Bright flashes, rolling cameras, and all the action in the world. The live crowd sees the intro video being played over the DEFiatron, as classic moments of DEF's current roster is played on screen. Footage of DEFCON 2020 is briefly shown, clipping through the events line up like flipping pages of a comic book and ending on Mikey Unlikely holding his newly won FIST of DEFIANCE high into the air with a last-minute cut to Lindsey Troy's surprise return and Mikey's resulting disapproving facial expression.

With a bit of pyro, we go to Commentation Station.

**DDK:**

Welcome one and all! Thanks for joining us on our one-hundred and thirty-fourth edition of DEFtv! I'm "Downtown" Darren Keebler and with me is Lance Warner!

**Lance:**

Thanks for the warm introduction, Darren. I'm not as bitter and probably not as funny as Angus, but I'm trying my best behind the table.

**DDK:**

Hey, you're doing just fine! We've got a HUGE show for you tonight that includes not one, but TWO big title matches! We have Unified Tag Team Champions The Sky High Titans... care to do the honors, Lance?

**Lance:**

Sure... PRESENTED BY THE FAMILY KEELING!

**DDK:**

...Thanks! They've gone on record as to say that they'll be defending the Unified Tag Team Titles and they want Pop Culture Phenoms. After their MASSIVE win that saw them defeat Ryan Batts and "Twists and Turns" Oscar Burns, will the PCP accept the challenge?

**Lance:**

And in our main event, we understand that the FIST of DEFIANCE will actually be on the line against an opponent to be named by our champion Mikey Unlikely! We'll hear from him later tonight regarding that as well as his thoughts on Lindsay Troy wanting a shot at his championship. Perhaps we'll see that match tonight?

**DDK:**

We have lots of action tonight! We'll hear more from The Southern Heritage Champion Gage Blackwood, we have Lindsay Troy in her first match since her return against one half of the former Unified Tag Team Champions Bo Stevens, "Twists and Turns" Oscar Burns takes on the dangerous Scrow, not to mention footage from ACE of DEFIANCE Scott Stevens' first defense of his own championship down in Mexico. Behind him follows Gunther Adler and Shooter Landell. They wear gray jeans and gray hoodies while Gunther carries a small bag with him.

**DDK:**

This was unexpected but not surprising.

**Lance:**

Yes, that's correct. Two week's ago Blackwood said he was going to tell the world, on his time, just what's next for him. Is this that moment?

It doesn't take long for the three of them to enter the ring. Blackwood's theme comes to a close and he gets right to it.

**Gage Blackwood:**

Blackwood points to the championship.

**Gage Blackwood:**

Suddenly, Blackwood rips the shirt in half.

**Gage Blackwood:**

Blackwood asks for the bag from Gunther Adler.

**Gage Blackwood:**

Blackwood reaches into the bag and pulls out a yellow t-shirt. It takes mere seconds before The Faithful catch on and give a loud pop at the thought of seeing these two paths cross.

Blackwood holds the shirt into the camera. It reads "I LIKE GRAPS".

**DDK:**

Blackwood looks over the t-shirt as he holds it in the air.

**Gage Blackwood:**

You know, I never understood what this slogan meant. I LIKE GRAPS. I always thought it was stupid.

The Faithful continue to mount a cheer for Burns and the thought of these two battling in the ring. Blackwood lets the cheers build and then looks dead into the camera. His demeanor changes completely. One to anger and intensity.

**Gage Blackwood:**

Let me make something very apparent. As I continue to advocate on behalf of myself... this is MY CALL, loud and clear to Oscar Burns. Our paths have never crossed but now I am demanding them *to* cross.

Blackwood, who is still holding the shirt, takes hold of it with both hands and rips it in half.

**Gage Blackwood:**

I can't understand why any idiot would wear this let alone buy this rubbish.

Again, The SOHER looks right into the nearest camera and this time moves much closer.

**Gage Blackwood:**

Oscar Burns, your fall from grace has begun. In fact, you've already fallen far, far down, pal. You've lost The FIST. You lost a Tag Team Championship title match. You may just be one month removed from being on top of the world but you're already in a drastic downward spiral.

Blackwood takes the SOHER off his waist and presses it into the camera lens. He is seething by now.

**Gage Blackwood:**

But this is your chance to regain anything you've lost and even though you don't deserve a shot, I continue to be a *stand-up guy*. I will give you a shot... because you actually have something I want. I am going to explain this to you in due time. And I am going to take it away from you. I am going to take EVERYTHING away from you.

The Faithful are intent on listening to Blackwood's comments but begin to flood the arena with Burns cheers.

Perhaps surprised he hasn't broken into one of his incoherent rants just yet, Blackwood takes a deep breath and composes himself.

**Gage Blackwood:**

Oscar, I know you're not in the arena right now but I also know that, much like myself, you're a *stand-up guy* so I know I will see you soon. Make no mistake, this is your next journey. And like I have done to everyone else in my way... I will destroy you. I will make you wish you never crossed my path. I will put your career in a downward direction, if it wasn't there already.

Blackwood places the mic on the canvas and nods to Gunther Adler and Shooter Landell. His theme song plays and they exit the ring.

**DDK:**

## TEAM HOSS vs. THE MIDCARD EXPERIMENT

### DDK:

We've got our first match of the evening, Lance... and it's too bad Angus isn't here any more. For the first time in a little over two years, we have the return of Team HOSS! One of DEFIANCE's most dominant and devastating forces.

### Lance:

It's true, Darren! We've been around and seen Angel Trinidad, Aleczander The Great and Capital Punishment run roughshod for a long time with the World Trios Titles a few years ago. They have main evented many DEFtv shows, they've beaten a who's who of DEFIANCE wrestling history.

### DDK:

It seemed something that The Lucky Sevens said when they made their debut set off Team HOSS. They made a surprise return by attacking the Dibbins after The Lucky Sevens won a match and delivered a message here at ringside. Though Cappy is retired from the ring and in charge of our BRAZEN live events, Angel Trinidad and Aleczander The Great have come back with a vengeance and they're out for The Lucky Sevens. Tonight, they're taking on all three members of The Midcard Experiment and that match is right now.

And the camera goes to ringside with Darren Quimbey with the intros. All three members of The Midcard Experiment are already set in the ring.

### Darren Quimbey:

The following contest is a three-on-two handicap match scheduled for one fall! Introducing first, already in the ring at a combined weight of 625 pounds... the team of CAGE! El Hijo De Fishman Deluxe and "Birdman" Walter Levy... **THE MIDCARD EXPERIMENT!**

The crowd gives cheer to Levy as he raises a hand. Fishman Deluxe is getting pats on the back from the masked Nicolas Cage-inspired wrestler called CAGE! The trio awaits their opponents.

♪ "Overlord" by Black Label Society ♪

The music goes right into the thunderous chorus of the song and right away, the camera cuts to the stage. Smoke begins to billow from the stage and through it... out come the two members of Team HOSS.

### Darren Quimbey:

And their opponents... at a combined weight of 587 pounds... they are the team of Angel Trinidad and Aleczander The Great... **TEAM HOSS!**

The 6'5" and 269-pound Brit, Aleczander The Great and the 6'10" and 309-pound Angel Trinidad head, toward the ring looking like they're gonna kill a bitch. There's no fooling around from Aleczander today and if it were even possible, Angel is looking extra aggressive. The crowd gives them a big mixed reaction as they march toward the ring.

### DDK:

They look like they mean business tonight. They take all three members of The Midcard Experiment!

*DING DING!*

Angel Trinidad starts first for his team against "Birdman" Walter Levy. Angel buries a knee in his gut and then drags him over before slamming his face into the buckle. Angel then pins him to the corner and The Beast from The Bronx smiles to the half cheering/half jeering crowd before firing off a series of hard left and right alternating back elbows!

### Lance:

They mean business tonight! Look at Angel go! He's laser-focused!

Trinidad then grabs Levy and HURLS him across the ring with a massive Biel Throw! Levy hits the mat with his back and crawls around the ring towards Aleczander The Great, who clobbers him from the ring apron with a big shot! The

crowd slightly jeers the move, but The Big Brit doesn't give a damn what the crowd thinks as Angel picks him up in his arms.

**DDK:**

Cheap shot from Aleczander there! I think Team HOSS are feeling extra slighted by the appearance of The Lucky Sevens!

**Lance:**

Which I don't understand! The twins even complimented them as an inspiration so I'm not sure where this attitude is coming from.

Angel makes the tag to Aleczander The Great and then scoops him up in a Front Powerslam... but the Levy breaks! (bad joke, I know). He slips out the back and heads to his corner when Aleczander charges, only to catch a pair of boots to the face. The tag gets made to the portly luchador Fishman Deluxe and he climbs up top. He comes flying off with a Standing Senton and catches Aleczander with a cover!

*ONE!*

*TW... NO!*

The powerhouse Aleczander SHOVES Fishman off of him, but the 235-pound luchador lets him have it with a pair of chops. He then rushes to the ropes looking for a Springboard Back Elbow... only to get SMACKED out of the sky with a nasty Polish Hammer to the back!

**DDK:**

Fishman tried, he really did... but he paid for it!

Aleczander The Great then shoves him into the corner and makes the tag to Angel Trinidad while pinning El Hijo de Fishman... then blasts him with stiff Clubbing Forearm to the chest! He gets doubled over in pain while Angel pulls him out of the corner. He whips him to the corner and CRUSHES him with a big Corner Clothesline! The blow rocks Fishman, but Aleczander shoves him towards the path of Angel Trinidad and a HUGE Dropkick!

**DDK:**

Angel Trinidad is a young stud! Only thirty years old has been wrestling for almost a decade and he's incredibly agile to boot! Six foot ten and just over three hundred pounds! He's the more agile of these two big men!

Angel stands up to get back on his feet and then turns...

**Lance:**

WOW! Trampled Underfoot to CAGE! He's done!

The Beast From The Bronx looks over at the fallen CAGE! Who is looking rather dead right now. Walter looks up at Angel who smiles. He picks up Fishman Deluxe and then hoists him in his arms before tagging out to Aleczander The Great. He picks him up... SPIKED POWERBOMB!

**DDK:**

What a big move by Team HOSS! The Aided Powerbomb just rattled the spine of Fishman! But they aren't done!

Aleczander hoists him up and then flexes his arm before the dead weight of Fishman gets supported... then BLASTED with a nasty Running Lariat!

**DDK:**

That's it! He calls that move Weapon FLEX and that has to be all.

Aleczander The Great grabs him by the leg and hooks him.

*One.*

*Two.*

*Three.*

**DDK:**

Total domination here by Team HOSS and... No. Levy has seen enough!

Alecander The Great gets back up, but Walter Levy comes into the ring with a Springboard Missile Dropkick! The blow sends Alecander backward, but Angel Trinidad is already in the ring and boots Levy over... then SPIKES him into the mat with a Sit-out Suplex into an Ura-nage Slam!

**Lance:**

And a new finish by Angel Trinidad! He calls that move Don't Look Down!

Angel leaves him on the mat and then boots him out of the ring while Alecander grabs Fishman Deluxe. He grabs him and HURLS him over the ropes, sending him crashing to the outside right next to where CAGE! Has fallen.

**DDK:**

Good grief... dominant win for Team HOSS, but this is uncalled for.

Angel calmly cranks his neck and then motions for a microphone.

Aleczander grits his teeth.

**Aleczander The Great:**

The microphone goes back to Angel.

## COMMENTS IN CRISIS

The scene settles in on Darren Keebler and Lance Warner sitting in the commentary booth.

**DDK:**

Welcome back to ringside, everyone. Before we continue on with the in-ring action, my colleague would like to share a very special piece with you.

The focus slowly zooms in on Lance Warner as his inability to hide worry from breaking over his face is evident.

**Lance:**

That's right, Darren and thank you. Faithful, earlier this week I sat down with Malak Garland, Cyrus Bates and Teresa Ames in a rather peculiar environment. It was somewhat unexpected and, uhhh, well, I guess, all you really need to do is watch this taped interview.

The awkwardness of Lance's voice lingers as the scene cuts to the outside of a rather plain looking building. It's neutral in color and inconspicuous to the naked eye but it's definitely not an ordinary place. The trees sway in the wind as the afternoon sun creates a delightful feeling. There's a sign out front with the words 'Shimmering Reflections' in beautiful scripture font on it. A red Dodge Dart pulls up and Lance Warner emerges from it after a few moments. He walks inside the building.

**Lance:**

Hello there, I'm here to see M.G.

Lance stands at the reception desk as he speaks with one of the staff members. The lobby is absolutely decadent with marble slab flooring and very ambient lighting. The staff member clangs away on the computer she sits in front of.

**Staff Member:**

I'm sorry, sir, but M.G. is not the correct identifier.

Her words create a slight rush of panic within Lance. He racks his brain as he finally remembers what to say.

**Lance:**

Uhhhh, ummmm, I'm here to see MagnumG.

The staff member nods as she types on her computer once more. She acknowledges this visitor request and sends Lance down the hall with a staff escort. He ends up entering a rather large, bright room known as the 'Calm Space.' It is also neutral in color with many plump sectional couches and carpets all arranged in esthetically pleasing ways. There's a fake fireplace that glows in the background.

**Lance:**

Wow, this is nice.

Lance notices a trio of figures sitting nicely on the comfiest couch. He finds himself sitting opposite of The Comments Section. Malak sits in the middle of his fellow Keyboard Warriors, Cyrus to his right and Teresa to his left. His hands are firmly planted in each of their laps. Teresa rubs the hand she has while Cyrus firmly holds his.

**Lance:**

Well hello there, Malak. How are you doing? I came as soon as I got your message.

Malak looks up at Lance, visibly shaking and sweating.

**Malak Garland:**

What do you mean? You messaged me, remember? You were worried you hadn't seen me, which led to you finding me here.

Clearly trying to hide the fact he was the one that reached out to Lance, Malak dismisses the truth and creates his own. Lance pauses for a second and readjusts his glasses.

**Lance:**

That's not exactly what happ— anyways, what's going on? Why haven't you been seen around the WrestlePlex lately? You have people worried.

Malak takes a deep breath. His skin is pale. His eyelids dangle half closed. Overall depression permeates from his body.

**Malak Garland:**

I haven't been able to sleep all week because of how everything has been affecting me. Everything from the words of Gulf Coast Connection to the way The Faithful have treated me. I am truly and deeply hurt in ways that I can't even explain. So I find myself here, at Shimmering Reflections, dealing with my anxiety.

Lance nods with utmost concern as it's clear he's never quite dealt with such a tender situation before.

**Lance:**

Okay. Ummmm, where does all this anxiety stem from and why does it affect you so badly?

Malak takes yet another deep gulp of air. His shoulders vibrate, which causes his floppy silver hair to flutter over his face.

**Malak Garland:**

Growing up in small town Wyoming, there wasn't much to do in the form of entertainment but for some reason, every time I created a stir, for what I thought was the better, I always received communal backlash and therefore I developed massive anxiety for my actions.

Lance stares vividly at Malak.

**Lance:**

Communal backlash? I'm guessing you're talking about your online presence and if this was when you were growing up, did your parents not monitor your online activity? Did your mother and father not care about how this made you feel because the physical effect it has on you is quite obvious right now.

Malak completely disregards answering anything to do with his home life and continues to be in his own little world, answering the interview questions asked in his mind.

**Malak Garland:**

All I really want to do is provide entertainment to the masses. I want their *attention*. I deserve it.

His grips with Teresa and Cyrus tightens. His voice trembles and cracks with anxiety as his rant continues.

**Malak Garland:**

For the life of me, I don't understand why The Faithful would pay more attention to the Gulf Coast Connection DEFCON video highlight than ours. They don't even use filters for crying out loud. It's given me so much stress and anxiety that, honestly, I *might* have to retire from DEFIANCE and pro wrestling as a whole. Despite our flawless undefeated record.

Lance throws a hand over his mouth and chimes in under his breath too quick for anyone to hear or notice.

**Lance:**

You've only wrestled in one match.

Tears begin to stream down Malak's face with no end in sight. He's too absorbed in his own somberness to notice

anything else at this point.

**Malak Garland:**

I've just experienced so much pain and backlash in DEFIANCE that all this does is dig up past scars. You know what? I'm going to do it. I'm officially retiring from DEFIANCE.

Although the actual decision seems to be a snap one, Malak turns and asks his fellow Keyboard Warriors to join in his retirement. Cyrus and Teresa nod in agreement as each wipes a tear from their eyes. The trio gets up, still holding hands and exits the room together. Lance is left there in quiet reflection of what just took place.

The scene goes back to ringside with a confused announce team. Keebler is trying to process everything.

Just as Benny Doyle goes to ring the bell, there is a commotion in the crowd that catches everyone's attention.

**DDK:**

I'm not sure what their angle here is but I'd wager to say it's not on the up and up.

**Lance:**

Darren, I'd tend to agree but it warrants mentioning that last week other than being a distraction they did not interfere in that match.

Kerry Kuroyama is obviously more distracted than Grendel or Doyle, who calls for the bell. Grendel, immediately, goes on the offensive with Kerry's back turned. Grendel slams into the The Pacific Blitzkrieg with a hard diving shoulder, sending Kerry flying into the turnbuckles. Sizing him up, he spins Kerry around and goes to work with a solid round of kicks, punches and a massive lariat at the head that nearly knocks Kerry's head off.

**DDK:**

Not a good start for Kerry Kuroyama, the distraction at the outset of the match is clearly playing a factor.

**Lance:**

Kerry Kuroyama, clearly in the advantage sets Grendel up for what looks to be a fisherman suplex, but Grendel's tag team partner grabs a hold of Kerry's leg. The distraction is enough for Grendel to break out of the hold. Doyle admonishes Petey Garret but Kerry steps in with some words of his own, drawing Garret to the apron. Benny attempts to get between the two; warning Kerry of disqualification and Garret of being ejected.

Around the ring, Tyler stands up but is quickly pulled back to his seat by Conor who seems too concerned to let Tyler break free at the moment.

## MULTILINGUAL

Sitting in black swivel office chair in front of the closed locker room door, Magdalena absently lets it turn from side to side. She didn't have anything more pressing than what was happening in the locker room. She'd made it a habit in High Octane, and she'd do it here if this is where God seems to have taken them - she'd give Deacon the time he needed to handle his business. With a quick shake of the head, she turns someone away from entering. Like a doorman at a nightclub, she thought, not for the first time. Except she was maybe 110. And the man she was protecting? Well, he was over 300.

The door opens and she spins in her chair to look in. The Deacon isn't standing there; he never is, and just like always, the lights are off. She stands up and opens the door wider. The Deacon is rummaging in his bag, putting his cell phone into it. He doesn't say anything. This a good moment or bad one? Only one way to find out - she steps into the room, leaving the overhead lights off, just using the light from the hallway to provide whatever illumination she may need.

**Magdalena:**

Any way I can help?

He's heard that same question from her thousands of times. The Deacon only shakes his head then stops, his body still as if rethinking. With shaking hands, he reaches up and grabs the beaded necklace wrapped into his bag's handles.

Prayer beads.

**Magdalena:**

Certainly [*Magdalena pauses for a moment.*] Anything specific?

She asks the question, but she already knows he's not in the mood to answer. Seemingly to punctuate that fact, he puts his half-mask over his mouth. The performance was over, but tonight, he's carrying this Mute Freak gimmick a bit further. She steps closer and reaches a hand toward him. He lets it touch his elbow, steadying his shaking, and then he readjusts the mask, getting it fully into place. Magdalena turned back to the door.

**KLANG!**

She spins back toward Deacon. His fist pushes against the lockers, his arms vibrating from effort as if he's trying to push them over. After a few more moments, and calming breaths, he starts to inhale & exhale evenly. Pulling the hand back, his fist still clenched tightly. Except now, blood runs over and between the knuckles on his hand like serene rivers through a valley. But Magdalena knows it's not serene; nothing around the Deacon is serene now.

**Magdalena:**

You should bandage that. I'll hold the area a bit longer.

She left him alone in his darkness, leaving the room and closing the door behind her.

*“¿Dónde está el grande?”*

Magdalena is suddenly confronted by Victor Vacio, dressed in street clothes yet still in all black and his usual Lucha mask obscuring his face. He repeats himself.

She raises one eyebrow, holding her hands out in a “what” gesture before motioning with her right hand for the masked guy to continue on his way. He doesn't.

Vacio understands that and lets his anger get him excited, instinctively returning to his native tongue and at a rapid speed.

Let me guess? Upset about Deacon's chokeslam a couple weeks ago. Consider it a not so free lesson learned - don't beat up defenseless people.

Vacio seems to have picked up most of that and lets out a deep sigh. He returns to English, the best he can and speaks slowly.

**Vacio:**

Bring me ... the bastardo ... so ... I may ... como se dice "castigar."

Magdalena's mother used to do the same, flipping back & forth from English to Arabic, especially when she was angry.

Vacio thinks for a moment, trying to find the word.

¡Castigar! .. ahhh, si! ...PUNISH!

**Magdalena:**

Punish?

Magdalena's lips purse a split second before a smirk breaks through like a ray of sunshine. And if Vacio's face could've been seen, it would've looked like someone after that first ray of sunshine broke through your bedroom curtains after a long night of drinking.

**Magdalena:**

Ask, and it shall be given to you; seek, and you shall find; knock, and it shall be opened unto you. *[There's that head tilt from Vacio again.]* Let me make this simple - you can try to... Castigar el grande bastardo...

On the right, the GIANT form of "The Titan of Industry" Uriel Cortez, wearing the exact same business suit, along with a massive replica of the same mask of Minute.

### **DDK:**

Welcome back, folks and... yeah, we've got The Sky High Titans coming out here! What a main event they had on our last show against the team of "Twists and Turns" Oscar Burns and "Bantam" Ryan Batts. Burns and Batts tried, but in the end it was Minute that got the pin over the former two-time FIST of DEFIANCE!

### **Lance:**

And my sources confirmed that they're out here to talk more business. They wanted the Pop Culture Phenoms as their first opponents, but you saw how that went. The PCPs refused because they didn't feel like the match suited them, then turned around to scope out their Unified Tag Title match.

Now behind them, the forms of their co-managers, Thomas and Junior Keeling appear on the stage and in what has to be a bizarro turn of events, are getting cheered for once in DEFIANCE.

### **DDK:**

Last week George, this week Bo... and Scott isn't even here to save him!

**Lance:**

His family are grown men, Darren. You heard him yourself, they can handle their own business.

**DDK:**

We're about to find out!

Southern Strong Style picks up the pace on his way to the ring, reaching over the barricade and picking up a steel chair as the lights kick back on. He slides into the ring and Cary instinctively shoves Bo out of the ring as a last-ditch effort, not having time to watch his nephew land on his feet and then collapse on the floor before a chair comes overhead knocking the patriarch of the Stevens' Dynasty down to the mat.

**Lance:**

Hoooo-ly!

**DDK:**

What a shot! LaCroix means business!

The crowd roars as the man known in SHOGUN as the Ace of Spades slides feet first out of the ring with steel chair still in hand, stalking Bo Stevens as he crawls across the floor, desperately trying to find the strength to getaway. Instead, accepting his fate, Bo stops and turns around to look at the eyes of the Reaper stalking him to the cheers of the Faithful.

**DDK:**

I don't think there's any running from this one, Lance!

**Lance:**

There are two things in life you can't run from, Darren. Death and taxes. Right now, Bo Stevens is looking at the Reaper!

Matt LaCroix sprints forward as Bo tries to push himself up to his feet, hitting him with a shining wizard at the same time a steel chair comes down on the back of his skull. It's almost as if the thunderous impact summoned DEFsec, who come sprinting down the aisle at the command of Carla Ferrari.

**DDK:**

D. I. S. Destruction In Spades from the hometown hero!

**Lance:**

I don't know if I'd call him a hero, but his welcome sounds a lot more heroic this time than it did last.

The Green Reaper pulls Bo limply up off the ground, before locking him into the FTW, a dragon sleeper Matt LaCroix uses to incapacitate and submit his opponents. DEFsec arrives moments afterward and forces The Renaissance to break his submission on his dismantled prey. LaCroix holds his arms up and he's shoved away, smirking as he makes eye contact with medical talking with Cary Stevens in the ring.

**Matt LaCroix:**

Tell ya boy tha Reaper is comin!

"Scenotaph" begins to play over the WrestlePlex again as Matt LaCroix turns his back to the chaos unfolding behind him and walks back up the aisle, leaving another Stevens in his wake.

**DDK:**

Matt LaCroix leaving another emphatic message to Scott Stevens tonight, and as soon as he takes the time to see it, do you think he'll take notice?

**Lance:**

With Stevens... you never know. If he ignores it for long enough, it's starting to look more and more like he's going to have a date with the Reaper.

## THE BIGGEST FIST

The camera is backstage before the main event. Standing by to conduct an interview is the new broadcast team member for DEFIANCE Wrestling, Jamie Sawyers.

**Jamie Sawyers:**

Hello, fans, I'm Jamie Sawyers and I'm going to be talking to a man that has nothing to lose tonight, but everything to gain when he gets his first opportunity at gold in DEFIANCE Wrestling ... by taking on the new FIST, Mikey Unlikely, for his championship! Welcome "The Biggest Boy" Dex Joy!

With a big game face on the big energetic man nicknamed The Biggest Boy walks up to Sawyers. We can hear the people in the DEFplex cheer.

**Dex Joy:**

Jamie, pally, thanks for the intro. Fire away.

**Jamie Sawyers:**

Like I said ... you have nothing to lose and everything to gain tonight by fighting Mikey Unlikely for the FIST. He heard what you had to say on our last episode of DEF TV about wanting to be a champion but you've wanted to deal with Carny Sinclair first.

**Dex Joy:**

Oh yeah, that's all true, pally! But since Carny Sinclair apparently ran all the way back to the circus and hasn't shown up tonight, I guess my only consolation ... and I don't even want to call it a consolation .. I get the biggest opportunity of my DEFIANCE Wrestling career all because Mikey Unlikely was feeling gracious enough to duck Lindsay Troy and give me the shot instead!

**Jamie Sawyers:**

And title shots don't come along every day in this business. My question for you is this: are you prepared tonight to go one on one with Mikey Unlikely for the FIST?

The Biggest Boy basks in the moment and then puffs his chest up.

**Dex Joy:**

Jamie ... I am as ready as I can be! I can't take anything away from Mikey Unlikely! He did what nobody could do for almost a year and beat my fellow rhyming name buddy "Twists and Turns" Oscar Burns for the FIST. He won that match ... but everything he did to get that match don't sit well with me. Tonight, this match isn't just for Oscar Burns.

Now he's talking to the camera.

**Dex Joy:**

This match is for the DEFIANCE Wrestling Faithful who are already tired of watching Mikey Unlikely show off his yoga skills and showing he can suck himself off in front of a worldwide audience! We're tired of your flaunting! This match is for people that are sick of the bad guys like Mikey and like that giant whiner, Gage Blackwood, making with the poor me routine instead of being champions this place can be proud of! Tonight, Mikey, I'm picking you up and I'm dropping you on that canvas and you're gonna look like a Hefty bag full of vegetable soup hit the pavement when I'm done! Tonight I have a Jump for Joy with your name on it!

Dex is now all fired up when he finally turns back to Jamie.

**Dex Joy:**

Jamie, tonight is where I rise! Tonight .... The Biggest Boy becomes The Biggest FIST!

Cut to commercial.

## **MIKEY UNLIKELYÂ© vs. DEX JOY**

**DDK:**

We heard from a very fired up Dex Joy tonight and what a great opportunity this is for him! This is his first title match of any kind in DEFIANCE Wrestling and tonight he competes for the FIST! Dex has a great won-loss record coming into this match and tonight he is bound and determined to take away the title from Mikey Unlikely!

**Lance:**

I'd like to see it happen but we have seen Mikey Unlikely stoop to any low he can to win that title. I would expect more of the same tonight.

**DDK:**

Mikey sounded earlier like he was taking this match rather lightly which is a huge mistake, in my opinion! We are now going to the main event with the FIST on the line!

**Darren Quimbey:**

The following match is the main event of tonight's DEF TV and the match will be competed for the FIST!

The lights in the arena start to flicker on and off before simulating a blackout. The lights go out. Fans reach out for their cell phones and try to light up the Wrestle Plex. The lights start to slowly come back in the Wrestle Plex, section by section until on the big screen a cell phone battery display charges ... charges ... charges ... and soon it's at 1000%. From Los Angeles California ... weighing in at three-hundred and eighty pounds ... he is "The Biggest Boy" and "Dexy Baby" ... DEEEEEEEEXXXXXXXXXX JOOOOYYYYYYY!!!!

The massive tank-like Dex Joy walks down the ramp and looks ready for a fight. He looks very excited for the opportunity to be competing in front of the DEFIANCE Faithful as he enters the squared circle. It's a pretty quick turn around time from his earlier promo but he already has a shirt that reads "BIGGEST BOY = BIGGEST FIST!!!" He takes the shirt off and waves it around and the DEFIANCE Wrestling faithful are giving him a nice round of cheers.

**DDK:**

Dex looks ready for this match to take place. He's such an agile man for his size and he's going to need all that and more to over come a very cunning opponent like Mikey.

**Lance:**

He's as ready as he can be. His issues with Carny Sinclair will have to take a back seat tonight. He wants payback for what happened to his friend from Brazen, Nathaniel Eye, but tonight he can become the FIST of DEFIANCE Wrestling!

The lights die out and a single spotlight hits the stage. From behind the curtain walks the FIST of DEFIANCE to a crescendo of booing from the Faithful. **Lance:**

The newest FIST taking no chances with the championship, he's got it under glass and key!

Unlikely walks to the top of the ramp and looks out over the crowd. He smiles before heading down the ramp. The Hollywood C Lister finally locks eyes with his opponent for the evening and starts running his mouth.

With his name announced he cups his hand to his ear, nothing like hearing yourself be announced. Walking up the ring steps, Mikey slowly wipes his feet on the apron, and tells the official to keep Dex Joy back while he gets in the ring.

In the corner he places the FIST down flat and slides it to a ringside worker. He then pulls it back at the last second.

**Mikey Unlikely:**

Nope, get back... Don't touch my Championship!

Mikey bends through the second rope and places the case on the ring steps. He pushes on the side of the box to reveal a hidden compartment. Out pops a metal loop. Out of his tights Mikey pulls a set of handcuffs, he handcuffs the display box containing the FIST OF DEFIANCE to the ring post.

**DDK:**

This is getting out of hand, Mikey has now handcuffed the championship to the ring to avoid losing it while wrestling! Does his insecurity know no bounds?

**Lance:**

Darren we've seen multiple titles stolen in DEFIANCE by various members of the roster, I think Mikey knows this and wants to make sure he retains possession of it at all costs.

The music dies out as Mikey takes off his sunglasses and stretches on the ropes.

**DDK:**

We saw earlier tonight that Mikey Unlikely is more or less ducking Lindsay Troy. The new ownership of DEFIANCE has given Mikey an ultimatum, defend the title like every other FIST in history, or relinquish the championship and retire. Obviously Mikey is not ready to give up the Championship evident by the ridiculous case he carries it around in, so when pressed he gave a title match to what he called a "Worthy Opponent" Dex Joy. Don't get me wrong, Dex Joy has enjoyed some success here in DEFIANCE, but for him to get a title match this early in his DEFIANCE run is unprecedented.

**Lance:**

Say what you mean Darren! Mikey Unlikely picked someone he viewed as beneath him. I hope we see Dex Joy teach Mikey a lesson tonight! I'm excited for this one!

Ding ding ding!!!

Dex rushes at Mikey but before the big man from Los Angeles can do anything, Mikey quickly tries to hide in the ropes. Mikey orders the official to get Dex back from the ropes. The fans jeer as the big monster gets told to back up and he decides to do so but he clearly doesn't like it.

**DDK:**

Whether you agree or not, this is a smart move by Mikey. Dex thrives on the crowd and their reactions. If he can shut that down before he gets anything going he can keep the advantage.

**Lance:**

That is true. He's got Dex off his game.

The Biggest Boy wants him to come out and fight but the official stays in between them. Mikey decides to come out and he gets his arms up like he is ready to fight Dex. Dexy Baby starts to close in for the collar and elbow lock up but when he goes in Mikey makes him look foolish by ducking and then heading back to the ropes again. Dex sees red, but Mikey is stalling for time again and he hides in between the ropes yelling at the official to stop Dex before he does something. The crowd is jeering.

**DDK:**

Mikey wrestled a perfect game against Oscar Burns and beat him straight up until he couldn't fight any more which makes it more frustrating he does things like this!

**Lance:**

The defending FIST is laughing it up because Dex looks irritated and that means Mikey is in his head. Dexy Baby is trying not to let it get to him, but Mikey decides that he's going to go one step further. When Dex tries to get at him Mikey spits on him!

And there's Carny Sinclair! The man that injured Dex's friend Nathaniel Eye, stole a big Defcon win against him by manipulating Scrow and setting him on this course. And he's looking mighty cozy near the front.

Carny waves a rather sarcastic hello, but Dex tries to shut him out. He turns to Mikey and then tries a running senton ... But it misses! The ring shakes and Mikey breathes in a sigh of relief for being able to dodge the big man.
