FAVORED SAINTS CHAMPIONSHIP: KERRY KUROYAMA Â© vs. TA COLE

♪ "Fur Elise" by Cole Rolland ♪

The boos begin in earnest as the fans recognize the song they've come to know to herald the appearance of one Ned Reform. Reform isn't here, however, and his protegee TA Cole emerges from the back solo. Cole completely ignores the jeers of the crowd, walking to the ring with a focused intensity.

DDK:

TA Cole has been showing quite the change in attitude on Uncut - I have to say, it's disappointing to see the young man make quite the turn.

Lance:

I agree with you, Keebs, but we have to at least acknowledge how far he's coming since linking up with Ned Reform. Levi Cole was a perpetual curtain jerker - TA Cole is here to challenge for a championship.

DDK:

We know that Ned Reform won't be making his return until DEFtv 163 - you've got to believe that TA Cole's goal is to have the Favoured Saints Championship waiting for him.

Cole enters the ring briskly. He continues to ignore the crowd, instead opting to run the ropes in preparation for his opponent's entrance.

♪ "Cause" by Human Impact ♪

Green spotlights and lasers fill the DEFarena. The music builds up the tension in the arena until it finally rips into the opening guitar solo and the Favoured Saints Champion KERRY KUROYAMA quickly strides out from behind the curtain, accompanied by green and gold fountain pyros. He wastes no time posturing or playing up to the fans, briskly walking down the ramp with his determined gaze affixed on the ring. Around his waist, as always, hangs the coveted Favoured Saints Championship.

DDK:

After venturing down a long path wrought with so many setbacks, obstacles, and disappointments, "The Pacific Blitzkrieg" Kerry Kuroyama is poised to take his professional wrestling career to the next level here tonight!

Lance:

He went to war last week against Titaness on Uncut, successfully defending the Favoured Saints Championship for the third consecutive time. And all that stands in his way to earning his shot at the Southern Heritage Title is the man in the ring, TA Cole. Win or lose, this will likely be the last time we'll witness him coming to the ring with that belt around his waist.

DDK:

It will be the end of a short but very sweet era. Kerry has been the epitome of a fighting champion these past few weeks, racking up hard-fought wins against quality opponents in what have been some astoundingly entertaining matches. Tonight, thanks to that string of victories, he is looking more confident in himself than ever! Tonight is his moment to step up and take hold of the brass ring!

Kuroyama enters the ring, scaling the turnbuckles while wearing the title and posing to the fans with his arms pumped over his head with the knuckles touching, creating a "peak" image. When the music cuts, he goes to his corner, staring down Cole across the ring.

Darren Quimbey:

Ladies and gentleman, the following contest is scheduled for one fall, and will be for the Favoured Saints Championship of DEFIANCE! Introducing first, the challenger... hailing from Omaha, Nebraska, and weighing in at two-hundred and sixty-five pounds... he is the ALL-AMERICAN... TEEEEEE-AAAAAYYYYYEE

TA Cole pumps his arms into the air as the Faithful loudly jeer Dr. Reform's American-Made prized student.

Darren Quimbey:

And the opponent... hailing from Seattle, Washington, and weighing in at two-hundred and forty-four pounds... in his fourth official title defense as the reigning FAVOURED SAINTS CHAMPION of DEFIANCE... he is THE PACIFIC BLITZKRIEG... SEATTLE'S BEAST...KEEERRRRYYYYYYYYY... KUUUROOOYAAAAAAMMMMAAAAAAAAAA!!!

Kuroyama thrusts the Favoured Saints Title into the air over his head with the pure wrestling spirit of the DEFIANCE Faithful roaring behind him. When the posturing is over, he hands the belt over to presiding official Benny Doyle, who holds it up with reverence for the camera and audience to see what's at stake. Then he hands the belt over to the timekeeper on his way out of the ring. Kuroyama and Cole are bouncing in their corners in anticipation when Benny cues for the bell.

DING DING

Kerry and Cole come out of their corners and go straight into the collar-and-elbow lock-up. Their bodies dance around the ring as either man tries to overpower the other and fight for leverage. They transition into a standing headlock applied by Kerry while Cole locks his arms around the champion's waist.

Lance:

Both of these men are fairly evenly matched in size, stature, and technique. This should make for an interesting contest of strength, conditioning, skill, and sheer wits.

DDK:

These men seem to be at a stalemate... but now Kerry breaks free from Cole's grip and slips around behind him with a rear waistlock of his own!

Lance:

But TA Cole simply backs up into the corner to get the rope break. Quick thinking on his part.

Doyle tells them to break it up and clear out of the corner. Kerry holds up his hands over his head before Cole quickly hurries out of his range. Both men recompose themselves before going into another tie-up!

DDK:

Both of these men still seem to be feeling each other out before going into the lock-up again... and TA Cole gets the first takedown, dipping low and snagging Kuroyama's ankle! He's getting around behind him now, but a SNAPMARE from the champion rolls him to the mat!

Lance:

Kerry was looking to capitalize off of that, but TA Cole once again gets himself just out of range. He's showing some good awareness so far.

DDK:

He likely knows that Kerry only needs a brief window of opportunity to end his hopes for a championship run!

Kuroyama is brimming with confidence, occupying the center of the ring and allowing TA Cole to make the next move. Cole encircles him, looking for his opening. Then he shoots in low, again targeting the waist. Kerry looks to be turning himself into it, but suddenly pivots and comes around with a discus forearm that cracks Cole in the jaw and drops him to the mat, getting a roar from the crowd!

DDK:

WHAT a forearm strike by the champion!

Lance:

Cole went right to the mat... did that knock his lights out?

DDK:

I guess we'll see as Kerry goes for the first cover in this match!

One...

Two...

And Cole kicks out! Shaken up, but not out!

TA Cole quickly reaches over Kerry's back and tangles up the arm into a kimura lock, suddenly with a chance to turn the tables. Kuroyama somersaults through it to break free before Cole can lock him into a leg scissor.

DDK:

TA Cole was looking for the submission, but Kerry got away! Both men to their feet... UP and OVER with the Japanese Arm Drag goes TA Cole! Cole is back up... he runs into ANOTHER of Kerry's arm drags, right into a standing armbar!

Lance:

Kuroyama has perfect form in there. He is undoubtedly at peak performance. He's waited for this moment to step up for many, many years!

Cole is clutching his back off the last bump, slow to get to his feet as Kerry pushes him into the ropes to send him into motion. TA Cole has a full head of steam as he comes charging back, looking for a short-arm clothesline, but Kuroyama DUCKS!

DDK:

Kuroyama ducks the lariat attempt as Cole comes off the ropes - and DRILLS HIM with a FLOAT-OVER DDT!! Kuroyama makes the cover!

TWO!

THR - NO!! TA Cole got the shoulder up, but still looks dazed off the impact from that absolutely brutal-looking DDT!

Lance:

The champion Kerry has kept in full control of the match, however.

Kuroyama gets TA Cole to sit up, and promptly tries to wrangle him to his feet into a KATAHAJIME CHOKE - but Cole instead drops to the mat with a reverse jawbreaker to break free! Both men scramble to their feet and tie-up once again. Kerry quickly grabs him around the waist...

DDK:

Here's Kerry, looking for the BELLY-TO-BELLY - no, COLE BLOCKS it by hooking the leg! Cole pivots... and NAILS Kuroyama with a Belly-to-Belly Suplex of his own!

Lance:

TA Cole seems to know that move by heart. There was no way he was falling into it that easily.

Kerry instinctively rolls off his back onto his knees, clutching his back. Cole is on top of him before he can get to the ropes, catching him on the rise with a knee strike to the ribs and locking up his arms into double underhooks.

DDK:

And there's a DOUBLE-UNDERHOOK SUPLEX onto the champion by TA Cole!

Lance:

It looks like the challenger may be coming out on top in the contest of power. Kerry could be in a bad situation now.

DDK:

Kuroyama, trying to get up, but Cole grabs him from behind! Rolls him up... no, rolls him INTO a DEVASTATING Deadlift German Suplex! TA Cole going for the cover this time!

And the champion kicks out! Still plenty of fight left in Kerry Kuroyama, who has fought too hard to let it all end that easily!

TA Cole is now looking confident as he pulls Kerry back off the mat and sets him up for a T-Bone suplex, but Kuroyama snaps back to it and fights him off with a pair of elbow shots to the side of Cole's head. Kerry throws himself into the ropes to get some running speed. Cole hits the mat to let him run over him.

DDK:

Kerry in motion off the ropes, and he's on the way back as TA Cole pops to his feet! Cole LEAPFROGS the champion on the return - STOPS HIM in place with the rear waistlock - GOOD GOD, RED, WHITE, AND BLUE THUNDER BOMB!! Cole HOOKS THE LEGS!

ONE!

TWO!

NO!! But Kerry is noticeably slower kicking out!

Lance:

Once again, TA Cole puts the champion down HARD onto his back. Kerry has dished out some devastating moves in his past matches, but tonight, the student of Dr. Ned Reform is taking the Favoured Saints Champion to suplex school!

DDK:

TA Cole, or "Levi" as we've long known him, is a tenured DEFIANCE athlete, although his win-loss ratio has never been anywhere close to impressive. I guess we've all become so accustomed to Levi Cole being something of a stepping stone to future stars, none of us really expected he'd ever step up to the level he's at now as the new and improved TA Cole.

Lance:

The Doctor's grooming of the All-American into his ideal vision of a professional wrestler definitely seems to be paying off. And what a feather in his cap it would be if Reform's student came away from tonight with the Favoured Saints Championship!

Back up on his feet and now brimming with overconfidence, Cole takes a moment to pat himself on the back while the fans boo. Kerry tries to shake out the cobwebs, but doesn't get too much time to recover before TA Cole is on him again. The All-American wraps him up around the waist.

Lance:

TA Cole is looking like he's in full control of things, and knows he's got a legitimate chance of winning this.

DDK:

He may be going for the kill as he gets Kuroyama up for a GUTWRENCH SUPLEX - BUT NO!! Kerry clips the leg, and instead takes Cole down to the mat - and goes right for the CLOVERLEAF!!

The cheering raises in pitch as the momentum shifts into Kuroyama's favor. Kerry struggles to twist Cole around onto his chest as the All-American fights with all desperation. Finally, Kerry baits him into turning right when he should have gone left, and fully rolls TA Cole over into the Texas cloverleaf hold. TA Cole is howling in agony.

DDK:

The submission attempt is fully locked in! How long can TA Cole fight it? What a sudden turn of events!

Lance:

For a minute there, it was looking rather bleak for the Favoured Saints Champion, but on a dime he switched up his technique and caught Cole off guard, taking the challenger off his base and putting him into a dangerous position.

TA Cole twists and writhes around in an effort to escape, but the champion Kuroyama kneels as low as he can to pin him in place. The Faithful are cheering wildly as Cole's face disappears into his hands, but he furiously shakes his head refusing to give in.

Lance:

The challenger refuses to tap, but he might be scheming an escape here.

DDK:

Cole, pushing himself off the mat... now he tucks his head to ROLL OUT - but KERRY ROLLS AS WELL, and switches around into an INVERTED CLOVERLEAF!!

Lance:

Well, I wasn't wrong, but Kerry was just two steps ahead of him!

The crowd pops loudly again as Kuroyama dashes Cole's hopes for an escape, and Dr. Reform's student wails in surprise, frustration, and excruciating pain! He reaches out with his hands, desperately trying to crawl to the ropes, but Kerry has successfully positioned himself directly in the center of the ring.

KER-RY!! KER-RY!! KER-RY!! KER-RY!!

DDK:

Cole has to do something here! He's inching his way to the ropes... three feet... two feet... ONE FOOT... no, TWO FEET - and KERRY PULLS HIM BACK into the middle of the ring!

Lance:

The Favoured Saints Champion is showing who controls the ring right now! TA Cole has tried everything to get out of this, but nothing has worked to his favor! I think he's on the verge of breaking!

DDK:

Doyle is leaning in... TA Cole is reaching OUT...

... ..

Lights out.

Lance:

What the hell is going on here?

They don't stay off long as everyone in the arena notices Malak Garland standing on the apron, seething at the teeth. Somehow, through the entire ordeal, Kerry hasn't relinquished the hold. Malak enters the ring as everyone notices the

light tube in his hand.

DDK:

MALAK GARLAND?! What is HE doing out here!?

Malak charges into the fray as Kerry releases the hold to dodge the attack, and Garland's first swing hits nothing but air. He quickly tries to follow it up with a wild side kick, which Kerry also avoids. Unfortunately, TA Cole does not. Reform's student takes the kick to his ribs and immediately hits the mat, and referee Benny Doyle has no choice but to call for the bell.

DING DING DING

Confusion sets in as Doyle tells the ring announcer the result.

Darren Quimbey:

Ladies and gentlemen, due to outside interference... Kerry Kuroyama has been DISQUALIFIED!

BOOOOOOOOOO!!

Darren Quimbey:

As a result, the winner of the match, by technicality... TEEEEEE-AAAYYYEEE COOOOOOLLLE!!

BOOOOOOOOOOOOOO!!!

DDK:

WHAT!?! I don't believe it!

Kerry is livid as he looks between the official and the timekeeper. Regrettably, his outrage causes him to forget about Malak, who is still in the ring with the light tube in his hand.

CRACK!

The fans are left in awe as Malak Garland shatters the tube over the top of Kerry's head. A plume of glass dust dissipates into the air. Kerry falls face down on the mat as TA Cole reaches for his feet, still in pain. Malak holds the jagged edged light tube in hand as he approaches Kerry's motionless body.

Malak Garland:

Nice little trick I pulled there, huh? You can thank Cyrus for lending me that one. Boy, do I ever want to get stabby up in here right now. Lots to unpack.

Malak kneels beside Kerry with shattered pieces of glass everywhere. The fans boo as they feel like the wind is taken out of their sail. Malak giggles to himself as he holds up the broken tube, pretending to plunge it into the back of Kerry's head.

Malak Garland:

How extreme of me. How extreme of me, indeed.

Garland discards the weapon before heading to the back, completely robbing Kerry of continuing his Favored Saints win streak. TA Cole, meanwhile, is celebrating his victory by technicality, seemingly unaware that it comes without the championship.

DDK:

Well this is an outrageous turn of events, as the Keyboard King interjects himself right into a pivotal moment in this title match and delivers the champion a loss by disqualification! This was shaping up to be a decent championship contest, too!

Lance:

Kerry will retain the Favoured Saints Title in any case, but still, this counts as a loss, and all it takes is one to completely derail the streak of four successful title defenses needed to earn a shot at the Southern Heritage Title.

DDK:

I guess TA Cole got a lucky break tonight. As for Kerry Kuroyama, there's no telling what he'll do in the fallout of this attack, but I have a feeling he won't be overlooking Malak Garland any more after tonight!

Kerry is holding the back of his head and glaring back up the rampway with intense anger as Benny Doyle helps him off the mat.

As the classical symphony begins to play, the following words appear on the screen in fancy font:

NED Talks

Deep Voiced V/O:

This is "NED Talks" with Dr. Ned Reform.

Fade into a large oak desk. Same deal as last time: on the desk are various items of a professional nature: file folders, open books, etc. On the left corner of the desk is a large globe. On the right corner is a shiny nameplate that reads "Dr. Ned Reform." In a cushy desk chair dead center sits the man himself, Ned Reform. He's got his reading glasses on and is wearing a professional dark blue suit coat. Reform is reading a rather thick book until he catches sight of the camera out of the corner of his eye. He flashes a shit-eating grin, closes the book, and turns in his chair to face the camera head on.

From inside the arena, we hear the boos begin as this segment begins to play on the DEFitron.

Ned Reform:

The hour draws closer, children. In two weeks time, Dr. Ned Reform makes his return to DEFIANCE at DEFtv 163. "But Doctor Reform," you say, "what more could you possibly do?"

Reform smiles.

Ned Reform:

Good question! But before I answer that, I'd like to talk about a subject that doesn't get nearly enough attention. Namely, the human appendix. An organ inside the human body that... well, serves no real purpose. While medical professionals theorize that at one point in the human evolutionary chain, the appendix may have played a vital role in the human body... today, it is a relic. In fact, not only does it not contribute to your health and wellness, it can potentially be harmful!

Reform holds out his hands in a "who knows?" gesture.

Ned Reform:

And while it's possible the appendix was once important... humanity would actually be better off if everyone was born sans appendix.

Reform folds his hands.

Ned Reform:

"And why, Doctor Reform, are you telling us this?" I'm glad you asked! You see... as we all know, I am the BRAIN of DEFIANCE. There is, of course, the reigning FIST of DEFIANCE. But you may not realize that DEFIANCE also has its own APPENDIX. That's right! The APPENDIX of DEFIANCE!

More boos from the live crowd. Reform pays it no mind.

Ned Reform:

Much like the real appendix, this person may have once served a real purpose. May have once played a vital role in this promotion. But what that contribution was has been lost to time. Now, the APPENDIX of DEFIANCE only appears when The Favored Saints want to pop a rating by trotting out a "legend" in the wrestling business. Legend, if you don't know, is code for past-their-prime. Useless. OLD!

More boos.

Ned Reform:

And so, it is my duty as the Good Doctor of DEFIANCE to return at DEFtv 163 to perform much needed emergency surgery. To remove the APPENDIX. To save the rest of the body before this useless organ finally bursts and poisons us all with it's inner bile.

Reform arches an eyebrow.

Tyler sarcastically reaches out to hold Desire's hand like they can both feel the love between those parties.

Tyler Fuse:

My wife and I are off on the sidelines watching. And we aren't just watching Gage. We are watching all the champions in DEFIANCE.

Desire walks off. Tyler's got more to say.

Tyler Fuse:

Because I have a bone to pick with more than just our FIST of DEFIANCE.

Fuse exits view but can still be heard.

Tyler Fuse:

I have a bone to pick with everyone.

Fade.

COMMERCIAL: BRAZEN

FIST of DEFIANCE: GAGE BLACKWOOD Â© vs. STALKER

DDK:

Everyone, welcome back to the show. We were just getting ready for the main event here and received word there's commotion backstage. Cameras are on the scene already and I'm being told it's chaotic!

Switching backstage, the camera opens to a shattered fire extinguisher container, the glass was completely removed as well as the extinguisher itself. The fire suppressant chemicals are scattered along the wall as the cameras pan out down the hallway. Teresa Ames is the first person on screen as she is looking forward, screaming at the top of her lungs.

Teresa Ames:

KILL HIM! DESTROY HIM! SHOW HIM YOUR WORLD!!!

Attempting to get a good shot, the camera man struggles to see who's fighting but as the lenses focus in through the chaos, we see a white shaded Gage Blackwood exchanging blows with a very angry Jason 'Crimson Stalker' Reeves!

Lance:

Are we starting the match in the back? Is this a new variation to Stalker's Rules!?

DDK:

Looking at referee Mark Shields, I don't believe this is intended, there is no movement from officials to join this fight backstage!

Stalker:

RAWRGHHHHHHHHH!!!!

Teresa dives out of the collision course as Stalker whips Gage Blackwood into the cameraman!

SMASHHHHH!

The camera hits the ground with a thud as the lense cracks. Suddenly, the feed switches to security cameras overlooking the hallway. The view is not as good but, nonetheless, it catches the creepy and stoic approach of Jason Reeves as he methodically walks towards a dismantled and heavily breathing Gage Blackwood.

Lance:

HOLY SHIT! Stalker just shoved Teresa out of the way!

In an attempt to reel Jason in and get his focus back on heading to the ring, Teresa stands in front of Reeves but the Crimson Monster shoves her to the side without even a hint of regard for his owner and controller.

BANG! CRACK!!

Picking Gage up, Blackwood counters Jason's grip and instead uses his power to BULLRUSH the Hardcore ICON through the wooden doors into the adjacent watercooler area!!

Teresa Ames:

I told you about getting AGGRESSIVE WITH ME!

Teresa stands up from being shoved in the corner and screams out in a child-like tantrum. Heavily slapping her hand on the nearby wall, Ames is desperately trying to get Jason Reeves' attention to rile him up against the bull rush from Gage.

Teresa Ames:

Come on STALKY! You have a match to win! Drag his sorry ass out there in the ring and BEAT THE FIST right off him! END MY EX HUSBAND!

Stepping through the debris, Teresa manages to make her way into the break room just as a new camera crew shows up more readily prepared, two cameras on both sides of the action.

Chris Trutt:

Uhhhh.... What happened? I was just... just... trying....

The trembling words of DEFIANCE's inept reporter Chris Trutt eek onto the screens as The Faithful let out a cheering and laughing reaction to the poor man's haphazard look. Standing against counter tops, Trutt's coffee is now completely gone from his cup and scattered against his pants in an awkward stain.

Gage Blackwood:

JOG ON YA BAW JUGGLER.

Crimson Stalker goes flying backwards into a camera shot as the FIST of DEFIANCE kicks him squarely into the chest out from the pantry/snack closet. Crimson Stalker groans in pain and frustration, his eyes gloss over with life. Teresa attempts to coax Jason up but Gage is there immediately to lift the Kabal's Sword by his black wife-beater. DOUBLE UNDERHOOK SUPLEX THROUGH THE CARD TABLE!!!

Lance:

WOW! Folks we are back - and caught up here, this is insanity!!

DDK:

Insanity is one word for it Lance, I would say this is crossing the line. Crimson Stalker, from what I'm understanding, JUMPED Gage Blackwood backstage with that fire extinguisher!

Replays show the grainy footage from security cameras of the hallways in Wrestleplex as Gage Blackwood with the FIST strapped around his waist is attacked from behind by an angry and shaking Crimson Stalker!

Lance:

I'm surprised Gage is even conscious after that hit Darren! And they are still going at ten minutes later! This is nuts! I don't think we are going to have a match tonight!

We switch back to live action as Crimson Stalker has rolled his way on top of Blackwood, hitting Gage in the face with repeated closed fists. Blackwood, however, continues to show no quit. He rolls through Stalker, pops to his feet and knee drills the spit right outta Stalker's mouth. Reeves' saliva goes right into the camera lens that was covering the brawl so the producers in the truck change feeds to the second camera. Blackwood snatches Stalker by his bald head and hurls the upcoming challenger across the hallway floor. Gage takes a mere second to look back at Ames with a finger point.

Gage Blackwood:

You rotten, haggard, half-bagged w-

Stalker is right back up and spears Blackwood to the floor.

DDK:

They are making their way to gorilla!

Blackwood and Stalker fumble across the floor and, eventually, into gorilla. One of the producers hops out of the way before Blackwood flips to his feet and hip tosses Crimson Stalker through a table... which is actually through two monitors that sit upright as well in a SICKENING move. The Faithful let out a cringeful cry, even if the person going through the objects is someone they don't like.

Stalker rolls onto his stomach and is seemingly... laughing while making Blackwood uncomfortable. There are two solid lines marked across Reeves' back from the monitors he hit the top of, breaking apart his skin as blood slowly seeps out. The FIST of DEFIANCE takes another quick glance at Ames... then he's sucker punched in the stomach by Jason

Reeves.

Stalker struggles to his feet. He grabs Blackwood by his kilt designed tights and hurls the champion into the entrance curtain and out onto the stage. Stalker screams and races through himself, straight into a hammer throw by Blackwood!

Stalker thumps on the mat but he's right back up. Reeves drives a n elbow into Blackwood's temple and then once again. He whips Blackwood down the ramp but Gage holds onto Jason's arm as the two of them fumble down it. Blackwood goes for a clothesline but Stalker ducks and pushes Blackwood off the rampway. Gage crashes into the barrier!

DDK:

These two are going to end up killing each other, aren't they?

Meanwhile, Teresa Ames is daintily walking down the ramp with a sadistic smile on her face. She stops mid-way and rubs her hands together in a coy nature and then proceeds to flip her hair around.

Stalker throws Blackwood into the ring apron and sprints in without a care... Gage drops down, hoists Stalker onto his shoulder and performs a crazy-looking spinebuster slam on the floor. Crimson Stalker, once again, cries out but it's sounds of painful joy. Blackwood peels Reeves from the mat and receives a poke to the eyes for his troubles. Actually, it's more like Reeves isn't poking the eyes as much as he's literally trying to rip Gage's eyes out from its sockets.

Lance:

Stop me if I've seen this before...

Luckily, it doesn't get to the "is it out!?" state and Blackwood rebounds by drilling a knee into Stalker's stomach. Blackwood whips Stalker into a guardrail and comes racing in but Reeves grabs him in a modified exploder suplex and throws Blackwood into the crowd!

The Faithful gasp yet Blackwood pushes off them and flies right back over the rail with a clothesline to Stalker!

The two continue shot for shot until Reeves levels Blackwood with an elbow to the back of the FIST's head.

DDK:

What an elbow... seems to have left its mark.

Lance:

Considering Blackwood was crushed with a fire extinguisher earlier, it makes all the sense in the world.

Stalker looks under the ring and pulls out a lead pipe.

CRACK.

Right over Blackwood's head. The champion falls in a heap and Stalker eventually rolls The Noble Raider into the ring. Ames, on the other hand, is at the bottom of the apron giggling.

Teresa Ames:

My pet, place him in the ring. WE NEED A REFEREE!!

Although Mark Shields was backstage, no referee is present right now.

DDK:

I'm being told through my headset the title match is off. There's no way the Favored Saints are going to allow either man in the state they're in to wrestle...

Lance:

Rightfully so! Reeves' back is blood red and Blackwood has to be concussed.

DEFSec makes their way down to the bewilderment of Teresa who shouts at them to stop. Obviously, none of them listen...

...but they listen to Jason 'Stalker' Reeves who tells them all to stay back or they will eat a lead pipe to the face. This buys Blackwood enough time to reach down from inside the ring and drag Stalker to the apron by his undershirt. Reeves tries to swat Blackwood away with the lead pipe but Blackwood avoids it and throws Reeves over the top rope into the apron. The lead pipe falls. Blackwood bounces off the ropes, attempting a Gaelic Storm-

Stalker moves. He lunges forward with his mouth gaping open as it's the first thing to hit Blackwood.

DDK:

Is Reeves... biting Blackwood's face off!?

Lance:

Disgusting! I believe he is!

Stalker digs his teeth into... well, whatever he's found and Gage wildly screams before he can pull away. Blood pours down Blackwood's trademark scar on his forehead as the champion's eyes are erratic. Gage shakes his anger and runs towards Stalker, seeing red himself and unable to notice Stalker's taken hold of the lead pipe again.

WHAM.

Blackwood's immediately knocked unconscious! He falls to the mat without any added movement whatsoever.

DDK:

This is sickening!

DEFSec looks on, hoping to get in there but Stalker turns to acknowledge them so they don't.

WHAM, another shot with the lead pipe.

WHAM.

DDK:

STOP IT, JASON!

Teresa Ames is the only one who approaches the apron. At first, her face shows concern... perhaps more for the fact she realizes the FIST will most certainly NOT be defended tonight.

But as Ames enters the ring gingerly, seeing Blackwood's lifeless body below Crimson Stalker (who continues to hack and bite away at the FIST of DEFIANCE)... Teresa reasons with herself and gives off a nonchalant shrug. She's okay with it.

Finally, DEFSec swarms the ring. Two of them pry the pipe from Stalker's hands and three more pull The Kabal leader back. The final two DEFSec race towards Gage and scream for EMTs.

DDK:

Jesus Christ. What has Crimson Stalker done?

Lance:

I don't know. This does not look good.

Reeves' eyes are hollow. While DEFSec attempts to tell him what he's done, there's no one home to register the message.

Lance:

This does not look good at all...

The Faithful remain in a hushed state, showing concern and trying to replay the last five minutes in their heads. Teresa Ames slowly walks over to her "pet" and brushes a hand through her hair.

Teresa Ames: *[towards Gage Blackwood]*

Don't fuck with me, dear. Ever, ever again.

Ames cackles. Stalker seethes. The DEFtv signature appears in the bottom right hand corner of the television screen.

And Gage Blackwood remains motionless.

THIS.

IS.

DEFIANCE.
