Let's go!

## LUCKY SEVENS vs. GENTLEMAN'S AGREEMENT

**DDK:**

Lets, Lance! After what we have been seeing out of The Lucky Sevens quest to become the best of the tag team division in DEFIANCE Wrestling, I bet they're happy to have an actual match.

**Lance:**

They've been involved in these wacky adventures with the Pop Culture Phenoms where they wanted to trade a guest spot in ... whatever we saw with the PCP in that Tiger Queen movie in return for a match with one of DEFIANCE Wrestling's best tag teams. That didn't pan out, but Gentleman's Agreement seemed to take umbrage with the fact the twin giants were having fun instead of wrestling.

**DDK:**

Well I think that Gentleman's Agreement may have gotten more than they bargained for tonight. They are technicians against powerhouses so we'll have to see if they can pull off the win tonight. I also understand that after the brothers visited Netflix headquarters earlier this week to hear this deal that Mason Luck announced, they'll be addressing that later this evening. But first they'll be looking to handle business in the ring!

**Quimbey:**

The next match is a tag match and is for one fall! Introducing first at a combined weight of four-hundred and sixty pounds. They are Lord Sewell and Oliver Tarquin Monroe! They are The Gentleman's Agreement!

♪ "Land of Hope and Glory" ♪

The older technician Lord Sewell and the ritzy kid OTM get some jeers from the DEFIANCE Wrestling Faithful and doesn't pay any attention to them as he walks on down to the ring. Sewell wipes his feet on the ring apron and then he makes Monroe do the same before he makes his student hold the ropes open for him. OTM does this and Lord Sewell enters the ring first. Both men are now inside and they await their massive opponents. The arena lights up with several lights shining in various shades of red, green and gold and looks like the fans hit the jackpot ...

The lights come back on and the fans are now standing in amazement and the fans look on at the two seven foot tall men on the entrance ramp, standing back to back arms folded. The two appear to be identical twins that both have brown hair and matching goatees. One twin wears red thigh length trunks and gold boots, the other wearing green and gold boots and both with "777" across a pair of weight belts. Both brothers turn and raise the signature "Winning Hand" to the fans that cheer them now.

**Darren Quimbey:**

Both giants step over the ropes but they are not expecting their opponents to make the first move but they do! OTM hits a drop kick to Max when he tries to enter the ring and sends him flying off the apron. Meanwhile Sewell goes for the eyes of Mason Luck and rakes them.

**DDK:**

So much for Gentleman's Agreement living up to their name! They attack at the bell which I think might be the best chance that these two have to win!

*DING DING DING!!!*

Lord Sewell and OTM do not wait long for the bell to ring and it is Mason Luck finding himself on the receiving end of both of Gentleman's Agreement attacking them. Sewell and Monroe are both hitting Mason with everything they have. The official tells OTM or Sewell to leave the ring at once or they will both be disqualified. OTM wants the chance to prove himself so Lord Sewell returns to his corner. Oliver uses some of that training that he has received from BRAZEN and from his trainer and uses uppercut forearms on Mason.

**Lance:**

This is a real massive opportunity for Gentleman's Agreement tonight! Mason and Max Luck are thus far undefeated as a team and in singles in DEFIANCE Wrestling and this would do wonders for their careers.

**DDK:**

OTM staying on Mason with those forearm uppercuts. He's not letting up.

Monroe grabs onto the leg of Mason and looks like he wants to try a leg whip but Mason pie-faces him out of the corner. Monroe gets back up again and he tries to go for the leg once again but Big Mase isn't having any of that and slams OTM's face into his knee. He gets rocked from one blow and then Mason hits the ropes to knock him down with a big shoulder. Mason reaches over and makes the tag to the returning Max Luck who was just coming back around after the attack earlier. Both brothers shoot OTM into the ropes and run him down with a double shoulder. They both pose for the crowd with some flexing and get the crowd going!

**DDK:**

The Lucky Sevens are looking good right now after a rocky start!

**Lance:**

And now Max is all over Oliver.

He picks OTM off the mat and drops him with a big slam, then he gets taken up and then slammed into the mat with a big gut wrench into another slam. Max is looking around to all sides of the crowd and then makes a sound like the Netflix intro -- given the brothers recent adventures -- and then he hits the ropes and drops the big Box Car Elbow!

Lord Sewell is concerned for the well being of his pupil now getting picked up and then put back into the corner of the twins. Mason get a tag from his brother and then the two pick up Monroe. They hold him up in a double vertical suplex and then turn it into a toss across the ring!

**DDK:**

Wow! There goes Monroe! He didn't even have to pay for that flight!

Mason and Max double high five and then Max goes back to his corner so that Mason can try and pin OTM.

One ...

But it is Lord Sewell to the rescue by elbowing Mason's back. He throws blow after blow after blow onto Mason's back and then stands up to stomp him while he is down. The official orders him to go back to his corner.

**DDK:**

Wow look at Lord Sewell! He sees this opportunity to win and won't pass it up!

He even goes after Mason's eyes and rakes them both which gets the official on him again that he's about to be disqualified. Lord Sewell backs away and as Mason hobbles back up and grabs his face, Oliver has managed to get up to take the leg out from Mason with a drop kick behind him. Mason has been brought down and he makes a tag to Lord Sewell who is finally in legally ... and then he goes right back to clawing Mason's eye!

**Lance:**

Lord Sewell better be careful or he's going to get disqualified!

**DDK:**

I think so!

Lord Sewell goes for the neck with a cravate and then hits knees to the face of Mason. After several more knees land, Lord Sewell continues his hold on the neck and then puts Mason down with a DDT on the canvas. Max Luck is watching his brother get picked apart by the two men. Lord Sewell has tagged to Oliver Tarquin Monroe and then he leaps and hits a spring board drop kick as Mason tries to stand. Mason gets down again and now that he is on his way back, he goes for the cover on Mason.

**DDK:**

Close one now that Lord Sewell and Oliver Tarquin Monroe are on the attack. But Monroe is not done yet!

Mason is trying to get back to his feet when Oliver hits another drop kick to his back that puts him in the corner. OTM then goes to the middle rope right by Mason and hits a Tornado DDT to bring him down.

**Lance:**

Another drop right on the head! And he's going to try and pin Mason again.

One ...

**DDK:**

Another close one!

Mason uses his power and pushes him away, but he's seeing stars after the tornado DDT when he sits up. Oliver tags Lord Sewell and then both men try to get Mason on his feet while they can. They get the giant in and then take him into the ropes but when they try to hit a double clothesline he rips right through it and then comes back to mow them down with two clotheslines of his own. Mason holds his head and then makes his way to Max who is now ready to fight!

**DDK:**

The tag made to Max and the crowd is liking this! He's going up top!

Both Lord Sewell and Monroe are slow to get up and when they do Max comes off the top with the Check-Raise! The

Mason and Max look at one another then Max looks back at Pauly.

Cheers come up from the crowd with the announcement.

**Mason Luck:**

Right now we're focused on being the best team here and the way to do that is to fight through this roster one team at a time until we're wearing what the Sky High Titans have right now and that's the Unified Tag titles!

He gives his microphone over to Max and he adds on to his sentiments.

**Max Luck:**

Look I'll be the first to admit I love that guy! Pauly Shore is my favorite answer to 90's trivia actors and it would have been awesome to do this role, but we haven't been here long. We have made DEFIANCE Wrestling our home and we didn't come here to just leave overnight. We're not worried about casting couches or using this sport to jump off to

some other business like other people! Wrestling is in our blood and at the end of the day, The Lucky Sevens are wrestlers first!

Max bumps fists with his brother.

**Max Luck:**

So I say bring on all the competition you can because Max and I are coming for those titles soon! We won't until we put our names in the history books!

Max and Mason raise their fists and then they leave for the back.

**DDK:**

Well there you have it! I'd have to call that very admirable! They want to work to get to the top first! They gave Hollywood the cold shoulder for now to focus on competing in DEFIANCE Wrestling!

Well next week on DEFtv the fans are going to choose Mikey Unlikely's Brazen opponent! That's exciting! At least he can't plan for any variables. Folks head on over to DEFIANCEWRESTLING.COM and help us pick a winner!

## RETURN TO DEFIANCE 10:00-15:00

**Jestal:**

Dani can you let go?

Dandelion squeezes even harder!.

**Jestal:**

GET OFF ME!

The jester shoves her off. She continues to look around very uncomfortable with where she is right now. Or for that matter WHEN.

**Jestal:**

Relax, Dandy lets see if we can find someone we know, and maybe we can figure out just what exactly has been going on around here this past year.

Dandelion reluctantly nods her head, still concerned as another Defiant passes her by that she does not recognize.

The two resume their walk down the aisle, almost like they are in a dark hallway and have no idea what could be lurking around the corner.

**Jestal:**

DANI!

The doll jumps in fright and slaps Jestal in the head. Staring down at him with hatred in her eyes.

**Jestal:**

OUCH!

Dandelion motions with her hands a bit.

**Jestal:**

Jestal points to a promo poster of MAXDEF. On the poster is Mikey Unlikely and Lindsay Troy.

**Jestal:**

MIKEY HE IS STILL HERE! See...see someone we know.

Dandelion rolls her eyes at her brother.

**Jestal:**

Now look, Mikey gave me my break in the UTA. Least you could do is be grateful DEFIANCE hasn't run him out of here.

Dandelion looks away with her arms crossed not impressed at the least.

**Jestal:**

Look at this good old Mikey is THE FIST! Would ya look at that, good things truly do happen to good people.

Dandelion looks at Jestal clearly shocked at the nerve Jestal has to even say Mikey and good people in the same sentence.

**Jestal:**

Check it out who is this woman?

Dandelion looks at the poster through her peripherals for a second. She then turns to the poster also wondering the same thing. The two stare at the poster deeply entranced in it.

Camera shots of the Toybox staring at the promo poster from different angles play in a loop for a couple of minutes.

**Jestal:**

It's good to see you Oscar...and...

Jestal snaps his fingers a few times as he looks at Batts.

**Jestal:**

And Ah...

**Ryan Batts:**

Batts. Ryan Batts. You know who I am. You fought the WrestleFriends over the Tag Titles and you attacked Mace and I, you demented freak!

Jestal whispers something into Dandelion's ear. Clearly it can be heard by the, not too impressed Batts.

**Jestal:** {whisper}

Oscar must have gotten pretty big, he has a bag man now.

Dandelion nods in agreement.

**Ryan Batts:**

I am not a bag man, you idiot!

**Jestal:**

Sure you aren't, anyway Oscar can you tell your help to stop talking we need answers.

Batts rolls his eyes so hard, they might fall out of his head. Oscar puts up his arms...

**Oscar Burns:**

Look, GC, I haven't forgotten either what you did to Jackie and Batts. I got to hurry up because I heard Lindsay Troy has something she needs to say to me, so, let's speed this up yeah?

**Jestal:**

Oh, the woman on the poster you mentioned. Just who is she?

**Oscar Burns:**

You know... former FIST of DEFIANCE. We're currently in a thing where we want to fight each other?

Jestal and Dandelion nod as they listen to Oscar's story.

**Jestal:**

Interesting...

He whispers to Dandelion.

**Jestal:**

Great, it appears 2020 is hiring old Defiants to take the spotlight from the rest.

Oscar Burns completely facepalms.

**Jestal:**

Anyway, tell us, Oscar, do you know anything about the weather?

**Oscar Burns:**

Yeah nah. I'm not a meteorologist, GC.

**Jestal:**

Can you help us?

Jestal puts his arm around Oscar bending him down. Putting his arm out in front of him as he says...

**Jestal:**

We need to get BACK TO THE PAST!

Dandelion motions a bit with her hands. Jestal and Oscar stand straight up and Jestal responds to Dandelion.

**Jestal:**

Dandelion motions a few signs to Oscar.

**Oscar Burns:**

**Jestal:**

**Ryan Batts:**

Nah, it's really not. I've heard some F Bombs. Like a LOT of F-Bombs.

Dandelion puts her hands on her hips clearly not amused by Jestal. The clown continues to ignore anything Ryan Batts has to say.

**Jestal:**

Well, clearly time travel is not in the wheelhouse for you Oscar Burns...maybe your bag boy knows how to!

Batts sighs to himself.

**Ryan Batts:**

I am not a bag boy. I've BEATEN you clown in a singles match when you had the Tag Titles!

Jestal smirks. Still not really paying attention to what Ryan really has to say.

**Jestal:**

It's ok we all need to find work no matter how tedious it may be.

**Ryan Batts:**

Do you want me to break your arm?

Jestal puts his hand to the side of his mouth trying to block off his conversation with Batts as he tries to talk to Oscar.

**Jestal:**

Boy, you must have a hard time dealing with this angry employee of yours. Who took away his milk from his cereal?

Batts who clearly heard what Jestal said to Oscar interrupts.

**Ryan Batts:**

You hit me and Jackie with a loaded rubber chicken! A rubber chicken I'm gonna shove right back up your...

Jestal's eyes widen, he quickly grabs Batts by the shoulders and shakes him.

**Jestal:**

Clucky you have seen CLUCKY!?

He shakes Batts back and forth, further enraging Bantam.

**Jestal:**

Dandelion did you hear that? Clucky is here! NEW MISSION The Search for Clucky!

Dandelion rolls her eyes, The Toybox starts to walk away from Burns and Batts. Jestal flips a quarter into the palm of Batts.

**Jestal:**

Thanks for the tip.

Batts stares at the coin now completely lost in rage. Suddenly Jestal pops back into the picture and takes the coin out of Batts hand.

**Jestal:**

Sorry, I want to get a pop, thanks...BYE!

The blood of "Bantam" Ryan Batts is about to boil over, but he does some quick breathing before looking at Burns.

**Ryan Batts:**

Oscar... are we still good guys? Can I just rip his arm off and beat him with it right now?

**Oscar Burns:**

GC... yeah, we're still good guys. You only go hard out if they attack you first.

**Ryan Batts:**

...Damn it.

The Toybox was able to find someone they know and find out a bit about Lindsay Troy in the process. Who will cross their path next? Did Clucky truly follow them into the "Future"?

## "BLACK OUT" PATRICK CASSIDY vs. RICHIE DUNSON

### **DDK:**

Next up, ladies and gentlemen, we're going to have the debut of one of DEFIANCE's latest signings - the rookie known as "Black Out" Pat Cassidy.

### **Lance:**

We saw this guy last week on Uncut, but other than that, he's a relative unknown Darren. I'm looking forward to seeing what he's all about in his match against BRAZEN's Richie Dunson - right now!

### **Darren Quimbey:**

The following contest is set for one fall! Already in the ring, being accompanied by Todd and Paul Dunson...from Mt. Hope, West Virginia, weighing in at 215 pounds...RICHIE DUNNNNNNISON!

In the ring, Richie Dunson throws his hands in the air. He receives a big round of applause...from his father and brother who are standing ringside.

♪ "Gonna Be a Blackout Tonight" by The Dropkick Murphys ♪

"GONNA BE A BLACKOUT!" cries the lead singer of The Dropkick Murphys as the song kicks into gear and "Black Out" Pat Cassidy emerges from the back. Cassidy, as a rookie and a newcomer to DEFIANCE, doesn't receive much of an ovation from the crowd, but it doesn't seem to bother him.

### **Darren Quimbey:**

And his opponent: from Boston, Massachusetts and weighing in at 240 lbs - making his DEFIANCE debut: "BLACK OUT" PAT CAAAAAASSIDY!

Cassidy walks down the entrance way with purpose wearing the faintest hint of a smirk and a laser focus on Richie Dunson. Cassidy rolls into the ring and heads to his corner. He paces around eagerly waiting for the match to begin.

The bell rings and Cassidy moves to the center of the ring with hands held high and ready to fight. Richie, by contrast, heads to the ropes and kneels down for a quick strategy session with his father Paul and brother Todd. Cassidy, seeing through this pretty obvious stall tactic, points to Richie and gestures to the crowd in a "this frickin guy" manner. Finally, Cassidy grows impatient and walks over to Richie, pulling him away from his family and knocking him to the mat with a stiff right hand!

### **DDK:**

The newbie doesn't have much patience for the Dunson Family's antics!

Richie rebounds to his feet, and Cassidy is there to meet him with a "let's get this show on the road" gesture. An angry Richie gestures for Cassidy to lock up, and Cassidy obliges. Black Out brings Richie around in a hammerlock, which Richie turns into a headlock. Cassidy uses his larger size and momentum to send Richie off the ropes and catches him on the rebound with a back body drop! The smaller man flies high into the air and hits with the mat with a thud. Dunson quickly scurries out of the ring, taking refuge among his ringside family and looking to break Cassidy's building momentum. Having absolutely none of this crap, Cassidy rolls under the bottom rope, grabs Dawson by the head, and flings him violently into the ringside barrier! Cassidy has a brief staredown with the Dunson family, with Todd acting as if he is ready to brawl with Cassidy but Paul holding him back. Cassidy rolls Richie back into the ring.

### **Lance:**

So far, we are seeing some serious aggression out of this newcomer.

Back in the ring, Cassidy executes a crisp snap suplex on the smaller Dunson, and immediately goes for a cover!

**ONE!**

Not deterred by the kickout, Cassidy hops back to his feet, measuring the still downed Dunson. As Richie attempts to stand up, Cassidy is there to meet him with a strategic forearm smash to the back of the head!

Dunson, stunned by the headshot, rolls over to the ropes and uses them for leverage to get to his feet. Cassidy springs off the opposite side of the ring, attempting to fly towards Dunson with some sort of offensive maneuver, but is tripped up by the crafty Dunson patriarch Paul on the outside!

**DDK:**

Paul Dunson, the veteran, is not about to allow this rookie to look strong at the expense of his family.

Cassidy lands face first on the mat, and Benny Doyle immediately moves into position to admonish Paul Dunson. Cassidy pushes Doyle out of the way to invite Paul into the ring if he wants a piece, but Paul declines. Satisfied, Cassidy turns around - right into a sitout jawbreaker by Richie Dunson! Cassidy is down and the momentum has shifted.

**Lance:**

You've got to believe Pat Cassidy's inexperience is showing - allowing the Dunsons to distract him long enough to take control of the match..

Looking to take advantage of the bigger man being off his feet, Dunson moves into position to put Cassidy in a headlock. Richie bears down with all his might as Cassidy's arms go up in an attempt to power out. Due to his larger size, Cassidy is able to get up to one knee, and then finally back to standing. With Dunson's headlock still locked on, Cassidy lifts the lighter man up, attempting to bring him down with a back suplex - but Richie Dunson lands on his feet! Thinking quickly, Dunson hooks Cassidy in a schoolboy roll up pin! To gain the extra advantage, Richie reaches up and uses the nearby ring ropes for leverage, conveniently out of Benny Doyle's line of sight.

**ONE!****TWO!****THR-KICKOUT!**

Energized by that close near fall, Richie yells "watch this!" to his family and/or The Faithful, and springboards off the second rope, flipping over and heading toward Cassidy with a moonsault!

Cassidy, however, has his wits back about him and catches the smaller man in mid air! Now holding Dunson over his shoulder, Cassidy turns and drops him over a nearby turnbuckle with a snake eyes! Cassidy sends Dunson off the ropes, meeting him in the center of the ring with a kitchen sink knee to the gut. Dunson lands in a seated position, and the relentless Cassidy gets a running start and drills a kick directly into Dunson's lower back! Dunson clutches his back in agony, and Cassidy drops a missile-like elbow directly into his head!

As Dunson lays on the mat in the pain, Cassidy signals to the crowd that this one is over. As Cassidy stands over Dunson, stalking his prey for what appears to be a big move incoming, Paul Dunson suddenly hops up onto the ring apron. Benny Doyle heads over to admonish Paul, and with Cassidy's attention diverted, Richie's brother Todd takes this chance to slip into the ring and plant the distracted Cassidy with a snap DDT! Todd quickly exits the ring before Doyle notices.

**DDK:**

Again, just as Cassidy is building a head of steam, the experience of the Dunsons comes into play. He's looking at loss here in his first match!

**Lance:**

**You'd hate to see it happen this way.**

**Paul Dunson jumps down off the ring apron, and now Doyle's attention is back on the match with both men down. Richie musters enough energy to drape an arm over the dazed "Black Out" Pat Cassidy!**

**ONE!**

**TWO!**

**THRE-kickout!**

With a look of determination in his eyes, Richie Dunson climbs back to his feet and then gingerly begins to climb to the top rope nearest to Cassidy's prone form. The crowd begins to buzz in anticipation for what big move the daredevil is about to pull out, and without milking the drama too much, Dunson comes off the top for his Top Rope Senton Bomb...

...but Cassidy rolls away at the last second, and Dunson collides with the mat!! As Cassidy is getting back up, Paul Dunson again hops on the apron and makes a big show to distract the referee, but this time Cassidy is ready and knocks Paul off the ringside apron with a stiff right hand! Paul collides with the ringside floor. Todd Dunson, seeing his father down, slides into the ring for another attempt at a sneak attack, but Cassidy sees *this* one coming. As Todd runs at Black Out, Cassidy is able to grab the back of his head and use Todd's own momentum to launch him over the top rope and out of the ring!

**DDK:**

"Black Out" Patrick Cassidy was ready for the Dunson's shenanigans this time!

**Lance:**

He's looking to end it here!

**With the Dunson clan dispatched,** Cassidy turns his attention to Richie, who is slowly pulling himself back to his feet. Cassidy stands behind Richie making a "come here" motion with both his hands. Once he is able to stand, Richie turns right into Cassidy's finish - THE IRISH GOODBYE! Grabbing Dunson across the neck area, Cassidy jumps up and falls backwards in a jumping reverse STO. Thanks to Cassidy's weight advantage and momentum, Dunson's head is DRILLED into the mat! He's out! Cassidy covers!

**ONE!**

**TWO!**

**THREE!**

After allowing Benny Doyle to hold his hand up in victory, Cassidy rolls out of the ring, thrusting both hands high in celebration as Paul and Todd Dunson enter the squared circle to check on their kin.

**Darren Quimbey:**

Ladies and Gentlemen, your winner by pinfall... "BLACK OUT" PAT CAAAAASSIDY!

Just before Cassidy is about to walk to the backstage area, he suddenly stops at the top of the ramp, looking back at the fuming Dunson clan in the ring. Cassidy thinks for a second, and then instead of walking to the back, he makes his way over to the DEFIANCE interview station!

**Lance:**

Pat Cassidy has claimed victory in his debut match - but it looks like he's got something to say here.

Cassidy has a mic.

**Cassidy:***(gesturing to the Dunsons in the ring)*

BOYS! Hey, guys! Call me crazy, and I may be way off base, but I...well, I think I sense some hostility here.

Inside the ring, Todd and Paul Dunon look toward Cassidy like he has three heads. What is this guy on about? Richie is still out.

**Cassidy:**

I can see in your eyes - you're a little upset. And I get it. I do! But there's no reason to be mad. Tonight, we had jobs to do. Your job was to try and kick my ass, and my job was to try and kick your ass. I just happened to do my job a lot better than you did yours.

A small cheer of approval for Cassidy's bravado rises up from The Faithful. He turns to the fans and lowers the mic from his mouth, mouthing "well, it's true!" Smiling, he raises the microphone back to his mouth and turns back toward the ring.

**Cassidy:**

BUT! Now the work is done. Another day at the office behind us. So let's let go of all those hard feelings and celebrate. Life's too short, fellas.

The Dunsons have no idea where this guy is going with this.

**Cassidy:**

I've only been in town for a short while, but I keep hearing that The Carousel on Royal is a happening spot.

A small pop from The Faithful confirms that this is in fact a true statement. Satisfied, Cassidy goes on.

**Cassidy:**

So whaddya say - meet me down there tonight after the show, and the first round is on me. Cheers, boys!

Cassidy drops the mic and raises his hands to a slightly larger ovation than the one he received during his entrance. He heads backstage as The Dunsons, still in the ring, can't figure out what to make of this guy's attitude.

## THE MISSING LINK

Backstage, we see Jamie Sawyers standing by the DEFIANCE interview backdrop. You can probably guess what's going to happen next.

That's right.

A hot dog eating competition.

Idiot.

### **Jamie Sawyers:**

Hello, DEFIANCE, I'm Jamie Sawyers and standing by at this time before their Unified Tag Team Title defense later tonight... please welcome... Presented by The Family Keeling, The Sky High Titans!

Stepping into view are Thomas and Junior Keeling. Unlike their typical happy selves, tonight they wear concerned looks on their faces. Behind them stand the Unified Tag Team Champions, "The Titan of Industry" Uriel Cortez along with his young, diminutive but talented partner, Minute. Minute's body language shows a bit of uncomfortability with the situation while Uriel taps him on the shoulder.

### **Jamie Sawyers:**

Guys... we understand that you wanted this time to address what Malak Garland showed. Minute, you were victorious against Garland and he vowed to keep the secret if he lost... then turned around and revealed it any way. This time is yours, so what would you like to address?

Junior Keeling takes the microphone and addresses the camera in front of him, talking directly to The Comments Section.

### **Junior Keeling:**

What you need to know is this, Jamie... Malak Garland is a fragile, whiny little snowflake pissant that thinks the world owes him something because he can't take his eyes off his phone. Malak, I suggest you put a window in your stomach so you can see things with your head jammed up your ass. You need to see that two weeks ago, you messed up. You revealed something that quite frankly wasn't your business and I don't know how you got those texts... but rest assured, we've got lawyers on top of it and they're going to be handling that in the courtroom. The Sky High Titans are gonna handle their business in the ring tonight against BADASS, then they're gonna be looking for the three of you.

Thomas then turns to Minute.

### **Thomas Keeling:**

What you need to know is this... we have handled the issue in-house, but this part needs to be said publicly as well...

He taps Minute on the shoulder.

### **Thomas Keeling:**

Minute... we owe you a massive apology. We shouldn't have been so hasty for something that wasn't your fault. The idea was kicked around briefly, but we came to our senses.

Uriel Cortez interjects.

### **Uriel Cortez:**

I made sure that happened. It's either both of us, or none of us where this team is concerned.

The big man now turns to Minute.

### **Uriel Cortez:**

Minute... I'm sorry that you had to be a part of that. Rest assured, I've talked to Thomas and Junior...

He glares at the both of them.

**Uriel Cortez:**

And the issue has been handled. When we formed this time, The Sky High Titans have become more than a team. This is a bond... no, this is a brotherhood. You've had my back more than anybody else here and I don't forget that. We won these belts together and what happened with the Pop Culture Phenoms was their fault, not yours and not ours. You're a gutsy little shit and I don't want anybody else by my side but you.

Minute nods in approval and holds out his fist and the two dab to a massive pop from the crowd.

**Thomas Keeling:**

That's all true. Tonight, The Comments Section can look at REAL champions. Team HOSS. The PCPs. Stevens Dynasty. Burns and Batts. Landell and Adler. They've taken on all comers and they've won time and time again. The Unified Tag Team Titles aren't going anywhere and...

Thomas stops when two men approach the set. The team from BRAZEN challenging for the titles tonight, BADASS. "The Bad Seed" Davis Bloome and "The Wise Ass" Tripp Wise both look on, Davis looking like his usual surly self and Tripp Wise with a grin so wide, it visibly irks Junior.

**Junior Keeling:**

...The hell are you smiling at?

Tripp gives them a wave.

**Tripp Wise:**

Hola, bitcholas!

**Davis Bloome:**

Look... we don't mean to interrupt. But we wanted to wish you guys good luck tonight. We fought hard to win that battle royale during the Double Shot last weekend and we're making our DEFtv debut tonight. Hope you guys got your house in order because Tripp and I want to win those at your very best.

Davis holds out a hand, along with Tripp. Uriel and Minute both shake their hands in return. Minute and Tripp shake hands peacefully, but when Davis starts to back off, Uriel holds onto his hand and pulls the BAD half of BADASS a little closer.

**Uriel Cortez:**

I saw that match you won and you guys have been tearing BRAZEN up... but we've been tearing people up here too that try and take these titles.

Minute nods along in agreement. After Uriel releases his grip, Davis nods while Tripp whispers next to his brother-in-law/tag partner.

**Tripp Wise:**

Dude... want me to hit him with an "oh, yeah?" That was a pretty dope sign-off line.

Davis groans and walks off while Tripp Wise turns to the foursome.

**Tripp Wise:**

...Oh, yeah?!

Uriel growls, then Tripp turns his head and bails along with his partner. Junior Keeling looks at Jamie Sawyers, standing there the whole time.

**Junior Keeling:**

TLDR version... BADASS are gonna get beat, then we'll be stomping The Comments Section right the hell out of DEFIANCE.

The foursome leave the set and head elsewhere as our show does the same.

## "GAMES MIND"

There is a loud commotion as the camera pans from Jamie Sawyers, who seemed to be waiting for someone to interview and is caught off-guard. Down the hall the SOHER Champion Gage Blackwood enters the building. He has gray jeans on and his trademark "THERE IS NO TOMORROW" t-shirt. He does not look to be in a good mood.

Blackwood kicks a dumpster. Then he throws his belt into the wall. He looks directly down the hallway at Jamie, who is standing there like a deer in the headlights.

What once looked like Jamie was (potentially) going to ask Gage a few questions, he clearly backtracks now. Seeing there is no opportunity to be had.

But it might be too late. Gage stares a hole through him.

**Gage Blackwood:** *[shouting from the other side of the hall]*

You want a statement!?

Sawyers says nothing. He hopes turning around will make Gage forget this whole thing.

**Gage Blackwood:** *[still shouting but moving closer]*

Do you!? I'll give you one!!

Blackwood is hurrying his way towards Sawyers. Jamie takes a moment to send a prayer to the heavens and hope he can see his family again when-

Blackwood grabs Sawyers.

**Gage Blackwood:**

Jay Harvey is a boring, two-bit bloke. The only reason he's "in my head" is because he's not "in my head" but thinks he is. Boring, generic family man who doesn't care about DEFIANCE like I do. I'm The SOHER. I care! I am SO-HER *LIT*. I am not about to play some *games mind* with him!

Realizing he screwed up the wording in that last sentence, Blackwood pushes Sawyers away and kicks a light stand before leaving.

**DDK:**

Did any of this make sense to you?

**Lance:**

Not really...

## ZOMG!

Backstage...er... Upstairs rather, we near the Sweet Suite of our reigning FIST of DEFIANCE Mikey Unlikely. The music can be heard bumping outside the glass doors. The guards on either side ignore the cameraman as he opens it and enters the room.

“Stupid Hoe” by Nicki Manaj can be heard playing loudly. Inside the room there's a large number of people. Mostly in their own little groups with a few mingling about. We notice some DEFIANCE officials, office staff, as well as a handful of notable wrestlers walking about. Finally in the middle of the room we find our champion as he mulls about. He's placed the FIST in it's carrying case and is sitting on a shelf high up in the room where everyone can see it.

He notices someone staring at it and slowly moves up behind them. As someone else tries to grab Mikey's attention he's seen whispering into the onlooker's ear. Suddenly the man frowns and walks towards the door.

Mikey walks up to the gentlemen he knows who was trying to get his attention.

**Mikey Unlikely:**

Can you believe that guy!? Staring at my championship! I told him to get the hell out, what an idiot! Anyway thanks for coming buddy! So glad you could make it to my sauree! Have you tried the alcoholic frapps? The Caramel is obvs the best, but the Snickerdoodle might just surprise you! You should give it a shot.

Before the guy can get a word out edgewise.

**Mikey Unlikely:**

Anyway I gotta mingle, talk to you later Derrick!

The guy looks confused and mouths “Derrick” as if he's never heard the name before. The song switches to a dated Will Smith song about playing cowboys in the desert.

Unlikely walks over to another small group of people and smiles to make sure everyones having a good time. He turns and runs directly into Alvaro De Vargas chest first.

**Mikey Unlikely:**

Oof Bruv, watch the goods!

He looks up and sees a fellow wrestler. His demeanor changes slights. With his peripheral vision Mikey finds the FIST. It's safe. Alvaro de Vargas puts his hands up defensively.

**Alvaro de Vargas:**

Disculpas, Senor Unlikely. I just wanted to come by and check out the new digs. As well as personally thank you!

**Mikey Unlikely:**

Thank me, eh?

**Alvaro de Vargas:**

You're the type of guy... no, I'm sorry. You're the type of campeón that people should strive to be like. You wanted the FIST. You reached out and you took it.

Mikey beams proudly and shows off the FIST.

**Mikey Unlikely:**

Thanks! All I hear from everybody is “Mikey, you suck” this and “Mikey, pay attention to me and make my career relevant again” that! Glad to know I'm helping inspire new stars!

ADV nods as Unlikely offers him a frozen alcoholic beverage, but he quietly passes on it.

**Alvaro de Vargas:**

Tendré que declinar por ahora. I got a match tonight and I need to be sober... but hey. You've inspired me to take care of something tonight I should have done at the start. Sacando la basura. Thanks again, Mikey.

**Mikey Unlikely:**

Grassy-ass!

After moving away from the encounter Mikey Unlikely stops by the nicely labeled "Bar-ista" where he sees a freshly made concoction with his name on it. He grabs it and takes a long drag on the straw. Slowly the frozen alcoholic beverage makes its way up the straw and into his mouth. Unlikely's eyes roll into the back of his head with pleasure.

Suddenly there's a tap on his right shoulder and he's greeted by a couple more members of the DEFIANCE locker room. This time they are pleased to see the champion.

As the camera pans it reveals Conor Fuse and the large, hulking Game Boy who was introduced to The Faithful earlier in the night. Conor nods to the FIST, green bandana, unkempt blonde hair all over the place, grinning for ear to ear like he's been enjoying himself a little *too* much. He looks at the Bar-ista table and quickly scans the drinks. Then, from somewhere in the middle of them he pulls out a glass cup filled with what looks to be red Kool-Aid. Mikey has a look on his face like "how did that get there" as Conor's eyes go wide and he takes a cool sip.

**Conor Fuse:**

Sick *party* you have here, Mikey. The Game Boy and I just love it.

**Mikey Unlikely:**

Thanks for coming! Glad to have some of my coworkers come through! It's hard to get to know people up here y'know!

The Character Formerly Known as Player Two pats the champ on the back.

**Conor Fuse:**

You're the greatest Boss in this franchise, don't listen to anyone else. Congratulations on being 100% DEFIANT again.

Conor mentions, as he turns back to The Game Boy and they mingle their way elsewhere.

Having made friends with two new gentlemen Mikey is in a good mood. Who cares if they are obviously looking to use him to get to the top, he's used to that. It comes in handy.

Bruno Mars' "Grenade" begins to play over the speakers. Mikey puts his arms straight up, frapp and all.

**Mikey Unlikely:**

This song is my JAM! Let's get LiTtY CiTy FaM!

The scene fades as Mikey busts out his best dance moves.

## BLACK PANDA vs. SAM DAY

**Quimbey:**

The following matchup is scheduled for ONE FALL...

**Lance:**

We're about to get underway with some singles action, this match is well... not so random. Black Panda hand picked his opponent, and to no surprise it's Matt LaCroix's old BAMF tag team partner from BRAZEN, Sam Day.

**DDK:**

This might be Sam Day's first or second appearance on DEFtv, and he had to know something was up when he was offered the match. It's hard to turn down the opportunity to prove yourself on the big stage, but... under these circumstances?

He's debuting against a maniac, Darren. I just don't see this going well. I just don't.

Wearing purple and gray smokey tights, the dusty blond-haired former alcoholic walks out to the music. He stands at the entrance for a moment, taking it all in while flipping his sobriety coin before marching with purpose down towards the ring.

**DDK:**

It's not hard to figure out how these two got paired in DEFIANCE. They look similar, they have similar backgrounds in fighting addictions, and are about the same age. You can't help but think Black Panda is using Day as a proxy here.

**Lance:**

Oh, there's no doubt about it. He's carrying nearly an identical sobriety coin to the one Matt LaCroix wears around his neck. As a student of The D and Jack Harmen, Sam Day has a pedigree that might go under the radar.

**DDK:**

Oh, I think Black Panda knows exactly what he's getting himself into... but does Sam?

The lights in the arena goes out.

And here comes his opponent, who has already made an impact in Defiance in such a short time.

## STREET FIGHTER

Backstage. DEFtv backdrop. A nervous and apprehensive Jamie Sawyers stands across from Tyler Fuse. Tyler is wearing a black t-shirt with orange text reading "INTENSITY PERSONIFIED". The Princess stands behind him, arms crossed, eyes locked ahead.

**Jamie Sawyers:**

Tonight, Tyler, it's without a doubt your biggest test yet. A no holds barred match against DEFIANCE's Favorite Son, Scott Douglas. A match he asked for and one you accepted!

Sawyers looks at Tyler, hoping he will reply but since there is silence he's too quick to chime in again.

**Jamie Sawyers:**

We saw what you did against the enhancement wrestler, Dean Neenonen on UNCUT. Back-to-back shows, too. Impressive and yet, terrifying. What do you have in store...

Jamie's voice trails off as he notices Tyler is staring a hole right through him.

There's another long, uncomfortable pause. Sawyers counts his blessings as Tyler pulls the mic to his face, with Jamie's hand trembling as he does.

**Tyler Fuse:**

I am not a *fun* guy. Not anymore. I proved that last week. UNCUT doesn't get the audience or attention as DEFtv, so if you're unfamiliar, I will show you what I am truly capable of tonight.

The Princess puts a hand on Tyler's shoulder as he continues.

**Tyler Fuse:**

Game slogans mean nothing. My past means nothing. When I put Kerry Kuroyama on the shelf... it meant nothing. I'm not looking to win this match. Oh no. I am looking to tear apart a man's career... one that he worked so hard for.

**Jamie Sawyers:**

Tyler, uh, is there any chance we can know more about your relationship with this Stalker...

Tyler grabs Jamie by the collar.

**Tyler Fuse:**

Tonight begins the *Replacement Era*. You'll understand what I mean very soon. Two months ago, a guy in my position could never foresee himself on the biggest stage, in the main event, taking on one of the DEFIANCE's "best". Then again, a guy in my position two months ago wouldn't have taken the steps necessary to summon *Him*, either.

Sawyers is already too deep into this interview. It's not going to hurt him further to continue it.

**Jamie Sawyers:**

*Him?*

Tyler nods slightly.

**Tyler Fuse:**

The Original Mastermind. The Original Virus.

Tyler huffs out.

**Tyler Fuse:**

The Original Reaper.

Fuse finally lets go of Jamie's collar.

**Tyler Fuse:**

But that is just a secondary aspect of the *Replacement Era*. Tonight, it's step one. Tonight is the beginning of the ultimate end for SUB POP Scott. It is a fight I am ready for. And I will prove it.

Tyler and Desire walk away, leaving an ever-so-confused and still nervously twitching interviewer to the camera by himself.

**Jamie Sawyers:**

So it sounds like Tyler plans to take Scott Douglas out tonight... for good? Back to you Keebler.

Sawyers pulls at his collar to make sure he can breathe well as the scene fades.

## ALVARO DE VARGAS vs. TITUS CAMPBELL

### DDK:

You ready for the next match on DEFtv, Lance? It's gonna be a FIGHT, I wager. It'll be two of BRAZEN's hardest-hitting men. The newcomer that has been rubbing people the wrong way, but making a name for himself while doing it, Alvaro de Vargas, goes one-on-one with "Wingman" Titus Campbell!

### Lance:

After Titus beat Elijah Cross on UNCUT, he called out de Vargas for this match and it was quickly granted. I did some chatting with Titus after that show and he told me that he and de Vargas used to be bouncers at the same nightclub in between de Vargas' wrestling gigs and were friends at one point. Titus didn't go into detail about the fallout, but he maintains de Vargas is manipulative and untrustworthy. That's the reason why he talked to Tim earlier and tried to warn him about de Vargas.

### DDK:

Wow. Well, what we've observed of Alvaro de Vargas is that we've seen him buddy up with DEFIANCE newcomer Trashcan Tim soon as it meant he would get on DEFtv. They fought in a tag match last week against BAF and Alvaro took the win after Trashcan Tim did all the hard work. Now from what I hear, de Vargas has been radio silent after that where Tim's concerned, but when he received word he would be wrestling on DEFtv, he was suddenly all for it.

### Lance:

There's a layer of truth to what Titus has been saying, I think. But tonight, they'll try and settle this in the ring now!

And to Darren Quimbey we go!

### Darren Quimbey:

The following contest is set for one fall! Introducing first, from Miami, Florida, weighing in at 310 pounds...

**"WINGMAN" TITUS CAMPBELL!**

♪ "Earthquake" by Labrinth feat. Tinie Tempah ♪

The Faithful give a cheer as Campbell comes out ready to go. While known as a party guy, the focus is all professional right now as The Wingman heads to the ring right away. He wants a fight.

Darren Quimbey:

And his opponent, from Miami, Florida, by way of Cuba... weighing in at 272 pounds, he is **ALVARO DE VARGAS!**

♪ "Living Legend" by Ankla ♪

The unusual rock/flamenco combination blasts through the Wrestle-Plex and walking out, head full of frazzled curly brown hair is the massive Cuban-American standout. Titus wants to get at him, but referee Benny Doyle keeps him away while Alvaro... yes, has a microphone.

### Alvaro de Vargas:

Hello once again, DEFIANCE! ¡Hola otra vez! Soy la futura leyenda de DEFIANCE!

The Faithful jeer the tall Cuban-American as he heads to the ring, albeit slowly since he can hear himself talk more.

### Alvaro de Vargas:

Excuse my language... both of them... but Titus? Maldita snitch! I heard you were back there sticking your nose where it didn't belong and trying to tell Trash Bag Hefty that I wasn't his friend. That's why I stopped being tu amigo years ago, pendejo! You're jealous, that's all this is! Eres una perra celosa! But you can still fix this, Wingman. Walk away... while you can still walk.

But Titus already has a microphone... and a reply.

**Titus Campbell:**

SHUT UP AND TAKE THIS ASS-WHOOPING LIKE A MAN!

Titus throws the microphone down. Alvaro de Vargas... smiles. Eerily so.

**Alvaro de Vargas:**

The fists continue to be traded between the two at the onset of the match and they keep on flying much to the delight of the crowd! It's Titus who gets the lead as his blows are slower, but have just a little more power behind them. Titus continues raining the punches down on him until he pushes him back to the corner and CLOCKS him with a big Corner Clothesline! Titus turns away for a moment to shake the pain out from his hand... only to come back quickly and BLAST him with another Clothesline!

**DDK:**

That's some real fire in that ring by Titus Campbell! Imagine if he showed more of this!

Titus Campbell gets the support of the Faithful as he turns once again while ADV remains trapped in the corner. But when he turns to finally face de Vargas, out of nowhere, he surprises Titus with a sick Headbutt to the temple! Titus staggers backwards and now ADV is all over him in a rage, throwing Clubbing Forearms all across his back! Alvaro continues bringing the punishment and then sends Titus Campbell to the ropes. As he hits the ropes, he drives a knee upwards into his chest.

He sends Titus across the ring with another Irish Whip and does the same thing, meeting him with another vicious knee to the gut on the other side! As Titus is doubled over, Alvaro runs the ropes and come back with an even stiffer Knee Lift, cracking Titus in the face and knocking him to the ground! The crowd jeers ADV as he stands on his feet, basking in the reception.

**DDK:**

Wow! In a hurry, ADV turned things around on Titus! We've learned about his background prior to DEFIANCE and BRAZEN that he participated in deathmatch wrestling for years. He can TAKE a hit and give it out even harder.

**Lance:**

But then he turns around and preens like he already has the match won! That can be costly.

When Titus tries to get back to his feet, ADV picks him up and drills him down with a fugly-looking Body Slam. He backs up a few inches and gestures he's going to bring the proverbial hammer down. That hammer looks like a Leaping Knee Drop, but he MISSES when Titus rolls out of the way! Alvaro howls in pain as Titus tries to make a recover.

**DDK:**

And that's where that arrogance gets you! Nowhere!

Titus has the crowd cheering him as he gets back up. He waits for ADV to do the same, then bulldozes the massive Miami star into the corner! ADV hasn't been put on the back foot like this and it shows when Titus pounds away in the

The drops down with the Delayed Vertical Suplex! Titus is up and he's fired up already as he heads to the second rope nearby with ADV down.

ADV kicks out right after two, but that doesn't deter Titus from wanting to punish him further.

**DDK:**

Wow! I thought for sure Titus had him.

He picks up ADV and clubs away at him with several more shots to the back. When he tries a whip to the ropes, ADV puts on the brakes and then grabs Titus by the head before he PLANTS him down with a big DDT! The cocky Cuban sits up and yells out some choice words in Spanish, visibly angry.

**DDK:**

And how quickly has ADV just turned the tide! He's back on his feet now and he grabs Titus...

## JUST SWELL

We're back from commercial and the Faithful are treated to Lindsay Troy, posted up near the entrance to the weight room. No Jamie Sawyers. No Christie Zane. Just the Lady of the Hour and a camera.

Old school.

Just how the DEFans like it.

**Lindsay Troy:**

Young Mister Burns...

Lindsay doesn't address the camera head-on. Instead, her gaze is stage right, her expression pensive. She lets the thought linger in the air for a moment before completing it.

**Lindsay Troy:**

...I like you.

A small smile graces her lips.

**Lindsay Troy:**

I don't like too many people; not anymore. Call it a casualty of too many years in the business, too much time spent in places where a cut throat is more common than a handshake extended in honor, or the acknowledgement that I'm riding this DEFtrain solo and the only one watching my back this go-around is *me*.

In a way, this is how I prefer it.

But I like you, Oscar. I like your little catchphrase and I like the way you fight. I like that you haven't let your losses define you and you want to kill Mikey in the face again just as much as I do. Most of all, though? I like that you're not going to back down from me. So if you want to battle at Acts of DEFIANCE, you can consider your challenge accepted.

The Faithful roar their approval out in the arena. The Queen doesn't hear them, but she doesn't need to.

**Lindsay Troy:**

There's a saying though, Oscar....if you stay ready, you don't gotta get ready.

Now, Lindsay looks dead-on at the camera.

**Lindsay Troy:**

And I'm always ready for a tussle.

As she finishes with her trademark SMIRK~!

**Oscar Burns:**

Always ready is my second nickname AND my middle name, GC. Trust me when I say... when "Twists and Turns Always Ready" Oscar "Always Ready" Burns gets into that ring, you are getting pushed and you are getting the fight of a lifetime. And I'm sorry, love, because I truly wish both of us could go out there and either kick that bloody shitbag

Mikey Unlikely in the face or uppercut his head right off his shoulders at the same time. It'd be fun... but I'm not going to let any more opportunities pass me by, Queenie.

**Lindsay Troy:** (deadpanning)

Yes. You've already said that. Maybe you should change your nickname to "Twists and Turns Broken Record" Oscar Burns.

Burns lets out a fake hearty laugh.

**Oscar Burns:**

Oh, you with the dry wit, Queenie. It's gonna be fun going hard out at Acts of DEFIANCE. But hey... You were kind enough to answer my challenge, but... we've got one more, if you're up for it in two weeks.

**Ryan Batts:**

Ms. Troy...

Batts steps forward.

**Ryan Batts:**

Your career speaks for itself so I'll cut right to the chase. I'm challenging you to match on the next DEFtv. You might look at it as a "warm-up" match... I'm looking it as "I've beaten former FIST title holders before and I think I can beat one more." What do you say?

Lindsay's eyebrow hikes upward.

**Lindsay Troy:**

So the young lion has teeth.

Batts smiles extra wide... to show off said teeth.

**Lindsay Troy:**

Take an inventory of them. You might find a few missing at 140. See you then.

The Lady of the Hour takes her leave, and Batts waves her a happy goodbye. Once she's gone, he turns to Burns.

**Ryan Batts:**

She seems swell.

Swell indeed, Ryan. Let's take it to ringside for our next match!

## TEAM HOSS vs. LOUISIANA BULLDOGS

Team HOSS have been on a real tear now lately Lance. They had some bad luck coming out of Maximum DEFIANCE but ever since these issues with Dex Joy and Scrow have taken place, they seem to be looking more like their old dominant selves again.

**Lance:**

Yeah and when they are on they are downright scary. Angel Trinidad beat Dex Joy and later on in the night they assaulted Scrow simply for being in their space. Now how do you think the Louisiana Bulldogs are going to fare against them?

**DDK:**

Honestly? I'd expect their opponents to run but the Bulldogs will fight anybody to prove their worth. They are already in the ring right now and they are raring to go because this is a massive opportunity for them to put themselves on the map. We'll see how they will fare against Team HOSS very shortly!

**Quimbey:**

Angel and Aleczander both head inside the ring. Aleczander wants to fight but the official does his best to hold them back. The Bulldogs want to fight also. When the official sees it he decides that he is going to call for the bell.

DING DING DING!!!

Right from the get-go both of the Brandt brothers go right for Angel Trinidad and they back the bigger Team Hoss member in the corner. Aleczander tries to land a standing lariat, but he ducks it. A boot to the stomach from Denver leads into a knee lift from Oliver and then a big german suplex by Denver!

**DDK:**

Wow! The Bulldogs are looking good in the first minute of this match! They have Angel in the corner and just took down Aleczander with a big suplex!

Angel sees the brothers celebrating perhaps a bit too prematurely. He runs at both of them and tries to succeed where Aleczander failed with a clothesline but they duck under. Angel keeps running and gets caught by two dropkicks from the brothers. They knock Angel down and it Oliver Brandt tries to pin Angel after that.

**Lance:**

I can't believe how well these two are doing!

Oliver tags Denver back into the ring and they gang up on Angel Trinidad. They send him for the ride with a whip but that turns out to be a massive mistake on their part because Angel comes back and knocks them both down with the Flying Hoss Body!

**DDK:**

Oh no! Flying Hoss Body! They were doing well, Lance!

Angel is back up and all the Bulldogs look like they have done is make Team HOSS angrier. Angel tags Aleczander back into the ring. Angel grabs Oliver and throws him over the ropes where he crashes hard on the floor. The attention is back on Team HOSS now with Aleczander whipping Denver Brandt into the corner. Aleczander tells Angel to hit the corner so he can whip his own partner into Denver with a big knee smash in the corner. Aleczander lines up his arm.

Aleczander winds up his arm like he's at-bat. Angel sends Denver out of the corner and right into a neck wrenching lariat from Aleczander the Great!

Oliver Brandt runs back into the ring and tries to protect his brother. He shoves Aleczander back and tries to attack him but Angel shuts that down using a blow from behind. Angel picks up Oliver and then he sends him down with his vertical suplex/uranagi combination that he calls Don't Look Down!

**DDK:**

That's what Oliver gets for trying to help his brother against these two bullies.

Angel has his boot on Scrow in the corner but when Aleczander approaches Dex, the big man runs at him and knocks down Aleczander in the aisle using his shotgun dropkick!

Dex Joy just kicked Aleczander's heart out of his body with that massive dropkick!

He leads Angel up the aisle and is yelling many British obscenities while they head to the back.

**DDK:**

Dex is trying to plead with Scrow but he's already gone back into the crowd.

Dex watches Scrow disappear into the masses. The Biggest Boy shrugs and then turns attention on Team HOSS. He draws an imaginary line with his feet and dares them to come back.

After meeting Oscar Burns and Ryan Batts, it would seem Jestal thinks Clucky was taken to the future with them. The clown has made it his mission to find Clucky. With a determined look unlike we have seen since that fateful night, they were thrown into the future. Dandelion however is more concerned with finding a way back to where she came from. Though, their respective missions are about to take an abrupt halt as they come into contact with a familiar face of their past...

**Jestal:**

Dandelion clearly is not interested in the search for Clucky. She is very skittish as she walks by even more Defiants she does not recognize. Clearly, since her departure DEFIANCE has grown a lot.

**Jestal:**

Dandelion points at the woman.

Tyler gets in the face of Jestal, still with that stoic expression.

**Tyler Fuse:**

Did you not see me kill a guy on UNCUT? Perhaps you were too busy putting on your make-up. You know, like those memes. Yours reads "I think I'm a good wrestler, people definitely like me" while you apply the white paint, the wig, that pathetic nose you have...

He walks past Jestal and Dandelion making sure to slam his shoulder into Jestal which almost takes the clown off his feet. Desire follows him. Dandelion motions with her hands a bit. Jestal moves back and looks at Dandelion.

**Jestal:**

He rubs his shoulder and quickly puts on a happy face once more.

I wonder if Conor has a better attitude?

Dandelion motions a bit more with her hands.

**Jestal:**

Oh come on now, what do you think the Fuse Bros. have become? Two dicks and a cup? I bet Conor hasn't changed, let's see.

Dandelion clearly questions that but follows her brother anyway.

## WAIT!

Back upstairs we see Mikey sprawled out on the couch enjoying his party. He's watching wrestlers move about, people mingling. Some weird couple making out in the corner, he points them out to security.

**Mikey Unlikely:**

Cut those two off, they've obvs had too many frapps! Just making babies in the corner! C'MON!

He picks up his own frapp and takes another long drag off of the straw. This time he's got nothing but froth. He slams the drink back down on the coffee table in front of him. Whip goes everywhere. That cup joins the other three that sit there empty. Venti size of course.

Some of the party has thinned out. Hell Varagas had to leave earlier for his match. Some people come and some go, but Mikey keeps his eyes on them all.

Across the room there seems to be some commotion. Mikey squints his eyes trying to figure out what's happening but can't see or hear over the sultry tones of T Swift. He gets up and meanders over to the far side of the room. Apparently security has someone by the arm and is in the midst of carrying him out. He's a fairly good sized gentleman, Mikey stops the train and asks what's up.

**Mikey Unlikely:**

Woah woah woah, what's going on why is this guy outta here?

**Security Guard:**

We noticed he was touching your championship case...

Eyes wide and mouth agape Mikey takes a minute to make sure he heard right. He looks back over his shoulder and the case is still where he left it albeit it's definitely moved and is a bit crooked.

He turns back around and stares at the intruder. The large gentleman has his hands held by each of the guards. Mikey goes nuts. He cocks back and lands a mean cheapshot with a big right fist to the face. The man did not expect this, and fell to the ground. Unlikely stands over top of the stranger. The Security guard hooks Mikey around the waist and lifts him up and out of harm's way as the man realizes he's been punched in the face. Unlikely spits at him as he's being pulled off. The music stops.

**Mikey Unlikely:**

DONT YOU EVER FUCKING TOUCH THAT CHAMPIONSHIP! That's mine! I AM THE FIST OF DEFIANCE AND THAT'S NOT GOING TO CHANGE! PARTIES OVER EVERYBODY! GET THE FUCK OUT!

He winds up and points to the door with enthusiasm. People begin to pour out of the room as Mikey walls over to the FIST in it's display case and pulls it off the shelf. He clutches the case to his chest and closes his eyes. He's found his comfort.

Finally Mikey turns around and Security is rushing everyone else out of the room, including the DJ who is trying to collect his equipment as fast as possible. We get down to the last few people. Mikey makes sure the BAR-ista makes one more frapp before they leave. We see from behind a man in a dark blue suit about to leave the room, he sports blonde hair that's slicked back to his neck. Mikey reaches out and grabs him by the shoulder.

**Mikey Unlikely:**

Oi! Not you Bruv! ... I got plans for you!

The man turns around smiling and that's when the camera finally sees the face of James Witherhold...aka... PERFECTION.

Fade.

## UNIFIED TAG TEAM TITLES: SKY HIGH TITANS Â© vs. BADASS

**DDK:**

And we're coming up towards the end of the evening, but before we get to Scott Douglas looking to settle a grudge with Tyler Fuse, we've got the Unified Tag Team Titles on the line! The Sky High Titans are looking to put an ugly incident behind them with The Comments Section when they take on BRAZEN team BADASS.

We saw BADASS approach them and they have guts. They won a battle royale on our last BRAZEN show sponsored by The Family Keeling to highlight some new talent. Quite frankly, BADASS have nothing to lose and everything to gain tonight!

**DDK:**

We saw on the surface, things seem to be okay between The Family Keeling and The Sky High Titans. They'll have to be to keep the titles, so let's get to our big title match now!

**DDK:**

A nice reception! Since our last CLASH of the BRAZEN special, BADASS have been one of the consistent highlights! She re-emerges, with a barbed wire baseball bat. All smiles, she hands it to Tyler Fuse.

**Princess Desire:**

End him, dear. It's your time now.

Tyler stumbles around, bat in hand, as he makes his way to Douglas, who's just trying to fight and use the crowd energy to will him to a knee, a foot, or better.

DEFIANCE's Favorite Son sees Tyler coming. The will on Sub Pop's face is everything. Douglas clenches his chest. He locks his jaw and grits his teeth together. He lets out a huge cry and a huff all at once, pulling himself upwards while the arena becomes unglued with support!

*"SUP POP SCOTT!"*

*"SUP POP SCOTT!"*

*"SUP POP SCOTT!"*

Louder and louder.

*"SUP POP SCOTT!"*

*"SUP POP SCOTT!"*

*"SUP POP SCOTT!"*

Even the ever-so-focused Tyler can't help but take notice with body language displaying concern.

*"SUP POP SCOTT!"*

*"SUP POP SCOTT!"*

*"SUP POP SCOTT!"*

**DDK:**

DOUGLAS IS UP AND HE'S SCREAMING AT TYLER TO... "FINISH HIM"!?!?

Eyes locked on Douglas, blood pouring from his head, it's tough to see what Tyler's demeanor really is but his white

blood-shot eyes tell the story. He's ready, willing and able to do what was once considered impossible.

Tyler takes a deep breath and pulls the bat back...

**DDK:**

TYLER'S GONNA DO IT...

*"SUP POP SCOTT!"*

*"SUP POP SCOTT!"*

*"SUP POP SCOTT!"*

**DDK:**

HE SWINGS...

SWOOSH!

**DDK:**

MISSES!!

The announcer's voices become more washed-out, in part due to the level of cheers but also because they are on a remote, back-up broadcast system.

**DDK:**

DOUGLAS WITH A DESPERATION BACKDROP TO TYLER!

Tyler drops the bat. Sub Pop grabs Fuse and immediately throws him off the stage!!!

**DDK:**

TYLER LANDS ON HIS FEET!

Again, not wasting a second, Scotty picks up the baseball bat and goes for it...

**WHACK!**

**DDK:**

DOUGLAS JUMPS OFF THE RAMP AND CRUSHES TYLER WITH THE BARBED WIRE BAT!! SCOTT, SLUGGER- SCOTT, SLUGGER!!!

Douglas collides into the cement floor and drops the bat in the process while Tyler crumbles to the ground as well! It was anyone's guess if the barbed wire bat busted Tyler open even more, with the amount of blood he's already lost... but it definitely knocked him out!

Finally, dragging himself towards Tyler, who lays on his back, Douglas uses his free hand to lightly signal for the referee to make his way over. Even the lazy Mark Shields rushes down the rampway, leaps off when he can successfully do so and makes his way to the pinfall attempt.

**DDK:**

CAN DOUGLAS PULL THIS OUT!?

DEFIANCE's Favorite Son drapes the arm over Tyler.

ONE!!

TWO!!!

THREE!!!

**DDK:**

YES HE DOES!

***DING DING DING***

**Darren Quimbey:**

The winner of this match... DEFIANCE'S FAVORITE SON... SCOOOOOOTTTT DOUGLAS!!

**Lance:**

DOUGLAS BEATS TYLER!

**DDK:**

Look, like him or not, Tyler Fuse is a hell of a wrestler. He's got this seemingly unmatched meanstreak that's certainly propelled him to new heights. And yet, Scott Douglas REMAINS the heart-beat of DEFIANCE! I think we should have seen this massacre coming. Hats off to both men in this blood-feud but it's Douglas getting retribution for Kerry K-

Lights out, the camera switches to an overshot of the Wrestleplex.

**DDK:**

Oh no, this can only mean one thing!

**Lance:**

It looks like the power has gone out in the Wresltplex... are those... no way...

As the camera switches back to the action Scott Douglas is trying to get to his feet in the darkness as a pair of blue eyes appear behind him.

**Codename Reaper:** *[voice modified]*

You knew... you always knew... I'd come for you.

There is a violent attack on Scott Douglas as he is picked up. His silhouette in the darkness being thrown forward into the camera crew by Codename Reaper - the original blue eyed monster - stalking forward as the main camera crashes into the ground and with the darkness only audio is heard on the DEFIatron and on DEFtv viewers streams.

***WHACK!!***

***WHACK!!***

Solid barbed wire baseball shots are delivered against the fallen body of Scott Douglas, as the returning Reaper has made Scott Douglas her personal batting cage in the darkness. The fallen victor of this brutal no holds barred match with Tyler Fuse - is being ransacked in a dark alley mugging by Reaper Blue.

**DDK:**

No way Douglas can put up a fight, this a cheap mugging by Reaper Blue or whomever this masked wrestler of the week is this time.

**Lance:**

You don't think it's him do you?

The full arena lights flicker on once, then twice. Finally, generators kick on which only bring the house lights up. The camera lens at the street fight scene is cracked down the middle but it's focused directly on the bloodied Scott Douglas. He has his hands in front of his face as Reaper Blue stands over him, bat on held high over the masked attacker.

**Reaper:** *[voice modified]*

No matter what you think this nightmare would have been like for you... with me hunting you...

Darkness again for a split second before the Wrestleplex lights come fully back completely on, Jason 'Stalker' Reeves is crouching over the fallen Douglas. He's dressed in what was his daughter's costume, Jessica 'Reaper' Reeves. His fist is clenched tightly on her mask as he shoves it in Scott Douglas' face, rubbing the front of it in his bloodied face before finally tossing the mask in the crowd.

**Stalker:**

I can only promise you it'll be much... much... worse for you in his world...

Stepping away from him, the grizzled hardcore legend wasn't done just yet. Walking towards the half working camera that is catching the action, Jason Reeves leans over, picking it up. The camera shot flips around in a circle as he moves it towards the fallen Douglas hoisting it high. The microphones catch one more statement.

**Stalker:**

Head up False Hero... it only gets more violent from here...

The camera's lenses film its own demise as the barely functioning DEFtv camera is being used as a weapon by Jason Reeves to slam into Scott Douglas face! The crashing of it into Douglas shatters the camera and any direct feed of the action!

**Lance:**

Wow... is he just leaving through the crowd? What is his obsession with Scott Douglas? Everywhere he turns, this psychopath seems to be waiting.

**DDK:**

I understand now why the original Reaper was such a nut job. She was raised by one...

**THIS.**

**IS.**

**DEFIANCE.**
