## THE RICK DICKULOUS CHALLENGE

Suddenly the crowd is bathed in deep blood red lighting as a powerful kick drum resonates through the building's sound system.

♪ "Face Fisted" by Dethklok ♪

**DDK:**

Wait a second, Lance, what is this?

**Lance:**

It would appear to be Rick Dickulous, Keeps. I'm assuming this is fallout from Defiance Road.

Rick strolls out onto the entrance ramp, his massive frame making the entryway seem tiny, eyes narrowed and staring daggers at the ring, his reddish full beard accentuating a wicked scowl. His shaven head glistens in the crimson light, along with his shimmering, oiled upper body. An axe occupies his massive and taped right hand (both are, up to his wrists), resting against the bare flesh of his shoulder. His legs fill his brown industrial work pants - his quads flexing through the thick material, and he sports a pair of plain black boots. Rick makes his way down the ramp and up to the ring area, his eyes still exuding hate and loathing. He walks up the stairs slowly and steps over the top rope and into the ring, motioning to a ringside tech for a microphone. As the crowd jeers, Rick takes the microphone, then motions for the crowd to quiet, his deep, bellowing voice overtaking the din.

**Rick Dickulous:**

I'm sure many of you are asking yourselves why I'm out here. Maybe you're asking yourself why I think I'm important enough to take up your time.

I won't lie, Lance. I know I'm asking myself both things right now.

Rick opens the chair and sets it in the middle of the ring, facing up the ramp before sitting down, arms crossed across his chest.

Richards' face contorts as he continues in a different, more mocking tone.

**Chris Richards:**

Oh Momma, it's about that Richards boy, eh. He's not doing what I want and I'm mad about it. I'm sorry it upset me.

Richards switches back to his normal voice as Rick stands up quickly, pointing at the screen and talking unintelligibly.

## INSATIABLE THIRST

The broadcast arrives at the watercooler which has its usual foot traffic. Teresa Ames perches herself by the racks of water jugs because she feels that's a fitting place for her. She pretends to act casual with her eyes to her phone.

**Teresa Ames:**

I hope my chances of another random encounter in the wild are better than one in four thousand.

Desperation covers her like a sticky residue as she's all but alone for a few moments. Low and behold, Gage Blackwood finally walks by with a tight shirt on, looking like he has somewhere else to be until Ames trips into his walking path, seemingly out of nowhere.

**Teresa Ames:**

Oops! Woopsy! My bad. Excuse me, sir.

Her hands linger a bit too long on his biceps before letting go.

**Gage Blackwood:**

Okay?

Teresa's natural reaction is to twirl her hair innocently.

**Teresa Ames:**

Hey listen, what are you doing Friday night? I heard about this special movie screening taking place and I was wondering if you wanted to go with me?

A pause settles in and little does either Gage or Teresa notice but sales manager Kristie Bellis (who has been seen before on DEFtv) lingers in the background.

**Teresa Ames:**

Yeah, so, I hear it's a big production being put on by Screen 7 and I'm all about supporting local talent, so maybe you would like to go with me?

Her nervousness is overly apparent to point where Gage is dumbfounded.

**Gage Blackwood:**

Uh, what? Listen, I have to go address The Faithful.

It's like Ames isn't even listening to The Noble Raider.

**Teresa Ames:**

Who knows... it could be fun?

**Gage Blackwood:**

Aye, I really need to address The Faithful, regarding my loss to Scott Douglas. Besides, sounds like a rubbish idea.

The Gaelic Grappler goes to leave but this time Ames puts her hands on his biceps with purpose.

**Teresa Ames:**

I don't think you heard me.

The tone of her voice changes.

**Teresa Ames:**

There's a special movie screening. It's tailor made for a special date. You and me. We should go.

The initial rejection only makes Teresa fixated on Gage more.

**Gage Blackwood:**

What's going on here?

Blackwood gently takes back control of his arms. Shook but not deterred, Teresa tries one last time.

**Teresa Ames:**

I don't know what else to say or do. It's a free event. I already got the tickets. Front row.

It's hard for her to ease back but she eventually finds a way.

**Teresa Ames:**

I guess we could just go as friends. Please?

Seeing Teresa is sort of holding Gage hostage, The Edinburgh native decides to fix himself a cup of water.

**Teresa Ames:**

Is the back of your throat dry? That happens to me sometimes too. Gotta stay liquified. So can we please go to this movie screening? PLEASE?

She asks so nicely and with such sincerity.

**Gage Blackwood:**

Uhhh, sure?

Her heart flutters along with her spider-like eyelashes. Kristie can be seen with a sour look on her face.

**Teresa Ames:**

YOU WILL!? Oh, thank you, thank you, thank you! You won't regret it!

Gage takes a swig from his cup of water.

**Gage Blackwood:**

Can I go now, lass?

Ames smiles and nods.

**Teresa Ames:**

Yes, of course you can. This makes me so happy! OUR FIRST DATE! I can't wait to show you how good of a baw juggler I am!

With that, Gage nearly spits out the water in his mouth.

**Gage Blackwood:**

Excuse me!? That... that's not what that saying means.

An aura of discomfort ruins the conversation as Gage immediately departs. However, Teresa's day is made. She can't stop smiling...

## THE BETTER FUTURE IS NOW

After the Burns/Stevens match and a commercial break plugging some merch you should go and get right now, we end up at the Commentation Station with Lance and Darren Keebler.

### **DDK:**

Folks, welcome back to DEFTv and just moments ago, we heard Oscar Burns and Scott Stevens issue a challenge for a DEFIANCE Road rematch with Alvaro de Vargas and Jack Mace from Better Future Talent Agency! It looks like Oscar Burns and Scott Stevens are now on the same page at least long enough to deal with the threat on their own careers.

### **Lance:**

Alvaro de Vargas and Jack Mace did get the drop on Stevens and Burns at DEFIANCE Road and REALLY cemented a place for themselves... but after hearing that challenge, we understand that ADV, Jack Mace and Tom Morrow have a response. Let's take it backstage now.

The camera heads back to the backstage area where Alvaro de Vargas and Jack Mace stand on either side of the brainchild of Better Future, Tom Morrow. The human piece of excrement shines a smile and beams behind his brand new white horn-rimmed glasses.

### **Tom Morrow:**

Oscar Burns... Scott Stevens... Better Future Talent Agency changed the game. These two young, strong blue chipper main event-level talents BEAT the two of you on Pay-Per-View no less! One of the toughest men to ever hold the FIST and Mister Two-Time FIST arguably at the top of your game right now when it comes to in-ring performances....and they BEAT YOU.

He slaps Jack Mace on the shoulder.

### **Tom Morrow:**

Burns, I heard you say that you didn't care about an explanation as to why your former pupil turned on you back at DEFIANCE Road. But this isn't about YOU and your bullshit ego. This is about HIM. This man next to me. The truth is YOU turned on HIM by spurning me and my group.

Jack Mace smiles.

### **Jack Mace:**

Oi... Burnsie... you're a dipshit, that's as simple as I can put it, mate. You were SO CLOSE to joinin' Better Future and we would have been partners again! We would have rode together again, tearin' up these rings, tearin' up people's limbs and doing it all with smiles on your faces... but unlike me, you just couldn't shut your conscience up for more than two second. I couldn't turn mine off for a long, long time when I got into this business cause of you. And that's why I spent an extra year in BRAZEN. I wasn't mad that ya chose Ryan over me to bring to the main roster. But over time, I knew the truth...

The Jack of All Holds sneers.

### **Jack Mace:**

Oscar, I waited... waited.. Waited... waited for you to call me back up while I put in the work. Lost FIFTY pounds! Gained muscle! Worked on me mat skills. But that call never came. You left my big ass to ROT because ya knew the second I got back on the roster, I'd surpass you. Well, mate, I'm glad in the long run, I proved myself right... outside DEFIANCE, I became a World Heavyweight Champion and I did that without you. I NEVER needed you and at DEFIANCE Road, I proved myself right again! I am a Damn Fine Pro Wrestler and I stood over you as the winner at DEFROAD! And I won't stop until I'VE replaced you as the top man of that mat in DEFIANCE!

He smiles as Alvaro continues.

**Alvaro de Vargas:**

Scott Stevens... you old-ass pendejo... Tu tiempo se acabó y aún no lo sabes. Your time is up already and you just don't know it yet. Like Senor Morrow just said... we beat you not just because we are aligned with Better Future... we beat you two whiny little pendejos because that FUTURE IS NOW!

He inches closer to the camera and pulls it towards him.

**Alvaro de Vargas:**

No star has risen out of BRAZEN faster than I! No man has defeated literally the BIGGEST man on this roster in that pendejo, Uriel Cortez, and no man has defeated literally one of this organization's BIGGEST stars in Oscar Burns on back to back pay-per-views... but ME! And now you two come barking up this tree again wanting another shot? Against Jack Mace, this organization's best pure wrestler! And against ME? El Sol Dorado? It's brightest star?

He grins.

**Alvaro de Vargas:**

Beating you both once is not enough. I told you, Burns, that since you didn't join Better Future that you'd be part of its past... Well, now, all you've done is jeopardize Scott Stevens career, too, you stupid pendejo. I am El Sol Dorado de DEFIANCE. Everything revolves around ME!

He throws the camera back to Tom Morrow, who only has one more thing to add.

**Tom Morrow:**

We accept.

Black.

Rezin scrambles back to his feet, looking visibly shaken at his near miss. He raises the mic again as he backpedals up the rampway.

**Rezin:**

Ya know on second thought, tonight's actually a bad night for me. I got some other business to attend to. Yeah, super top secret Kabal business! The kind of business that gives me absolutely no time to wrestle in a match, conveniently enough.

*"BOOOOOOO!!"*

The Faithful jeer loudly at this empty excuse. Rezin nevertheless points threateningly to Keyes in the ring.

**Rezin:**

But don't think for one second that you can rest easy, HEN'RY KEYES! You and I will meet in that ring and settle this

matter, and we will do it in the most PUNK ROCK match imaginable! It just won't be tonight!

Halfway up the ramp, he crosses paths with Mark Shields, who was in the process of making his way to the ring at the laziest pace possible.

**Mark Shields:**

Ah geez, really? So they made me get up and come out here for nothing?

Rezin throws an arm across the official's shoulder and pulls him in close.

**Rezin:** *[whispering]*

(pipe down, shieldsy, and there's a bag in it for ya!)

**Mark Shields:** *[whispering]*

(oh good! I was about out anyway--)

**Rezin:**

MARK MY WORDS, HEN'RY KEYES... the WAR to prove who is most PUNK ROCK in all of DEFIANCE has only just begun! And next week, I will formally deliver my challenge to you! And I assure you, it will be a challenge of absolutely PUNK ROCK proportions!

In the ring, Keyes can only roll his eyes and shake his head while Rezin pulls the official back to the top of the ramp.

**Rezin:**

Just you wait, Keyes! You may think yourself master of the skies or some shit with that ANNOYING LOUD airship... but don't be too proud of that technological terror you've constructed! The ability to fly around a planet, or even a whole *system*, is INSIGNIFICANT next to the power of the PUNK ROCK!

*"BOOOOOO!!!"*

The Goat Bastard sneers at the crowd in disgust.

**Rezin:**

I find your lack of faith disturbing...

Rezin and Mark Shields disappear through the curtain. Henry Keyes continues working up the crowd while "Airship Pirate" plays triumphantly again over the PA system.

**DDK:**

Well I was hoping we'd finally see someone give that scumbag the beating that's been coming to him, but be as it may, we'll just have to see what becomes of this confrontation between Henry Keyes and Rezin at a later date!

**Lance:**

It should be an interesting face-off, should we ever see it happen. Henry Keyes may have what it takes to be the first wrestler in DEFIANCE to score a proper win over the Escape Artist, but Rezin has proven to be a particularly slippery and crafty bastard in his short time here.

**DDK:**

In any case, let's get to a match that we KNOW is happening tonight!

## THE D vs. "BANTAM" RYAN BATTS

### DDK:

This next match coming up is going to grant a HUGE opportunity when it comes to DEFtv 150 in just two weeks! After an exciting super heavyweight fight between Dex Joy and Deacon, Dex Joy has opted to put the Southern Heritage Championship on the line at 150 and out of the roster, "Bantam" Ryan Batts and The D have been chosen for this major opportunity!

### Lance:

Even though he and Elise Ares came up short during an INCREDIBLE main event at DEF Road Night One, The D still has amassed two major singles victories over two former FISTs of DEFIANCE in Oscar Burns and Cayle Murray in recent singles outings. Meanwhile, Ryan Batts wasn't pinned in that triple threat match, and he did manage to defeat Tyler Fuse in singles action on this most recent UNCUT. Due to these circumstances, Batts and The D will battle for the shot!

### DDK:

Who gets the biggest opportunity of their careers against The Biggest Boy on 150? We'll find out shortly!

### Darren Quimbey:

The following contest is a singles match set for one fall! The winner of the match will earn a Southern Heritage Championship opportunity on DEFtv 150! Introducing first, from Rancho Santa Margarita, California, weighing in at 204 pounds... **"BANTAM" RYAN BATTS!**

He throws it to the crowd and then heads to the ring at a rapid pace. He slides inside and then does a front flip to his feet to pop the crowd!

### DDK:

Batts has been hungry for another shot at the Southern Heritage Title! Can he get it tonight?

### Lance:

Ryan Batts has really come into his own the last few months, but so has The D, especially in singles competition. Take nothing away from either man. They'll be an absolute challenge to Dex Joy and the Southern Heritage Title out of whoever wins.

Victor Vacio stands behind a table in catering loaded with what appears to be a taco making spread; shells (hard and soft), ground meat, lettuce, tomatoes, cheese, sour cream...all under a cheerfully (and quite obviously hand made) sign claiming it to be the "Cinco de Marcho" table. Clearly someone in catering has either a bad sense of humor, or is overly excited and/or confused by Latin American holidays. Vacio sighs as he looks at the sign, shaking his head and reluctantly picking up a hard shell.

Confused, Mason looks to Max and Morrow. All three men start to look around for the source of the snoring sound. At this point, a loud cheer rises up from The Faithful, and the DEFIANCE cameras shift from focusing on the ring to the stands. Cassidy then looks over to Brock, seeing his tag partner's "sleeping" state, and raises a single finger toward the ring as if to say, "hold on I've got it." Cassidy smacks Brock on the shoulder, and Brock pretends to be startled awake.

**Brock Newbludd:**

... woah. Woah. What? What's going on?

Cassidy takes the mic from Brock and points to the ring.

**Pat Cassidy:**

They stole the names from The Sky High Titans and now they're asking for a... (chuckle) ... GET THIS! Tag championship shot at DEFtv 150! Isn't that a riot?

Newbludd makes a show of being shocked.

**Brock Newbludd:**

Woah, woah, woah, boys. I know you're riding high after your big DEF Road win, but let's pump the brakes a bit here. You're not the only tag team who won at the Pay Per View, are you? Seems I recall The Saturday Night Specials kicking The Stevens Dynasty's asses in a Street Fight. You remember The Stevens Dynasty... don't you, Morrow?

**Lance:**

The Stevens Dynasty likely wouldn't have targeted SNS if not for Morrow.

The crowd begins to boo as Brock addresses the leader of the Better Future Talent Agency. In the ring, Morrow folds his arms and purses his lips, looking unimpressed.

**Brock Newbludd:**

Don't think we've forgotten that *you* were the one who hired them to come after us in the first place. Real smart use of your money, by the way. Really worked out great for you, huh? You just can't seem to hang on to money, can you?

**Pat Cassidy:**

Remember when we threw all his money into the crowd? Good times, man. Good times.

Cassidy stops talking, looking up and blinking several times. Then he shrugs.

**Pat Cassidy:**

You know, I was going somewhere with this... but I've got to be honest... I think I lost the plot here.

More laughter from the crowd. Neither Morrow nor The Sevens are amused. Cassidy and Brock Newbludd suddenly

stand up out of their seats... and we can see clearly for the first time that they're both wearing their red SNS ring gear!

**Pat Cassidy:**

But it seems to me that when you've got two teams coming off recent big wins looking for a shot at the gold... that it's no longer a time for talking, but a time for fighting!

Crowd pops! Brock takes the mic back.

**Brock Newbludd:**

In case it isn't clear, boys, we're proposing The Lucky Sevens vs. The Saturday Night Specials... RIGHT NOW! You listed all the teams in DEFIANCE you've beaten... but we were not on it. Winners of this match go on to get the title shot at DEFtv 150. What'd ya say?

### **DDK:**

And capitalize he did! Tom Morrow is already losing it on the outside!

The Faithful let out a roar of approval and Morrow slams a fist into the mat in frustration as he glares at Newbludd. Brock flashes a smirk at Morrow as he grabs Max's head and begins to pull him up off the mat. That smirk is instantly

erased when Max suddenly breaks free of Brock's grip and turns him inside out with a thunderous clothesline!

**Lance:**

Brock took his eyes off the prize and Max made him pay for it with that huge lariat!

Face red in anger, Max drops a knee on Brock's lower back to stop him from rising back up to his feet.

**DDK:**

Newbludd's tried to crawl away to create some space, but Max is already on top of him. The younger of the Luck twins is not happy at all about getting sent down to the mat so easily by his smaller opponent!

With his boss cheering him on, Max smashes his knee into Brock's back for a second time before deadlifting him off the mat to deliver a ring shaking Gutwrench Suplex!

**Lance:**

There was nothing pretty about that gutwrench, DDK. Newbludd may have shown perfect technique with his suplex, but Max just showed why technique doesn't matter when you're seven feet tall.

**DDK:**

No, it does not, partner. Power is Max's game and he has it in spades.

**Lance:**

I see what you did there.

Getting back up off the mat, and bringing the dazed Newbludd with him, Max lifts Brock up onto a shoulder. Spinning on a heel to face one of the neutral corners, Max lumbers towards it and drops his opponent face-first onto the top turnbuckle. Having face-planted into the hard turnbuckle, Brock stumbles backward right into Max, who promptly rams his head into the turnbuckle for a second time. Spinning Brock around to face him, Max drives a big knee into Brock's stomach that sends him back into the corner.

**Lance:**

Snake Eyes by Max and now he's got Newbludd trapped in no-man's land. I believe it's clobberin' time, DDK.

Having Newbludd dazed and pinned in the corner, Max unloads on him with a barrage of hard forearms before taking a step back and connecting with a brain scrambling back elbow. Max takes a step back out of the corner and watches in delight as Brock struggles to regain his bearings after being pummeled.

**DDK:**

Max has Newbludd on dream street as he pulls him out of the corner now. Another big knee doubles over Brock.

Max stuffs Brock's head between his legs and grins menacingly while Morrow applauds on the outside.

**Lance:**

I smell a Buckle Bomb coming...

Lance is proven correct as Max reaches down and lifts Brock up for the corner powerbomb. Survival instincts kicking in, Brock begins to wildly rain down with fists, causing Max to stumble.

**DDK:**

Newbludd's fighting back, but Max still has him up!

Brock brings both of his fists down with a double axe-handle and Max's grip loosens. Having bought himself an opening, Newbludd drops down to the mat behind Max. Before Big Money can react, Brock superkicks him in the back of the head! Max stumbles forward and bounces chest first off the turnbuckles. Now stumbling backwards, Max is struck in the back again, this time by a standing dropkick. Bouncing off the turnbuckles for a second time, Max once

again staggers back towards Brock. Not having enough time to get fully upright after hitting the dropkick, Newbludd takes the off balance giant down to the ground and rolls him up for a pin!

Newbludd with the first pin attempt after escaping certain doom! Navarro's there for the count!

*ONE!*

Violently pumping his tree trunk sized legs upward, Max kicks out with enough force to send Brock flying forward. Unable to get his legs underneath him, Newbludd performs a forward roll towards his corner. Popping up to his feet, Brock tags in an eager Pat Cassidy!

**DDK:**

Max's power was used against him and Brock was able to tag in! Here comes Cassidy!

Cassidy is looking fresh and fired up while Max reaches in and tags Mason Luck. Cassidy comes in firing from both barrels and throws right hands to try and catch the giant wrestler off guard. Mason takes a few hits but he quickly changes the game with his strength, grabbing Pat with both hands by the throat and tossing him into a neutral corner. Mason tries a running move but Cassidy is already out and Mason fails to hit anything but the corner itself.

**DDK:**

Look at Cassidy go! He comes at Mason with the Splash of Jameson in the corner!

Cassidy hits a fast splash on Mason but once isn't enough to keep the giant down so he runs from one side of the ropes and back to the corner with a second Splash of Jameson and then follows that using a kick to the knee and then a swinging neck breaker. He is getting cheers from the DEFIANCE Wrestling Faithful as he tries to pin Mason.

*ONE!*

*TWO!!*

**Lance:**

That was a good volley by Cassidy! And I think he wants to end this so they can win a title shot!

**DDK:**

Mason back up ... and now he tries the Irish Good-bye ... but Mason is too tall! He elbows his way out.

Mason tries the Winning Hand but he misses with the iron claw when Cassidy side-steps it. He throws more right hands to stun Mason. Spinning on a heel, Cassidy hits the ropes but he's tripped up by Morrow on the outside! Using his superior weasel skills, Morrow moves out of the way before the official can see it. Newbludd is pissed but Morrow runs over to the Lucky Sevens's corner to protect himself from his wrath.

**DDK:**

Morrow is a snake plain and simple! Now the Lucks are in control.

Mason takes Cassidy and rattles his jaw using an uppercut to put him back in the corner. He tags in his twin brother and they work over Pat with a double shoulder that completely knocks him over. Max rolls his arms and then points at the ropes before leaping in the air to hit his patented running jumping elbow drop, Box Cars!

**Lance:**

Big Box Cars elbow! Will that be enough?

*ONE!*

*TWO!!*

*Kick out by Black Out!*

Cassidy surprises Max Luck with a kick out and he rewards his opponent's defiant attitude by stomping him. Max hooks the head and neck of Pat then goes to the corner to tag Mason. Both brothers hoist Pat in a double suplex and then throw him across the ring!!!

**DDK:**

These greedy so-and-sos call that move the Coin Toss!

**Lance:**

Cute ... but will it get them the win? Mason Luck is going to try and get that tag title shot both teams want!

*ONE!*

*TWO!!*

*Cassidy gets a shoulder up!*

**Lance:**

Pat Cassidy showing some great resilience, but how much more can he take?

Mason is upset with the official's count and Tom Morrow is too. And in fact he yells at Ken Ellis to yell with him so he does that. Mason then takes Cassidy back up and then squeezes him with a bear hug. The DEFIANCE Wrestling Faithful try and cheer him on to fight his way out. He tries to break his grip but Mason is too powerful. He squeezes even tighter so Cassidy decides to box his ears. That is enough to stun Mason and Cassidy follows it up using a snap headbutt!

**DDK:**

Cassidy is free! Brock Newbludd is ready to tag in! Can he turn the tide for his team?

Mason is still disoriented from having his ears boxed and his face headbutted by Cassidy. Max yells at his brother to stop Pat from making the tag but too little too late!!! The crowd shows love to Newbludd when he goes for the top rope and then flies off with a big meteora to take down the massive Mason Luck and then gets up to hit Max off the apron with a forearm!!!

**DDK:**

Newbludd is on fire right now! Both teams want this title match on the big DEF TV 150 show!

**Lance:**

He has Mason Luck measured up ... and the Face Melter!

The shining wizard might have dimmed Big Money Mason's lights and Brock makes the cover.

*ONE!*

*NO!*

Max is back in the ring and he breaks it up by grabbing Newbludd with the Winning Hand! Newbludd immediately begins to hit Max in the arm to try and fight out of the dreaded iron claw but he can't break the big man's grip!

**DDK:**

There's that trademark iron claw hold! That's one way to break up a pinfall!

Max Luck pulls Newbludd by his waist and tries to nail the Winning Hand Slam but he does not see Pat Cassidy coming back in and running off of the ropes to get the speed to knock him down with a big spear!

**Lance:**

And that's one way to save your partner!

The crowd cheers for Pat coming to his partner's aid but Mason Luck gets back up and clubs them both from behind with clotheslines! He roars and celebrates like he has already won the match but Morrow tells him to hurry and finish the job!

**DDK:**

Morrow's telling him to focus now that that title match they want is in tight! He's going to finish off Brock with that Rack City Bomb he beat Minute with!

He has Brock up on his shoulders and tries to spin before sticking the move. Instead, Brock has different ideas and slips out the back way. He is in the corner when Mason tries a boot, but he moves and hangs Mason up on the ropes!

**Lance:**

No way! The big boot misses! And now Brock tries the roll-up!!!

Brock stacks Mason up using a school boy to put all the weight down on his shoulders!

*ONE!*

*TWO!!*

*THREE!!!*

***DING DING DING***

Mason kicks out but just a second too late! Tom Morrow cannot believe what just happened and the SNS don't want to stick around in case the giants try anything! Max goes back in the ring to check on his brother while Brock and Pat celebrate on their way up the ramp!

**Darren Quimbey:**

The winners of this match by way of pinfall...the SATURDAY NIGHT SSSSSPPPEEEEEECIIIIALLLLSSS!!!!!!

**DDK:**

One mistake was all it took for Brock to get the win for his team! Brock Newbludd and Pat Cassidy will have a Unified tag title shot on DEF TV 150!

**Lance:**

Both teams wrestled a great match, but those veteran instincts of Brock combined with that youthful fire of Pat Cassidy have made them such a formidable team for anyone!

Mason Luck points at Brock and Pat and then to the official suggesting Brock hooked the tights but did no such thing. Newbludd frowns and responds to the allegation by making a quick hand shaking motion near his crotch. Tom Morrow is about to lose his mind and yells at Ken Ellis as to how this could have happened and then Max chimes in, yelling at Ellis even more as to how this could have happened! Ken tries defending himself while the Saturday Night Specials celebrate on the top of the stage!!!

## VIEW ATOP SNOW COVERED MOUNTAINS

Jamie Sawyers stands backstage alongside The Comments Section. Cyrus wrings his hands together in a classic wrestling pose. Teresa proudly displays her duck face and Malak holds all five tag belts tightly.

**Jamie Sawyers:**

Malak, later on tonight, Cyrus and yourself will face off against a new team simply known as The One. Can we get your thoughts?

**Malak Garland:**

The view is mighty from up here. It's cold but it's mighty for I stand atop the snow capped mountains as DEFIANCE Unified Tag Team Champions!

Teresa allows herself to smirk at his comments.

**Malak Garland:**

Me. I'm champion. Not only am I champion, not only am I perched up on these snowy mountains by myself, but I'm also RIDICULOUSLY confident in my skills going into this title defense.

He looks over at Cyrus and they exchange an intimate glance before he continues with his rant.

**Malak Garland:**

Picture me atop this snowy mountain, standing on it like it's my very own soapbox, making this proclamation to the world that everything I've done, all my core vision and values has led me to this moment of truth.

Malak winks at Jamie.

**Malak Garland:**

I know for a fact I can beat anyone. I know I can certainly beat a team I don't even know. Heck, by the sounds of it, it's not even a team. The One sounds like it's one wrestler! Easy! Cakewalk! Am I right?

Teresa claps as Malak snidely smiles.

**Malak Garland:**

Let me get crystal clear for everyone right now. I AM THE BEST. I AM THE BIGGEST, BRIGHTEST, SNOWIEST FLAKE OF ARRANGED ICE PELLETS THAT HAS EVER GRACED THIS PLANET!

He composes himself for a moment.

The Comments Section walks away, leaving Jamie Sawyers left in contemplation.

## KLEIN WANTS PEANUTS

There's a loud CLANG that resonates throughout the halls of the WrestlePlex. Standing in the hall near what looks to be a rocking Vending Machine is everyone's favorite Box Man, Klein. Klein however, grunts in annoyance and frustration. He is clearly not here to wrestle tonight, instead wearing a towel around his waist and dripping wet. It looks like he's rehabilitating his injured ribs, which still remain bandaged, and had just emerged from a quick soak or spa treatment.

Annoyed, Klein grunts, smacking the side of the vending machine once. He looks at E4, the dangling peanuts, and then starts violently shaking the machine in place, rocking it back and forth.

Until it's too much. He pauses, wincing and clutching at his ribs.

"Kasumu mamireta ki wo nuketeeeeeee... hmmm?"

Klein looks off-screen, and lo, what enters is a hulking God-Beast, looking like he just got off a big workout.

### **Mushigiara:**

Ahhhhhhhhh, soo da ne?

With a knowing sigh, Mushigihara looks to the machine of Klein's present grief, before walking up to it and gently addressing his host with a...

### **Mushigiara:**

Osu?

Almost instinctively, Klein steps aside as the monster grabs the very top of the vending machine and pushes it up and back; enough to lift the machine off its front legs, but not enough to topple it. With little to no effort, the God-Beast then lets the machine drop back into its usual position...

THUD!!!

\*swish\*

Klein can only stare in surprise as Mushi reaches into the pickup slot and pulls out the newly freed bag of peanuts, handing it to him with a smile and a casual nod.

Mushi goes immediately back to his business, going to the next machine over and casually purchasing and grabbing his preferred post-workout drink before walking away. Klein still looks at him in shock, before looking down at his own arms. He flexes once, grips tightly, and wonders...

Is the God Beast the Strongest Beast?

## MURIEL PUDDINGS vs. ALAN GOLDSTEIN

**Lance:**

Well, our next match coming up ought to be...what's the word I'm looking for? Interesting?

**DDK:**

To say the least. Many of the DEFIANCE faithful have been eagerly anticipating the debut of this next lovely lady. If not because they simply enjoy her antics, there is certainly a buzz around what exactly to expect from her in ring performance.

**Lance:**

Well, if it's anything like her prison fights, we might be in for a real treat. Or a real nightmare. Take your pick.

**Darren Quimbey:**

Ladies and gentlemen, this next match is scheduled for one fall! Introducing first, hailing from Lethbridge, Alberta. Weighing in at a whopping one-hundred twenty pounds, he is the SLENDER MAN...ALAN GOLDSTEIN!

♪ *The Original SAW Theme* ♪

Despite the usual pageantry that accompanies an entrance, a frail blur blasts from the backstage area in a dead sprint toward the ring, occasionally turning his back as if he were finally living his ultimate fantasy: becoming the victim in one of the horror films that he loves so much.

**DDK:**

Looks like someone is in a hurry!

**Lance:**

And here comes the reason why.

Although it is her wrestling debut, Muriel Puddings should not be a stranger to pre-match etiquette. However, she has thrown all manners out the window: not even waiting for her own entrance music to give chase to a horrified Alan Goldstein. Her purple fuzzy pajama pants tucked inside a pair of Uggs does not seem to limit her pursuit, despite trailing the much quicker Goldstein by about ten yards. The crowd roars in approval as Alan scampers underneath the apron to attempt to hide from the self-proclaimed Insurance General and Attorney-at-Law.

**Lance:**

You would think that being a scary movie buff, Alan would have learned by now to not go to the most obvious place that he would be killed.

**DDK:**

You're right about that. Something tells me many men and women have suffered unspeakable pain being trapped in a dark enclosed space with Muriel Puddings.

Muriel, clad in a black size XXL T-shirt that reads the words "STIMULUS PACKAGE" with an arrow pointing down, lifts the veil of the apron and peeks under. She notices her prey and seductively waves at him, which leads to Alan appearing on the other side in a panic. Both Darren Quimbey and Carla Ferrari are barely able to contain themselves with laughter, but both are consummate professionals as they continue to uphold their duties.

**Darren Quimbey:**

And his opponent, weighing in at one-hundred eighty pounds, she is the President of the State of Idaho...MURIEL PUDDINGS!

Muriel climbs onto the apron and steps in between the top and middle rope, giving a seductive rump shake much to the delight/horror of the audience. Meanwhile, Alan Goldstein absolutely refuses to enter the lion's den, firmly planting his feet on the concrete floor below. Noticing his hesitance, Muriel politely asks for Darren's house microphone. Once he graciously relinquishes it, she proceeds to smell the microphone handle before addressing her opponent on the

floor.

**Muriel Puddings:**

Dang Darren, smells like someone's wearing the new Brut lotion on those big strong hands. Maybe you can rub some on my inner thighs sometime?

Darren smiles back, playing along with the pass and rubbing his mustache inquisitively.

**Muriel Puddings:**

Because they chafe a lot. Seriously, those beauties feel like second degree burns just from walking up a flight of stairs. Anyway, I'll find out what you're doing later. But right now, Alaaaaaaaaaannnnnn! C'mon up here, you lil' Slim Jim. Let me snack on you.

Alan denies the invitation to be eaten by the woman, crossing his arms repeatedly from outside of the ring.

**Muriel Puddings:**

Look, bae, I don't really care that much about winning the match. I'm just here to shine. So what I'm going to do for you here is lie down and let you pin me, just as a gesture of good will. You've paid your dues here, and I think it's about time you got your three count. Whaddya say?

Muriel raises her arms in the air to encourage the crowd to make a little noise in support of her proposal. The audience builds some cheering steam. She fulfills her end of the bargain and sits down on the canvas, slowly lowering her back against the mat. Goldstein seems to be a bit taken by the moment of the cheers and urging by the fans, and while he is cautious, he eventually scales the apron and makes his way into the ring.

**Lance:**

Big opportunity here for the Jebediah Jigsaw, as an opponent laying down and offering a free pinfall has absolutely never backfired on anyone, ever.

***DING DING***

**DDK:**

He is still going to give it a shot, though. Goldstein makes the cover!

**Lance:**

Hump out! She humped out!

Unsure if it were intentional or not to break the pin, Goldstein was taken aback to be on the receiving end of gyration and pelvic thrusting from Muriel Puddings, immediately scurrying to his feet. She is surprisingly quick to leap up to meet him at eye level.

**DDK:**

Alan seems to be legitimately terrified here as he retreats to the corner and cowers in fear. But he's not going to be lonely for long!

Muriel runs full speed and sandwiches Goldstein into the corner, causing him to drop down to a seated position. A gleam fills her eye as she grabs hold of the ropes with both hands and proceeds to jump directly on top of the bird chest of Alan, bouncing up and down on him as if he were a human trampoline.

**Lance:**

She calls that one the Custard Buster, and I think I am starting to see why! The impact from those ratty old sheepskin

boots might just squeeze the guts out of Alan Goldstein!

**DDK:**

He does seem to have a little of his wits about him! It looks like he is trying to maneuver his hand to tap out!

Goldstein is unsuccessful in calling it a night, though. Muriel, who isn't necessarily a ring veteran but an expert on prolonged suffering, comes down hard and stamps down on both of Alan's hands.

**Lance:**

So much for that! Or any activity that might require fingers for the next month.

**DDK:**

Puddings seems to be looking to make a statement here tonight. She's not just here to laugh and joke. She means business.

Goldstein instinctively grabs his right hand with his left to try to ease the pain, but this only further hurts his left hand. He then reaches for his left hand with his right to try and ease the pain, but this only further hurts his right hand. He repeats the same action twice, which causes Muriel puddings to snort.

**DDK:**

Okay, maybe she is here to laugh and joke.

Puddings bends over and double-underhooks Goldstein's legs, dragging him into the center of the ring. She then turns him over onto his stomach and positions his broken frame into an unorthodox position.

**Lance:**

Muriel now setting Alan up into a well-known yoga position.

**DDK:**

The most athletic thing Goldstein's done all night. That's a picture perfect lying tuck!

**Lance:**

And there it is! That DEADLY finishing hold we all heard the rumors about! The Snack Pack!

Muriel crosses Alan's arms and grips his wrists as if she were forcing him to give himself a hug, then proceeds to just plop her ass down right on the back of his head. This squishes his face firm into the canvas. Puddings grins with self-satisfaction and the audience roars with approval.

**DDK:**

Goldstein seems to have gotten the attention of Carla Ferrari, who is leaning down next to him.

**Alan Goldstein:**

MMMMMMMMMMMMMMMM! MMMM MMMMMMMPH!

The referee places her hand next to her ear and sports a confused look on her face, unable to comprehend what Alan Goldstein is attempting to scream.

**Lance:**

Well, my best guess is that if his hands aren't freed up to tap out, he may be trying to tell Carla that he wants to quit! But his mouth isn't able to move to properly communicate the words!

**Lance:**

Have we been fooled!?

The Faithful chime in on exactly how being duped makes them feel as Cyrus Bates carries Malak Garland on stage in his arms as if they were a newlywed couple. Malak has the biggest grin on his punchable face.

**DDK:**

Oh, this is rich.

**Darren Quimbey:**

Making their way to the ring, they are the current DEFIANCE Unified Tag Team Champions, Cyrus Bates and Malak Garland, The Comments Section!

**Lance:**

How does deception align with their core values and principles, Darren?

**DDK:**

Don't.

Malak basks in the boos as Cyrus carries him literally all the way to ringside.

**DDK:**

I bet you Cyrus carried Malak so he could conserve his energy for the big fight. What a joke.

Malak clutches all five belts as the twosome filter into the ring and wait for their opponents. The Shinedown theme fades to a close. Tension fills the air.

**DDK:**

Up next is the debut of The One!

A clock reappears on the DEFlatron reading:

COUNTDOWN TO THE **MILLENNIAL!**

**Lance:**

This looks eerily similar.

This time, instead of a numeric countdown, a bunch of weird symbols dance on screen until all the lights go out.

**DDK:**

What's happening?

A lone spotlight brightens the entranceway. A chipper orchestral score of percussion drums and trumpets plays throughout the arena.

Suddenly, none other than **Sgt. Safety** comes parading on stage! He's garbed in a male cheerleading outfit, tassels and all!

BOOO.

**Lance:**

That's Sgt. Safety! He's The One!?

It quickly becomes apparent Malak is pulling yet another *One* over everyOne as he slaps his knee with enjoyment.

**DDK:**

This is a joke. Two jokes! Did Malak book all of this pointlessly?

**Lance:**

He's trolled us all! What the hell!?

Sgt. Safety marches down to the ring, pretending to play the trombone as Cyrus slides out of the ring and decimates him with a stiff clothesline to the back of the neck!

**Lance:**

Oh! Safety didn't even see it coming.

Bates attaches Safety to his shoulders and lifts him high enough for Malak to superkick him between the ropes!

**DDK:**

Safety is flattened! We need to get some help out here!

Cyrus rejoins Malak in the ring as they frolic and laugh at the proverbial wool they've pulled over everyOne's eyes.

THE FUSE BROS. ARE BACK TOGETHER!?!?

The Faithful work themselves into pandemonium as the scene switches to Malak Garland standing in the middle of the ring, very confused as to what's taking place. Malak looks over at Cyrus Bates and starts shaking from anxiety. Cyrus isn't sure what's going on, either. Bates is trying to speak out what's on the DEFlatron. He can't. It's like an unsolvable math problem.

At the **1:49** mark (if you're following along), The Game Boy and Princess appear from behind the entrance curtain. Desire's all smiles and The Game Boy... his usual self. Malak once again doesn't know what's happening but his anxiety is getting worse and worse. Garland's entire body trembles.

**2:33** - the song quiets down... but The Faithful are riled up and still on their feet. The anticipation builds.

**3:16** - two clear Mario-like pipe pods are revealed by spotlights off to the right-hand side of the entrance way, replacing the interview stage. Conor Fuse is in one of them, Tyler Fuse in the other. Conor is dressed in a MEGA MAN X inspired outfit, ditching the colour green for blue and Tyler Fuse is dressed in a ZERO inspired outfit, using the colour red with a glowing sabre attached to his back. Conor seems like his playful self while sporting a mischievous grin. Tyler, stoic, breathing slowly... simply stares ahead.

**3:38** - at the crescendo of the song, the lift in the pipe pods raise Tyler and Conor to ground level. Conor throws jabs and kicks as his lift goes upwards while Tyler screams into the rafters. Upon reaching the top, Conor points to Malak Garland in the ring and the two of them walk across the rampway, meeting The Princess and Game Boy at the center of it.

**Conor "X" Fuse:** *[pointing directly at Malak Garland as they walk]*

The scene once again switches to Malak Garland. He takes a deeeep gulp, realizing he's being discussed.

Tyler and Conor march towards the ring, with Conor continuing to point in Malak's direction.

**Conor "X" Fuse:**

Tyler hasn't taken his eyes off Malak, either.

Tyler walks up the steel steps as Conor leaps onto the apron and then leaps over the ring ropes. Once Tyler meets him there, they are standing directly across from Malak and Cyrus. Referee Mark Shields has no clue what to do.

The theme music dies down...

**Lance:**

THE SNOWFLAKE REIGN IS OVERRRRR! GAME OVER, NO CONTINUES!!!

By now, Malak Garland is at the bottom of the rampway, still in Ames' arms as she tries to comfort him by caressing his back. It doesn't look like it's much use, though. Malak rattles with anxiety as tears fall from his face. Meanwhile, Bates stumbles towards his partners, holding the back of his head, also visibly upset.

The celebration grows in the ring as Tyler is awarded all five championship belts and starts handing them off. One for The Princess, one for The Game Boy... and two for his younger brother. Pyro explodes on the far apron and turnbuckle posts as Conor hits a corner and Tyler hits another. Desire claps on and we all assume The Game Boy is thrilled on the inside.

The DEFtv signature appears in the bottom right hand corner as Conor "X" Fuse smacks both *Achievements* together on his turnbuckle and "ZERO" Tyler Fuse smirks across the way at Malak Garland, giving a sarcastic smile while saying "thanks for coming out".
