TIME TO STEP UP

The words "LAST WEEK" appear at the bottom of the screen. The SOHER Champion Gage Blackwood walks into a rather large locker room. There, standing waiting for him are Gunther Adler and Shooter Landell. At first, Gage does not look too happy.

Gage Blackwood:

Tonight will begin a new era for myself.

He says to his henchmen.

Gage Blackwood:

I am done with trying to prove to *The Faithful* I am not the one they should boo. I am a stand-up fighter, scared of nobody and in the ring I pull all the right moves. But they... *[motioning to inside the arena]* don't see it my way and from now on, that's fine.

Blackwood picks up a few of his things on the locker room bench. He goes to leave while Adler and Landell attempt to follow. Blackwood turns around and stops them.

Gage Blackwood:

Whoa. You two are not coming with me tonight. Because while it's going to be a new era for me, it is also going to be a new era for *you*.

Adler and Landell stare at each other and then back to Blackwood. They aren't sure what he means.

Gage Blackwood:

Gunther, you used to be a wrestling machine. You're the only one in DEFIANCE I haven't beaten yet. I believe you are 3-0 against me.

Blackwood turns to Landell.

Gage Blackwood:

Shooter, you're the one that put me in this place to begin with. The ass-kicking I received at the hands of yourself on DEFCON... it made me reconsider everything and change my ways. Look at me now. I am NOTHING like the person I was before. And that's for the better.

Blackwood's expression grows intense.

Gage Blackwood:

So I am doing something else only a stand-up guy like me would do. You two are no longer my henchmen. Go out there and make something of yourself. Take back what is yours and become a success *alongside* myself, not *because* of myself.

Adler and Landell seem pleased by these comments.

Gage Blackwood:

Gunther, that's why you have a dark match booked tonight. Landell, you will have one the following week. And soon, DEFIANCE will come to fear the three of us and not just me.

The Scot pats them both on the chest and exits the locker room. Gunther is all smiles with an intense look on his face. Shooter nods in agreement.

Shooter Landell:

He's right. It all begins tonight.

INTERVIEWS TAKEN PLACE AFTER THE MAIN EVENT OF DEFTv 133

The camera cuts backstage to the gorilla position with The Sky High Titans and The Family Keeling making their way through the curtains, celebrating what is no doubt the biggest victory in the career of the young man, Minute, fresh after pinning the two-time former FIST of DEFIANCE "Twists and Turns" Oscar Burns.

The massive "Titan of Industry" Uriel Cortez is wiping sweat from his forehead and while he does so, his tag partner, the luchador Minute walks through the curtains with his set of World and Trios, looking mighty proud of himself. Junior puts an arm around the shoulder of the incredibly athletic luchador and looks at the nearby camera filming the proceedings.

Junior Keeling:

You see that? You see what our guys just did?!

Thomas Keeling:

What a year, Minute! He beats Jack Harmen! He wins the Unified Tag Titles from The Stevens Dynasty! Then he just goes out there and pins Oscar Burns! Minute is on the hot streak of the year! Young man, you've done the right thing signing up with The Family Keeling.

The TJ Tornado hoists his titles and looks pretty smug underneath his mask. Uriel reaches out and dabs a fist to his partner while Junior Keeling smiles.

Junior Keeling:

PCPs... I know you're watching. This offer for a Unified Tag Team Title match is good from now until you say yes... then WE'RE making The Sky High Titans the best tag team in DEFIANCE.

The Titan of Industry dabs a fist with Minute and he smirks.

Uriel Cortez:

Bring on ALL you little assholes.

The Titan of Industry winks, and the group heads out ...

MOMENTS LATER

The losers of the main event are now making their way through the curtain... "Bantam" Ryan Batts helping "Twists and Turns" Oscar Burns through the curtain as he limps his way to the back, holding an ice pack to his ribs. Burns is wincing in pain as Batts shakes his head.

Ryan Batts:

Sorry, Oscar... I couldn't get back in time... God, Uriel is HUGE...

Oscar Burns:

Ow... it's okay, GC. We tried...

Burns winces as Ryan helps him. Next to him, Christie Zane appears with a microphone in hand.

Christie Zane:

Oscar... Ryan... tough loss for you tonight. This may not be the best time, but I wanted to get your thoughts on the last couple of weeks...

The Technical Spectacle shakes his head and leans back as Ryan helps him.

Ryan Batts:

Look, Christie, it's been a bad night, maybe we can...

Burns holds up a hand and sighs.

Oscar Burns:

Yeah nah, Christie. I can sit here... (wincing) but I won't pack a sad. You win some, you lose some. The Sky High Titans have a chemistry you can't teach... but Rye and I will have our day...

???:

You know who says that? BITCHES.

The camera turns to the likes of two members of No Justice, No Peace. Theo Baylor and Felton Bigsby.

Felton Bigsby:

Ya lost the FIST. Ya couldn't win the Tag Titles...

Theo Baylor:

What a bitch.

The two laugh like assholes when Ryan steps up.

Ryan Batts:

What... Catering too busy for you two?

Felton smirks.

Felton Bigsby:

Nah, we ain't talking to Burns' fuckin' boot licker.

Burns turns to say something to the duo, but The Yellow and Black Attack steps up to Felton and looks up at him.

Ryan Batts:

I'm nobody's boot licker, Felton... and it's better than being the fourth guy in the totem pole of a group of guys doing NOTHING.

Oscar Burns:

GC's, he's right you know.

Theo wants to say something, but Felton looks down at Batts.

Felton Bigsby:

You want to keep running that fucking mouth, little man, then I'll be happy to shut it for you.

Ryan Batts:

Name a time and a place, big-for-nothing. I'll run, wrestle, and fly circles around you.

Felton Bigsby:

UNCUT. Next week. You ain't gonna wait two weeks for this ass-whooping.

Burns and Batts look at one another before Batts grins.

Ryan Batts:

I accept.

Oscar Burns:

Yeah nah, brah, you're getting beat.

The 280-pound Bigsby looks at Theo and shakes his head.

Felton Bigsby:

You're gonna look pretty damn funny talkin' shit without teeth.

Theo and Felton walk off and Batts helps Burns as the scene heads elsewhere.

"BANTAM" RYAN BATTS VS. FELTON BIGSBY

DDK:

Welcome, fans, to UNCUT and coming up next, we've got a match that was made last week between "Bantam" Ryan Batts against BRAZEN star Felton Bigsby. Felton Bigsby and Theo Baylor had some choice words that we saw a bit ago following their loss to the Sky High Titans in the main event of our last DEFtv. Now, Batts looks to score his first singles win since rejoining the singles roster against the 280-pound powerhouse in Bigsby.

Lance:

I've been a big fan of Batts and many have felt he was underrated. When he was a member of the WrestleFriends, he did score some big singles wins over stars like Andy Sharp and a big upset win to Scott Stevens.

DDK:

That's true, but now that he's back on the main roster after the WrestleFriends breakup, he's looking for a big win to rebound from that Unified Tag Title loss. But if he looks past Bigsby for a second, he can use his raw power and break him. Now, let's get to ringside with Darren Quimbey.

And to the ring we go.

Darren Quimbey:

The following contest is a singles match set for one fall!
