

## ALL APOLOGIES

The scene opens to the back hallways of the WrestlePlex. Clacking echoes through the halls at a brisk pace, leaving a somewhat surprised camera crew rushing to keep up. As they do, we get our first glimpse at the former DEFIANCE Southern Heritage Champion Elise Ares, seemingly fresh from arrival, with her gargantuan travel bag. Clutching it tight, her LED sunglasses lay on top of her head as she looks back at Klein doing a slight jog to keep up.

**Elise Ares:**

I'm telling you, if you didn't pound down two boxes of Popeye's Chicken on the way here you wouldn't have so much trouble keeping up.

**Klien:**

But we didn't have any chicken, you're just late!

**Elise Ares:**

And we're NEVER going to get any endorsements while we're on camera with THAT attitude, will we?

Klein hangs his head in memory of all the sweet, sweet chicken money he just lost as Elise immediately stops so hard that her massive travel bag goes flying off of her shoulder and skidding across the floor. Klein catches up just in time for the Queen of Sports Entertainment Style to turn the corner into the next room.

**Elise Ares:**

SCOTT DOUGLAS!

Everything in catering comes to a halt as the Leading Lady of DEFIANCE swaggers into the room. Some people meet the glare of the former SoHER and look away, while others are intrigued like watching a slow motion car crash. Scott Douglas turns from the catering table, plate in hand and hopes Elise Ares' sight is based on movement and stands perfectly still.

**Elise Ares:**

Look... we need to talk.

**Scott Douglas:**

Hold on ...

The former ... former SoHer, Scott Douglas glances down at the former SoHer's impossibly large bag.

**Elise Ares:**

What ... !?

**Douglas:**

Well ...

**Elise Ares:**

Well, WHAT!?

**Douglas:**

Honestly ... I'm just surprised... surprised you'd carry your own bag.

Elise's eyes bulge at Scott's statement as he tags it.

**Douglas:**

Especially one that big... with a lackey ...

Sub Pop glances up and over Elise's shoulder toward Klein.

**Douglas:**

... that big.

**Elise Ares:**

HE WAS TAKING SOOOOOO LONG!

**Klien**

YOU WERE LAT...

**Elise Ares:**

This isn't about ME, Klein!

Ares approaches Sub Pop with puppy dog eyes.

**Elise Ares:**

Well, it's a little about me... obvs, but it's mostly about Scott. Look, I don't really know how to say this but I'm... sorry?

The Queen of Sports Entertainment Style looks back at Klein questionably who confirms with a thumbs up, but then motions his arm as if she should have more to say. Douglas looks on; confused but somewhat amused.

**Elise Ares:**

You tried to do a good thing on the last DEFtv and I was being a brat and I blew you off. Things just didn't go the way I expected them too and maaaaaybe I got a teeny, tiny bit upset. That's why I came running into the WrestlePlex tonight to make it up to you.

**Douglas:**

Carrying an impossibly large bag?

Perplexed on why Scott keeps bringing up the bag, Elise carries on.

**Elise Ares:**

Here's my proposal to you, my good friend, Scott. I say to make it up to all the Aresites ...

**Douglas:** [Interrupting]

Parasites?

Elise almost loses her temper before pulling it back.

**Elise Ares:**

ARESITES! ... out there and the... er... SubPoppies? We do another match. One-on-one. To settle once and forever who is the GREATEST Southern Heritage Champion of ALL TIME. If I win, well... then all the wrongs are righted and we can go about our lives. However, here's the good part...

She pauses for just a moment to gauge Scott's reaction. It remains annoyingly neutral.

**Elise Ares:**

If YOU win... I promise this time I'll concede defeat, and I will allow you to raise my arm into the air in a fantastic show of good sportsmanship. What do you say, friend?

Scott's playful demeanor shifts from joyfully confused to simply confused.

**Douglas:**

Elise ... look; You were a great champion and the Southern Heritage Championship wasn't even your first rodeo. The

Pop Culture Phenoms were long-reigning Tag Team Champions when I showed up in DEFIANCE. Those are accolades no one can take away from you ... just like no one can take away my Southern Heritage run ... though you broke my record for longest-reigning... which hey right there should tell you - no matter what anyone has to say about it ... You are a GREAT Southern Heritage Champion!

Elise's head drops as the sentence drags on, you can almost see all the frustrations leave her body as Scott stops speaking supportively of her reign. She takes a deep breath, then lifts her head up with big puppy dog eyes.

**Elise Ares:**

I appreciate the kind words... I do.

As she continues her eyes shift.

**Elise Ares:**

But I am THE. GREATEST. SOHER. OF. ALL. TIME. And if you'll just give me ONE MORE CHANCE, Scott. I'll prove it! I'll prove it to you! I'll prove it to Klein. I'll prove it to all the people in this room whose names are completely unimportant to the topic on hand! I'll prove it to the Faithful! I'LL PROVE IT TO THE WORLD!

The room grows more silent than it already was.

**Elise Ares:**

I'm begging you, Scott. Just one more match. One more shot.

The humor Scott previously found in Elise's bag size, obvious agenda and puppy dog eye assisted ruse ... fades. The bit is over. He is over it.

**Elise Ares:**

Look, I'm not going to fight you over and over and over again ... Go out there, do the work, get better ... come back and find me and we'll do it again but right now as we stand here ... you with that stupidly large bag and myself with ... what is now incredibly cold food ...

Scott glances down to the plate he is holding, only to motion toward it.

**Elise Ares:**

... nothing has changed since last week.

Elise stares on, obviously not fully accepting Scott's truth, he obliges the awkward stare long enough to be sure there isn't any response forthcoming ... and then walks away. Headed for a seat to eat his now stone-cold catering. Klein comes up, now carrying Elise's bag and places his hand on her shoulder. If stares could kill, Scott Douglas might be on fire. However, Elise Ares relents and lets Klein guide her away from DEFIANCE's Favorite Son.

**Elise Ares:**

Then we'll do this the hard way.

She mutters under her breath to her best friend as they leave the room.

Cut to the opening.

Bright flashes, rolling cameras, and all the action in the world. The live crowd sees the intro video being played over the DEFiatron, as classic moments of DEF's current roster is played on screen. **DDK:**

We have all titles on the line tonight! Oscar Burns to put the FIST of DEFIANCE on the line in another open challenge and I understand he will also address Mikey Unlikely's assault during the last DEFtv's main event. Gage Blackwood also gets the spotlight later tonight and we hear he'll be putting the Southern Heritage Championship on the line against anybody willing! And we know tonight that the card for DEFCON, our biggest show of the year, will be taking shape!

**Angus:**

It's going to be dope, Keeps!

**DDK:**

We have "The Biggest Boy" Dex Joy in action, as well as his friend Nathan Eye, but first we have a grudge match from the last time Gage Blackwood defended his SoHer Title by attacking a defenseless Howlin' Joe Wolfe. Now Wolfe looks for payback against a member of the Blackwood backup, Gunther Adler! That match will be coming up shortly!

## GUNTHER ADLER vs. JOE WOLFE

The show transitions back to the ring as the crowd settles in for whatever comes next.

♪ "Howlin' For You" by The Black Keys ♪

Howlin' Joe Wolfe walks out on stage wearing a fresh white bandana and his traditional wrestling gear. Focus and determination gleams from his eyes.

### DDK:

There's Joe Wolfe, ladies and gentlemen! He'll be taking on Gage Blackwood's entourage, Gunther Adler in singles competition tonight

### Anugs:

That's all fine and well, Darren, but look at the sides and back of Wolfe. He's sporting heavily taped ribs and torso. If that's not literally a painted target on your back, I don't know what is!

Wolfe nods to the crowds warm reception despite the obvious pain he is in

### DDK:

Well, if you remember our last DEFtv broadcast, Wolfe was brutalized by Shooter Landell with the Landell Lock so that must've done more damage than initially believed.

♪ "Preliator" by Globus ♪

Adler's theme quickly overtakes Wolfe's as the man it belongs to comes out to the ring. Gunther slides under the lowest rope and remains unintimidated by Wolfe whatsoever seeing there is minimal size difference.

### **DING! DING! DING!**

The match starts and Wolfe is quick to the offensive. He strikes Adler across the face a few times which forces him into a corner.

### DDK:

Look at Wolfe out of the gate! The best defense from protecting his back is a good offense!

Adler covers up as Wolfe unloads on him. The barrage doesn't stop until the referee finally pulls Wolfe away.

### DDK:

Wolfe coming out fast, trying to get retribution for what Adler and Landell did to him!

Wolfe cools his jets but only momentarily before introducing his knee into Adler's gut as his opponent leaves the corner. Adler falls to his knees but manages a few defensive strikes of his own. However, Wolfe absorbs them, slings Adler off the ropes and delivers a thunderous backbreaker. The ring apron shakes as their two massive bodies bounce off the canvas

### Angus:

That needs to be renamed a ringbreaker because of the size of these two men!

Adler is coy enough to roll out of the ring. Relentless, Wolfe follows but ends up walking into a trap as Adler sweeps his legs, sending him into the steel ring steps rather hard. Adler gulps for air as Wolfe is bent over, exposing his back to the world. Adler smiles evilly as he rakes both of his hands across the back and follows it up with a double axe handle smash to the most tender area. Wolfe howls in pain like the animal of his namesake.

### DDK:

It looks like Adler just found an opening now!

Wolfe mashes the ground with an open palm as Adler visually processes his hurt opponent. It doesn't take long for Gunther to grab a fist full of Wolfe's hair and toss him around. First into the matted ground ringside, then into the security railing and finally into the ringpost. Adler rolls Wolfe's body back into the ring.

**Angus:**

The momentum has turned in this one! Gunther Adler is in complete control now.

Adler waits for Wolfe to get to his feet before he downs him with a devastating shoulder block. Wolfe gets met with a few more brutal moves including a swinging neckbreaker, bearhug and finally a running sidewalk slam. Gunther refuses to go for the cover and begins measuring Wolfe for more punishment.

**DDK:**

It's like winning the match isn't good enough for Adler right now. Instead, he's trying to send him a message from Gage Blackwood!

Adler pulls Wolfe up and chops him back into a corner. He eventually climbs up to and straddles Wolfe from the second rope. He puts Wolfe into a headlock before jumping off and delivering a massive DDT!

**DDK:**

It almost looked like Wolfe slammed him! But he's just simply out of energy and couldn't hold on.

Adler sits up and looks over at his opponent. The man from Bremen smiles at the devastation he's just caused. He rises to feet and motions for the end before picking up Wolfe and nailing him with his new finisher, 'The Renaissance Facade.'

**Angus:**

It's over! That's got to be it!

Instead of going for the cover, Adler grabs Wolfe's luscious locks one last time and gives him an extra 'Renaissance Facade' for disgraceful good measure!

**DDK:**

That's two! Two body breaking powerslam spiked piledrivers endured by Joe Wolfe! Cover him already!

Adler does just that but on his own time as the referee's hand strikes the mat.

ONE.

TWO.

THREE!

***DING! DING! DING!***

Gunther Adler pushes himself up off of Joe Wolfe. He resists the referee's attempt to raise his hand as his theme song cascades throughout the arena.

**DDK:**

A dominant win for Gunther Adler but only after he targeted the already hurt back of Joe Wolfe.

**Angus:**

I know a certain SOHER Champion that would absolutely love what just happened.

The crowd voices their displeasure as Adler raises his arms above his head victoriously. He slowly makes his way out

of the ring while looking back at the battered and bruised Joe Wolfe he victimized. The scene fades.

Cary says firmly as he looks at Bo and George before hitting each of the four championships.

**Cary Stevens:**

You see the results and the same result will happen at the end of the night because it doesn't matter who faces us because the Dynasty always comes out on top. Uriel is a powerhouse and a freak specimen and Minute just hopes he lasts longer than a minute in the ring with us.

Cary says as Bo pipes in.

**Bo Stevens:**

BO heard his wife says he can't make a minute. He's a one pump chump.

Bo starts laughing.

**Lance Warner:**

I heard one pump is all you need sometimes and isn't that how you were born?

Bo goes from laughing to a what the fuck expression and has to be held back by his uncle from tearing Lance apart.

**Cary Stevens:**

Save it for the ring boy. Don't need you blowing your wad against this idiot.

Cary says pushing Bo back.

**Cary Stevens:**

Tonight, the Stevens Dynasty walks in the champs and walk out still the greatest tag team in the entire world.

Cary says before they leave, but Bo slithers back and Lance closes his eyes expecting to be hit when Bo simply looks at the camera.

**Bo Stevens:**  
BO-lieve that.

Bo says before turning to leave once again.

## NATHANIEL EYE vs. TODD DUNSON

### DDK:

We've got Brazen action on tap and this one has been going on for the last couple of weeks since that tag team battle royale! Nathaniel Eye had a good showing for himself with three eliminations, including tossing out the head of the Dunson Clan, Paul Dunson. On our last Uncut, Richie Dunson tried to get some payback for the family, but Nathaniel Eye got the victory ... now, he takes on the firecracker of the family, Todd!

### Angus:

Eye is biting more than he can chew between getting in trouble with Dex Joy and picking fights with the Dunsuns. They're tough and they have the numbers! Eye could maybe one day be a star, but making dumb decisions like walking into this match won't be good for him .

### DDK:

## LET US SPEAK ON THIS...

The camera pans backstage because this is a wrestling show where on occasion, we have interviewers here to give you, the fans, information on what's going through their minds before and after a match.

This is the before part. And this is Lance Warner about to bring another interview to you. Earn that paycheck, Lance.

### **Lance Warner:**

Welcome, DEFIANCE Faithful! I'm Lance Warner and later tonight, The Stevens Dynasty will be defending their World Tag Team Championships against my guests at this time... please help me welcome the Family Keeling, Thomas and Junior Keeling, "The Titan of Industry" Uriel Cortez... and Minute!

The crowd gives a mixed - but mostly positive - reaction for the normally no-good Family Keeling. Thomas and Junior are front and center. Behind them in a slick blue business suit as the camera pans up, up, UP... The seven-foot one (AND A HALF) "Titan of Industry" Uriel Cortez.

### **Thomas Keeling:**

Mr. Warner, thank you for having us.

### **Junior Keeling:**

Yep, pleasure carrying you through an interview segment.

Junior laughs like an asshole while Lance laughs it off nervously. Uriel silently nods to Lance as he adjusts the collar on his suit. The camera pans down a little further and to Lance's left, where "The Sky High Kid" Minute enters the frame. The 5'5" luchador looks up at Lance and shakes his hand.

### **Minute:**

Hola, Lance.

### **Lance Warner:**

We've got a full house back here, but let's talk about later tonight. On our last edition of DEFtv, we've seen this unlikely team of both Minute and Uriel Cortez form a seemingly winning pair by not only winning a battle royale but also defeating former World Tag Team Champs in The Fuse Bros 360 to get his opportunity. What made you wish to cash in this title opportunity tonight instead of simply waiting for DEFCON?

Junior clears his throat and takes Lance's microphone.

### **Junior Keeling:**

First off, Lance, it's Uriel Cortez and Minute, not the other way around. The Titan of Industry - presented by The Family Keeling - ALWAYS gets top billing.

He literally sticks his tongue out at Minute like a child. Minute replies with a finger that gets cheers and some laughs from the crowd. Thomas Keeling fields the rest of the question.

### **Thomas Keeling:**

It's true. We had the option to make these young men battle for the World Tag Team Titles at DEFCON, but decided we're going to strike while the iron is hot and ask for this title shot tonight. The Stevens Dynasty have achieved all they can possibly do with this run and have exceeded all expectations, but I'll be honest... I'd quite like to see Mr. Cortez give them the beating they deserve and show them that The Family Keeling's time is now! WE will go into the biggest show of DEFIANCE's calendar year with the gold, Mr. Warner!

Lance nods.

### **Lance Warner:**

More than fair. Now, my next question goes to both Minute and Uriel Cortez. The two of you fought and it seemed that

Minute earned the respect of Uriel. Did you two expect to make such a great tag team out of the gate?

Minute is about to answer when Junior takes the microphone.

**Junior Keeling:**

Without a doubt, "The Titan of Industry" is a once-in-a-lifetime attraction as well as BY FAR the most powerful man in this promotion and it doesn't matter who is partner is. It could be anybody but because HE is on this team... we are ready.

Minute shakes his head. Lance Warner tries to get the thoughts of Uriel Cortez when Thomas Keeling takes the microphone now. Uriel grumbles under his breath as he clearly wanted to speak.

**Thomas Keeling:**

Now, to make sure we don't have any screw-ups like last week, Minute and Uriel have been training at our gym the last two weeks in preparation for this match. As good as they looked two weeks ago, they'll look even better tonight and The Stevens Dynasty won't know what hit them. They're on the same page.

Uriel wants to talk but this time Junior Keeling takes it back.

**Junior Keeling:**

Now beat it, Lance! We've got gold to bring home to The Family Keeling!

Thomas and Junior both depart quickly from the scene leaving Minute and Uriel with Lance Warner.

**Lance Warner:**

Er... thank you for your time, gentlemen.

Lance now leaves. Minute and Uriel Cortez are both left staring at one another. Minute lets out a sigh as Uriel adjusts the links on his collar. The two partners eye one another before the segment ends.

Mikey brandishes the chair again as Burns drops the title and speeds towards him on the aisle. The larger Burns sidesteps Mikey trying to lob the chair at him, then charges at him and SMACKS him in the chest with a stiff Running Hard Out Headbutt! The crowd winces from the impact, and then cheers as Burns climbs into the mount position and lands a stiff series of Elbow Smashes to the side of his head!

**DDK:**

Burns might be one of the nicest and most respectful champions that the FIST has had, but even he has a breaking point! He explicitly warned Mikey what was going to happen and now, he's getting what he deserves!

**Angus:**

Fuck up McFuckass! Get him! Rip his arm off and beat him with it!

Burns continues to wail away on Mikey until a slew of DEFsec pull him off The World's Greatest Sports Entertainer! The champion pulls away and tries to regain his composure, all the while the crowd is roaring for the champion.

*"BURNSIE!  
BURNSIE!  
BURNSIE!  
BURNSIE!

Two more trainers come out to attend to the fallen members of RAF and referees go to check on Mikey Unlikely while Burns runs to the announce table. He motions for a microphone that Darren Keebler happens to have at the desk and snatches it from the play by play announcer.

**Oscar Burns:**

Look, GCs... I know what I said before about not wanting to face Mikey Unlikely and reward him for being a bloody shitbag and I stand by that... but I ALSO know that what I do is for the Faithful! So let me ask you all... do you want to see me defend the FIST of DEFIANCE against Mikey Unlikely and tear this wanker apart at DEFCON?

*"RRRRRRRRRRRAAAAAAAAAAAHHHHHHHHHHHHHHHHHH!"*

Burns nods and then turns to the fallen Mikey, still checking his jaw.

**Oscar Burns:**

*"RRRRRRRRRRRRRRRRRRRAAAAAAAAAAAHHHHHHHHHH!"*

**Oscar Burns:**

YOU CAN TRY AND TAKE THIS TITLE, BUT WHEN YOU REACH OUT FOR IT, I'M TAKING YOUR ARM FIRST!

The Technical Spectacle angrily throws the microphone down before he retrieves his title. He takes the belt and stands over Mikey, who is stumbling, but still looking up at Burns looking back at him with the title in his face to show what's on the line before he raises the championship over head and heads to the back. Mikey starts to stumble upwards and checks his jaw to make sure his teeth are all there...

**DDK:**

Good lord, I haven't seen Burns EXPLODE like that ever! We finally have our main event of DEFCON and it's going to be Oscar Burns defending the FIST against Mikey Unlikely in a rematch of their epic scrap from DEFIANCE ROAD! And I have to imagine this might be Mikey's last chance at that gold if he doesn't win this.

**Angus:**

Let's hope so. I don't need another McFuckass holding onto that championship! Kendrix was bad enough, but this is OG McFuckass!

Burns is already gone, but as Mikey starts to head to the back, he shoves trainers away. He's clearly shaken...

But a shit-eating grin forms across his face as he looks to the fans before departing to the back.

## AN EXCHANGE

The scene goes backstage as Desire is shown to a small round of cheers from The Faithful. She's at the water cooler but before she can take a sip, she turns into someone's chest.

The Crescent City Kid.

Desire is quick to apologize as she almost spills her water. The Kid just shakes his head like it's okay. Desire smiles.

**Angus:**

Christ this is awkward.

**Desire:**

Sorry about that.

CCK just nods again and motions around with his hands.

Desire looks to the ground, blushes a little bit and then glances back up.

**Desire:**

Look, if you're worried about what Tyler Fuse said, you shouldn't be. Guy seems like scum. I can handle my own and I am definitely going to accept the match.

The Crescent City Kid motions around some more with his hands and body.

Desire nods.

**Desire:**

You're welcome to come out and support me, that's fine. But the thing is dear, I need a match like this to get my career going. I started off strong and then I got hurt. I was out for a few months. Now I'm back and I have no real direction. Hopefully a match at this level will give the agents something to sink their teeth into.

The Kid moves around again and then looks to shake Desire's hand. She extends and they shake.

**Desire:**

Haha, look you're cute and all and I appreciate everything. I'll be okay, I promise. I'm more worried about the three of you. Tyler and Conor, they don't look like they forget things that easily.

The Crescent City Kid takes a step back and throws out an impressive roundhouse kick into thin air. This gets a major groan from Angus on commentary.

**Desire:**

I know you've got skills. It's just... well... Tyler seems like a real bully and Conor, he's definitely on the spectrum.

The Kid nods and pats Desire on the shoulder.

**Desire:**

Okay, thank you. I'll see you next week, okay?

He nods for a final time and leaves the area.

**Angus:**

How does this mute fuck do it?

**DDK:**

## THIEVES IN THE NIGHT

As we cut to the backstage area we see The Stevens Dynasty popping champagne and celebrating their title defense.

**Bo Stevens:**

Another successful defense!

Bo shouts as Lance Warner comes into view to interview the champions.

**Lance Warner:**

I'm here with the tag.....and I stress that loosely, tag team champions, the Stevens Dynasty.

Lance's comment doesn't sit well with the champions as Bo pushes him.

**Bo Stevens:**

What do you mean by that Lance?

Bo asks as he takes a sip of champagne.

**Lance Warner:**

Well, you retained your championships on a technicality. You didn't pin or submit them. Uriel and Minute were technically the winners of that match.

Lance says as he points his finger at Bo and he quickly slaps it away before his uncle intervenes.

**Cary Stevens:**

Whoa there Bo.

Cary says as he grabs his nephew's arm.

**Cary Stevens:**

Go celebrate with George.

Cary says as he pushes Bo towards his cousin.

**Cary Stevens:**

Such a temper.

Cary says with a chuckle.

**Lance Warner:**

Are you happy with yourself?

Lance asks and Cary takes a moment to think.

**Cary Stevens:**

ABSO-FUCKING-LUTELY!

Cary shouts with joy.

**Cary Stevens:**

Why wouldn't I be Lance? We retained our titles and Cortez and Minute are headed to the back of the line and won't be getting another shot at OUR tag titles any time soon. Now, we're done here.

Cary starts to turn on his heel, but before he can get two steps further, he's met in his tracks by both members of The Family Keeling, Junior and Thomas. They look up at the patriarch of The Stevens Dynasty with knowing looks on their

faces.

**Thomas Keeling:**

Whoa there, Mr. Stevens. Sir, with respect to a legend of the sport, you really ARE putting the cart before the horse, aren't you?

Cary raises an eyebrow.

**Cary Stevens:**

What the hell are you talking about? You didn't win. We kept the belts.

A sly smile crosses the face of the elder Keeling.

**Thomas Keeling:**

Oh, yes, you absolutely kept the belts... but the winners of the match were "The Titan of Industry" Uriel Cortez and young Minute.

**Cary Stevens:**

Are you two hard of hearing? I know that already. Now get the hell out of my way.

Before he can take a step further, Junior Keeling grins even wider.

**Junior Keeling:**

Oh, can I tell him, Pop?

Thomas Keeling extends a hand to his boy. Junior rubs his hands together with 75% glee and 25% sadism.

**Junior Keeling:**

Well, we went to Executive Producer Kelly Evans. Who isn't a fan of ours, but is even LESS of a fan of the Stevens Dynsaty as you already know. She wasn't happy that two men who had to fight twice in one night to earn this shot got screwed on a technicality. So she gave us the news a little bit ago. At DEFCON, Bo Peep and Georgie Porgie are gonna have to defend the World Tag Team Championships against "The Titan of Industry" Uriel Cortez and Minute in a rematch from tonight and it must have a winner!

The crowd in the background can be heard roaring while Cary growls. Junior is about to turn and leave, but then snaps his fingers like he forgot something and points to Cary.

**Junior Keeling:**

Oh, snap, I forgot to tell you, Care Bear... if Bo's narrow ass, George's wide ass or even your Texas car salesman-looking ass even think about getting them disqualified or counted out - the titles are gonna change hands and Uriel and Minute become the winners!

Cary doesn't even have words at this point. He glares at Lance Warner, then back at The Family Keeling before storming off at the news. Junior and Thomas both wave him farewell.

**Thomas Keeling:**

All right, son... we have work to do, so let's get Uriel... and Minute. We need to be ready.

**Junior Keeling:**

Minute, too?

**Thomas Keeling:**

Minute, too. We all need to be ready for DEFCON. The Stevens Dynasty have held those belts as long as they have for a reason, son.

The two nod in Lance's direction and then take their leave as the scene heads elsewhere.

## MIKEY UNLIKELY vs. ERIC WILSON

As we come back from the last segment, Darren Quimbey is finishing up his announcement for "Exclusive" Eric Wilson, one half of TO THE MAXX!, who is already in the ring.

Eric Wilson making his return here on DEFtv this week! He faces a monumental task this week.

**DDK:**

The fans really don't appreciate Mikey Unlikely pulling the rug out from under everyone at DEFROAD, when he BLINDSIDED Oscar Burns. However tonight we saw Oscar Burns issue another open challenge. Solomon Grendle accepted the challenge for the fist but once again Mikey Unlikely would not allow the match to go down as planned. This pushed Burns over the edge, attacking Mikey and granting him his requested FIST shot at DEFCON 2020.

He was always a snake, he was just able to camouflage himself for a moment. I'm glad we finally got to McFuckBoi SOME of his payback tonight. Come DEFCON, Burns is GORRAM Rip his arms out.

Of course this gets into the head of Mikey who immediately covers his ears and stomps. Eric Wilson, not used to positive cheering is clearly excited to be the fan favorite.

Out of the corner, Mikey finally gets his head in the game. The two circle one another as the official calls for the bell. Mikey moves slow, Eric Wilson is trying to psych Mikey out.

The pair finally lock up in the middle of the ring, but Mikey is able to outmuscle the high flyer back into the ropes. Brian Slater begins his five count, Mikey slowly breaks away as Eric holds his hands up in the air. Mikey takes the opportunity on the break to deliver a blow right to the stomach of the tag team specialist.

This is the opening Mikey needed, he quickly takes control of the match delivering a series of blows that push Wilson around the ring. Unlikely throws him to the opposing turnbuckle, but when he follows Eric in, the High flyer springboards out of the corner behind Mikey. Wilson attempts a hiptoss but Unlikely lands on his feet and hits one of his own. As both men get up Mikey basement dropkicks Eric Wilson in the knees.

### Darren Quimbey:

This match is for one fall and it is for the Southern Heritage Championship! Introducing first, the challenger, WINGMAN TITUS CAMPBELL!

♪ "Earthquake" by Labrinth feat. Tinie Tempah ♪

The Faithful give a cheer as Campbell comes out ready to go. While known as a party guy, the focus is all professional right now as The Wingman steps over the top rope, raises both arms and stretches in the corner.

### DDK:

Blackwood has defended the title against both Levi Cole and Howlin' Joe Wolfe on back-to-back DEFtv events. Next up, Titus Campbell.

### **DING DING**

### DDK:

He lets out one puff.
