

A SWEET SUITE PARTY!

Inside the Wrestleplex we see a shot sweeping over the crowd in attendance. They raise their signs and get excited. In the background, commentary can be heard.

DDK:

Now here in DEFIANCE we're used to what's almost become a tradition following a title change, The champion will come to the ring or interview stage and address the audience and wrestlers in the back.

Lance:

I've seen it happen plenty of times!

DDK:

Well tonight, our new FIST of DEFIANCE is calling an audible. Let's take you up to our newest partner and correspondent, Jamie Sawyers who is in the field so to speak.

The scene cuts to Jamie Sawyers, he's standing in a corridor his back to the hallway. At the end of the hallway, we see two monstrous guards blocking either side of a glass door. Inside the door is a wild array of lights and muffled music. It's quite evident there's a celebration going on. Jamie is dressed in his new DEFIANCEWRESTLING Correspondent polo and slacks.

Jamie Sawyers:

Thanks, Darren, I'm up here, just outside of VIP Skybox #4 Here at the DEFIANCE Wrestle-Plex. Inside this room is the brand new FIST OF DEFIANCE, Mikey Unlikely. He's asked DEFIANCE to send someone up for his first "Championship Address", So we're going to see if we can catch a word.

Jamie continues on down the hall, the cameraman follows tightly behind. Sawyers reaches the guards and nods at them as he reaches for the door. His arm is grabbed by the guard on the right who just shakes his head. Sawyers pulls his arm back terrified. The other guard knocks on the glass 3 times. After a few seconds, Mikey Unlikely comes out of the room. As the door opens the music is loud and obnoxious, some weird trap music.

The Champion has a large box at his side. He wears comfortable clothes, loose-fitting pants, and a silk shirt. A pair of slide-on dress shoes... and of course Sunglasses indoors. Mikey walks out as the guard holds the door open for him. The music goes back to muffled when the room is once again sealed.

Jamie Sawyers:

Mikey Unlikely, at DEFCON 2020 you defeated "Twists and Turns" Oscar Burns to become the new FIST of DEFIANCE! You've had a few days to reflect on that win now, how does it feel?

Unlikely looks Sawyers ups and down and chuckles.

Mikey Unlikely:

JIMMY JAM! My man! Let me ask you, how you diggin' the new gig?

The FIST puts his hand on Sawyers' head and ruffles his hair, making it messy in the process. Jamie Sawyers is clearly not amused.

Mikey Unlikely:

Yes, it's true! I did it! I did it! I did it! I finally achieved what I've been trying to achieve since I got here in DEFIANCE WRESTLING, I finally became the FIST OF DEFIANCE.

Mikey swings the box out in front of him and we can finally see what it is. He's framed the FIST of DEF in a rectangle wooden box with a glass front. It's held up by gold clasps, lying on a red display material.

Mikey Unlikely:

I've accomplished the single greatest achievement of my wrestling career! I've established that I'm the greatest pure wrestler in DEFIANCE as well as the most entertaining entertainer who's ever entertained! I said 4 long years ago when I got here...Sports Entertainment will prevail, and today it has. So tonight, in front of the Jimmy Jam packed Wrestle-Plex I would like to say thank you...

Jamie Sawyer:

Thank you to the fans? Thank you to another wrestler for helping you? Thanks to Oscar Burns for bringing the best out of you?

Mikey Unlikely:

No, don't be ridiculous. I would like to thank ME! I want to thank me for staying true to my word, I want to thank me for always being the best, and I want to thank me for showing myself that there's another level to Mikey Unlikely... Not only am I the World's Greatest Sports Entertainer... Not only am I the FIST of DEFIANCE... but for the first time... I am confident I can beat ANYONE down there in that ring regardless of the circumstances.

Jamie looks down at the FIST in the box and back up to Mikey.

Jamie Sawyers:

That's a great segway into my next point...

Mikey Unlikely:

YOU BETTER NOT BE EYEING MY SEGWAY JIMMY JAM!

Jamie Sawyers:

I meant in the conversational sense... Who do you foresee being the next challenger for the FIST of DEFIANCE now that you are the champion? There's Scott Stevens, who technically holds the Ace in the Hole, meaning he can cash in on the championship at any time. There's Oscar Burns, the man who you defeated for the title, has beaten you in the past and may deserve a rematch... and then there's Lindsay Troy...

The fans in the arena explode at both Oscar Burns and Lindsay Troy. Mikey's face molds to a frown, and he removes his sunglasses, glaring at Jamie Sawyers now.

Mikey Unlikely:

DEFEND!? I JUST won it! Don't I get a chance to enjoy this? All you people want is to see me fall, well NOT SO FAST Jimmy. Let me tell you how this is going to go...

Gripping the belt box with one hand again, he sticks up one finger on his other hand.

Mikey Unlikely:

First, we celebrate... Now I've got a loaded room in there full of Frapps, Strippees and Liquors, and a few of my good friends. What we're going to do tonight is have the time of our life, watch DEFtv from up here, and celebrate all things, Mikey! We're talking Segway races, Create your own Frapp bar, Dance contest, Everyone gets one minute in the Mikey Money machine, and of course Mikey matches and movies on every TV in the ROOM.. and there's a lot! I mean this is one SWEET SUITE PARTY!

Now he holds up a second finger.

Mikey Unlikely:

Then I'm going to take this title, and I'm going to go back to Hollywood, retire from wrestling, and mount this above my fireplace.

Inside the arena, they boo loudly. Commentary can't sit through that either without commenting.

Lance:

WHAT!?! Can he do that!?

DDK:

I don't think so! What's this mean for DEFIANCE?

Jamie Sawyers:

Woah hold on, you can't just retire the championship like that? That's not how it works.

Once more Mikey glares at Sawyers.

Mikey Unlikely:

...And who's going to stop me? YOU? I don't think so... I've accomplished everything I can here, I'm the ONLY TRIPLE CROWN CHAMPION IN DEFIANCES HISTORY! I'm the reigning FIST! What else is there to do? What else is there to prove? Nothing... so if you'll excuse me, There's a party missing its champion...

The guard opens the glass door and Mikey walks back inside the loud room. Jamie goes to follow but is stared down by one of the guards.

DDK:

Mikey Unlikely says he's going to walk away from Wrestling with the FIST OF DEFIANCE!?! I'm sure our new ownership will have something to say about that, Mikey is under contract for another 2 years!

Lance:

We'll get to the bottom of this, but before we do, it's time to start the show!

Cut to show open.

RUNDOWN

Bright flashes, rolling cameras, and all the action in the world. The live crowd sees the intro video being played over the DEFiatron, as classic moments of DEF's current roster is played on screen. Footage of DEFCON 2020 is briefly shown, clipping through the events line up like flipping pages of a comic book and ending on Mikey Unlikely holding his newly won FIST of DEFIANCE high into the air with a last-minute cut to Lindsey Troy's surprise return and Mikey's resulting disapproving facial expression.

With a bit of pyro, we go to the Commentation Station.

DDK:

Ladies and Gentlemen ... Welcome to DEFtv 133! I am "Downtown" Darren Keebler and ... after the untimely departure of my long time partner, I would like to officially welcome Lance Warner to DEFtv! Lance, glad to have you.

Lance:

Thank you, Darren; for the warm welcome and after what we just witnessed I can only imagine what further surprises DEFtv has for us tonight!!

DDK:

I'M THE REAL FIST

As the new duo finish the show's rundown they are suddenly interrupted by the lights in the arena going out and a familiar phrase shouts over the arena speakers...

DDK: [deflated]

This is not what I had in mind ...

“MAKE THE FIST GREAT AGAIN!”

The slow bellow of the guitar hits as the video screen lights up and flashes across the screen a Texas flag, with the words, “Texas Born. Texas Bred.” “Texas Forever.” branded into the flag. The cheers that had once filled the arena quickly turn into jeers. DDK:

Well, we are here now so ... Scott Stevens has made it his mission since he won that ACE of DEFIANCE championship to make the FIST of DEFIANCE great again.

DDK:

Stevens appears on the stage and doesn't look pleased. The Faithful sensing this begins to chant the Texan's favorite chant and Stevens looks towards the crowd and simply shakes his head before removing his championship from his waist and holding it high for the world to see.

DDK:

Stevens reminds everyone that he is a champion despite the Faithful's feelings towards the man...

Lance:

You don't have to like the man, but you have to respect what he has down in the ring since he's come to DEFIANCE. I don't know if anyone has ascended this fast in as short of a period of time as Scott Stevens has.

Stevens saunters down the ramp and towards the ring with the ACE held high above him as the crowd gets more

ferocious with each step.

DDK:

Is there a more hated man in DEFIANCE right now?.

Lance:

I don't know, Darren.

Stevens makes his way up the steel steps and steps in between the top and middle ropes to get inside. Stevens makes his way over to Quimbey and takes the microphone before pacing around the ring a bit.

DDK:

Stevens pacing around the ring like a caged animal and knowing this man you know for a fact it can't be good...

Stevens stops and slowly raises the microphone to his lips.

The Faithful cheer loudly at the Queen's name and the Texan has a look of disgust on his face.

Scott Stevens:

Stevens shouts with a spew of hatred and the Faithful begins to rain down their feelings mercilessly.

Scott Stevens:

Stevens asks as he looks flabbergasted.

Scott Stevens:

The Faithful begin to boo.

Scott Stevens:

Why are you filth booing me?

Stevens asks as he looks towards the audience.

Scott Stevens:

Is it because I speak the truth and no amount of facelifts, tummy tucks, and breast reductions for the sagginess can make your has-been hero relevant in the Era of Scott Stevens.

The crowd boos even louder.

Scott Stevens:

I am sick and fucking tired of not getting what I want, but I should be used to by now. I mean I never lost the FIST to begin with against Oscar Burns and I was never given a proper rematch. Then I win the ACE of DEFIANCE and hype up the fact I will be challenging Oscar at DEFCON, but do I get my title match? Nope. I have to settle for the ridiculousness that happened at the pay-per-view. Now they hire the flavor of the month in Lindsay Troy to challenge Mikey and I'm once again kicked to the curb when I'm supposed to be the first one in line to challenge Mikey, but it is what it is.

Stevens says with a sigh.

Scott Stevens:

You see, every time I'm forced to the side for others it just proves my point that I am the true FIST of DEFIANCE champion and this champion I hold is the TRUE and TOP title in DEFIANCE.

The crowd boos and Stevens shakes his head.

Scott Stevens:

I have no issues with Mikey and we can face each other like men and if he beats me he can rightfully call himself the true FIST of DEFIANCE because it isn't likely that skank who management brought in is going to beat him.

The crowd boos.

Scott Stevens:

Boo all you want but Lindsay Troy doing her best impression of Peggy Bundy sitting on a couch and eating bonbons and spending her boy toy's money is not what I consider a major threat to Mikey Unlikey.

Stevens says and the crowd gets angrier as he mouths, it's not to the Faithful.

Scott Stevens:

That is why if Kelly Evans had a working brain cell in that head of hers she would do the right business decision and let me cash in my ACE of DEFIANCE championship and give Mikey a proper challenger because I am the TRUE FIST and until I'm beaten by Mikey he can't say otherwise. I...

Again, another mixed reaction comes from the crowd as the man pulls the mask off of his face and reveals himself to be BRAZEN wrestler Matthew LaCroix. He throws the chair down on top of George Stevens, whose signs of struggle could be seen on the body of Southern Strong Style.

The D:

I get it, I do... everyone wants The D. Listen, I'm sure you guys had a great match and what an accomplishment... this is the part where I'm supposed to be impressed but I'm the director, not the actor. Although, I'm quite the actor. Director. Wrestling. TAG TEAM SAVANT. I'm famous, but... I don't make people famous. Well, I do make people famous. Just not... you... people?

Elise Ares:

I see what you're saying D. It's TOTES a shame, I would've loved to see what the future of tag team wrestling would bring. When I pinned Scott Douglas' shoulders to the mat for a three-count, it was in that *very* moment I realized I have so much greatness... that I could share, and give it back to the little people. Then, I remembered all you dirty, dirty poors turned your backs on ME.

Ares points at the Faithful with a look of scorn, Minute simply shakes his head in wonder.

Elise Ares:

And we've been at the top of this Mount Rushmore for so long it's been kind of a burden. Once we reunited the greatest combination since peanut butter and jelly, we knew it was time to make a new star... but that's not you. As a matter of fact, it's none of you. Not a single tag team in DEFIANCE, no... THIS PLANET, are worthy of the mentorship we so greatly want to bestow upon the world.

The crowd boos louder, getting a glare from Uriel Cortez, causing Klein and Flex to raise their chests.

The D:

Easy there. So, politely... at this time we're going to decline your offer. We have no interest in furthering your careers. So, in much better news, we'll instead be focusing our attention on something ACTUALLY worthy of our time... and that's new direct-to-Netflix movies for you all to enjoy from the comfort of your homes! There are many more adventures to be had around Lake Placid...do have any ideas, Elise?

Elise Ares:

Lake Placid Goes Down Under?

The D:

Shrimps on the barbie! GC and Koalas!

Elise Ares:

Crocs and Kangaroos!

The D:

Gators and great wildfires!

The crowd boos loudly at The D's reference.

The D:

Oh, I'm sorry... is it too soon? Hear me out, there's one thing Tag Team wrestling and Koalas both have in common. That soon, the last great ones will die off, unable to do what needs to be done to keep their species alive. So if you'll excuse us, we have a table read to get to. Elise?

Elise Ares:

G'DAAAAAY MATES!

The D and Elise Ares turn tail and head to the back while Junior Keeling grabs his microphone.

Junior Keeling:

You can talk all the shit you want. Walk off... but the bottom line is that WE have the gold right now and until you challenge us for it... WE are the standard bearers for this division. WE have made champions before and we'll do so again. Now... enough talking... who wants to see a title match in the main event tonight?!

The Faithful roar as Uriel holds out his titles. Minute does the same.

Lance:

RRRRRRRRRRRAAAAAAAAAAAHHHHHHHHHHHH!

The Faithful go crazy as "Twists and Turns" Oscar Burns... the now FORMER two-time FIST of DEFIANCE, makes his way out from the back along with "Bantam" Ryan Batts. They approach the interview stage.

DDK:

This is the first time that we've seen Burns since DEFCON, losing in the main event to Mikey Unlikely... on UNCUT, he had some words. What are they doing out here?

Burns takes the microphone and looks up at "The Titan of Industry" Uriel Cortez.

DDK:

Wow... Burns and Cortez have history! Remember they battled in an incredible main event last year for the FIST.

Batts eyes up Minute and the luchador looks up at the protege of Oscar Burns while the former two-time FIST glances up at Uriel, then the Keelings with a microphone in hand.

Oscar Burns:

Yeah... DEFCON didn't go my way, GCs. Let's get the elephant out of the room... but I will say this...

The Techincal Spectacle looks at The Keelings.

Oscar Burns:

I WILL be a champion again... and I'm going to do it with Ryan Batts by my side!

Ryan Batts:

Oscar Burns:

Keelings... since the PCPs are a bunch of ponces... we accept. We'll see you tonight.

He points at the titles across both the shoulders of The Sky High Titans. Uriel shoots him a sly smirk and then nods while Minute hoists his championships to show off to Batts.

Mikey is seen chugging an iced alcoholic coffee beverage. He finishes it up, slams the plastic cup on the ground and lets out a "HEYYYYYYYYYYYYYY."

Mikey Unlikely:

The FIST of DEFIANCE has the Championship in it's new case sitting on the stand next to him. Suddenly his cell phone rings and "ROAR" by Katy Perry is his ringtone. He looks around the room nervously and chuckles.

He picks up the phone humming the song under his breath.

Mikey Unlikely:

Scott Stevens:

BRUV!!!!!!!!!!!!!!

Unlikely eyes Scott Stevens suspiciously.

Mikey Unlikely:

What do you want Stevens...

Stevens looks shocked by the response.

Scott Stevens:

I'm here for the party!

Stevens says doing a bad interpretation of a bad 70s dance move.

Scott Stevens:

When I'm heard my main Bruv is throwing a party you know I had to come!

Mikey Unlikely:

This is an EXCLUSIVE party, I understand that people would want to come, but I just... I just don't trust you, Stevens. You just want to get close to the FIST! You just want to take it from me!

Stevens chuckles.

Scott Stevens:

Mikey, why would you think that my Bruv? If it wasn't for you I wouldn't even be here. If it wasn't for you I wouldn't have won the FIST in the first place....

Stevens motions for him to get closer. Mikey considers it before leaning forward cautiously.

Scott Stevens:

Besides homie, I know you got that skank, Lindsay, to deal with, but first...WE PARTY!!!!!!!!!!!!!!

Mikey eases up a bit and seems to be debating whether or not to let Stevens in. He's getting ready to open the door when...

Scott Stevens:

Besides... we can wait a while before we discuss the Ace in the Hole Title shot I have.

Stevens tries to go forward but is stopped. Mikey Unlikely shouts.

Mikey Unlikely:

NO! HE DOES JUST WANT THE TITLE! GUARDS! DO NOT LET THIS MAN INTO THIS PARTY, OR ANY OTHER WRESTLERS! I AM THE CHAMPION, YOU'RE GOING TO HEAR ME ROAR!

Mikey backs away from Stevens and opens the door himself.

Scott Stevens:

But.....but.....

Unlikely is looking directly at the guards now.

Mikey Unlikely:

I don't want anyone coming into this party who hasn't been invited! You get me? Comprende!?

With that Stevens is denied entry and smiles coyly. Stevens strolls away whistling as Mikey puts his indoor guard against the glass before re-entering the party.

DEX JOY v. ROOSEVELT OWENS

Cut back from commercial to Darren and Lance.

DDK:

We have a big match coming up next and I don't think I can be any more literal, Lance. Dex Joy stands at six foot two and weighs in at three hundred sixty-seven pounds. He'll be taking on Brazen's biggest star in terms of size, Roosevelt Owens who stands at six foot six and weighs nearly five hundred pounds!

Lance:

Neither man is going to win anything on style points, but Dex Joy has won over a lot of fans and put on great performances despite having the win stolen from him by Scrow and Carny Sinclair back at Defcon.

DDK:

We know Dex is a very energetic man who has a lot of fight in him and that loss shows who he is. He doesn't complain about it ... he picks himself up and fights again. We know he's not done with Carny but he can't afford to lose focus ahead of fighting Roosevelt Owens. Let's start this match between two of the biggest men on either roster!

Scrow slowly turns his head in a diagonal fashion to stare toward Jamie, while the microphone is moved to his mouth.

Scrow:

Well, a lot of The Faithful wanted to know why you let Carny take the win over you when you had the match won all you had to do was cover Dex Joy.

Understanding this is Gulf Coast's new theme song, the fans give a cheer in respect of their battle against Fuse Bros. 360 during DEFCON.

DDK:

Well this is a surprise. I was not expecting to see this trio for a while!

Lance:

Yes, that's true. Gulf Coast Connection was unsuccessful at DEFCON but you have to respect what they did. They gave it right back to Tyler and Conor and have nothing to be ashamed of. That match was brutal!

Aaron King and Theodore Cain appear from the back. While seemingly in good spirits, they look like they are still in the process of recovering from their Red Ring of Death Match. King's right knee is heavily wrapped and he has bandages scattered throughout his right arm. Theodore Cain's right arm is in a sling and he has a tensor wrap around his forehead. As they wait on the ramp, The Crescent City Kid is the last to emerge from the curtain. He looks to be in the worst shape. He has a walking boot on his left foot, his ribs are taped up, his forehead is bruised and his right hand is in a specialized protective glove. He gets a good ovation from the fans and thanks them, as the three members of Gulf Coast slowly make their way to the interview sage. Their theme song fades as Theodore Cain asks for a microphone.

Thinking he was referring to them, Gulf Coast Connection looks on with intrigue. In reality, Malak needs a second to check his phone. He holds up his index finger to the crowd, asking them to wait for a brief moment. She points to the belt in the case and then jabs her finger against Mikey's shoulder.

Lindsay Troy:

That roadblock's gone now, *bruv*, because Favoured Saints couldn't wait to renegotiate with me. And that means you've got a real shitty time in store for you.

The champion shakes his head.

Mikey Unlikely:

Not me. Not that Championship. We're outta here! For now, you're outta here too!

Mikey pushes Lindsay Troy towards the door. He gets the first push, and that was enough for Troy... Lindsay Troy swats his arm away a second time. Mikey tries again and this time she grabs his arm and takes him to the ground in the middle of the suite. Mikey breathes out heavily sending glitter into the air. The strippees and other "Entourage" members scatter.

Mikey Unlikely:

NO! The party is NOT OVER! Come back!

Troy pulls the arm back on Mikey, making sure he can't do too much. The fans in the arena laugh at the champion.

Lindsay Troy:

Just me and you now, kid.

An enraged champion forces his way off the ground.

Mikey Unlikely:

THIS IS YOUR FAULT!

But Lindsay is ready and once again outfinesses Mikey. As he swings for her she's able to send him into a bunch of bar stools facing the arena window. As Mikey tries to recover, he attempts to back away from her but he can't find his footing. She walks toward him.

Lindsay Troy:

You might've beaten Burns fair and square, but all things considered you're about as entertaining as the Joe Exotic prison tapes and will end up a worse FIST than both Stevens and Curtis Penn.

Unlikely continues to back up; he now grabs a half full Frapp and tosses it at Troy to thwart her attempt to get to him. She bats it away and grabs Mikey, and pushes him over the DJ booth. Mikey lands on it and rolls backward, falling on the ground with a thud. The music in the room stops.

Mikey Unlikely:

OW! MY FACE!

He stands up holding his nose. He looks over Troy's shoulder and sees the FIST sitting inside its display case. He makes a dash for it, but Lindsay catches him once again.

Lindsay Troy:

We're gonna fight for the FIST, even if I have to beat the challenge out of you...

Unlikely reaches for the championship but it's a good 15 feet away. He spins, and breaks the hold Troy has on him, in the struggle he swings wildly and lands a forearm flush against the face of the Queen of the Ring. Unlikely gets wide eyed right away and realizes what he's done. As Lindsay tastes the blood and wipes her mouth,

Mikey tries to calculate how much time he had to run, grab the belt and get to the door. He makes a break for it.

Unlikely gets the FIST and stuffs it under one arm. He makes a break for one of the doors. Lindsay Troy comes running from the other direction, mid stride she hits the strippee pole, swings around and kicks Mikey with both feet square on the chest sending him and the championship flying. The glass smashes in the case as it hits the ground.

Mikey Unlikely:

NOOOOO!

He rolls over trying to catch his breath. He reaches for the championship and pulls the case closer to himself. Troy

laughs and walks toward him when suddenly the door to the Suite bursts open and in pours DEFsec. They get between the champion and Lindsay Troy to cut off the violence. The Queen of the Ring puts her arms up and presents no struggle to the DEFIANCE security team. Mikey, on the other hand, couldn't be happier to see them. He gets up off the ground and pretends to want to get at Troy once he's sure he's being held back.

Mikey Unlikely:

Get her the hell out of MY SUITE! I'm the FIST dammit! This is EGREGIOUS!

Lindsay Troy turns to leave with security but before she does she looks over her shoulder.

Lindsay Troy:

Be seeing you, Mikey.

Unlikely clutches the box holding the FIST of DEFIANCE tightly against his chest. Sweat pouring off him.

DDK:

Lindsay Troy is back in DEFIANCE and she's made it apparent to our new champion what she's after!

Lance:

What a matchup that could be Darren! Mikey Unlikely vs Lindsay Troy! But what about Scott Stevens and the ACE? So many questions..

DDK:

Well it looks like if Mikey gets his way he'll never defend the FIST! I have a hard time believing DEFIANCE will let that happen, but he appears content keeping it to himself.

THE SKY HIGH TITANS Â© v. OSCAR BURNS & "BANTAM" RYAN BATTS

Lance:

I'm ready for this main event, Darren, how about you?

DDK:

I am! But I can't help but wonder what will come of the FIST! ... That being said ... The show must go on and ... The Sky High Titans have become unlikely champions, but they aren't wasting any time sitting by and letting the Unified Tag Team Championships collect dust. Tonight, they wanted to put those titles on the line against The Pop Culture Phenoms, but when they declined to take the challenge, "Twists and Turns" Oscar Burns and his protege, "Bantam" Ryan Batts took them on!

Lance:

And Burns and Batts can be a VERY formidable team. We can't forget that Batts is a great tag team specialist as a former member of The WrestleFriends, and has trained alongside Burns for years, the former two-time FIST of DEFIANCE. Can Burns turn his luck around from DEFCON tonight?

DDK:

I think they have a great chance! They stated earlier that The Sky High Titans only have three matches as a team, however Uriel Cortez and Minute have forged a relationship out of mutual respect and are two polar opposites that have come together! They defeated The Stevens Dynasty, who were family! So we'll see who wins tonight! Let's get to ringside!

And to Darren Quimbey we go.

Darren Quimbey:

The following contest is a tag team match set for one fall! This match is your main event of the evening and is for the DEFIANCE Unified Tag Team Championships! Dressed in his bright orange tights and wrestling shoes and a yellow "DEFIANCE: WE LIKE GRAPS!" t-shirt, Burns makes his arrival towards the ring. Behind him, "Bantam" Ryan Batts has on a black shirt in yellow that says "HEY, I LIKE GRAPS, TOO!" Both men head to the ring awaiting their opposition.

On the right, the GIANT form of "The Titan of Industry" Uriel Cortez, wearing the exact same business suit, along with a massive replica of the same mask of Minute.

Cortez steps onto the ring apron and then lifts the ropes open so Minute can slide through them and get into the ring. Cortez rips off his replica luchador mask and throws it into the crowd, then Minute leaps onto the top rope, then the corner rope, and then backflips into the ring... yes, all in his suit! The two men then meet in the middle and raise their fists in the air. The collection of championships go to referee Brian Slater. The titles go high in the air to show what's on the line.
