

ON THE HUNT

The program opens backstage.

Scott Douglas, with Kerry Kuroyama in toe, stomp through the back hallways of The Wrestle-Plex.

Scott Douglas:

BLACKWOOD!

Obviously looking for Gage Blackwood. At least Scott is, Kerry doesn't look to be as determined, simply along for the ride.

Douglas:

BLACKWOOD!

Kerry Kuroyama:

Scotty, I mean ... are you sure this is really necessary. In your condi --

Scott stops dead in his tracks and turns toward Kerry.

Douglas:

I just got back and already this bitter, petulant ...

Douglas pauses, searching for the words.

Douglas:

ASSHOLE!

Not that one, but it works.

Douglas:

... is trying to put me out already. For what? Because he didn't get the pat on the back he expected!? Kerry, you already know how these get out of hand quickly ... I'm putting this one to bed before it gets any worse...

The D:

The only thing Scott Douglas does quickly is make love to a woman!

The camera does an about face to reveal The D with O Face and Flex Kruger standing nearby, spectating the conversation. The D and O-Face give each other high fives. Flex raises his hand for one and the D just shakes his head no at him. Scott looks as if he can't be bothered with the antics of this gaggle and attempts to walk away - only for Kerry to break bad instead.

Kuroyama:

I highly suggest you and the Island of Misfit Toys crew mind your own business!

Scott glances toward Kerry and back The D and company.

Douglas:

Look, our fight ain't with --

The D:

Kerry's right, sorry Scott. I shouldn't have assume you've had sex. You obviously haven't. O, wanna give him a night of his life?

O-Face:

I'm good.

The D:

See? She's **good**.

Douglas:

Our fight's with Blackwood, okay? Not you.

Flex hands the D one of those extremely large sodas. The D takes the straw and sucks in, making that annoying almost "slurping" sound as he just stares Scott down.

Suddenly, from the corner of the camera, a fist comes flying through. It cracks Douglas against the jaw as he staggers back. The Faithful boo wildly at the man coming into the picture.

Gage Blackwood.

Gage Blackwood:

You rang you pathetic baw jugg-

Douglas regains a vertical base and wastes no time leaping towards Blackwood with a right hand of his own. In milliseconds, the two of them are in a very heated exchange, going blow for blow while yelling at each other.

DDK:

This is madness!

Referees and other officials, as well as Kerry Kuroyama, waste no time trying to ply the two combatants from one another but are unable to do so.

Gage Blackwood continues shouting at the top of his lungs while Douglas works them both into a corner and begins kicking himself free! He boots Blackwood in the side of the head as the Scot stumbles to the ground, licks a wound on his arm and then lunges up, tackling Douglas to the floor.

Angus:

These two are going to kill each other!

Finally, there are enough officials to get Blackwood and Douglas apart. That does not stop the shouting match between the two, however.

Blackwood:

You're god damn right I deserve a pat on the back. You fucking prick, born with a silver spoon in your mouth... you're going to give it to me, too!

Douglas:

Whatever it is you think I've got ... and don't deserve, take it you self entitled son of a bitch!

With that, both Blackwood and Douglas fight out of the official's grasps and tackle each other again, throwing a fury of punches along the way!

More officials come in, what now looks like at least ten of them as they pull both men away from one another again. Yet, Blackwood is able to get one last boot in to Douglas' skull, as he was the first one to be thrown on his feet.

Douglas:

Do *YOU* think you single handley fought off the UTA? DO YOU!? 'Cause I didn't see you in that cage... Instead of coming back here whining about it - you *COULD* get back to business and enjoy the fruits of our labor ...the company; that *WE* saved!

DDK:

Douglas is right, that Gage Blackwood has become a massive baby. He thinks he's so unfairly treated.

Angus:

Well I assume he will have a chance very soon to continue to right this wrong The Faithful, and you, Keeps, have done to him!

The scene comes to a close as more officials get in the way of both Gage Blackwood and Scott Douglas.

Cut to the show open.

RUNDOWN

Bright flashes, rolling cameras, and all the action in the world. The live crowd sees the intro video being played over the DEFiatron, as classic moments of DEF's current roster is played on screen. Footage of ACTS of DEFIANCE is briefly shown, clipping through the events line up like flipping pages of a comic book and ending on Oscar Burns holding his newly won FIST of DEFIANCE high into the air.

The heavily produced and graphically enhanced video fades out. A sky jib crane shot of the cheering Faithful screaming their lungs out, holding all of your favorite signs while pyro goes off around them.

DDK:

Hello, everyone and welcome to the 124th edition of DEFtv! I'm "Downtown" Darren Keebler and with me as always is our surly color commentator "The Motormouth of Malcontent" Angus Skaaland. And Angus ... I feel like I'm having dejavu!

Angus:

Well, Keeps ... Scotty has never been the brightest of bulbs, but he won't back down from anything - even if that anything is a freight train of a To-Do list, aimed at his head... ? Bulleyes.

DDK:

Get lost in the metaphor?

Angus:

Shut up!

DDK:

Even more interesting is the dynamic that has been unraveling between The D and Kerry Kuroyama.

Angus:

How dare you use the word interesting in the same sentence as that milk toast that is Kueirg The World Mightiest K-Cup.

DDK:

Well, what is interesting is there is clearly some heat there ever since Kerry busted up The D's attempt to take over The Bruv Show.

Angus:

That's not interesting, either.

DDK:

Well, partner ... what if I told you; After those events earlier today ... Kelly Evans has sent down word that tonight Scott Douglas will have a chance to get his hands on Gagee Blackwood ... in the ring!

Angus:

Now, I'm listening.

Tonight, here on DEFtv, Scott Douglas and Kerry Kuroyama ...

Speaking of which ... That is not it folks. The Mikey Unlikely/Scott Stevens best of 3 continues here tonight! And after the beat Mikey Unlikely took at the hands of the Stevens Family, one has to wonder ...

Angus:

It takes more then that to stomp out a cocroach, Keeps ... and the Steven's should know that ... given they themselves evolved from Texas cocroaches ...

... how foolish of me. Anyway, let's not forget we've got the Fuse Bro's back in tag team action against of pair of Angus' boys, The Golf Coast Connection! And our main event of the evening ... Oscar Burns and Elise Ares team up to take on Andy Sharp and Uriel Cortez! And Cortez has not been one to trifle with as of late.

Angus:

Trifle? Did someone buy you a dictionary or something?

DDK:

Yes, in grade school.

Angus:

Hilarious.

DDK:

And ... hold on just a second ...

WE ARE OWED AN APOLOGY

DDK:

Ladies and gentlemen, I've been told by our backstage producers that we're going to be opening up with a message from our Tag Team Champions. After taking last week off to go to a BRAZEN House Show and basically spit in the face of the legacy of the Trios titles.

Angus:

Those gorrám douches STILL refuse to defend those titles against my boys Keeps! It's a tragedy!

DDK:

Two shows ago on DEFtv, the Stevens Dynasty didn't take kindly to Jack Harmen interfering in their business.

Angus:

Boo fucking hoo Keeps. These fairies need to suck it up or Harmen will have another victim with that chair of his. I don't normally cheer for Jack Harmen...

DDK:

And?

Angus:

That's it. That was a complete statement.

The sound of a guitar wails throughout the arena followed by a gunshot.

♪ "When the Smoke Clears" by Dale Oliver, Ducky Medlock and Bigg Vinny Mack.♪

The video screen shows three shadows and as they appear as George, Bo, and Cary along with The Stevens Dynasty as they show their identity the Faithful begin to shower The Stevens Dynasty with boos.

Darren Quimbey:

Being accompanied to the ring by Cary Stevens... they are two-thirds of the DEFIANCE WRESTLING TRIOS CHAMPIONS.....AND THE DEFIANCE WORLD TAG TEAM CHAMPIONS.....BO! AND GEORGE! THE STEEEEEEEEEEEEEENSSSS DYYYYYYYYYYYYNNNNNAAAAASSSSTTTYYYYYY!"

Cary leads the charge carrying the Tag championships over his shoulders as his son and nephew follow behind him with the Trios championships around their waists as they appear on stage.

DDK:

The Stevens Dynasty are coming out to the ring! to call the Lunatic out, live here tonight on DEFtv!

Angus:

Their funeral Keeps.

Cary holds the Tag Championships high into the air. Bo holds his title above his head with both hands and makes a sprint around the ring, while the big man George adjusts his tag strap over his right shoulder and sneers toward the jeering faithful. The trio make their way to the ring, Bo leading the way with an enthused energetic brisk walk.

Angus:

Can we skip past these words and just have Jack Harmen come out and COMMENCE THE VIOLENCE ALREADY!

The three men reach the end of the stage and make their way up the ring steps and slowly step inside. Bo and George climb the nearest set of turnbuckles to the hard camera while Cary stay in the middle and each hold up their gold treasures as the Faithful chant the Stevens Dynasty favorite chant.

DDK:

Cary's calling for a mic.

Angus:

Don't give it to him.

The patriarch of the Stevens Dynasty waits for the Filth to settle down.

Cary Stevens:

Jack Harmen.....

The Faithful cheer loudly and the Stevens Dynasty tell them to shut their mouths.

Cary Stevens:

I'm glad you like to cheer a man that will purposely try and injure people with a barbed wire steel chair!

The Faithful cheer even louder and Cary shakes his head.

Cary Stevens:

This is why you Filth are pathetic. Jack Harmen is a criminal! Jack Harmen is a coward! Jack Harmen is the lowest form of scum their ever walked the face of the Earth!

The Faithful boo.

Cary Stevens:

Jack Harmen owes me and my boys an apology and we aren't leaving this ring until we get it!

The Faithful boo even louder.

Cary Stevens:

Don't boo us! You should be booing Jack after that horrendous performance in Florida, but we aren't here to talk about HOW or why Harmen wears knee pads when he speaks to Lee Best. We are here to get an apology that is owed to the greatest tag team in the world and the most legendary family...THE STEVENS DYNASTY!

The crowd boos and begins to chant their favorite chant.

Angus:

Sounds like Cary does enough polishing of his own.

Cary Stevens:

Get out here Harmen!

Cary shouts and Bo and George yell towards the ramp.

With little to no fanfare, Jack Harmen emerges from the backstage area, holding a microphone. He smiles toward the ring and raises his hands. The crowd quiets a bit.

Jack Harmen:

I am sorry.

The crowd boos.

Jack Harmen:

Sorry your family is a bunch of illiterate white trash, the type of illiterate white trash that gives other illiterate white trash a bad name! All that being said... You're right, I am a criminal, but I am no coward. I am a smart strategic lunatic who's ready to make sure YOU three lose something PRECIOUS. And Truly. I am.

Harmen takes a deep inhale and smiles.

Jack Harmen:

I'm sorry you're going to lose your tag team titles.

Harmen looks up and just lets a sly smile creep across his lips.

Cary Stevens:

You want to take on my boys/

Harmen nods, one hand raised flicking his fingers in a "come get some" way. Cary goes to answer, trying to shout him down, but Bo takes the microphone away.

Bo Stevens:

You're on! I'll rip your arm off and beat you with it!

The Faithful cheer loudly and Harmen shouts with excitement.

DDK:

Looks like we have a match.

Bo smiles as his uncle and cousin argue with him, but he calms them down.

Bo Stevens:

Since you don't have a partner this will be easier than the last time we kicked your ass!

Bo says as nods toward George. George realizes and smiles, and the two start heading up towards the ramp to confront their opponent.

Harmen raises his hands in protest, trying to shout.

Jack Harmen:

I didn't mean right now!

Harmen looks wildly from side to side like a caged dog as the Steven's Family stalk up the rampway.

The scene suddenly shifts to the gorilla position where a massive blonde man and a drop dead gorgeous women stand before Capital Punishment.

DDK:

Wait a second... what's going on here?

Angus:

Go back to stage, AV nerds in the truck!

The woman hands the monstrous man a stack of papers with a nod.

Woman:

Genehmigt. Unterschreib es.

That's all the man needs to hear. Cappy turns his back to the pair and is used as a desk for the man to sign the paperwork.

Woman:

Gehen. Ernte sie alle.

Not needing anymore instruction than that, a confused Faithful murmer under their breath. We see a shot of the rampway, as the Stevens' Clan are only a few feet away from a back peddling Jack Harmen.

Then, this HULKING individual stampedes through the curtain and quickly positions himself between Harmen and the in-coming Stevens Clan. Huffing and puffing like a horror movie villain, the massive man tears his Metal Mulisha shirt in a manner that would make a certain red and yellow-clad immortal jealous and launched the remnants into the crowd. His sculpted, heavily tattooed frame on display, as he towers over the would be attackers, causing even the massive George to pause.

DDK:

Angus, isn't that the guy who jumped the security barrier two shows ago?!

Angus:

It sure as hell is!

Harmen cannot stop himself from smirking, as he is joined by the woman as well.

Jack Harmen:

Well... maybe right now is a good idea. What do you think? I think my partner, **PIETRO GEIST**, is ready to go. You want to put those titles on the line tonight?

Angus:

As if Harmen couldn't destroy them enough with his own sanity, he brought this... this MONSTER with him.

The Stevens were not going to cower, but they are not a trio of idiots. They back up to the ring with Geist following them step for step with Harmen and the luscious blond woman in tow.

Cary Stevens:

Whoa whoa whoa! Not so fast, Harmen. You think we are going to just give you a title shot after you surprise us with Hitler's wet dream there? Get real. Rest assured you'll get the trip to the ICU that's coming to you, but tonight... you're gonna have to wrestle BO STEVENS, one on ONE!

Bo smiles and cracks his knuckles.

DDK:

The Stevens aren't as cocky now that Harmen found himself an ally.

Harmen looks over to Geist, shrugs, and turns back to Cary.

Jack Harmen:

Fine by me.

And with that, Harmen SPRINTS toward the ring and slides under the bottom rope.

BO STEVENS vs. JACK HARMEN

The bell rings as Harmen rises to his feet. He comes at Bo like a house on fire, tossing rights and lefts which Bo doesn't back down from. George quickly escorts Cary out of the ring as Geist and the woman head to their corner on the outside.

DDK:

No time to lose Angus! DEFtv starts NOW!

Bo overpowers Harmen into the ropes but Jack uses his agility to slip behind and shove Bo against the ropes, and then try an irish whip. Bo with a reversal and Harmen goes rushing off the opposite side. He ducks under a clothesline on the return, springs off the second rope, and hits a springboard dropkick to Bo's chest. Bo collapses backward onto his back but quickly gets to his feet. Harmen is right there to jump on him, slamming a few rights before Bo hits the corner turnbuckles with his back. Jack hooks Bo, leaps and places his legs into Bo's chest, before monkey flipping him out of the corner. A dazed Bo instantly gets to his feet, then falls back onto his back and rolls out of the ring toward George and Cary.

Angus:

Harmen would be wise not to let up--

Before Angus can finish his statement, Harmen has reached the ropes by the Stevens and springboards off the top, hitting camera phone inducing shooting star press to the outside. Bo is able to rush out of the way of the blow as Harmen just lands on top of George. As Jack lands on his feet, Bo comes from behind and SHOVES him face and chest first into the steel turnbuckle post. Harmen's head hits with a loud CLANG as he tumbles on the outside.

Bo smiles to the jeering crowd and points to his own head.

Angus:

Look Keeps! It's like he thinks he's smart!

Bo grabs Harmen from behind in a rear waist lock, and proceeds to SLAM Harmen gut first into the edge of the ring apron. After three blows, Bo tosses Harmen back in underneath the bottom rope. Bo looks to the side and sees Geist standing just a few feet away from him, staring him down.

DDK:

Bo would be wise to get out of there Angus.

Angus:

I've heard of Geist, he's been a strong presence around the wrestling world for years now Keeps. The dude is a Gentle Giant. Pietro is a former champion, and while I don't know why he's out here NOW, he's here to stand in the way of the Stevens Shitfuckery.

Bo slides into the ring and sees Harmen on his knees fighting to his feet. Bo charges and catches him with a leaping BO-Dog as the Wildcard Jack Harmen bounces off the mat face first. Bo dives into a cover.

One.

Two.

Kickout by Harmen. Bo shoves Harmen back down and shoves his elbow in his face as he covers again.

One.

Kickout from Harmen. Bo, frustrated, flips Harmen onto his stomach. He hooks Harmen in a rear headlock and starts wrenching the hold. Harmen starts flailing for the ropes but Bo flips over onto his back taking Harmen with him, as Bo pushes his knees into Harmen's bridging back. Harmen screams in pain as Bo splits his legs, and then hooks Harmen

into a body scissor.

DDK:

Oh, Bo is looking to transition early into the Texas Funeral Angus, and that could spell doom for the Wildcard.

Angus:

He's dangerous when backed into a corner Keeps. This ain't over till he can bend that crazy man's head back even further into a dragon sleep.

Bo is trying to transition the hold accordingly, but Harmen starts flailing with wild elbow shots to Bo's ribs. Bo keeps trying to bend Harmen's head back by placing his hands under his chin, but Harmen keeps breaking the hold with elbow shots. Harmen then pushes off of Bo's shoulders, sitting up from the position. Bo still has on the leg scissors around Jack's waist as his back is on the mat. Harmen plants a foot on the mat, and then slams a clubbing forearm to both thighs. With a momentary break in the body scissor, Harmen leaps STRAIGHT up in the air and comes down hard on Bo with an elbow drop to the gut. Bo gets the wind knocked out from him but immediately reaches out and hooks a fallen Harmen back into the rear choke. This time, Bo climbs to his feet, as Harmen tries to swing wildly to avoid the oncoming submission. Instead, Bo plants his feet and tosses Harmen over his head in a rear choke suplex. The Wildcard backflips and lands face first on the mat, bouncing from the blow.

DDK:

Oooh, that was a wicked series out counters, with Bo coming out on top. I think Harmen would be wise to keep his distance from the power hitting Bo and the gargantuan George. Both tonight and at the pay per view!

Angus:

Harmen always had the speed and the agility, he's usually had that advantage. These close quarters brawling has never been his specialty, no matter how often he winds up in those types of situations these days.

DDK:

No doubt why Bo was trying to hook and hold the Lunatic. Keep him grounded.

Bo locks in a front face lock, and wrenches the hold in. He lifts to a standing position, and hits a vertical suplex. He doesn't let go, then lifting Harmen and spinning him into a german suplex, but Harmen backflips out of it and lands on his feet.

DDK:

Bo was going for the trifecta, Bo Knows Suplexes, but Harmen knew the move and was able to flip out of it.

As Bo looks at his empty hands as he gets to his feet, he doesn't have time to even turn around as Harmen runs and CHARGES.

DDK:

LOCOMOTIVE to the BACK of Bo Stevens' head! Bo is OUT!

Angus:

BO KNOWS UNCONSCIOUSNESS!

Harmen looks down and licks his lips at the fallen Bo, and he doesn't notice George climbing onto the apron. Carla Ferarri rushes toward George and tells him to get off the apron, as Harmen dives on top of Bo.

Angus:

C'mon Carla! One! Two!

Cary now climbs onto the apron and begins shouting at Carla about Harmen's tactics. Carla shouts for them to get down. Meanwhile, on the other side of the ring, Pietro Geist climbs onto the apron to wild cheers. Cary quickly hops off the apron and nudges George off, who complies. Carla sighs in relief.

Geist nods to the two, and hops off the apron as Carla turns back to see the pin.

One.

Bo gets a shoulder up!

DDK:

That distraction certainly saved Bo tonight.

Angus:

Bo knows bullshit.

Harmen grabs Bo by his hair and tosses him off the ropes. Bo hooks the ropes on the other side and doesn't return. Harmen rushes toward him and gets BACK body dropped over the top to the outside, landing just next to George and Cary.

Bo grabs Carla and asks her to check on his eye, he's complaining about vision problems. On the outside, George grabs Harmen up and SLAMS his face once into the turnbuckle post. And a second time. George grabs Harmen and lifts him up in a military press...

Until the Faithful cheer and Geist comes charging around the corner. With a HUGE burst of steam from a big man, Geist hits a ROARING european uppercut that sends George SPRAWLING off his feet.

DDK:

What an uppercut from Geist! I bet he has a name for that one, but I wasn't expecting to see Pietro debut tonight here Angus!

Angus:

So you don't have your notes.

DDK:

I don't and it's fantastic!

On the outside, Carla begins shouting as Pietro grabs George. Cary tries to shout at Geist, telling him to stop. Geist gives him a look and Cary backs down, running away. Geist hooks George and lifts HIM above his head in a military press to wild cheers.

Angus:

HOSS BABY HOSS!

DDK:

What a show of strength from Pietro Geist! George Stevens is a MASSIVE man!

Carla shouts at Geist to put him down, to which he does. George splats on the outside. Meanwhile, Harmen groggily rolls himself back into the ring. Bo stands to his feet, and begins fiddling with his tights. After a few brief moments as Geist stoically basks in the glow of the Faithful's approval... Bo clocks a rising Harmen in the skull with a SHATTERING glass bottle, brown liquid spills everywhere. Harmen's head whiplashes back as his eyes fall into the back of his head. He falls to his knees and then rag dolls to the mat. Bo dives on top for the cover, hooking the leg, but Carla is already in the corner calling for the bell.

DDK:

Bo Stevens just knocked Jack Harmen unconscious!

Angus:

Too bad their pay per view match isn't no disqualification. I guess that means Harmen wins by default?

Bo counts the three himself, looks up, wide eyed and shocked at “pinning” Jack Harmen in the center of the ring. He shoots to his feet, demanding Carla raise his hand to the crowd. As he does, he looks over and notices Pietro Geist climbing onto the ring apron.

DDK:

Uh - oh! I don't think Bo is gonna like what happens next!

Angus:

How does Carla not SEE that?!

Without hesitation, Geist climbs into the ring. Carla tries to stop him as Bo just HIGH TAILS it, jumping up and over the top rope to the other side of the ring. He falls onto his stomach as he lands, the exact opposite of graceful. Cary is by his side, shouting at them to get out. Bo asks about George and Cary shouts “LEAVE HIM!” as Geist stares at the two men back peddling up the rampway. Geist looks down to the hurt Harmen, and extends a hand to him. After a dazed confusion, Harmen reaches out and accepts, as Geist lifts him to his feet. They look at each other intently, as Harmen nods in appreciation.

DDK:

While Bo Stevens may have pulled one over on Jack Harmen tonight... the addition of Pietro Geist into the fray has complicated matters for the Stevens' Family.

Angus:

Complicated? I think you meant DOOMED! THEIR REIGN IS DOOMED! LONG LIVE ANYONE BUT THE STEVENS FAMILY! LONG LIVE PIETRO GEIST!

DDK:

... long live... Jack Harmen?

Angus:

Fuck no. I'm not crazy.

As Geist and Harmen give each other a warrior's stare of respect, Carla comes up and hands Harmen a towel. He presses it against his open wound as the white pure towel slowly stains with blood, as we fade out to commercial.

As we come back from the backstage area we see Keebs and Angus ready to go for our next highly anticipated match up.

Up next is the second match up in the series between Mikey Unlikely and Scott Stevens! Mikey is already up one to nothing.

Angus:

That may be true Keebs, but Mikey got the shit beat out of him and his arm is heavily tapped. Rumor has it that it may be fractured or severely broken following that steel chair assault.

As Angus says that a graphic reminder shows the assault on Mikey Unlikely by the Stevens Dynasty.

He's got that Choke locked in... NO!

Cortez is still too fresh and immediately RAMS Burns into the corner, making him let go of the hold. The Titan of Industry takes a second to back off and stumbles around before trying to charge at Burns. The Joint Chief of Joint Locks moves out of the way and sends him stumbling into the corner. He comeout and takes a Chop Block to the leg!

Uriel crumbles to a knee after Burns lands a Dropkick and once he's down, he goes right for the Graps of Wrath !!

DDK:

BURNS GOING FOR THE WIN RIGHT AWAY! GRAPS OF WRATH !!

The Titan of Industry struggles in the hold and the crowd goes crazy, trying to get the struggling big man to tap out,

early in the contest, no less! Andy Sharp tries to enter the ring and try to help out...

DDK:

Sharp almost there... NO! Elise cuts him off! SUNSET STRETCH!

Angus:

Double Octopus Stretches... Octopi Stretches? Squidbillies?

Both members of The Family Keeling are trying to escape~ Elise looks over at Burns from across the ring.

Elise Ares:

Like THIS?!

She cranks back on the hold, bringing Andy down to a knee while Burns holds onto Cortez.

Oscar Burns:

GM, it's more like this! Crank back further!

Angus:

They're... giving lessons on how to but it's The Titan of Industry who struggles until he eventually grabs Burns by the side. He picks him up and THROWS him right into Elise and his own tag team partner, Andy Sharp, breaking up the holds!

Angus:

Wow... okay, that was dope!

DDK:

That power advantage is the best chance that Uriel Cortez is going to have to counter Burns' submission game!

Andy Sharp, still sore himself from having a 240-pound Kiwi lobbed at he and Elise, struggles to return to the corner. With ONE arm, Uriel takes Andy underarm and holds him out for the tag. The Lord of the Skies leaps over the ropes and hits a Corkscrew Slingshot Splash into the ring for the cover.

NO!

DDK:

Great move there by Andy!

The Keelings both cheer on Andy as he pulls up Burns off the mat to strike him with a flurry of Elbow Smashes to the head. He whips the FIST into the corner and rushes in, catching him with a Running Knee Strike! He throws Burns out of the corner and stands on the second rope when Uriel Cortez tags in. Sharp flies off the middle rope and takes him down with a Flying Knee Strike! Uriel comes into the ring and simply holds out his arm before DRILLING Burns with a big Elbow Drop! He lays atop his chest for the cover.

ONE!

TWO!

DDK:

Burns with the kickout!

The Titan of Industry growls and then picks up Burns again, but shockingly Uriel get stopped cold by a Jawbreaker from Burns. He then goes for the leg again with another Chop Block and then gets back up. He runs off the ropes and tries a Running European Uppercut that knocks Cortez back to the ropes. He rushes back and tries another one...

Angus:

TRUCKED OVER!

DDK:

That Running Shoulder Tackle by Cortez just DESTROYED Burns!

Elise, coming to the aid of her partner, tries to jump in on Cortez like she did to Andy earlier, only to get SWATTED out of mid-air!

DDK:

Oh, my lord! Look at Uriel! He's dominating BOTH the FIST and the SoHer champions!

Angus:

No shit, he's bigger than both combined!

Elise rolls out of the ring clutching her chest while a fuming Uriel turns back to Burns and waits. He measures him up and then CLUBS him with a Running Knee Strike to the chest! Burns falls over when Uriel goes for the cover.

ONE!

TWO!

FOOT ON THE ROPES!

DDK:

Burns just SAVED himself! I don't even know if he could have kicked out, but he almost did.

Thomas orders The Titan to finish things. He nods and picks him up, looking for his finisher called The Industry Standard...

DDK:

NO! BURNS LOCKS IN THE GUILLOTINE CHOKE AGAIN!

He's got Uriel again in the submission! He locks it in. He tries to shake free, but Burns elbows him in the head repeatedly to knock him back! The Titan of Industry stumbles over the ropes, but Andy tags in!

DDK:

Andy pulls Burns right off of him... OOOHHHH!

Angus:

HARD OUT HEADBUTT!!! SMACK!

Burns CRACKS Sharp in the chest with his signature Headbutt and now both men are down. The FIST of DEFIANCE hears the crowd cheering him on to get to his corner. Cortez is still struggling for air while Sharp makes it over to Elise...

DDK:

And here we go! Andy Sharp and Elise Ares meet up before their SoHer Title match!

As a groggy Andy starts trying to get back to his feet, he does see Elise coming and tries to swat at her with a Big Boot when she ducks under and comes back with a Dropkick to his left leg. The blow stuns him when Elise runs off the

ropes again, shoots back again and comes back with a Dropkick to the face, knocking him over.

Elise is back up again and when Sharp tries to get up, he misses a Clothesline. She runs to a corner where Sharp tries catching her with a Stinger Splash only to miss and hit nothing but the buckle. Elise then grabs him by the head, runs up the ropes and DRIVES him on his head with a full revolution Tornado DDT!

DDK:

Elise using that speed to throw Andy off his game!

She shakes her hips and lets out a "Que Tal Eso?!" that has the crowd going nuts! Sharp is just about to try and stand when Elise DRIVES him into the mat with a Headscissors Driver!

ONE!

TWO!

KICKOUT!

DDK:

Sharp kicks out!

Burns and Cortez watch the action as Elise strikes Andy with a Superkick while he's on his knees. She heads up back up and The Queen of Sports Entertainment Style moves off the ropes for Your Feature Presentation... but Sharp moves... CRACKS her with the Jecht Shot!

DDK:

Sharp and Ares both down now! The Lord of the Skies and Queen of Sports Entertainment Style! Burns wants a tag to get back at Cortez and he wants the same! Can they get there?!

Sharp rolls over to his corner and tags Cortez... Elise limps over to Burns...

Angus:

Burns and Cortez both in... WHOA! OH, SHIT!

The crowd GASPS when Burns tries to go low on the leg again, but Cortez simply picks him up and DRILLS him into the mat with The Industry Standard! The crowd hushes as he goes to pin Burns.

ONE!

TWO!

THREE!

DDK:

THAT was a statement, plain and simple, Angus. Uriel Cortez has just PINNED the FIST of DEFIANCE in just one big move.

Angus:

Now THAT was a HOSS move, Keeps!

Even the Keelings can't believe the suddenness in which he struck, but it happened.

Darren Quimbey:

HERE IS YOUR WINNER OF THE MATCH... **ANDY SHARP AND URIEL CORTEZ!**

Junior Keeling almost loses his shit and hugs his father over the result of the match while Cortez simply looks down at the fallen Oscar Burns. No shenanigans. No tricks. He just defeated the FIST of DEFIANCE by sheer force alone and now stood over Burns, boot in the chest.

DDK:

This is the first defeat Oscar Burns has suffered in months... and we could be getting a chilling look at the near future. Uriel Cortez, in a little under a year going from virtual unknown... to the next FIST of DEFIANCE.

Elise Ares can't believe it, still recovering herself from the Jecht Shot, but worrying over Burns' well-being. She then goes after her SoHer title at riingside and tries getting the belt back, but Junior Keeling is already there, taking it from her.

DDK:

And the Keelings are STILL trying to keep her title... SUPERKICK BY ANDY!

The Faithful turn on The Family Keeling even more and shower them with jeers as Andy throws Elise back into the ring, only to lift her up and DROP her with the Flippy-Don't! The modified Neckbreaker plants her down and now it's The Family Keeling, standing over them both with their respective championships in their grips.

DDK:

We've seen this before a few weeks ago when The Family Keeling attacked both of the top champions in DEFIANCE... now, they've just defeated them in a tag team match. Will Ascension be the hostile takeover the Keelings have been telling DEFIANCE would happen?

Angus:

That'd be SICK!

DDK:

A Fifteen Minutes of Fame match for the SoHer between Elise Ares and Andy Sharp! And Oscar Burns defending the FIST of DEFIANCE against his largest challenger yet, the unpinned and unsubmitted "The Titan of Industry" Uriel Cortez! We'll see you at Ascension!

Thomas and Junior Keeling parade their chosen stars and the final scene ends the show with perhaps a bleak look at what could happen if they are successful

The Family Keeling in charge.

THIS.

IS.

DEFIANCE.
