DDK:

Welcome everyone to another edition of DEFIANCE Television! We're going to get right to it!

LOS TRES TITANES vs. THE HALLMARK JOURNEY

DDK:

We've got quite the opening match for you up next! It'll be the DEFTv in-ring debut for The Hallmark Journey and they'll be taking on Los Tres Titanes members Uriel Cortez as well as another making her own DEFTv in-ring debut, Titaness!

Lance:

We have seen Titaness be victorious on a number of UNCUTS in different combos with Los Tres Titanes, but tonight we'll see what she can do. And what The Hallmark Journey can do for that matter. Their nauseating demeanor was very much talked about during the Gage Blackwood/Teresa Ames match from DEFCON and...

"As Long as You Love Me" by The Backstreet Boys plays on the PA as JC Hall and wife, Vickie, walk down arm in arm. They stop many, many times to kiss and tell each other how they feel about one another.

Darren Quimbey:

This opening match is a tag team match! Introducing first, Jonathan-Christopher and Vickie Hall... THE HALLMARK JOURNEY!

By now, it's a solid five minutes into their entrance as Jonathan-Christopher jumps onto the apron and holds the ropes open for Vickie. However, she does not yet walk through them. Instead, she blushes and holds both hands against her chest.

Vickie Hall:

Thank you for putting me first, baby.

Jonathan-Christopher chuckles lovingly.

Jonathan-Christopher Hall:

Aww my little buttercup, I love you so much.

Vickie kisses her husband and then enters through the ropes. JC Hall follows and they fall into each other's arms once again in the middle of the ring.

Vickie Hall:

Did you miss me? I missed you.

Jonathan-Christopher Hall:

Baby, all I do is miss you.

The Faithful are pissing all over this because The Halls are as serious as possible. Quimbey would like to get on with the announcement too as the duo's theme has come to an end but they are standing front and center, arms in arms.

Vickie Hall:

I was so rattled yesterday when you didn't text me back.

Jonathan-Christopher is rattled with a nervous frown.

Jonathan-Christopher Hall:

I am so sorry. My cell phone reception cut out but I called you right back.

Vickie looks to the canvas, remembering the incident well.

Vickie Hall:

Gosh golly I know. I just get so bothered when I don't hear from you. I know it was only momentarily. Thank goddess we have each other right now.

Jonathan-Christopher brushes Vickie's hairline behind her ear.

Jonathan-Christopher Hall:

You are my only, you know that, right?

Vickie Hall:

And you are mine.

They embrace again. Quimbey makes the announcement from a corner of the ring, looking like he's going to put his head through a blender.

Darren Quimbey:

And their opponents... introducing first, hailing from The Bronx, New York weighing in at 191 pounds... representing Los Tres Titanes, she is The Show of Force... **TITANESS!**

And her partner, from The City of Industry, California, weighing in at 339 pounds... he is "THE TITAN OF INDUSTRY" URIEL CORTEZ!

Titaness looks up at Uriel and flashes him a smile which Uriel returns in kind before the two head to the ring. Once they reach the ring, Titaness gets hoisted onto the ring apron by her giant of a boyfriend before she flips backwards over the ropes and lands on her feet. Uriel climbs up and heads inside. The Halls ignore their mere presence by eskimo kissing. Yeah.

Lance:

A battle between power couples in DEFIANCE. Oddly enough, I'm kind of here for this.

DDK:

It would be a big win for Hallmark Journey to beat Los Tres Titanes tonight, no doubt.

The massive Uriel leans in the corner and gestures to Titaness if she wants an eskimo kiss, but she mouths "NO" emphatically. Uriel shrugs and then waits as Hallmark Journey finally stops being lovey-dovey long enough for Hector to call for the bell.

Jonathan-Christopher starts to pull himself away from his wife Vickie.

Jonathan-Christopher Hall:

He looks up and sees Uriel waving at him, really seeing how tall Uriel is... then gets **LEVELED WITH** a clothesline to cheers from the crowd!

DDK:

I think The Faithful are more fans of action than rom-coms, it sounds like!

Uriel pulls JC Hall up and then holds him up, **ONE ARMED** over his shoulder. Uriel waves with his free hand and gets a steady chant going as Titaness tags in. The Titan of Industry drops Hall on the mat with a delayed body slam, then Titaness runs to the ropes. The Show of Force jumps into his arms and they exchange a quick smile at one another... then Uriel **FLIPS** her over into an aided moonsault press onto Hall! DDK:

Hall kicks out! I'm thinking Los Tres Titanes having a little fun out here too.

Lance:

Titaness tries to pull Jonathan-Christopher up but Titaness gets surprised with a jawbreaker. Hall staggers away for a moment and runs at the powerhouse bombshell with a clothesline but Titaness side steps. She pushes JC to the ropes, then pops the crowd as she sends him flying over with a huge release German suplex! The Faithful cheer on Titaness as she kips to her feet!

DDK:

WOW! Titaness living up to her nickname as the Show of Force! Six-foot one and she has that amateur background in high school and college! More than just a pretty face, for sure!

JC Hall bounces back to the corner where Titaness pushes him back. She tags Uriel and then he steps into the ring. Jonathan-Christopher is dazed when he looks up and sees Uriel with his hands out, ready for the Chop of Ages... when suddenly, Vickie Hall runs in from her corner and gets in between Uriel and her husband.

Vickie Hall:

No, don't do it! Don't hurt him! Take me instead!

DDK:

Wow... she's really willing to sacrifice himself for her husband. True love right there, I guess.

Lance:

Uriel looks at Titaness, who holds a hand out so she can deal with the problem (wo)mano e (wo)mano. The Titan of Industry tags her in to deal with the situation. Lance:

See what I mean! Attack from behind!

DDK:

Still, that unexpected sacrifice ploy by Vickie Hall might have been their only way out of that situation and it worked.

The crowd jeers as JC blows kisses to his wife and she catches it, then goes for a cover on Titaness.

ONE... TWO-NO!

The Show of Force kicks out, but he grabs Titaness by her arm then leads her to the middle rope so he can tag Vickie into the ring. They exchange places and JC holds Titaness in place in the ropes so Vickie Hall can stand on her back, effectively choking her against the middle rope!

DDK:

Get outta here with... oh, lord, they're kissing WHILE they're choking Titaness.

Lance:

I have a feeling I'm getting diabetes the more we call this match, Darren.

The Faithful jeer the lovey-dovey goofs after they stop kissing. Vickie leaps off of her to make the tag to her husband. While Titaness is still prone against the ropes, Vickie runs off one side of the ring to the other, hitting a dropkick to the back of Titaness! JC Hall enters the ring next and then follows that up with a big back suplex on The Show of Force! Titaness is hurt and an angry Uriel watches on. ONE... TWO... HUGE KICKOUT!

Titaness POWERS Vickie off of her and sits up to keep herself off the mat. Vickie once again tags in her husband.

Lance:

The Halls go to whip Titaness off the ropes. They both hold one another's hands like the schmoopies they are and try a double clothesline... but Titaness breaks through that and hits the ropes. Off the rebound she NAILS a double spear both members of the Hallmark Journey! The Hall's get dropped as Titaness sits up and takes in the cheers of the Faithful!

The Titan of Industry holds a hand out and Titaness makes the jump to her side... TAG TO CORTEZ!

They hold both members of Hallmark Journey up and before dropping them to the canvas...then they meet in the middle to embrace to a huge pop from The Faithful! With Uriel doing a foot pop because why not.

Lance:

The Hallmark Journey put up a halfway decent fight between their goofiness. And I gotta say if they could focus more, they have potential for sure.

Lance:

But the chemistry... both in and out of the ring, it seems for Los Tres Titanes has been at an all-time high since DEFCON! They're successful tonight and in the main event, Minute defends the Favoured Saints Championship for the first time against the multiple-time BRAZEN title holder, Nathaniel Eye!

As Vickie Hall limps with her husband out of the ring, Cortez and Titaness have their arms raised by Navarro. The two seem to be having fun in the ring... but as they do... the lights go out.

Lance:

We sure do. He wrought havoc on Deacon with that weapon.

And sure as can be, the crowd jeers when "The Lost Cause" Victor Vacio appears on the tron with the mallet.

Victor Vacio:

Mantente alejado, gran hombre. Manténgase alejado del hombrecito. O tú y la mujercita pagan.

Uriel doesn't wait for him to leave as he motions to Darren Quimbey and snatches his microphone.

Uriel Cortez:

Don't know if you're deaf or blind, Vacio, but I speak Spanish too, asshole. You ain't telling me to stay away from NOTHING. If you or any of your creepy-crawley dickhead Kabal buddies even think of messing with us OR Minute, you're gonna WISH the Almighty raptures you right out of DEFIANCE. You hear...

But before he can utter anything more, Vacio is gone and the lighting returns to normal as if nothing happened. Titaness doesn't take her eyes off the screen either and Uriel looks ready for a fight.

DDK:

The Kabal, perhaps trying to improve Rezin's odds with some divide and conquer? He made no secret. He's coming for Minute and the Favoured Saints Title the first chance he gets.

Lance:

Wouldn't put it past any of the Kabal to try and help.

Cortez pushes the microphone back at Darren and he and Titaness take their leave up the ramp as the show moves on.

GETTING COFFEE IN CATERING WITH OLD FOES

The Faithful roar as we cut backstage to the disgruntled, mustachioed visage of the Bombastic Bronson Box. The Original DEFIANT is dressed in his trademark brown and grey pinstripe three piece suit, and from the looks of his gate he's on a mission somewhere backstage. He runs his tongue across his top row of crooked teeth as his bloodshot brown eyes scan what looks to be the catering area backstage. As The Wargod stomps into the room a tableful of enhancement talent including all three members of The Midcard Experiment, Levi Cole and Butcher Victorious all book it for the exit, fully expecting things to hit the fan... due in part to the person across the room at the coffee machines fixing herself a cup.

RAAAAAAAAAAAAAAAAAAH!

Lindsay Troy turns around with a smirk on her face, seemingly well aware of Bronson's presence in the room. She narrows her eyes and blows across the top of her coffee before taking a careful sip. With all the annoying familiarity she can muster she gives Bronson a jovial wave and beckons for him to join her at a nearby table.

Lindsay Troy:

She slides into the most available chair, setting her coffee on the tabletop. As Boxer approaches she kicks the chair across from her out from under the table and motions for Box to sit.

The absolutely odd sincere moment leaves the two sitting in silence again. Bronson couldn't be more uncomfortable. A fact Lindsay Troy is well aware of.

Lindsay Troy:

The ACE matches her posture, leaning forward ever so slightly.

Bronson Box:

Ya' see I didn't nearly lose a fookin' eye goin' to war with you all those years ago only to come back here and see you get fleeced by the SQUID and lose to that ridiculous PRICK Arthur Pleasant. My intention was for you and I to go to WAR again, Troy... make a little noise, make a little history just like we used to. Set this fookin' place on FIRE again...

You went roaming with him too, didn't you Box? You fucking hypocrite. You didn't care how many "irons I had in the fire" when I gave you that pretty little reminder of our battle five years ago, and if you're not careful I'll give you its TWIN before we leave this room.

The Wargod sits back in his chair with a weak smile. Shaking his head his fingers lightly graze the scar over his right eye. The two now sit in a much more heated silence. Troy's eyes now filled with vibrating intensity haven't left The Wargod.

Before she can say anything Bronson gets ahead of himself. He sighs deeply. The adversarial nature of Bronson's tone takes a sincere turn.

Bronson Box:

Listen. DEFIANCE is all I have, Troy. You've known me long enough to know at least that much is true. I've given everything I have to DEFIANCE. Its value is my value. I'm sorry girl, I stand by what I say... this place has never been yer' focus. Yer' absolutely right. From where I've been sat... this place is just another promotion in yer' fookin' portfolio. Just another check to earn. And lass, that has truly rubbed me the wrong fookin' way since the day we first crossed paths. I swear to Christ, if stabbin' me in the other side of my head will light the right kind of fire under that tight little arse...

Lindsay Troy:

Please don't talk about my ass, you absolute cre...

Straight up cutting off her attempt at a snarky little comment, he dramatically reaches into his jacket pocket, pulls forth his familiar rusted metal Spike and smacks it down on the table top with a loud *THWACK*. He shoves it across the table, the rusty metal weapon sliding just short of her still steaming cup of black coffee.

Bronson Box:

I'll make this just so simple for ye', lass. Bloody bare bones. You don't seem to take DEFIANCE Wrestling very seriously and that has historically always **PISSED** me right off. Seein' what the Squid has devolved into makes me physically ill, but I figured you'd have that all tied up with a bow in no time considerin' the company the little shit keeps but NO. No... I've watched you fook around with that 24k lot like they got yer' number, girl. **YOUR** number.

He slowly pushes the Spike across the table even closer to Troy.

Bronson Box:

You seem to love heavin' this little scar you gave me in my face, hell you seem almost proud of it. This scar the **ONE** time you showed me ye' have it in you to be truly **DEFIANT**. This fookin' scar is the biggest achievement you've earned in this promotion as far as I'm concerned. This here is bigger for you than the bloody **FIST**, aint it? Do me a favor and give the Squid **THIS** sort of honor the next time you and he cross paths, aye? You go show me, that disappointin' little Squid prick, an everyone bloody else around here that you got that *FACE STABBIN'* sort of fire still buried in there... some... where... what the shite is this, now?

The Wargod trails off. And once again, before the Queen of the Ring can utter a word in retort... Scrow, of all people, walks into catering with that same manilla envelope from earlier in his hand. He silently makes his way over to where Lindsay and Bronson sit, not saying a word to either of them, and hands Troy the envelope. He looks over at Bronson, then back at Troy. Looking utterly confused, The Queen shrugs and pulls the contents of the envelope from the folder, taking a glance before returning them inside the pouch and glancing up at Scrow.

The Raven's Eye turns on his heel and walks away just as quickly as he arrived.

Bronson Box: *[raising an eyebrow]*

An' what the **BLOODY** hell was that? Aye?

Lindsay Troy:

No goddamn idea...

She throws the envelope on the table, where it lands next to Boxer's rusty metal Spike.

With that we cut back to the boys back at the commentation station.

DDK:

The crowd rises to its feet as the camera begins to pan the capacity audience searching for the arrival of Brock Newbludd and Pat Cassidy. And find them it does... walking on the ground floor through a sea of The Faithful who are rewarding the fun-loving duo with high fives and back pats. Both men are wearing SNS shirts (available at efedtees.com) over their ring-gear - they're ready to compete! Brock hops the barricade while Cassidy stops for a moment to get into a young female fan's selfie before joining him. Inside the ring, SNS hop to adjacent turnbuckles to rile up more fan support as their theme dies down.

Chris Trutt:

Uh... guys... so how are you feeling about your belts? Or... that is... the match with the belts...

Cassidy makes a confused face and snatches the mic out of Chris Trutt's hands.

Pat Cassidy:

Trutt doesn't have a mic, so we can't hear his response, but he starts to stutter and puts up his hands apologetically when Cassidy cuts him off.

Pat Cassidy:

Nevermind. But she was supposed to be here. Tell her she's in hot water with Pat Cassidy. As for you...

Cassidy puts a hand on Trutt's shoulder as if he's delivering some bad news.

Pat Cassidy:

You're decidedly less fun to be around, so what'dya say you just kinda hang back? I got this, buddy.

Trutt knows when his bread is buttered, so he steps back into the background after sharing a polite nod with Brock Newbludd. Cassidy, mic in hand, turns to the people.

Pat Cassidy:

Cassidy looks to Brock who confirms that ratio seems about right.

Pat Cassidy:

See, the other important part of that equation... is respect! Brock and myself did not get a title shot because we're fun loving entertaining jackoffs. We got a title shot because we've EARNED it, kid. We've been busting our ass for months, fighting off the likes of The Stevens, and Morrow's boys, and anybody who else who's wanted a piece. We got the talent, we got the drive, and most importantly we got you guys, The Faithful, behind us...

The crowd let's out an appreciative roar and Brock pauses for a second, cracking a slight grin.

Brock Newbludd:

Now, I know those are some bold words since I'm sure every team sitting in the back right now wants the same thing... to be the very best, to be the one's sitting on top of the mountain. But, there can be only one team on top. Right now, that's The Comments Section. At least until they step into the ring with us, that is.

Cassidy bumps fist with Newbludd, and Brock turns his attention to the stage.

We're issuing an open challenge to ANY team in the back that thinks they have what it takes to derail the SNS Express. And there stands several people that cause The Faithful watching in the arena to book the unholy eff out of the screen...

"A Damn Fine Pro Wrestler" Jack Mace.

BOTH members of The Lucky Sevens, Max and Mason Luck.

And of course, the interim leader of the Better Future Talent Agency, Alvaro de Vargas.

Conor isn't sure what to think just yet of the massive quartet approaching him but El Sol Dorado is the first one to put his mind at ease.

Alvaro de Vargas:

Conor! Mi amigo! Cómo estás esta tarde? Hey, congratulations on beating that little pendejo, Ryan Batts. Ganaste el mejor de cinco series!

Max Luck:

Remember my friend when life has you down for a two-count ... kick out Conor! Join BFTA and I promise we'll be there holding the tag rope with our hands out-reached for you for that tag.

Mason gives him a playful punch on the arm. Alvaro holds out his hands towards The Lucky Sevens.

Alvaro de Vargas:

We don't let opportunities like this come along every day. We don't let just any pendejo into the group. Let us do what we did for Ophelia Sykes.

He starts to leave, but Mace stands up first and offers Conor a pat on the back.

Jack Mace:

He squeezes a little harder on his shoulder, enough to make Conor show visible discomfort. The four men take their leave from the locker room, leaving Conor to really marinate on this recent attempt by The Better Future Talent Agency's sales pitch.

Keyes pauses and exhales deeply through his nostrils.

Lance:

Eye perhaps making a rookie mistake right there after Minute got the upper hand on him earlier! He just paid for it!

The crowd buzzes as Minute heads back to his feet first, pounding fists nearby with Titaness and Uriel before turning attention back to Eye. The former BRAZEN standout tries to get up and Minute helps push him back into the ring. When he gets there, Minute heads to the ring apron and then leaps over and connects with a running shooting star press, right into a cover!

ONE... TWO... NO!

Eye kicks out again, much to the chagrin of Minute.

DDK:

Minute keeping the pressure on. Sure, size and all that, but his speed is such a game-changer at times, the way he can string moves together quickly!

Lance:

That's for sure. Eye has to find a way to turn this around.

The Handsome Face gets worn down to where Minute can try his next move. The TJ Tornado waits for Eye to try and stand, then goes to knot up the leg with a barrage of stiff kicks. The blow stuns Eye, then Minute hits the ropes and looks like he wants to try for a Tornado DDT... but before he can, Eye shoves him off. Minute quickly lands on his feet, but when he comes back, he gets the shock of a lifetime when Eye snatches him up and then DRIVES him down with a ring-shaking spinning spinebuster!

DDK:

That was a great reversal!

Backstage as the match goes on, the camera is fixed on Dr. Ned Reform. He looks at the match with one of his trusted

TAs taking notes on the goings-on in the match.

Lance:

And there is the man who says he's on a crusade to help DEFIANCE Wrestling get better! I don't know about that!

DDK:

Yeah, especially after what he did to Ryan Batts.

The small but mighty luchador is whipped and then hit with a corner flying forearm by the Handsome Face. He gets thrown onto the other side where Eye hits him with a second one. Eye stays on Minute so he can't reverse another move and then he picks him up. Another ride to the ropes leads to Nathaniel Eye hitting a corkscrew elbow smash and takes down Minute. Dex, Uriel and Titaness's eyes are all on the match when Eye nips up to his feet and then jumps right over with a leg drop on top of Minute!

DDK:

Jumping leg drop after the forearms and the leg drop! Could that be the last of Minute's title run?

One ...

Two ...

NO!!!

Eye doesn't argue with the referee and Dex tells him to keep attacking Minute and keep him grounded.

Lance:

That's smart. If Minute gets going, he gets wild so Eye is now shutting him down.

The DEFIANCE Wrestling faithful are all about the match with Nate hitting a double arm suplex close to the ropes. He stays down long enough for Eye to jump over the ropes. He lands on the apron and then comes right back again to hit a slingshot leg drop this time!

DDK:

Great extension on the leg!

One ...

Two ...

No!!!

The Handsome Face does not win the title like he would hope but he does pull Minute back from the ropes and then uses his legs to wrap him around in a body scissors submission!

DDK:

A rare submission hold by the challenger but he can't afford to hold back if he wants to win his first title on the main roster.

Lance:

That he cannot! And this is the perfect hold! He hit the spine buster and since then, he has been working over Minute's midsection with moves.

Minute is trapped with nowhere to go. He tries to fight but Eye's leg strength is too great ... something his lady friends may be able to attest to. Uriel and Titaness are one side cheering on their friend while Dex Joy is on the other end cheering his best friend.

Dex Joy:

You gotta keep lucha pally grounded, Nate! Keep going!

Nate hears him loud and clear but Minute staying grounded is always much easier said than done. He starts to crawl at the ropes. The DEFIANCE Wrestling Faithful cheer on both men when Minute hits the ropes and then finally gets close enough for Eye to break the hold!

Lance:

Minute breaks out! But Eye will not let him get anything going!

Eye lets go of the hold but then he runs at Minute and picks him up on his shoulders. He runs him into the corner and then hits the ropes for a big spear that knocks Minute flipping backwards! Eye knows that this might be enough when he goes to pick up the Favoured Saints title!

DDK:

He won't let Minute get away! We might have a new champion!

One ...

Two ...

NO!!!

Eye is left stunned that Minute kicked out of the spear, but Dex tells him to strike now. The Handsome Face listens to his friend and then heads up to the top rope.

DDK:

Nathaniel Eye trying to strike while the iron is hot! He has Minute grounded still and if he hits the Eye's Up Here, I think we're gonna have a new champion!

It takes Eye a moment or two to get to the top rope and he's about to position himself... when Minute surges to life unexpectedly! He LEAPS to the top rope next to Eye, then jumps off of that and SNAPS him off the top turnbuckle with an incredible top rope hurricanrana!

Lance:

NO WAY! HOW DID MINUTE DO THAT!

The crowd goes CRAZY as Minute nails the sudden death top rope hurricanrana! Eye is down and has no idea where he is while The TJ Tornado is stumbling near one corner. Dex Joy can't believe what he just saw while Titaness and Uriel both cheer on their stablemate.

DDK:

Eye on one side of the ring! And Minute has him lined up! We know what's up next!

Minute is still hurt, but balancing himself on the ropes. And with all the agility he can muster, he RUNS halfway across the ropes and then CONNECTS with the rope-running corner dropkick called Estrella Fugaz!

Lance:

What an incredible maneuver! And he's going up one more time while Eye is down!

Eye crumbles out of the corner and Minute has one chance as he goes to the corner. He makes his way up and then doesn't waste time. He takes flight...

DDK:

630 SPLASH! HE CALLS THAT MINUTIAE! THE SAME MOVE HE USED TO WIN THE FAVOURED SAINTS TITLE!

Lance:

COVER!

Minute crawls backwards after the impact and then hooks the leg.

ONE!

TWO!

THREE!

DING DING DING

Minute slumps off of Eye's fallen body and then raises a fist from the ground as the belt is handed back to him by the referee.

Darren Quimbey:

Here is your winner... and STILL the Favoured Saints Champion... **MINUTE!**

DDK:

What a CLOSE one! Eye was just one move away from becoming the champion, but Minute doesn't stay down! He strung together the right combo he needed of that Estrella Fugaz dropkick and the 630 splash he calls Minutiae and he retains the title!

Lance:

One down, three to go for Minute!

Uriel and Titaness both join Minute in the ring and congratulate the luchador on his big victory once more coming out of his first successful title defense of the Favoured Saints Championship. Dex Joy helps Nathaniel Eye out of the ring as the challenger is left holding his rib cage. He starts to leave, but stops for a second. He reaches out a hand and Minute takes it! The two shake after a very grueling match and The Faithful cheer for good sportsmanship being shown.

DDK:

That's good sportsmanship being shown by the likes of Nathaniel Eye and Minute! I have no doubt in my mind that Eye's time will come, but right now, Minute is on a hot streak and needs to keep it going.

Dex and Nathaniel head to the back and disappear from sight while Minute gets his time in the sun, holding the title in the air.

DDK:

Folks, thanks for joining us tonight and we'll see you for Night Two tomorrow night of DEFtv 154! And...

♪ *"I Have A Prepared Statement" by Whores.* ♪

With noise rock pumping through the PA, the Faithful erupt in jeers as the REZIN steps through the curtain, obnoxiously clapping into a mic in a clear gesture of mockery.

Rezin:

Wow... WOW... absolutely amazing! Such a glorious, hard-fought victory for the reigning EFF-ESS champ! And what better way to end it, than with a move like THAT!

He snorts, making the most disgusting noise through his still-bandaged broken nose as he does so. Slowly, he begins his way down the aisle. In the ring, the Favoured Saints champ, joined by Cortez and Titaness, look rather peeved to have their celebration interrupted.

Rezin:

I gotta say, king... that's mighty impressive of you, flippin' over and over like that. Good liftoff, decent hangtime... and one hell of a landing. Takes some real skills... and some real *cajones*, know'msayin'? And yes, I suppose it goes without saying that it takes a bit of punk rock also.

Halfway down the ramp, he pulls up on Nathaniel Eye as the former BRAZEN Champ is heading to the back. Rezin throws an arm over his shoulders and hangs on him like they were buddies.

Rezin:

So how 'bout it, ol' Natty Eye-ce? Is it really all it's cracked up to be?

Eye, clutching his ribs and in absolutely no mood to be answering stupid questions, let alone from this asshole, reacts by angrily shrugging off the Goat Bastard and promptly making his exit. Rezin shrugs and turns his attention back to the ring.

Rezin:

Yeah, well, I can tell ya this, little buddy... having the grace and form of an Olympic diver is one thing, but any REAL high-flyer knows that the ancient art of AERIAL ASSASSINATION is more than justy for fancy, crowd-pleasing flippy-doods!

Making it to ringside, he slowly arcs his finger across the capacity crowd around them.

Rezin:

Look around you... do you see these mouth-breathers? All of these people are basic rubes... simple-minded marks! They like the flippy-doods you do for the same reason stupid babies enjoy having the keys rattled in their faces. It's because they're consumers... they're CATTLE! It takes very little to get their attention, and it takes even less to keep them content while the corporate brand that hangs around YOUR waist quietly empties THEIR pockets.

The Faithful loudly BOO at being typefied this way, and Rezin throws his arms out to his sides as if it confirms his point.

Rezin:

SEE?? Right on cue! Ugly man said a bad thing, must go BOO!! Tiny man do many flips, must go YAY!! Like I said... CATTLE! Loyal, stupid, easily satisfied, AND predictable in every way!

He looks to the Favoured Saints Champion again, pointing to his chest.

Rezin:

But you know who AIN'T predictable, Minute? This guy right here... the ESCAPE ARTIST! Nobody could EVER predict my mesmerizing moves or maniacal motivations, because both in that ring and out of it, I am the absolute embodiment of CHAOS!

His gaze hardens, and it looks like one of the rare moments where he's cutting to brass tacks and getting serious. Minute intently stares back, his belt hanging majestically from his shoulder as a constant reminder of his status.

Rezin:

And when this CHAOS comes calling, Minute... you aren't gonna know what hit you, and you aren't gonna see it coming! You wanna be the Titan of the Sky? Well, I'm the Terror! I'm a NUCLEAR BOMB... and when I bring the fires of hell raining down on you, it'll be from a dark cloud of UNKNOWN!

The Goat Bastard flicks the straws comically jutting out of his nose bandages.

Rezin:

But right now, you got this gauze-n'-straws on ol' schnoz to thank for leaving me involuntarily bound to the ground. Otherwise, I'd be dropping into that ring outta nowhere and straight up claiming my STAKE in that Favoured Saints Championship! I got a plan for all that, though... so for tonight, I'm happy just giving YOU, the teeniest and tiniest of Titans, a friendly little heads-up on what's to come in your future.

Rezin grins like a hungry vulture lying in wait as he stalks the ringside aisle. In the ring, Los Tres Titanes inaudibly discuss among themselves on how to act on this.

Rezin:

So don't get too caught up in any ambitions about maybe working your way up to a shot at the Southern Heritage Title... cause as soon as I'm ready to fly again, champ, you won't be able to spend a single MINUTE (heh heh) of your life without having to looking over your shoulder, waiting for me to pounce when you least expect it!

The Escape Artist directs his snarl to the ringside Faithful that continue to boo him. He clearly enjoys every moment of milking them for heat. Meanwhile, the Favoured Saints Champion goes into motion, taking a bounce off the far set of ropes...

Rezin:

Cause THAT'S what it means to be the HIGHEST of flyers! And that's ME!! I am the TERROR of the SKIES!! I strike without WARNING! I am UNPREDICTABLE!! I am VOLATILE!! And most of all, EYE... AM...

Crescendoing to a massive climax, he spins to the ring again just in time to see Minute hurtling through the ropes...

Rezin:

PUNK--GYAAHH!!

...and slingshotting himself back into the ring with a textbook baseball slide fake-out. Rezin is nevertheless duped by the stunt, and clears out two rows of fans as he dives over the barricade in an effort to get out of the way.

DDK:

HAHAHAHA!! Who's the mark now, punk?

The crowd has a good laugh at his expense. Minute has a smile as he gets handed a microphone from ringside with Uriel Cortez and Titaness watching behind him.

Minute:

(huffing) Rezin! First off, amigo... No soy Henry Keyes. Not punk rock guy. I'm more... hip-hop.

He shrugs and gets some laughs from the crowd as Rezin pokes his head up from the barricade, snarling. Minute lays down the Favoured Saints Championship in front of him.

Minute:

But let me give YOU a heads up... Mirame. Watch me. Watch me defend this title night in, night out, amigo! I will fight for this title... then at MAXIMUM DEFIANCE... !! Challenge! You!

The Faithful pop loud at the thought!

DDK:

Wow! What a match that would be! Minute wants to defend the title up until MAXDEF then put it on the line against Rezin!

Lance:

Rezin never did get a chance to go for the title after he was disqualified from the original title match to crown the first-ever Favoured Saints Champion... and now, Minute is going to give it to him if he can make it there!

Clumsily crawling back over the barricade, Rezin nods to seemingly accept the challenge. Minute then stands up from where he's sitting and hands the microphone over to Uriel. Uriel looks out to the crowd... then LEAPS over the ropes with a somersault, then sticks a PERFECT landing in front of Rezin to the amazement of The Faithful!

DDK:

OH, WOW! HE STUCK THAT LANDING PERFECTLY!

Rezin AGAIN instinctively lunges himself over the barricade. The Faithful go nuts as Minute can't hide a grin. Uriel then throws the microphone back out to Minute and turns to Rezin, still growling.

Minute:

Mírame.

He throws the microphone aside and then starts to leave ringside with Los Tres Titanes.

Lance:

That was AMAZING. I don't know if he could replicate that if he tried!

DDK:

He told Rezin, mírame... watch me. At Maximum DEFIANCE, if he still holds the title by then, Minute looks to defend against Rezin after weeks of Rezin challenging his status as the top high flyer in DEFIANCE. What a match that could be!

Minute raises the title and he and the rest of the group head out while Rezin angrily watches him leave from the front row... but not without having the match he wanted.
