The DEFtv logo quickly shows on screen, before we fade backstage to see Scott Stevens enraged. He's yelling at Kelly Evans.

Scott Stevens:

Are you fucking serious?!?!?!?

Stevens says as he gets into the face of Kelly Evans.

Scott Stevens:

I beat that fuck and now he's getting a title shot before me?!?!?!?

Stevens screams as he kicks a chair next to Kelly.

Scott Stevens:

Tell me Kelly, how the hell does a man who is on a losing streak get a title opportunity before the man who beat him?

Stevens asks bumps his chest against her.

Scott Stevens:

What's next? Jack Hunter is going to come back and leave little bruises all over you before you give him a championship match?

Stevens says as he shakes his head.

Scott Stevens:

You have screwed me over so many times and this is just the latest occurrence of it and I'm sick of it!

Stevens sternly states as he stares daggers into Kelly Evans.

Scott Stevens:

You need to reverse the decision and give it to me!

Stevens demands and Kelly doesn't bat an eye when she says.

Kelly Evans:

No.

Kelly walks away leaving the Texan seething.

Bright flashes, rolling cameras, and all the action in the world. The live crowd sees the intro video being played over the DEFIatron, as classic moments of DEF's current roster is played on screen. Footage of ACTS of DEFIANCE is briefly shown, clipping through the events line up like flipping pages of a comic book and ending on Oscar Burns holding his newly won FIST of DEFIANCE high into the air.

The heavily produced and graphically enhanced video fades out. A sky jib crane shot of the cheering Faithful screaming their lungs out, holding all of your favorite signs while pyro goes off around them.

DDK:

Welcome everyone, to the one hundred and twenty second episode of DEFtv! Joined alongside me as always is Angus Skaaland, I'm your host, Darren Keebler, and we've got one heck of a show in store for you tonight!

Angus:

We have a new number one contender, the Unlikeliest of Heros, Mikey Unlikely. He pinned Jack Harmen just last show in the main event.

DDK:

That gives Mikey a shot at our current champion, Oscar Burns, but Burns' compatriots have come under fire from the

Family Keeling, specifically Andy Sharp in a hard fought loss against Ryan Batts.

Angus:

Those WrestleFriends keep impressing Keeps. They should be with tag gold eventually.

DDK:

Speaking of the tag champs, they successfully fended off the solo assault by Jack Harmen, after his own son abandoned him to the Stevens' Clan.

Angus:

Hey, kid gave me a great moment to watch, but it still felt a bit skeezy. The Stevens' Family refuse to defend their belts in BRAZEN, and since one of them has the name of the fed imprinted on the gorram belt... gorram stoovins Clan.

DDK:

Not to mention that heater of a World Title defense by Oscar Burns against Kerry Kuroyama to start off the last show... who knows what we might have in store tonight?

Angus:

And that Gorram "Bruv" logo. Shoot me Keeps. I thought we were done with Kendrix.

Indeed, the camera gets a few shots of the ring made up much in a similar way to past iterations of the Bruv show, complete with recliners and adorned with fancy video screens.

DDK:

Kendrix hasn't been seen since losing the FIST at Acts of DEFIANCE against Oscar Burns...

Angus:

And then he took his ball and went home Keeps! He lost the title and decided, nah, I'm good! I was in the meetings!

DDK:

Kendrix is taking time off from DEFIANCE, last I heard. Perhaps he had a change of heart?

Angus:

Whatever. It's still blacker than it's ever been.

♪"I'm So Humble" by Lonely Island♪

The Faithful instantly boo, but their reaction is a bit tempered due to their initial expectations. With flashing light bulbs going off on either side of the entrance way, The D, dressed in his finest Armani suit, steps out from the back, head held high. Dangling from his arm as ever is the O-Face, who's just lovingly stroking his upper arm. After a few moments of soaking in the response, the D motions behind him and Flex Kruger walks out to flank them. The trio make their way to the ring, O-Face laughing along the way.

DDK:

Certainly unexpected Angus. What could the D possibly be doing?

Angus:

Maybe Kendrix booked a guest for the Bruv show before he left and never told the D it got cancelled?

DDK:

That'd be funny.

Angus:

Here's hoping!

As the trio reach ringside, they continue walking around the ring to our time keeper's table. The D shouts expletives toward Darren Quimbey and then rips the microphone from his hand. The D dusts off his suit as the O-Face leans in and feints a punch, which Quimbey does sell a bit. O-Face laughs as the D tugs her gently on her tight fitting tank top.

The D climbs up the ring steps and looks over at Flex Kruger, who then sits onto the middle rope. O-Face bounces on the other side of the D on the same rope, as the D gingerly enters the ring. He proceeds to dust his suit jacket again, and then grabs the cusp of both sleeves, tugging them ever so. His music fades as he raises his hand to the jeering DEFIANCE crowd.

The D:

WELCOME...

The D points over his shoulder to the floating television screen, which has the Bruv show logo on it. As he points, the graphic animates and some scripted writing appears under the bottom right of the logo. It says "Now w/ 100% more D!"

The D:

There's a healthy flurry of boos for it's mere mention. The D just smiles and holds in a bit of a laugh.

The D:

My name is the D, and I'll be filling in as the temporary host for this Emmy nominated, Webby Award winning talk show... THE BRUV SHOW! Now, with 100% more D!

The D turns over his shoulder and looks toward Flex.

The D:

Now.

Flex Kruger reaches behind one of the lazy-boys and pulls up a large metallic box. He holds it above his head and presses a switch, as the box now lights up to say "Applause." The audience boos.

The D:

Yes. Get it out. Because I don't want you to boo my first guest... on this FOURTH EVER edition of the BRUV SHOW, OBVS.

More boos. The D just smiles.

The D:

He's the dynamic High Flyer, the agile aerialist... a man I've known for an entire lifetime...

DDK:

Is he talking about Jack Harmen?

Angus:

I'm sorry. I wasn't listening. Is this over yet?

Stepping out from the backstage area is a smaller individual, wearing one of those classic theater masks. He leans down, smacking the entrance rampway and then tosses his hand high in the air. His other hand rips off the mask and holds it off to his side. This reveals the face of Jack Harmen's son, the man known as High Flyer IV, who purposely unmasked himself at the last BRAZEN show. He stomps his way to the ring, as he notices a young girl reaching out her hand. He stops, notices she's reaching out for his mask, and then leans down, offering it to her. Her eyes light up. She reaches out to grab it, and HF IV pulls it away, ripping it in two in front of her face. He walks off toward the ring as the camera lingers on the crying girl, who quickly gets tucked into the arms of her mother.

HF IV climbs the ring steps and front flips into the ring. Flex Kruger holds up the electronic "Applause" sign once more.

He receives boos as the music fades. The D walks up to him, extending his hand, but HF IV just leans in and gives him a big hug. This also receives boos, so Flex tries to hold the "Applause" sign up again and just receives a louder reaction of jeers. The host and his guest break their embrace.

The D:

Ladies and gentlemen... H - F ...

HF IV leans in, covering the D's mic and whispers something to him. The D cant help but snicker, which offends HFIV. The D reassures him.

The D:

HF IV nods in appreciation, and takes out his own microphone from the back of his trunks. The now Velvet Shadow brings it to his mouth.

Yes D. A garbage human being. A person so flippant, so willing to do whatever HE wants, to get a laugh, or get a title, or get SOMETHING. It's all fun and games until someone gets blown up. And I realized something... I'm a better person than I ever could have been, BECAUSE he abandoned me. I am THANKFUL, that I never had a father.

The D is taken aback, but adjusts his tie. He tries to find the words, but Velvet Shadow continues.

Velvet Shadow:

You know Derek, I was around this business when I was a kid. It's part of my blood, as it is yours by now. You've been doing this, what, twenty years now? I've been backstage all my life. When I was four, I made my wrestling debut. It was take your kids to work day or whatever, and there was this place, which I've been instructed not to say it's initials because we don't own it's tape library...

The D nods along. O-Face plops down onto one of the lazy-boys, making sure it reclines. She grabs a bag of popcorn

to her side and starts tossing it in the air, catching it in her mouth.

Velvet Shadow:

I met my favorite wrestler at the time, a man who was one of the last, truly honorable men in this sport. A golden child, the face of the promotion. My dad knew how much he meant to me. HE, not my dad, was my favorite wrestler. It wasn't until years later I realized... My dad USED me, so that he could get close to my idol. So he and my idol could team up against his enemies, and when MY HERO, stood up to my father and told him he was WRONG. He SHOULDN'T commit these acts of violence... my dad struck my hero. Shadow spins away and begins pacing in the ring, as the D and Flex look on. Flex begins to raise the "Applause" sign but the D shushes him down.

Christie Zane:

Hi, everybody! I'm Christie Zane and I'm hoping I can get a chance to talk with somebody from The Family Keeling tonight!

She turns and knocks at the door, then waits.

And waits.

And waits some more.

Christie Zane:

"The Titan of Industry" Uriel Cortez will be fighting Klein tonight since they are the best buddies of Andy Sharp and Southern Heritage Champ Elise Ares and they don't like each other very much. And...

Suddenly, the door opens and out comes Junior Keeling, along with the... ahem... "Southern Heritage Champion" Andy Sharp. He has possession of the belt after attacking Elise Ares, costing her a shot at becoming #1 Contender to the FIST and then stealing said championship belt. He shows off the belt briefly before tucking it inside the locker room.

Andy Sharp:

There. Can't let that stupid-ass thief, Elise try and take my title.

Junior nods to Zane.

Junior Keeling:

Christie. Sup, girl?

The smug Andy Sharp laughed.

Andy Sharp:

She probably wants to get a word with the champ, right, Christie? The REAL champ. The one that ACTUALLY won the Southern Heritage Championship and not the one that THINKS she won it just because Carla Ferrari has a kindergarten-level education and can't count to this many...

He sarcastically holds up three fingers. Christie Zane laughs.

Christie Zane:

Well, I'm confused. If you're the champion, but Ryan Batts beat you last week by submission... isn't he the champ?

The crowd laughs at the hilariously blunt question. Andy is about to raise his voice when Junior puts up his hand.

Junior Keeling:

I got this, good sir Andrew. No, Christie, he didn't. That match was non-title because Ryan Batts disparaged the REAL champion right before our match. And Andy only tapped out because Elise Ares doesn't know how the law works. My client won this title. NOT her. And she can't stand that. That's why she came out to ringside during OUR match and stole what didn't belong to her. That's why we cost her a chance at the FIST because she keeps sticking her nose where it doesn't belong. And THAT is why this match with her buddy Klein and OUR Titan of Industry is happening later...

Christie Zane:

That's right, I wanted to ask about that. I hear there's a stipulation attached?

Junior Keeling:

Indeed there is. See... they feel Andy Sharp has a grievance. Andy had her pinned, but like he said, Carla Ferarri is an idiot. That's why tonight, we have a match. Because Andy is a gracious champion, he has ALLOWED Elise Ares an opportunity to regain her title at Ascension in a championship rematch for HIS Southern Heritage Championship. It will be Klein against "The Titan of Industry" Uriel Cortez!

Andy Sharp:

Yeah. If Klein pulls out the miracle of the century against a man that hasn't been pinned in the six months that he's been here, Elise Ares picks the stipulation for Ascension... but WHEN my boy, Uriel wins and Klein gets MURDERED in that ring by The Titan of Industry, then I'll choose our stipulation.

Junior high-fives Sharp and then turns to Christie.

Junior Keeling:

But in the meantime, we need to be vigilant. My dad and Uriel are training in the gym for their match in a bit and Elise may try something at any mo...

Andy Sharp:

HEY! YOU! WITH THE FACE!

The camera follows Andy Sharp a little and shows two janitors. One that looks eerily large and the other, a much smaller woman of Hispanic origin. Andy growls.

Andy Sharp:

Are you two fucking serious? You think that you're just going to walk up in some bad disguise like a crappy Martin Short movie and take the Southern Heritage? You may have these people fooled, but I have more than one working brain cell unlike you and unlike Carla Ferarri!

Junior inches closer to the duo and in the background, the crowd's muffled pops could be heard as the RECOGNIZED Southern Heritage Champion Elise Ares sneaks in to the locker room behind their back, grabs the SoHer title and runs for dear life with Klien behind her! All the while...

Andy Sharp:

And another thing! This disguise, Elise? You look like a dirty drag queen. And you, Klein? Prepare to get your ass BEAT tonight. Uriel's gonna shove his size sixteen E shoe so far up your ass, you'll be flossing with his shoelaces, you get me?

OH HOW THE TURNTABLES?

As we come back to the Arena, we're greeted by a similar scene that we saw last week as well. Mikey Unlikely is on the interview stage with Christy Zane. this time however Mikey is not upset, angry, or excited. No, this time he's calm, he's cool, he's collected.

The fans cheer as they realize we're transitioning to an interview with Mikey. Ms. Zane bring the microphone to her face.

Christy Zane:

Ladies and Gentlemen, I'm joined again this week by Mikey Unlikely.... Now Mikey, last week when we spoke you were adamant about your decision to continue to persue some sort of revenge against Scott Stevens for his and his sons deception at ACTS of DEFIANCE... Last week you defeated Jack Harmon, Uriel Cortez, and Elise Ares in a fatal four way to become the NUMBER ONE CONTENDER for the FIST OF DEFIANCE!

The fans cheer loudly. Mikey waves them off, embarrassed a bit.

Christy Zane:

The question is now, where is your focus? Are you still focused on Scott Stevens? Or now that you have the number one contendership, do you set your sights on Oscar Burns?

She holds a microphone to Mikeys face.

Mikey Unlikely:

First off Christy, I wanna say "What's Happening!?" To all my fans here tonight in Leezy-Anna!

The fans cheer loudly in response.

Mikey Unlikely:

Christy, that's an excellent question, I'm glad you asked. I can see how some people would think my motives have changed now that I have the number one contendership. I can see why some people would think I want to go toe to toe with Oscar Burns RIGHT HERE TONIGHT, to win that very very prestigious championship! One that's eluded me in my career.... HOWEVER... My focus remains where it was last week. My focus remains on beating Scott Stevens!

Pops from around the arena. "Mikey, Mikey, Mikey" chants.

Mikey Unlikely:

One thing has changed however Christy.... One thing I have this week that I didn't have last week.... Is leverage! You see, one thing I do know about Scott Stevens, is he LOVES being a champion. LOVED being the FIST... and last week.... Well last week Stevens didn't even want to give me the time of day. Let's see if we can change that this week. Scott Stevens... once more I'M CALLING YOU OUT HERE!

Mikey waits, pushes the mic down a little. The camera's cut to the entrance way once more. Just like last week, about 20 seconds go by and nothing happens. Mikey brings the mic back up.

Mikey Unlikely:

That's what I thought, Scott. You beat me at Acts. I guess you're done with me? Don't want to give me a rematch? Well then allow me to take one last shot at it. I'm going to say this one time, and one time only. So listen close... SCOTT STEVENS. I want to fight you again, this time it's on my terms! I'm going to prove I'm better than you. ONE TIME OFFER. I'M WILLING TO PUT MY FIST OF DEFIANCE NUMBER ONE CONTENDERSHIP ON THE LINE SCOTT! The winner.... Will be the number one contender for the FIST of DEFIANCE!? Scott you've got ONE MINUTE before I change my mind...

Mikey starts looking at his watch and the Faithful begin to countdown from sixty. As the countdown reaches ten

seconds we here something off camera.

Voice:

Ahem.

The voice is none other than Scott Stevens and the Faithful boo him relentlessly as he comes into the frame.

Scott Stevens:

Let me get this correct, you want to challenge me?

Mikey nods and gets ready as if he wants to go now and Stevens smiles.

Scott Stevens:

You're dumber than I thought Mikey, I JUST beat you.... Oh how embarrassing. EVERYONE saw it... but if you're so keen on losing that title opportunity so badly I'll be glad to take it off your hands. I accept.

Stevens says with a smirk. Mikey matches with one of his own.

Mikey Unlikely:

Well good! I'm glad to hear you're ready to do this. But Scott... I won't be screwed over again. I agree the #1 Contendership is on the line, but it's going to be a best of three series of matches!

Anger crosses the face of Scott Stevens.

Mikey Unlikely:

I have to wash the taste of defeat out of my mouth. This isn't about getting lucky, this isn't about outsmarting someone once, this is about proving once and for all who the better man is!

Stevens skips a beat and thinks about it.

Scott Stevens:

Mikey, I already know who the better man is and you're looking at him.

Stevens says as he points to himself and smiles.

Scott Stevens:

And I have no problem reminding you of that fact when I beat you again and one more time before going on to win the FIST!

Stevens says patting Mikey on his face before Mikey slapping his hand away.

Scott Stevens:

See you soon.

Stevens says with a smirk before exiting.

THE STEVENS FAMILY vs. THE LOUISIANA BULLDOGS

Cut back to the arena.

DDK:

Big announcement there from Mikey Unlikely! A best of three series against Scott Stevens, the winner gaining Mikey's Number one contendership!

Angus:

Dear God, please don't let the Stevens' family get any more gold. For all that is gorram right with the world.

DDK:

Well, this next matchup could very well take championships AWAY from the Stevens' Family. At Clash of the BRAZEN, the Louisiana Bulldogs earned a shot at the DEFIANCE Tag Team Titles. Because the Stevens Family refuse to head back to BRAZEN to defend them, they get a bit of homefield advantage here on DEFTv.

Homefield advantage? Pretty sure everyone in the Bayou wants their heads a stick Keeps.

Cary holds the Tag Championships high into the air while Bo and George hold their Trios Championships high above their heads as they head towards the ring.
