The screen fades up from black ...

Energetic music begins to to fade up ...

A white streak of electricity shoots across the screen backed by a red glow.

It's accompanied by an electrical sounding sizzle sound effect.

The 3D block letters of UNCUT appear but the angle obstructs a legible reading of the word at first sight.

The red-lined white streak shoots past the word as it continues to rotate and the background music swells.

As the letters tip upright and begin to reveal the five red letters back with a slight white glow, the white streaks fly behind the letters and wraps around the word angling down as the drumbeat hits and the theme is at full tilt only to abruptly end at the final presentation of the logo and a down note.

The logo fades and on a black screen, words in white appear one at a time.

EMPTY ARENA: FUSE BROS vs. RESIDENT EVIL

Uncut immediately goes to the announcers table, where DDK and Angus are sitting.

DDK:

We have a very exciting, albeit different, episode of Uncut for you today. A no holds barred, empty arena match between The Fuse Bros. and Resident Evil. Tyler and Conor laid out the challenge a few weeks ago after they have continually been bested by these evil guys.

Angus:

Tall. Skinny. Terrifying. Something right out of a Stephen King novel. By the way, are you excited for It: Chapter 2?

DDK:

I don't watch horror movies.

Angus:

Figures.

Angus:

We're still doing intros?

DDK:

Yeah.

Angus:

Uhhh, hello, there's no crowd to hype!

Tyler and Conor emerge to (obviously) no reaction from the empty arena. Coming down ramp in their regular wrestling attire, Conor jumps over the top rope and Tyler goes through the top and middle one.

DDK:

We're looking to start things off right away-

The lights go out.

DDK:

The Fuse Bros. didn't know if Resident Evil was going to accept this offer but now we can see they have.

Angus:

You can see? I can't see shit!

After a good 30-seconds, the lights come back on and there, the two 7'0"+, lanky towering men stand, dressed all in black, with black hoodies hanging over top of their faces. As Tyler and Conor look to engage, referees Benny Doyle and Brian Slater come down the rampway to call the match.

The lights go out again.

DDK:

Really wish they would stop doing that!

Once again, after a good 30-seconds the lights dim on. There, surrounding the ring, in the first 3 rows of the empty arena are the accompanying resident evil men, dressed in the same black gear as the two 7-footers, although they are of typical height and weight. Their faces cannot be seen from the black cloaks covering their faces, either.

DDK:

What the hell?

Angus:

Well, the arena isn't so empty now, is it Keebs?

DDK:

I guess they're here for a front row seat.

Angus:

There were plenty of seats to choose from...

Tyler and Conor look around at the resident evil onlookers. While Conor looks scared, Tyler remains stoic and focused. He turns to his younger brother.

Tyler Fuse:

It doesn't matter. We end this tonight. We end this right now. Okay?

Conor takes a gulps but then nods.

Tyler motions to Benny Doyle.

So I take it this is, for all intended purposes, a tornado tag match...

Angus:

Of course it is you moron. No holds barred!

DDK:

Well Benny Doyle and Brian Slater are going to have a hard time in this one!

Tyler tosses Evil 1 into the ropes and launches himself towards the giant with a diving shoulder block! This knocks Evil 1 out of the ring and Tyler is barely able to hang on as he grabs the top and middle rope, pulling himself back into the squared circle. Conor, on the other hand, tosses Evil 2 into the ropes right near Tyler. As Evil 2 bounces off them, Conor hits a rolling cannonball into Evil 2's stomach. He gets up, sweeps the leg of Evil 2 and then looks towards his brother...

DDK:

Tyler's on the top rope... cross body block gets the other big man down!

The Fuse Bros. grab Evil 2 by his black tights and throw him over the top and to the floor below!

If The Gamers were in attendance, you could insert cheers here.

Conor bounces off the ropes, looking for a suicide dive.

DDK:

Oh my god! The Evils caught Conor in mid-air!

And they just threw him against the steel stairs!

Tyler looks on, shocked. He quickly decides to rush the ropes too and dive through the top and middle one! Tyler knocks them both back, into the guardrail. He gets to his feet and looks at the resident evil spectators, sitting all around the first three rows of seats on the other side of the barrier.

DDK:

And just like that, Evil 1 gets his elbow into Tyler's head! Now Evil 2 with a right fist to the side of the head!

Angus:

You have to wonder how much the psyche of The Bros. is going to be affected with this, uh, silent audience. Then again, Conor wasn't even distracted and these guys just demolished him into the stairs! The odds look to be clearly against The Fuse Bros.! And I love it!

Evil 2 hurls Tyler into the ring post as he flips back upon sudden impact and back-first to the floor.

The Evils look at each other and nod. They each take a bro and roll them into the ring. Stepping over the top rope, the Evils pull The Fuse's to their feet and signal for the end.

A choke slam-

DDK:

NO! Conor slips out and Tyler rolls backwards! Both of them turn into the ropes...

Once again, The Fuse Bros. break free. They go for cross body blocks but they are caught by the Evils.

Although you can't see their faces, The Evil's body language shows they are surprised. They both get to their feet. First, they toss Tyler into the corner and then Conor into the one across the way. The Evils rise, looking down at The Bros. with almost sympathetic body language.

Tyler's eyes shoot up. He screams at the top of his lungs and rushes towards the both of them... as he starts brawling and throwing a fury of left hands, Conor jumps into view behind him, straight into the arms of one of the Evils, hammering him down with left hands as well.

The brawl begins to spill further away from the ring and halfway up the ramp. Tyler hits a knee to the stomach of Evil 1 and then a Russian leg sweep while Conor connects with a kick to the gut and a diving DDT.

The Evils throw kicks at The Bros., pulling themselves to their feet and continuing to exchange lefts and rights. While Tyler and Conor are standing in there as best they can, it's soon realized The Evils are getting the upper hand. Tyler landed halfway down, on a staging unit and even more impressively, Conor Fuse landed on top of a guardrail, balancing himself perfectly. More replays show The Evils choke slammed The Fuse Bros. straight down, not back-first like a usual choke slam would be performed, probably due to standing on the edge of the rampway themselves.

Tyler and Conor don't waste time. They pull The Evils to their feet and start hammering them around with left hands and forearm shots. Tyler hurls Evil 1 into and over the guardrail where the "crowd" would sit. Conor, on the other side, does the same.

Tyler looks back at the spectators with disgust. He jumps onto the guardrail.

Tyler tosses him into the ring.

Conor, meanwhile, hurls Evil 2 into the ring post and then the steel stairs!

Although well over-sized by The Evils, the brothers are able to get their lifeless bodies into the ring.

DDK stops in his tracks. Angus doesn't even know what to say.

While Evil 1 and 2 are struggling, both of them are attempting to get to their feet...

Conor looks across the ring at his brother with a "fuck" type of expression on his face.

Tyler shakes it off. They both enter the ring...

DDK:

No way! Both Evils connect with big boots again to The Fuse's! How are they doing this? How have they recovered from this beating!?!?

Angus:

I don't know. I think it's spiritual... maybe they're like Mormons or something.

The Evils look at each other and exit the ring. Pulling back the apron, they take out a table.

A second table.

A third table.

Working together at a frantic pace, The Evils set up the second table on top of the first one and then, as Evil 2 gets on the apron, the third table on top of the second.

DDK:

I do not like where this is going! We have three tables stacked on top of one another outside of the ring!

Evil 1 points to the top rope while Evil 2 nods. Evil 2 begins to ascend to the top buckle while Evil 1 places Conor in the middle of the ring, on top of the final table. Then, taking Tyler by his short messy hair, Evil 1 drags Tyler to the edge of the ring ropes, where the 3 tables are stacked on top of one another...
