SGT. SAFETY vs. SOMCHAI

DDK:

Welcome back, one and all to UNCUT 186, here from the Golden 1 Center in sunny Sacramento, California! I'm "Downtown" Darren Keebler and as always calling the action, my broadcast partner, Lance Warner!

Lance:

Hello, Darren! It's been a CRAZY week in DEFIANCE and we already have a big match-up signed for Acts of DEFIANCE when Brock Newbludd puts the Southern Heritage Title on the line against "The Man of The House" Uriel Cortez!

DDK:

We also saw what some may consider an upset when you consider the star power of Newbludd and Corvo Alpha, The Party Animalz! When they were defeated by the Titanes Familia team of Kill or Be Killed! They will take on M4NTRA at Acts of DEFIANCE in the first of two semi-final matches!

Lance:

But tonight, we go to in-ring action! Up first, we have Sgt. Safety taking on the BRAZEN giant, the 6'9" Somchai in action!

The camera goes to Darren Quimbey in the ring for the next match.

Darren Quimbey:

The following contest is scheduled for one fall! Introducing first...

♪ "Safety First" by DEFIANCE Music! ♪

Darren Quimbey:

From Chicago, Illinois, accompanied by Count Novick... weighing in at 220 pounds... he is Officer of OSHA and The Safest Man in DEFIANCE... this is SGT. SAFETY!

The fans cheer as Sgt. Safety comes out with a his decibel meter that he can now afford on a main roster member's salary, along with his tag team partner, Count Novick! The crowd cheers get louder as he points it to different sections of the arena to see who can make the most noise! After he does, he steps into the ring and then holds it out one more time for each side of the arena before handing off the decibel meter. Once he reaches the ring, the Sacramento Faithful cheer him on as Quimbey introduces his massive opponent.

Darren Quimbey:

And his opponent, already in the ring... from Pattaya City, Thailand, weighing in at 289 pounds... **SOMCHAI!**

The tall and muscular Somchai is wearing black thigh-length trunks with red trim, black kneepads and boots. He holds a hand up in the air and gets ready to administer a whooping on the Safest Man in DEFIANCE.

DDK:

We've seen Somchai show some aggressive especially in BRAZEN!

Lance:

We'll see if he can put that to good use.

Sgt. Safety goes over to offer a handshake to Somchai, but he doesn't take it. He steps backwards and then waits for the bell to ring.

DING DING

The bell rings as Sgt. Safety tries to carefully (and safely) lock up with the Thai fighter. He tries to lock up... he goes for a headlock, but he can barely holds it. Somchai picks him up for a body slam, but Safety slips out the back! When

he turns around, he tries to body slam the big man, only to get snatches up and then hit with a big body slam of his own! Somchai gets jeered by The Faithful while The Sarge holds his face in pain and wonders how he should switch up his tactics.

DDK:

I don't know how beneficial it's gonna be for Sgt. Safety to try and overpower the big man like he just did. He's gotta go low. Work a leg or an arm... something else to chop him down.

When Sgt. Safety tries to get back to his feet, he waits in the corner as Somchai charges forward. The Sarge moves and Somchai hits nothing but the turnbuckle, allowing The Sarge to try and negotiate him into an arm wringer!

Lance:

Somchai is using that size of his to great effect!

DDK:

There's Sgt. Safety trying to work an arm... but no, wait! Somchai sends him to the ropes!

When The Sarge comes back, he's met by the massive BRAZEN figure running into him with a big shoulder block! The Officer of OSHA hits the canvas like a painter while the always-stoic big man of BRAZEN stands over him looking determined to get his first televised win.

Lance:

What a shot that was! Somchai just taking over on sheer power. Like you said earlier, Keebs, flashes of brilliance from this young man but he needs to put it together in-ring.

The 290-pound Somchai picks up Sgt. Safety and places him near the middle rope before he applies a big knee to his back! He holds the knee out and starts strangling The Sarge! He points to his neck telling the official, Ferrari, that he's being choked. counts from one and gets all the way to four before the Thailand native pulls back and hears the jeers of the PNC Arena on him.

DDK:

Somchai now in control. He's looking pretty good so far against Sgt. Safety who hasn't mounted much offense in the early going.

The Sarge tries to get back to his feet again, but this time Somchai is ready and applies a chinlock while Sgt. Safety is between the ropes! Ferrari counts a second time and gets all the way to four before Somchai lets go and allows him to be choked.

Lance:

The Sarge is being manhandled by this brute so far. Normally we see Sgt. Safety try for a move he calls the Safety Pin, but the size differential may be too great to use!

DDK:

And Somchai isn't going to let him find out from the looks of this match. Here comes Somchai. He's got The Sarge back into the ring... wait!

The Sarge tries to get Somchai up for a body slam, but he's too big! He elbows The Sarge! Count Novick stands at ringside and hisses at Somchai who shakes his head and goes back to punishing The Sarge.

Lance:

I don't know what Sgt. Safety was thinking there!

DDK:

He's way too fresh to be trying a body slam... BUT WOW! SOMCHAI LANDS THE BIEL THROW!

The Sacramento Faithful find out just how aerodynamic Sgt. Safety really is when he gets pitched across the ring with the big biel throw! He hits the mat back-first and gets sent skittering across the mat while Somchai takes a moment and puts a finger to his ear, encouraging more jeering out of the fans.

DDK:

Somchai is ruling the roost right now! He's keeping the pressure on Sgt. Safety...

He runs forward and then hits a running body avalanche in the corner! Safety falls to his knees, but when Somchai wants a reaction, The Faithful cheer on The Sarge!

Lance:

The Sacramento Faithful are really enjoying bubble wrap right now or they're cheering for Sgt. Safety to overcome the big man.

DDK:

And here comes Somchai again. He's got Sgt. Safety and he just whipped him across the ring!

The Safest Man in DEFIANCE gets whipped a second time back to the other side of the ring. Somchai locks him in his sights just after he lands, then charges forward... only to catch two safety shoes in the face!

DDK:

And there's a counter by The Sarge! Somchai telegraphed the second splash in the corner way too long and he just paid for it!

And now with Somchai scrambling to come around, Sgt. Safety PICKS UP SOMCHAI AND HITS THE BODY SLAM BEFORE COLLAPSING HIMSELF! THE FAITHFUL ARE MAKING NOISE! COUNT NOVICK EVEN LOOKS IMPRESSED!

DDK:

That's definitely gonna register on The Sarge's Noise-Meter! The third time was a charm for the huge body slam and takes Somchai down to the mat!

Lance:

But does the Sarge have anything left?

Sgt. Safety gets back up while holding his back. Somchai starts to try and get back up but the Sarge goes to the middle rope. When he gets there, Sgt. Safety leaps off and hits a huge flying bulldog!

DDK:

Sgt. Safety connects again with the flying bulldog off the middle rope! He's got him on the back foot now!

The Officer of OSHA starts to pick himself up again and then speeds off the ropes just as the groggy Somchai starts to get to a knee, only for it to possibly be his undoing!

DDK:

Safety First! He scores with the Safety First! I think that's it!

Lance:

HEY! WHAT THE HECK WAS THAT?!

Prince flails around before he eats a NASTY big boot to the face from the 6'2" Titaness! While he's on the mat, Titaness stands over the fallen rookie and looks out to The Faithful.

The larger Titaness goes after the rookie and pushes him into the corner as he tries to get his bearings about him. His shirt hasn't even come off with some of the beer still splashed in his face when Titaness lays into him with a number of boots! She continues to wail away on him until Rex Knox tries to break it up.

Titaness:

SHUT UP, SMALL! A TALL IS HANDLING FAMILIA BUSINESS!

She pulls the 5'10 rookie up and leads him across the ring before slamming him face first into the top turnbuckle. Prince is reeling when Titaness reels back and CHOPS him with a stiff shot! Prince is holding his chest in pain as the chop echoes through the Golden 1 Center!

Lance:

Oooh! That chop has something extra in it! And here comes another one!

Once again, "Crash Out" sends Prince across the ring and SMACKS Prince in the chest with another double chop! Prince has barely any time to reel from the impact when Titaness uses her power and LAUNCHES Prince all the way across the ring to collide back-first with the turnbuckle! Antonio falls to his knees after the impact while the matriarch of the Familia looks to the camera at ringside.

Titaness: [bad Boston accent]

Lance:

In the name of friendship, was Uriel's exact words.

As Prince tries to get back to his feet, he gets clocked from Titaness with a big running corner uppercut! He gets knocked back into the corner, but before he can even fall forward, the Pretty Powerful has Prince in her arms with a delayed gutwrench! She parades him around the ring before picking him and slamming him into the mat with ease!

Lance:

That strength of Titaness is uncanny!

DDK:

Whether loved or hated, her strength is truly special!

Rather than go for any cover on the young BRAZEN rookie, Titaness takes a moment and starts flexing just because she can! She continues getting jeers from the Sacramento Faithful and then finally she stands up and starts slapping Prince lightly on the back of his head.

Titaness: [bad Boston accent... again]

More slaps. The look on Prince's face shows annoyance as Titaness continues.

DDK:

When is this going to end? This is insufferable.

Lance:

More importantly, can Antonio Prince even fight back? He had beer thrown in his face just as the match began and with that, he has yet to get any offense here tonight!

Titaness grabs the leg, but he throws the other boot up and clips her in the side of the head with a big enzuigiri! Titaness goes stumbling while Prince is hunched up in the corner and then leaps out to the ring apron!

Lance:

Prince finally gets something going! Can the rookie pull it out tonight?!

DDK:

Trying to shake off the beatdown that he's been taking since the start of the match, Prince wipes his eyes once. He then springboard and then flies at Titaness with a HUGE missile dropkick that finally knocks her backwards to the ropes!

DDK:

What hangtime off that springboard dropkick! Prince has her on the ropes!

To a round of cheers from the Sacramento Faithful, Prince kips up to his feet and then throws another running dropkick that knocks Titaness through the ropes and out to the floor! Prince finally sees his chance as he limps back

to his feet and then waits. He runs the ropes and then CLEARS the top rope using a big tope con hilo to wipe out "Crash Out" on the floor!
