big trouble here, the momentum firmly with the champion now.

**Angus:**

Surely it's only a matter of time now, Keeps. What's Kendrix up to?

As Mikey tries to recover in the ring, Kendrix rolls out, reaches underneath the apron and retrieves a table.

**DDK:**

That can only mean no good.

However, as he props the Table up against the bottom rope, Mikey bounces off the opposite ropes and hits a baseball slide luscious against the table which knocks the head of Kendrix sending the FIST back first into the guardrail. The ringside fans adding insult to injury, hurling abuse at the hurt champion.

**DDK:**

Mikey's not resting on his laurels, here he goes again, SUICIDE DIVE!

Looks like Mikey's taken a leaf straight out of JFK's book and he hit it flush, both men down on the outside!

The crowd chanting along to the official's ten count. Both men need to get back to their feet.

**Angus:**

Well, technically, neither need to get up and I'm not quite sure why the ref's counting...this is no DQ!

Mikey is the first up to wobbly feet at the count of five and he helps Kendrix up off his knees before returning a chop across the FIST's chest as the crowd near by love what they're seeing.

Mikey looks like a man possessed, chop after chop after chop.

**Angus:**

JFK's chest is lighting up!

**Mikey Unlikely:**

Aaaaahhhhhhhh you wanted this! YOU GOT IT BRUV!

Kendrix stumbles out of harm's way momentarily, holding his chest in agony as he walks over to the rampside of the ring. Mikey soon notices his opponent trying to escape and follows, then runs and clobbers the champ with a forearm to the back of the neck, sending the champ down against the steel of the ramp.

**DDK:**

Momentum has shifted for sure and it's the challenger who's bringing the fight to the champ who looks like he wants none of an emotional and fired up Unlikely here tonight.

**Angus:**

I genuinely can't believe what I'm seeing. The arena is right behind McFuckass...hell...I think I may even be behind Mikey here!

**DDK:**

I never thought I'd see the day.

Nodding his head along with the admiration from the crowd, Mikey implores Kendrix to get to his feet as he stalks his opponent. Jesse begins to oblige as he gets to all fours. Mikey charges, looking for the running knee but Kendrix reacts, lifting Mikey up, over and down hard on his back upon landing!

**DDK:**

OHH, that was flesh against steel. Mikey landed hard on this back!

Having fallen on his behind executing the move, Kendrix is quick, albeit groggily onto his feet and wastes no time in letting Mikey recover at all. Grabbing Unlikely by the hair he whips him hard into the apron, back first, sending mikey bouncing off and down face first to the ground. Jesse looks over at the vitriol from the fans to his right and waves them off with a rude shake of his closed fist.

**Angus:**

Mikey is holding his back, he's hurt Keeps.

Kendrix wipes his hand across his lips, sensing the beginning of the end of this match. That smirk appears.

**DDK:**

That can't mean anything good coming up for Mikey here.

Kendrix moves back over and grabs the table they left lying earlier in the match. He moves it perpendicular to the ring and sets it up. Mikey around the ringpost is finally getting up, still favoring his lower back. Kendrix drives a forearm home before dragging Mikey to the table.

**Angus:**

What's he thinking of doing here?

Kendrix puts Mikey's head in between his legs.

**Angus:**

Powerbomb! Classic!

JFK lifts the challenger into the air, but Mikey slips over top and lands on his feet behind Kendrix. The fans get excited.

**DDK:**

Mikey escaped! Here it comes. Mikey with the superk....no! Kendrix pushes the foot away, spins Unlikely around and EUROPEAN UPPERCUT. Wow you could hear that one all the way up here. Mikey is on wobbly legs.

Kendrix goes to grab Unlikely again but Mikey drops to a knee and brings his arm up between Kendrix's legs.

**Angus:**

OHHHHHHHH

**DDK:**

Well that's one way to stop a champions momentum.

Kendrix falls to the ground clutching his groin. Mikey stays on one knee and catches his breath. Referee Benny Doyle leaves the ring to check on both men. He warns Mikey against the low blow, but it's no disqualifications.

Mikey is up first and he's pulling on Kendrix head to get him up. He rolls the reigning FIST into the ring. Unlikely hops up onto the ring apron and does a slingshot legdrop across the throat of the champion.

**DDK:**

Kendrix kicks out at two. Mikey quickly gets to his feet waiting on Kendrix. When the FIST gets up Mikey comes running and catches him a bulldog, driving him right back down to the mat, Mikey gets up again getting fired up now. The crowd is with him every step of the way. Kendrix starts to get up and Mikey comes running again.

**DDK:**

Here comes the challenger again, he's got a lot of steam... Spinning wheel kick! What a move! Kendrix is knocked to the corner this time back first. **HERE COMES MIKEY WATCH OUT!**

Unlikely dives towards the corner but Kendrix sees' it coming. He ducks and lifts Mikey high into the air using his own momentum, Mikey comes back down feet first on the ring apron. When he turns around Kendrix comes running with a clothesline to knock him down to the outside apron.

**Angus:**

HOLY SHHHIIIT, I STAND CORRECTED!

**DDK:**

ALL HE'S GOTTA DO IS COVER THE FIST OF DEFIANCE HERE AND WE'VE GOT A NEW CHAMPION!

**Angus:**

He's got to get him in the ring first partner!

On the outside Mikey slowly turns over onto Kendrix trying to get a cover. Benny Doyle rushes over to tell Mikey there are no pinfalls outside. Mikey slaps the mat in frustration and uses all he has to pull Kendrix to his feet and push him into the ring.

**Angus:**

Valuable time being wasted here Keeps! Nothing he can do though, he has to get him into the ring.

Unlikely gets into the ring and makes the cover again. Benny Doyle slides back in time.

ONE...

TWO...

**DDK:**

KENDRIX GETS HIS FOOT ON THE ROPES! OH MY THAT WAS CLOSE! WE ALMOST HAD A NEW FIST OF DEFIANCE!

Mikey sits up with a look of shock on his face. He puts both hands over his eyes and laughs. He stands up and runs to the turnbuckle. Once more he goes to the top.

**DDK:**

What's he got in mind here?

**Angus:**

Same thing Keeps, When you find a weakness you exploit it. JokeFK is holding his neck, he's feeling the effects. Unlikely SHOULD be going for the same thing.

It's True, as Kendrix makes his way to his feet, holding his neck. Mikey once again dives at what feels like the right time.

**DDK:**

He's doing it again! NOOOOOOOOOO!

Kendrix catches him this time with a Bellend in mid air!

**Angus:**

GOODNIGHT!

Both men are laid out flat in the ring as Benny Doyle frantically checks on both competitors, the crowd get behind what they're seeing from both men.

Fight Forever!  
Fight Forever!

Kendrix is the first to come to. His eyes open wide at the sight of Mikey's shoulders sprawled across the mat. He rolls his arm over sluggishly atop Mikey's chest.

ONE...

TWO...

**DDK:**

HE GOT HIM! NO HE DIDN'T!

Mikey kicks out at the last moment. Kendrix holds his hands to his heads before kicking his feet out in front of him like a spoilt brat. He gets right up in the face of Benny Doyle. He bickers with him about the three count. Mikey rolls out of the ring, badly hurt and falls to the arena floor once more.

**Angus:**

The FIST NEEDS to follow up on that attack now! We just said how Unlikely was wasting time! DO THEY NOT LEARN FROM US!?

Mikey is half under the ring apron on the floor. He begins to stir after a moment. He sits up, back to the ring. Kendrix finally moves over, bends over and reaches through the second rope for Mikey's head. Mikey Swings upward and that's when we see the chair.

**Angus:**

YES! Ha! Wait....Ugh....Whatever...

Mikey hits Kendrix flat on the top of the head with a steel chair he got from under the ring. The shot sends Kendrix back into the ring, falling onto his back. Mikey stands up and holds the chair high into the air as the crowd goes nuts again.

**DDK:**

The challenger sliding into the ring with that chair now. He's pounding it on the mat!

**Mikey Unlikely:**

Come on Motherfucker!

There's a large swell in the crowd, Mikey seems to have won most of them over completely. Kendrix gets up, Mikey swings again, connecting flush! JFK drops again.

**Angus:**

TWO IN A ROW! STRAIGHT TO THE DOME!

When Kendrix begins to get up again he's bleeding profusely. Flowing from the top of his head.

**DDK:**

This is not good for the FIST. Kendrix is up! Mikey lifts the chair again!

Unlikely reels back as if he's going to swing again, but Kendrix drops to his knees with his hands in front of him in prayer motion.

**Kendrix:**

Wait! Wait! Mikey! Mikey! We're Bruvs! THE HOLLYWOOD BRUVS! DON'T DO THIS PLEASE!

makes sure Unlikely is ok. As Mikey gets to his feet the fans go crazy for him. They cheer him once more.

“MIKEY! MIKEY! MIKEY! MIKEY!”

We go off the air however to another shot of Kendrix on the top of the ramp, staring back down at the ring at his former partner. Holding the title high.

**Kendrix:**

I'm better than you! OBVS!

**DDK:**

Thank you for joining us folks for MAXIMUM DEFIANCE! Another HUGE show for us! Make sure to catch us on DEFTV!

**Angus:**

Hopefully, Kendrix isn't there!
