BUTCHER VICTORIOUS v. NICKY SYNZ

DDK:

Welcome to our latest edition of UNCUT here from the Rocket Mortgage FieldHouse in Cleveland, Ohio! I'm "Downtown" Darren Keebler and as always, I've got my broadcast colleague Lance Warner to help me break down the action!

Lance:

Thanks, Darren! I'm ready! We've got Titanes Familia in action later tonight! Caitlyn Kinsey tries to score a win when she takes on Nathan Eye of M4NTRA! And up next, before he takes on Corvo Alpha in one week's time in a No Disqualification match, Vae Victis' loyal servant, Butcher Victorious, takes on Nicky Synz!

DDK:

That match is first up, so let's get to the action as UNCUT starts... now!

The following singles match is set for one fall! Introducing first...

Nicky Synz, your favorite rock star and mine, emerge through the curtain to a nice positive reaction using a new theme song! Synz's long blond hair ripples in the wind as he headbangs along with his new theme song. On his way to the ring, he continues to headbang and slap the outstretched hands of some of the younger fans in attendance.

Darren Quimbey:

...From Los Angeles, California... weighing in at 216 pounds... he is **NICKY SYNZ!**

Synz is on the apron, playing a little air guitar and rocking out, before he enters the ring. He jumps up the top rope and plays a little more guitar to the people!

DDK:

Nicky Synz scored the win a couple weeks ago over the BRAZEN giant, Somchai. Tonight, he's got Butcher Victorious!

Lance:

Say what you want about Butcher, but he's been studying under the learning tree of Oscar Burns and when he applies himself, he can get it done in the ring.

The camera cuts to Nicky in the ring as his intro fades and gives way to his opponent.

The lights dim to a burgundy hue all throughout as the haunting melody starts to play... but instead of the regular lyrics... It's Butcher Victorious. With his signature microphone attached to a mic stand he's carrying with him to the ring.

DDK:

Butcher Victorious:

VAE VICTIS WITH YOUR FRIEND BUTCH VIC! THAT'S MY NAME AND I GOT THE STICK! BREE-WOO! BREE-WOO! STRANGER FRUIT, BEANS ARE MUSICAL FRUIT, THE MORE YOU EAT, THE MORE YOU TOOT! BREE-WOO! BREE-WOO!

Butcher falls on the stage and trips! He dusts himself off and then tries to pretend like he did it on purpose while the instrumental to Vae Victis' theme continues playing.

Butcher climbs into the ring and then dusts himself off again. He checks THE STICK™ to make sure it's working still, then gets ready for the opening contest. Referee Rex Knox calls for the bell.

DING DING

Both Victorious and Synz circle up with one another before they lock up. It is right to a headlock for Butcher Victorious who laughs and has control of The Frontman.

Lance:

It's clear to see that Oscar Burns' influence has rubbed off on Butcher Victorious' in-ring. Trying to slow down Nicky Synz, who likes to take flight and brawl.

But Nicky Synz has the key for the headlock and he sends Butcher in the ropes. Butch Vic comes back and knocks him down with a shoulder block followed by going low and applying a second headlock!

DDK:

Great work by Butcher! This match he has looming with Corvo Alpha next week... there won't be any trading of headlocks and mat wrestling, but Butcher Victorious will have to use everything at his disposal if he has ANY chance!

Despite the Vae Victis lackey's attempts to keep him down, Nicky Synz fights his way back to his feet and then goes back to the ropes again. He pushes Butcher to the ropes, but Victorious grabs him on the return and spins around to whip Nicky. The Frontman comes back and catches Butcher by surprise with a headscissors takedown! Butcher scrambles to the floor while the Cleveland Faithful lend Nicky some love as he gets back to his feet!

Lance:

Great series of moves by Nicky Synz! He told me earlier today he was taking this match seriously. Even a victory over a Vae Victis-adjacent star like Butcher is going to get him noticed!

Nicky starts to jam on the air guitar for the cheering crowd, then goes over to pick up Butcher. He throws him back into the ring and then starts to climb up top. When he's there, he stands to his full height, throws up the horns and then dives off the top for a big diving crossbody!

DDK:

Nicky whipping Butcher to the ropes... no, Butcher slides out of the ring!

Victorious is outside on the ring apron, but The Frontman follows him. He tries to kick Butcher through the ropes... no! Butch Vic suckers him in and then SNAPS the leg with an Oscar Burns-approved dragon screw in between the ropes! Nicky hobbles away from the ropes while The Faithful jeer Butcher, now tapping his forehead to show how much he's learned.

DDK:

Ooh! That was unique! I've called a lot of matches where Oscar used that dragon screw as a lethal weapon for both flyers and giants alike!

Lance:

It's too bad, if Butcher Victorious had any self-respect, he wouldn't be taking the garbage that Vae Victis pulls him through.

Butcher glides quickly through the ropes just as Nicky Synz tries to stand, only to hit a dropkick to the knee! Nicky crumbles again and once he hits the mat, Butcher speeds off the ropes and hits a flipping senton and knocks the wind out of him! He hooks the legs of Synz after the move.

DDK:

Lance:

The crowd is clapping for Nicky Synz! They want to see him get out of this!

The Faithful start clapping at him as he struggles his way to the ropes. Butcher is standing and keeps the hold up, but The Frontman finally makes his way there... and gets it! The Cleveland Faithful cheer for the gutsy Synz while Butcher is shouting at referee Rex Knox about swearing he tapped out... but he didn't.

THE FOUNTAINHEAD

Caitlyn Kinsey is in the locker room, angrily sending a text message on her phone. Her raven colored hair is in Manic Pixie Dream Girl mode, with a candy necklace around her neck but with a more preppy-ish, new pink and canary yellow dress. She's reading "Brave New World" by Aldous Huxley.

From off-screen, we hear a very cocky sounding Brayden "Dubya" Leverington.

Dubya:

Why if it isn't the gal I was just hoping to run into tonight. I hope JJ isn't around.

Dubya has a wide smile on his face (one that says he knows JJ "isn't around" as someone slashed the tires of Teri Melton's Rolls Royce after her and JJ's date at the Memory Lane Diner. He's wearing a "Company Men" Patagonia vest over a pink dress shirt tucked into pressed khakis. He has a bandage on his forehead, a healing split lip and a bit of a limp courtesy of the beating he took from NDR at the last DEFtv.

Caitlyn Kinsey (said curtly):

What do you want, Dubya?

Dubya:

Oh, phew, JJ isn't here. That way, he can't hear me thank you for riding with me and Cristiano in the ambulance. Especially me.

Caitlyn Kinsey:

Please. You know that was an accident. I want nothing to do with you.

Dubya:

(Sighs.) Caitlyn, darling, I'm not the bad guy you think I am.

Caitlyn Kinsey:

Whatever. Leave me alone.

Dubya smirks when she doesn't turn her head away from him.

Dubya:

Why am I the bad guy? Because I have successful parents who were able to give me opportunities? Because I went to good schools and got my MBA from the most prestigious business school in the world?

Caitlyn Kinsey:

No, it's because of --

Dubya:

What we did to your boy's boys? Before they jumped us? Look, Raiden and Reeves are the scumbags here. Me and Cristiano? We weren't doing anything in BRAZEN. We might have been in line for the pink slip. We weren't going anywhere... and then your grandmother gave us some advice, and we were happy to take it. And I know, Caitlyn, you like your grandmother.

Caitlyn Kinsey:

That's none of your business. Plus, you're so obnoxious with the whole better than the fans stuff.

Dubya:

(Chuckles) Right. Like you don't believe that you're better than people, either.

Caitlyn Kinsey:

I don't.

Dubya:

Riiiiighhhht. I know you didn't exactly have a lot of friends back home, right? A lot of nights alone, either training or reading your books? You felt out of place. Like you had nothing in common with your classmates. Like you were headed to places they could never dream about? Like the people all around you were holding you down, and you couldn't wait to leave? Like you felt better than everyone?

Caitlyn Kinsey:

You don't know anything about --

Dubya:

That was in the documentary about you guys. I picked up that you were a little more than the shy girl with a lot of talent. And the first time I watched the documentary was when, well... was when I knew I wanted to date you.

There's a very awkward pause between them as Caitlyn then turns her head away from him.

Caitlyn Kinsey:

No. Absolutely not. I have JJ. Get out of here. We're in love.

Dubya:

I'm sure you think you love JJ... but his whole 'fighting for a bigger purpose and that just having a really nice life based on the hard work you put in and the hard work of your grandmother.. I'm not sure you believe in all that. And there isn't anything wrong with that, darling. Nothing at all. Plus...

Caitlyn braces for what he's about to say.

Dubya:

You didn't tell your grandmother 'no' about her offer to join us.

He smiles at her. And then he points to her locker.

Dubya:

Guess you didn't see the book I left you yet. Because that's another thing we have in common. I read books.

She looks at the book. It's "The Fountainhead" by Ayn Rand.

Caitlyn Kinsey:

Are you serious? "The Fountainhead?" There's a reason why I haven't read it yet.

Dubya:

I think you'll find it fetch.

Caitlyn gives him a "you cannot have seriously said that" look.

Dubya:

I put it off for a while, too. But then your grandma gave me her copy and it made me realize how right me and Cristiano are in the choices we made. So, maybe give that a read yourself. Because JJ? Well, I don't think he's letting you make up your mind for yourself.

Caitlyn sighs.

Caitlyn Kinsey:

Look, I have to get ready for my match...

Dubya nods and wishes her good luck before walking off. Caitlyn again angrily texts on her phone. Then she reaches up and grabs the book Dubya got her and starts reading it.

The Latin-influenced song from the Pulp Fiction soundtrack plays. Caitlyn Kinsey, ever apprehensive, comes walking out from the back. She's wearing pink and yellow tights and a matching halter that reads "The Prodigy" across the top. She comes out to modest applause as she stands on the top rope and raises her left hand high in the air.

DDK:

Here is Caitlyn Kinsey, who has struggled immensely since arriving here to DEFIANCE.

Lance:

You have to feel bad for Caityln. She was forced, more or less, to "cut the line" at the behest of her grandmother, Tabitha Kinsey. Caitlyn's young, and she has a lot of talent. But she's facing experienced competition and it's clear she's struggling to keep up. Whether this pays off in the long-term for her or not remains to be seen.

DDK:

In addition, Caitlyn and her boyfriend JJ Dixon find themselves in the middle of the war that has emerged between the aforementioned Tabitha Kinsey and her tag team, The Company Men, against Teri Melton's NDR tandem... and now it appears that Dubya is also after Caitlyn's heart!

Lance:

It appears that JJ and Teri have regained some level of a partnership again, as what we were able to witness earlier in their "trip at Memory Lane" DEF Digital Exclusive before Uncut. But unless someone clued her in, Caitlyn doesn't appear to have known about the results of that meeting -- and Teri's offer for her to join Your Uncut Gems!

Caitlyn nods.

Caitlyn Kinsey:

Make the call, Grandma. I want to prove this to myself. For myself.

Tabitha smiles wildly as Caitlyn leaves, as Livia returns to her lap for further stroking.

TRAINING SESH

It's the crack of the morning. The warm orange Louisiana sun beams through the large bank of windows that makes up one whole wall of the gym upstairs at the DEF-plex. At the far end of the facility beyond the machines and rows of weights is a cluster of three wrestling rings. BRAZEN was born here. Main event level stars who's t-shirt you're wearing right now were created here. Comebacks that rocked the entire wrestling world were rehabbed here. Unusual alliances that changed DEFIANCE forever were born between these ropes.

BAM

Flesh on canvas, like music. Jack Harmen smiles at ringside as Gage Blackwood picks Bronson Box's beefy arm and takes the Strongman down to the mat with a harsh, meaty slap. Gage obviously enjoying the friendly sparring match a lot more than his Hall of Famer opponent.

Jack Harmen: *[clapping]*

Good! Very nice. You two are two of the finest wrestlers this business has ever seen, but those yellow Luck shitstains on the underwear of DEFIANCE have been tag teamin' since they started walkin'. Y'all two crazy Scot basterds gotta cram a lifetime of tag teamin' so you guys know what the other's thinkin', just like those Luck pricks.

Box struggles. Both within the hold itself, and obviously biting back the instinct to dig the nails of his free right hand directly into the face of his new partner. Ever observant Jack narrows his eyes at that...

Jack Harmen:

Box, don't hold back. Gage isn't, and we ain't tap dancin' here.

Bronson visibly shrugs, swinging his "red right hand" wildly towards the eyes of Blackwood, taking him by surprise. Boxer lunges forward and for a moment starts to dig his nails into Gage's forehead. Harmen calls time and Box immediately relents. Both men deftly roll through to their feet and share a vaguely heated staredown.

Gage Blackwood:

What the hell, pal?

Bronson Box:

You heard the man, lad... got a lot to do and not a whole lot of time to do it. You remember what we talked about. This ain't some random teamup. This right here was supposed to happen. You know and I know for the fights we both want to pick this comin' year we're gonna need to be locked in, hear?

Gage Blackwood: *[dabbing his forehead with his fingers]*

I feel ya' Boxy, I feel ya'. Aye, can we draw the line at drawin' blood? Seems excessive.

The ACE looks to Harmen at ringside who cocks his head.

Jack Harmen:

You threw down one hell of a challenge, kid. Ten moves tops, I believe it was? We don't need to just win, we need to evaporate these poor souls and prove a POINT to Morrow, to those two pukes, and most importantly, to the Faithful. Pulling punches with you two is a recipe for disaster, cause this is all sense memory -- you practice half mast you'll be half mast when it counts. Gage. Ruthlessness is what made Bronson Box's legacy what it is. You know what's made yours?

Gage raises an eyebrow. As Boxer crosses his arms across his barrel sized chest and listens.

Jack Harmen: *[he slaps the canvas for emphasis]*

Resilience! You're the most resilient young man I've ever met. I thought my tank never hit E but you're like the hybrid version. And you two together? That IS DEFIANCE. The perfect combination of determination and resilience. You

guys represent the attitude and the fighting spirit that makes this place stand apart from all the bingo parlor promotions out there. Gage, Box, you two are gonna be tag champs, gonna be champs all over again, drown in all the gold, but most importantly, we're going to check every single person off of all of our shit lists one by gorram one.

Blackwood narrows his eyes and cracks his knuckles.

Gage Blackwood:

Still have a lot of scores to settle. Lot of points to prove 'round that locker room.

Bronson Box:

An' prove them we shall, lad. Every cock sure one of 'em! But you gotta' do what you told me to do all those months ago when I had my head up my arse and my arse waist deep in a glass of scotch... get yer' head in the FOOKIN' GAME, BOY'O!

BWOOOF

The elder Scotsman raises a knee directly into Gage's breadbasket, sending him staggering back against the ropes. Boxer steps in for an irish whip that Blackwood manages to avoid. Gage uses the gained momentum to roll back through into the same armbar he had locked on at the start of this.

Bronson Box: *[yelling out]*

Too predictable, lad!

Jack Harmen:

Don't keep goin' to that same well, kid! You gotta'...

A frustrated yet determined look from Gage. He readjusts the hold so Boxer's middle two fingers are riiiiight in front of his face.

'Lad, kid.' Fine then...

AHHHHHHHHHHGH

Gage bites down on Bronson's digits before any more unsolicited advice is flung his direction from Statler and Waldorf up in their proverbial balcony. Blackwood releases Bronson's fingers from between his teeth then his arm from the hold, in that order. Box rolls back holding his now bleeding fingers... a sick, very Bronson-like smile on his mustachioed face.

Blackwood spits a wad of bloody phlegm to ringside. Obviously satisfied he's proved his point.

Jack Harmen:

Gross. I like it. Not to mention effective! Not sayin' we want to carve each other up every training session, but you boys need to tap into that DEF VIBE, man. I was invited to this party and I've been proud to be a part of both BRAZEN and DEFIANCE's recent history. But you two helped throw this party. You two boys represent the beating HEART of this place.

Box and Gage exchange a look of mutual determination.

Jack Harmen:

All you gotta' do is go out there and show 'em.

Gage claps Bronson on the shoulder.

Gage Blackwood:

I believe we've got more work to do this mornin'.

Bronson Box: *[nodding]*

Aye, lad. That we do.

Harmen claps excitedly as Box and Blackwood start circling again.

Fade out.

Caitlyn is back in her locker room. She sees the book Dubya gave her and starts reading it further.

Then we hear:

♪ "In Your Eyes" by Peter Gabriel ♪

JJ Dixon emerges from behind the lockers, holding a boombox stridently over his head as he plays the 80s classic. He is wearing a long brown trench coat and the Spoon T-Shirt he wore at the diner earlier. She looks at him, tears welling in her eyes. He puts the boombox down and takes a seat next to Caitlyn, who hides the book on her lap, as her mouth drops and eyes well up in tears at the sweeping, romantic gesture.

JJ Dixon:

Caitlyn nods in a "you go first" fashion.

Caitlyn's mouth drops a little bit and it is clear this is big news she does not know how to take, and then she stares at the copy of "The Fountainhead" Dubya gifted her.

JJ Dixon:

Caitlyn snaps back into things.

Caitlyn Kinsey:

JJ's mouth drops himself.

Caitlyn Kinsey:

Caitlyn Kinsey:

And if I lose... I am going to quit DEFIANCE forever.

She and JJ stare at each other, neither able to say anything.

TITANES FAMILIA vs. CURT CUNNING EXPERIENCE

DDK:

We are finally here to our main event! Tonight, before they take on the combination of Alvaro de Vargas and M4NTRA, we've got DEFIANCE's first family, Titanes Familia, when they take on the masked Curt Cunning Experience from BRAZEN!

Lance:

Dan Leo James has really been the one trying to get his friend, Declan Alexander, away from Nathan Eye and Tom Morrow, but it seems like the more he tries, the more Nathan and Tom have sunk their claws into the young streamer.

DDK:

Titanes Familia will take on M4NTRA in tag team action at MAXDEF, but right now, it's time to get to our main event with trios action! Uriel Cortez, Titaness and Dan Leo James vs. The Curt Cunning Experience up next!

To Darren Quimbey for the main!

Darren Quimbey:

The following contest is a trios match set for one fall and is your main event of the evening! Introducing first...

The lights flicker back on and the crowd EXPLODES as a spotlight shines in tune with the appearances of the trio. Left side of the ramp: Titaness! Right side of the ramp: Uriel Cortez, arms in the air! Center of the ramp: Dan Leo James! He is standing backwards in the spotlight until Uriel rolls his eyes, flips him around so he's facing the right side, then points to the ring.

Darren Quimbey:

They are the team of "The Young Titan" Dan Leo James... "The Show of Force" Titaness... and "The Titan of Industry" Uriel Cortez... **TITANES FAMILIA!**

The Faithful give them a nice ovation for the team of multiple-time Unified Tag Team Champions! Uriel, Dan and Titaness all high-five the fans heading down to ringside before they reach the ring in the Rocket Mortgage FieldHouse. Once they get there, Uriel grabs Titaness and helps her up onto the apron before she climbs inside the ring. Uriel reaches up to grab the top rope so he can pull himself up onto the apron, then he steps over the ropes with ease. Both The Titan of Industry and The Show of Force flex in the ring while Dan Leo James poses along with them on the ring apron! The namesake of the group is front and center in a black mask with silver markings and a singlet. The slightly shorter Curt Cunning Dos is wearing a similar mask, but in more chiseled shape at 230 pounds. The shortest member, Hijo de Curt Cunning, has on the same black and silver mask with silver kickpads and MMA-style shorts. They talk strategy amongst themselves as they arrive at the ring.

DDK:

In last year's Tag Party IV event, it was Curt Cunning who made it to the finals and thanks to inspiration from Ned Reform, that's how the Curt Cunning Experience were formed!

Lance:

We saw Ned Reform make his return last week in shocking fashion! What does he have planned for Masked Violator #1? And where will TA Cole stand in all that?
