## FRIENDS IN LOW PLACES

**Location:** *Ballyhoo Brew*

**Date:** *July 6th, 2021*

**Time:** *3:02 AM*

**Brock Newbludd:**

Ughhhhh fuuuuucck...this is not good at all, Davey...fuckfuckfuck...

The scene slowly fades in to show a dejected Brock Newbludd sitting on a barstool inside of Ballyhoo Brew. In front of him on the bar sits a single shot glass and a half empty bottle of vodka. Standing behind the bar with a concerned look on his face is Ballyhoo's main bartender, and one of Newbludd's oldest friends, the cajun sensation "Fat Tuesday" Davey LaRue.

**Davey LaRue:**

I told ya, Brock. I told ya, and told ya but ya jus' didn't listen to ol' Davey. Nobody ever listens ta dis ol' gator even dough de only ting I give is good advice. De only ting, bon ami.

Well past closing time, the dimly lit tavern is quiet except for "Crossroads" by Bone Thugs-n-Harmony playing softly in the background. Still clad in his ring gear, despite the fact that DEFTV had gone off the air roughly four hours earlier, the visibly intoxicated Newbludd runs a hand through his sweat matted hair and snorts.

**Brock Newbludd:**

Yeah, well I was planning on telling Cass. For suuure...right after we won the tag belts that is. I just didn't wanna bring it up and make things weird, ya know?

Grabbing the vodka bottle, Brock sloppily pours himself a shot, spilling as much of it on the bar as he does inside of the glass. Disregarding his mess, Brock raises the glass to Davey and frowns.

**Brock Newbludd:**

But, now thanks to Malak, I'd say shit's pretty fuckin' weird now!

Newbludd lets out a defeated laugh and throws the vodka down his throat. Wincing from the burn, Brock groans and leans forward to rest his forehead on the bar. The instant his face touches the booze soaked wood Newbludd lets out a curse and sits back up. Clearly the vodka had helped him forget about the cut Cassidy had given him above his eye and sticking his face in a puddle of the stuff instantly reminded him of his fresh injury.

**Brock Newbludd:**

Owwwww! Fuck, that burns! Dude, did you see how pissed Cass was? He tried to beat the shit out of me!

Wiping up Brock's mess with a towel, LaRue shrugs his shoulders.

**Davey LaRue:**

Can't say I blame him, bon ami. Siobhan's de man's kid sister so ya had ta have known he wasn't gonna buy ya a beer when he found out about everything. Which he would've eventually, Brock.

**Brock Newbludd:**

Shit, man, I know! I wanted to say something but Siobhan wouldn't let me! I mean, who WOULDN'T want their sister to date one of their best friends!?

**Davey LaRue:**

I dunno, bon ami, and I don't tink dat matters anymore. De real question is, how are ya gonna fix dis?

Newbludd leans back and folds his arms across his chest. Drunkenly swaying back and forth, The Innovator thinks for a moment before standing up. The instant his feet hit the floor they betray him and he stumbles backwards, knocking the barstool over in the process. Ignoring the stool, Brock counteracts his non responsive feet by reaching out and

grabbing the edge of the bar with both hands. Pulling himself forward, Newbludd props both elbows on the bar and points a finger at LaRue.

**Brock Newbludd:**

Oh, I'll fix it, Davey. I already got a plan, buddy. Just formulated it right here in my big noodle...

Davey raises an eyebrow as Newbludd smiles and nods his head.

**Davey LaRue:**

Tinkin' wit' dat noodle of yours got ya inta dis' mess, bon ami...

Brock suddenly reaches out and grabs Davey by the shirt. Pulling his friend close so that their nearly touching noses, Newbludd tries his best to lock eyes with the bartender but is clearly suffering from Vodka-Vision.

**Brock Newbludd:**

Not my dick noodle, Davey...I'm talkin' about my brain noodle...and my brain noodle has a plan.

Giving his friend a free pass, Davey removes Brock's hand and sighs.

**Davey LaRue:**

Ok, bon ami, I'll bite. What did dat 'brain noodle' of yours come up wit? Lay it out for ol' Davey.

Newbludd reaches for the vodka bottle but Davey stops him and pours out another shot for his overserved friend. Grabbing the shot glass, Brock downs it and slams it down on the bar triumphantly.

**Brock Newbludd:**

There's only one thing we can do, buddy. We need to win those titles....we need to beat the piss outta Malak and take that gold. It's the only way, man. We beat The Comments Section and we show Pat that we're in this thing for the long haul. That we're super fuckin' serious about the tag team, the bar, and...

**Davey LaRue:**

Bangin' his sister? What are ya talkin' about? And what do ya mean by 'we'?

**Brock Newbludd:**

Shhhhhh...don't worry buddy, just stick to the plan...

Brock smiles and tries to put a finger up to Davey's lips but the burly bartender swats his hand away.

**Davey LaRue:**

Ya do dat again and ya won't be gettin' dat hand back. It's late Brock and I've had ta listen to ya piss and moan all night about dis. So, get ta point so I can go home!

**Brock Newbludd:**

I need you to be my tag partner at Maximum Defiance. There, congratulations. Together, we're gonna fix this whole situation! Brock and Davey, back in the saddle again!

Davey's jaw drops and he narrows his eyes at the grinning Newbludd.

**Davey LaRue:**

Ya want me ta take Pat's place in de match? I ain't wrassled in years, bon ami.

Brock grabs the bottle of vodka, pours some into the glass, and slides it towards Davey.

**Brock Newbludd:**

C'mon buddy. I know you love this bar as much as I do. If we don't fix this, if we don't get Pat and Siobhan back...

Newbludd puts his head down and pounds a fist into the bar.

**Brock Newbludd:**

Bro, Ballyhoo Brew is a family, and I literally fucked my family...or...that didn't sound right...anyways, ya gotta help me unfuck it. You know that this is probably the best thing we've ever had, and shit, maybe it's the best we ever will have. Whaddya say buddy?

Davey stares at his friend for a long moment, letting Brock's words soak in. After a few more seconds of silence pass, Newbludd looks up from the bar to see his friend drinking the shot. Wiping his mouth, the big Cajun lets out a tremendous belch and puts a hand on Brock's shoulder.

**Davey LaRue:**

Cheer up, bon ami. Ol' Davey will go find his singlet tomorrow and he'll help ya out. Let's take care of dat greasy river rat Malak, take his gold, and get our friends back.

Brock's eyes goes wide in excitement and he slaps Davey on the shoulder.

**Brock Newbludd:**

Fuck yeah, buddy! Let's do it! We're gonna save the fuckin' day!

Fired up, Brock grabs the bottle of vodka and crawls up on top of the bar. Raising the bottle up over his head, the drunken grappler cups his other hand around his mouth.

**Brock Newbludd:**

You hear that Malak!? The Saturday Night Specials are still comin' for you, asshole! And when we're done kickin' the shit out of ya...

To accentuate his point, Brock does something resembling a kick in the air. Unable to keep his balance due to drinking a half bottle of vodka, Newbludd falls backwards to land back first onto the bar. Letting out a loud 'OOF!' upon impact, Brock bounces hard and rolls off to crash land on the floor. Shaking his head, Davey leans over the bartop to see his friend lying facedown on the floor. Somehow Brock was able to not spill a drop of vodka through it all.

**Davey LaRue:**

I shoulda probably asked for a raise too...

As LaRue makes his way out from behind the bar to help his friend, the camera slowly fades out.

## REZIN vs. LEYENDA DE OCHO

## AWAKENING

*Previously recorded at the first night DEFtv 156...*

We open backstage in the gorilla position. Only moments after his match against Bronson Box, KERRY KUROYAMA comes walking in with a hand rubbing the soreness out of his neck. Then he notices the camera, and the reporter waiting nearby. He can't help but chuckle softly.

**Kerry Kuroyama:**

Jamie... you just don't give up, do you?

Slipping into the frame is Jamie Sawyers, mic in hand and ready for business.

**Jamie Sawyers:**

Kerry! Can I get a few words?

Kuroyama groans.

**Kerry Kuroyama:**

Given the circumstances, I'm not sure I'm all that interested in words right now, Jamie. Is there any reason why you keep ambushing me backstage with these surprise interviews, or are you just looking for something to keep you busy?

The reporter's face reddens and he grimaces slightly at this last dig.

**Jamie Sawyers:**

Sorry... I guess I just feel like your comeback isn't really getting the kind of attention it deserves, and I feel obligated to get people to know the story of Kerry Kuroyama's DEFIANT resurgence. I don't know, maybe it just has something to do with the two of us being Puget Sound natives?

Kerry sighs once he realizes there's no quit to Jamie in pursuing this scoop.

**Kerry Kuroyama:**

Fine, Jamie... if you're gonna play the hometown card, I suppose I can give you a few minutes.

**Jamie Sawyers:**

Thanks, Kerry! Let's just get right into it then, how are you feeling after that match with Bronson Box? Do you regret having lost by submission?

The Pacific Blitzkrieg sighs again. He's disappointed, aching, and in no mood to be answering uncomfortable questions. But the storm in his head calms as he takes a moment to process his feelings and answer the question.

**Kerry Kuroyama:**

Nobody likes admitting they tapped out, Jamie. Be as it may, that's what happened. I guess I can join the list of guys Bronson has bested at some point in that ring. Considering how long that list is, I don't think I'll be losing sleep over taking this loss. Box is a hell of a competitor, and I hope I showed him I have the capacity to be a hell of a competitor in my own right.

**Jamie Sawyers:**

Can you tell us what happened in those final moments? What was going through your head? Some were saying you tapped out rather quickly, that you could have held on a bit longer.

Kerry ponders the question, then shrugs.

**Kerry Kuroyama:**

Maybe... but I was pretty much beat by that point, if you think about it. Sure, I probably could have gone down a bit more "heroically", so to speak. I could have fought it until I passed out and pissed my pants, or he snapped my back in

two. Would that have looked “heroic”?

Jamie makes a face that suggests it probably would not.

**Kerry Kuroyama:**

And sure, maybe I could have miraculously fought my way out... but what then? In doing that, I'd only be leaving myself completely drained of strength and energy. Would have made it a lot easier for him to just pick me up and drop my head on the turnbuckle, as Bronson does.

Eyes squinting, he again rubs at the soreness in his neck.

**Kerry Kuroyama:**

Here's the thing, though, Jamie... would any of that be worth putting that kind of toll on the body? For one match on DEFtv, that will probably be forgotten in a couple weeks once we get to MAXDEF? Is it really worth the risk?

He defiantly shakes his head.

**Kerry Kuroyama:**

Not by my standards, Jamie. I made the choice to accept the loss on my own standards and live to fight another day. I stand by that choice, regardless of whatever anybody says or thinks. I'll leave the long and grueling battles for the big fights, when something of worth is actually at stake.

**Jamie Sawyers:**

Still, one would argue that a victory over a DEFIANCE legend like Bronson Box is an achievement almost as great as winning any title or accolade.

Kerry nods in agreement.

**Kerry Kuroyama:**

No doubt, a win over Box would do well for my career. But there will always be future possibilities. For now, I can live with the satisfaction of walking away from this with the knowledge that I can stand my own against this company's Original DEFIANT.

He looks Sawyers in the eye to make his message as simple and direct as possible.

**Kerry Kuroyama:**

My goal right now, Jamie, is to simply compete in matches, and continue improving my game, until I start winning those matches. I didn't get that done tonight, but there's more to gain from a match like that than a mere tally in the win column. And tonight, I know I made gains.

He looks directly into the camera. His stare is as fierce and portentous as a brewing tsunami.

**Kerry Kuroyama:**

I don't feel any need to steal the show with an epic and over-the-top match of the night to feel like I'm making progress in my career. I'm not in this just to be seen, like some of the other guys in that locker room. I'm not an attention whore; I'm an athlete. Pure and simple.

He looks back to Jamie.

**Kerry Kuroyama:**

A week ago, I made an open challenge to anyone worth my time, and I'm grateful that someone at the level of Bronson Box answered the call. Because that's what my career needs right now: experience in that ring, against the DEFIANCE's best and greatest talents.

He raises a hand and clenches his fist. It shakes intensely in front of the two of them, while the rest of his body remains

as stoic and unmoving as a statue.

**Kerry Kuroyama:**

*That is how I improve... that is how I get better. And that's the path I'm walking right now.*

**Jamie Sawyers:**

So where does "The Pacific Blitzkrieg" Kerry Kuroyama go from here? Where is that "path" your own leading you?

**Kerry Kuroyama:**

Right now, I'm just hoping to find a spot on MAXIMUM DEFIANCE. We'll see what turns up these next couple weeks on that front.

**Jamie Sawyers:**

And after MAXDEF, what then?

Kerry again takes a beat to think the question over. He spends a moment looking down at his own clenched fist, as though for the first time beginning to realize his potential.

**Kerry Kuroyama:**

To be honest, Jamie, I feel this match has awakened something inside of me...

His eyes find the camera again, and it's clear that he's no longer simply talking to Jamie at this point, but the greater DEFIANCE universal as a whole.

**Kerry Kuroyama:**

It shouldn't be any mystery as to what I want out of my career. I want what every person who comes to DEFIANCE wants. I want to climb to the top of the ladder. I want to be recognized as the greatest in the company. I want the FIST...

He makes the belt gesture around his waist, in case there was any confusion as to what he's referring to. However, there's a honest bit of humility in his voice as he looks to Jamie again like a man who knows that's easier said than done.

**Kerry Kuroyama:**

But I know it's going to be a long road to get there. And to truly get to that level, I need to be prepared against whatever challenges future opponents bring me. I need to keep improving, so when those big matches come, I'll be ready and confident enough to overcome those challenges.

**Jamie Sawyers:**

And how do you intend to do that?

**Kerry Kuroyama:**

Bronson Box is a DEFIANCE legend, no dispute there. But DEFIANCE has many legends. I'm going to seek them out, one by one. I'm going to continue testing myself against this federation's greatest. I'm going to continue improving my game, until I finally join their ranks.

**Jamie Sawyers:**

I see... well, Kerry, I think I've taken up enough of your time, but I can't thank you enough for giving us all a peek into the mindset of Kerry Kuroyama, and I will wish you the best of luck as you continue on that path to the top.

**Kerry Kuroyama:**

Thanks, Jamie. Guess I'll see you around, given your so dead set on following this story.

Jamie chuckles a bit. Kerry is about to head back to the locker room when...

"Mr. Kuroyama!"

Kerry snaps to attention as a stage-hand steps into the frame and offers him up a small, folded up piece of paper.

**Stage-hand:**

Someone left a message for you.

Kuroyama looks confused and Sawyers looks curious as the former takes the piece of paper and the stage-hand moves on to get back to work. Kerry opens the fold and reads the message. His face darkens in a mix of surprise and exasperation.

**Kerry Kuroyama:**

Son of a...

Kerry crumbles the paper up and shoves it into his pocket. He looks visibly annoyed now. More so than he was coming back from a loss.

**Jamie Sawyers:**

What was that about?

**Kerry Kuroyama:**

...it would appear that my presence has been requested. Next week, at UNCUT. Whatever... I gotta get out of here.

**Jamie Sawyers:**

See you around, Kerry!

Kuroyama heads to the back, but the reporter looks slightly concerned for him as he watches him leave.

Uh, no he's not.

Nakazawa hurls Shields into the corner he initially came from. Shields meets the buckle hard, chest first and wobbles his way out. Nakazawa races in, lifts Shields and throws him over his head...

But surprisingly, Shields lands on his feet!

**DDK:**

Kyle with a diving DDT to Nakazawa!

**Princess Desire:**

TOLD YOU! Hahahaha!

As The Princess laughs maniacally, the match continues on. Kyle Shields locks in an arm bar and tells his brother to check on the submission.

**Kyle Shields:**

HEY BRRROOOOOO!

Mark forgets what he's doing, which is being a referee.

**Mark Shields:**

Fuck man, what's up?

And Kyle is likely too stupid to care.

**Kyle Shields:**

You wanna hit a club after this?

Mark nods frantically.

**Mark Shields:**

Fuck ya. I'll call Melissa.

**Kyle Shields:**

Call MEL? Sisters are LAME.

**DDK:**

So... let me get this straight... IF Sho Nakazawa was tapping right now, both men would never know.

**Princess Desire:**

Mind games, KEEBLER. These Shields boys are so legit. Getting by without doing much of anything. THESE are lessons to live by, kids who are watching from home. Look at how little effort both men make on a day-to-day basis and look how far they've come! Full time jobs. Well paying, full time jobs!

As Desire says those final words, Nakazawa slips out of the arm bar and rolls Kyle into a pin!

But Mark is too busy speaking about what club he wants to go to.

**Mark Shields:**

We could go Bourbon Heat. I DO NOT want to go Ballyhoo Brew. Fuck those guys, it isn't even a club! Also, I heard it might be closing given the recent incident.

Nakazawa drops the backslide pinning attempt and fumes at Mark.

**DDK:**

Sho had the match won!

**Princess Desire:**

No he didn't. There was no three!!!

Nakazawa is about to shove Mark but cooler heads prevail. However, he doesn't see Kyle sneak up from behind!

**DDK:**

Kyle spins Sho around and a rake to the eyes! Of course Mark didn't see it.

**Princess Desire:**

Gonna have to call BULLSHIT on that one, KEEBLER. Mark wouldn't have seen it if Sho did the eye rake, either!

Keeps sighs in agreement as Kyle Shields pushes Nakazawa into the ropes. Once again, Sho takes the opportunity to jump on the second rope and come flying off with a back elbow smash.

**DDK:**

Kyle ducked it!

**Princess Desire:**

Impressive, no?

**DDK:**

I will say the idiot has the talent when he wants to apply himself.

Kyle hits the ropes himself and connects with a beautiful punt kick to Nakazawa's head, knocking Sho's mask sideways. Kyle drags Nakazawa off the canvas and hits a snap suplex into a float over pin.

ONE.

TWO.

KICKOUT.

Kyle nods. No hassle towards his brother as he headlocks Nakazawa.

**Princess Desire:**

Amazing sportsmanship by Kyle. A-maz-ing.

**DDK:**

Why? Because he didn't complain about the count?

Princess laughs as Sho works his way to a knee and then breaks free from the hold. Nakazawa kicks Kyle in the chest and then roundhouse kicks Kyle in the spleen. Nakazawa scoop slams the Shields wrestler to the center of the ring and applies a grounded surfboard lock!

**Mark Shields:** *[laughing while seeing the hold]*

Surfs up, dude!

**DDK:**

Mark's an idiot... his brother may tap!

**Princess Desire:**

Again, KEEBLER, The Shields are showing no favoritism towards each other whatsoever! Ha!

Kyle cries out as Nakazawa has the move locked in. Shields waves his free right arm around, looking like he may give it up...

**DDK:**

Kyle escapes! He kicks his right leg free and the hold is broken!

**Princess Desire:**

So impressed. Like, so, so, so, so, sooooo impressed!

Nakazawa continues the attack, however. He crushes Shields with a tilt-a-whirl backbreaker and a leaping leg drop. Sho is about to hook a leg for a cover but Kyle gains a second wind and applies an STF!

Immediately, Sho has the bottom rope.

**DDK:**

Not great ring awareness by Kyle. This is where his green shows.

Both men gain a vertical base. Sho chops Kyle hard and the crowd WOOOOOS as he does.

A few more chops follow. Nakazawa hurls Kyle into the ropes but at the last second, Kyle grabs hold of his brother and uses him as support to pivot around and come flying back at Nakazawa with an inside cradle.

**DING DING DING**

**Princess Desire:**

OOOHHHH clever!! Go Kyle!

**DDK:**

Kyle Shields wins with help from Mark!

**Princess Desire:**

No. NO help from Mark! Kyle grabbed his brother but as you can see in the replay... Mark did NOTHING! Mark was in the proper referee position, too. GOSH dude, am I going to have to replace you next time!?

**DDK:**

Well either way, a shady victory for Kyle Shields here.

Sho Nakazawa kneels on the canvas as he watches Mark raise his younger brother's hand. Nakazawa rolls out of the ring, shaking his head.

**Princess Desire:**

I had a blast, Darren. Thanks so much, I'll see ya again!

Desire takes off the headset as UNCUT goes elsewhere.

## EYE'S ON THE PRIZE

**Jamie Sawyers:**

Fans we are almost to Maximum Defiance and one of the matches we have on tap for you is Doctor Ned Reform against the man I have backstage with me for this Uncut Exclusive ... Nathan Eye!

From the left Nathan Eye walks up to Jamie and the look on his face suggests he has something on his mind.

**Jamie Sawyers:**

Nathan ... you have been the target of Ned Reform's recruiting program for the last couple of months and after you turned him down, he took that personally. He attacked you on a recent episode of Uncut after using his TA's to challenge you to the match. How are you preparing for a man like Ned Reform?

The Handsome Face takes a moment to answer the question.

**Nathan Eye:**

Jamie ... I'll answer your question but before I do, I want to tell you a story. And it's a story that I am positive is going to give the Good Doctor a reason to question my intelligence but it's a story that I haven't told before.

He twirls a finger to tell the viewers he thinks little of what Reform thinks.

**Nathan Eye:**

Like many aspiring wrestlers that have been in this sport before me and many that will come after me, I loved wrestling at a young age. I love everything about what we do. The physicality. The strength. The fire. The passion. All of that! I loved all of it and I knew one day I wanted to make my mark in this world we live in. But all through my youth going all the way to college, I played baseball. And I'm not the type of guy who will sit here and toot his own horn just because of that ... but I was good at it. I was really good at it. A lot of recruiters came after me with a lot of promises for a lot of money; more than I think I could make here in DEFIANCE Wrestling even.

His hands go up.

**Nathan Eye:**

Now don't get it confused ... money is great but it's not what drives me and the decisions I make. I don't care and I have never cared about that because monetary value doesn't represent the worth of the type of man that you are. And if we're talking about worth in that terms ... Doctor Ned, you and your opinions of me and the other people you talk down to: all of that isn't worth shit!

Now he's talking directly to those watching.

**Nathan Eye:**

What does my story have to do with anything? It has to do with the fact that you, Neddy Boy, like to walk around with your little TA's Rod and Tod and act holier-than-thou because you have a scholarly advantage that most don't. Me? I am not afraid to say that I passed up a pro baseball career that people would kill for because this all around us is what I wanted to do. I could probably rub that in the faces of many people but I would have just been a guy who's good at a job. I don't want to be just good at a job. I want to be the best in a sport that I truly love!

Jamie Sawyers looks impressed with the young man's spirit.

**Nathan Eye:**

I'm working to show people that one day at a time, your dreams don't have to just stay dreams. I'm not one of these "rise and grind" idiots on Instagram. I'm letting the actions I make speak my message. My message is that at Maximum Defiance, you and every other hater, detractor and dream killer that looks down on people will learn one thing. You can't stop me!

**Jamie Sawyers:**

Powerful words for Ned Reform! We look forward to seeing that match at Maximum Defiance!

**Nathan Eye:**

Thanks Jamie.

The scene quickly fades.

## DAN LEO JAMES vs. "CUNNING" CURT CUNNING

**DDK:**

Folks, coming up next we've got a BRAZEN showcase match featuring two of the many rising stars that were in action at last weekend's CLASH of the BRAZEN! It will be the young man from Hurricane, Utah... Dan Leo James! He takes on the unknown wrestler calling himself "Cunning" Curt Cunning. What more can you tell us about these two men?

**Lance:**

Dan Leo James is someone that BRAZEN officials have had their eyes on for some time. 6'7" and 250 pounds and ONLY 21, which is crazy and boasts a growing technical game which can be unusual for a competitor his size. He scored two big wins on the last BRAZEN Double Shot while his opponent, "Cunning" Curt Cunning... well, not many know about this masked man. He claims to be the smartest wrestler in BRAZEN so we'll see if he can outsmart young James.

**DDK:**

That we will. We'll hear from both men as they head to the ring now.

**Darren Quimbey:**

The following contest is a BRAZEN Showcase set for one fall! Introducing first, from Hurricane, Utah... Not THAT UTA... weighing in at 251 pounds... **DAN LEO JAMES!**

There is little fanfare for the young man, but he comes out and looks out to the big crowd in the DEF-Plex and is taken a little aback. He marches forward wearing black pants with a red line down one side and a blue down the other with black boots. He heads down to the ring and when he gets there, he looks at the crowd one more time still in awe of the biggest crowd he may have wrestled in front of. He climbs through the ropes and almost slips out of a bit of nervousness, but once he gets inside, he recovers and raises a hand as the inset promo hits.

**Dan Leo James:**

Hey... the name is Dan Leo James. Yeah, I'm one of those "two first names" guys. But I promise I'm one of the nice ones. ♪ "Cause" by Human Impact ♪

The WrestlePlex fills with cheers as "The Pacific Blitzkrieg" KERRY KUROYAMA appears from the entry-way. He's in street clothes -- plain jeans and a navy Seattle Kraken t-shirt -- and has a microphone in his hand as he promptly walks onto the interview stage.

**DDK:**

Welcome back to UNCUT, fans, as it would appear that Kerry Kuroyama is making his presence known tonight!

**Lance:**

And he doesn't look particularly happy to be out here right now.

Kerry looks irate as he makes the motion for his music to cut and speaks into the mic without wasting much time.

**Kerry Kuroyama:**

...I'm going to cut to the chase here, because I don't particularly like having to come out here unless it has anything to do with wrestling in a match. Be as it may, I was requested to be here tonight on UNCUT, so here I am.

He turns his look to the camera, to address everyone watching.

**Kerry Kuroyama:**

**V/O:**

Kerry Kuroyama.. A Man amongst Men. The type of individual you look up to as you start your young career.

A video package appears on the DEFIatron. It's grainy but serviceable, it displays a wrestling ring filled with young and hungry teenagers. A red haired girl, recognizable from previous photos displayed on DEFIANCE television as that of Jessica 'Reaper' Reeves. Alongside her is none other than Rocko Daymon's son Zack 'Skyfire' Daymon.

Growing up I didn't realize how the people I met growing up would shape me, would shape the way I viewed my career and the wrestling industry in and of itself.

Continuing the grainy footage, the young strapping and invested wrestlers begin sparring while their 'coach' shadows them both in the background. At first Zack is dominating the wrestling match as he blocks each of Jessica's moves. As the young Reaper would grow frustrated with Zack, a slow zoom in of the grainy footage catches a glimpse of the man barking orders at them both.

I tried.. Look I really did TRY to get a handle on this before... After I left as Reaper I looked to outlets that weren't that good for me but it taught me a lot. he raises his mic.

**Kerry Kuroyama:**

Like I said, I don't give a damn about any of that. You asked me to be here, so I'm here. Not sure why you couldn't just call or text, or even just approach me face to face in the back if you wanted to talk about this, but this is apparently how you wanted to do this.

Kerry, already on his way to the back, stops in his tracks and looks back over his shoulder. Finally, she's talking his language. With a begrudging shoulder shrug, Kerry returns to the stage to hear her out.

JOE!

There is a flutter of activity as a handful of production assistants and crew members swarm in. A brief delay before the quick thinking cameraman detaches the camera from its tripod and works to get closer to the fray. Voices are shouting, for water, for 911, for help. One voice rises above them all -- the voice of DEFIANCE Radio.

**Scotty Flash:**

Back up! Back! Back up! Everybody, give the man room!

The crowd slowly parts and our cameraman gets his shot. Sprawled bulbous and shirtless on the concrete is Joe Stats, his head cradled carefully on Scotty Flash's lap. Chris Trutt hovers, directing the cameraman to get a better

shot.

**Scotty Flash:**

Joe, can you hear me? It's Scotty! Can you hear me, Joe? Are you okay?

Flash quickly looks up at the open "closet" door to find no lair at all, just a cramped janitor's closet. In shock, he turns back to Joe who appears to slowly awaken, eyes listing but well-rested.

**Joe Stats:**

You knocked... on the door...

Scotty flashes a huge, relieved smile.

**Scotty Flash:**

It was Chris! Chris Trutt knocked on the door!

Joe's eyes slowly flutter closed again, his body slumps peacefully in Flash's arms. The crowd goes quiet.

**Joe Stats:**

You knocked... It... sounded like... **reclaimed wood**...

His mumbles turn to snores. Loud snores. A bewildered, exhausted, yet relieved Scotty Flash glances around the now crowding boiler room. Looking up at the camera, he notices it's still recording. Eyes narrowing, he snaps on his black sunglasses and lurches up to his feet -- so quickly that the sleeping Joe Stats head smacks hard on the concrete floor, not that Scotty noticed.

**Scotty Flash:**

The camera wildly backpedals from the angry DJ.

## CORVO ALPHA vs. WALTER LEVY

The camera cuts to our announce team.

**DDK:**

Fans, in recent months we have been witness to a series of mysterious vignettes on UNCUT profiling a man known only as "Corvo Alpha".

**Lance Warner:**

Disturbing would be the word I would have chosen, Keebs.

**DDK:**

Certainly a performer with an... unorthodox demeanor, we really don't know much about him... but what we DID learn at UNCUT 96 is that he seems to be under the sway and influence, if you will, of a man we haven't seen here in DEFIANCE in over 4 years, none other than Lord Nigel Trickelbush. Bring us up to speed on Lord Nigel if you can, Lance.

**Lance Warner:**

For those newer fans, the very odd Lord Nigel Trickelbush is the former manager of a dangerous japanese tag team known as The STORM who debuted here in 2016 and were embroiled in a memorable feud with the Masked Violators--

**DDK:**

Check out DEFonDEMAND for some of those highlights, folks.

As Lance speaks, clips play over his shoulder of chaotic , colorful brawls between the two teams. The clip package ends with a shot of the ominous Lord Nigel smiling at the anarchy unfolding before him.

**Lance Warner:**

Both those teams were tossed out of DEF that year for flagrantly disregarding fan safety with some of their arena-spanning brawls, but the diabolical Lord Nigel stuck around for a bit, as he said, "looking for a hero".

**DDK:**

Which is translation for "being creepy around the talent", as I recall!

Another clip over Lance's shoulder shows the sinister Trickelbush skulking around DEF icons. First Impulse, then Scott Douglas. In each clip, he gestures to a wanted poster on the wall behind him featuring just a silhouette of a figure and the words "IS IT YOU?" beneath.

**Lance Warner:**

Accurate! Lord Nigel would abruptly disappear from DEF in 2017 and with his recent resurfacing, many are speculating that perhaps, in the seemingly savage Corvo Alpha, Trickelbush may have found his terrifying "hero" after all.

**DDK:**

Very unsettling. Well, the world will find out tonight if Corvo Alpha is for real when he makes his DEFIANCE debut against the colorful and bombastic "Birdman" Walter Levy!

**Lance Warner:**

A pillar of the Midcard Experiment, Walter Levy has been involved in some high profile tag matches on DEFtv as of late. I'm looking forward to seeing if he can play spoiler against the debuting Alpha!

**DDK:**

Let's go to the ring!

The camera cuts from our smiling announcers to a sweeping shot of the crowd.

♪ “Heaven is a Place on Earth” by Belinda Carlisle ♪

Ladies and gentlemen our next contest is scheduled for one fall... Introducing first... from the mean streets of Buffalo, New York--

The curtain explodes and Walter Levy bounds through it to a respectable pop from the faithful.

**Darren Quimbey:**

**Lance Warner:**

His win loss record doesn't reflect the heart this young man has, Keebs!

**DDK:**

No doubt about it, the Birdman brings an energy and excitement to the ring that few can match!

Walter takes an extra half-lap around the ring, tagging eager fan hands before sliding under the bottom rope and striking a trademark pose on the turnbuckle, his smile beaming and infectious. He tosses his bright blue headband into the crowd with a flourish.

♪ “Electric Funeral (Instrumental)” by Black Sabbath ♪

The lights go out for a long breath before sweeping red spotlights begin moving around the arena.

**Darren Quimbey:**

And his opponent...

The curtain ripples before slowly opening. Lord Nigel Tricklebush is the first to emerge, dressed in a fine black suit with matching bowler cap on his head. His face seems plastic, mechanical, the smile attached to it fixed and uncomfortably unreal. Tapping his closed umbrella on the ground as he steps, gaze sweeping across the booing crowd, unphased, he moves down the aisle. Behind him, Corvo Alpha appears. Long hair wet and hanging, most of his face is smeared with black paint. A red smear marks his bare, hairy chest and much of his stomach.

**Darren Quimbey:**

Accompanied to the ring by his “Handler”, Lord Nigel Tricklebush... He hails from Parts Untold... weighing in tonight at two hundred and sixty nine pounds...

As the slow, methodical music pulls them towards the ring, Corvo finally crawls under the bottom rope and slinks to a corner, hunched over and seething. The camera briefly cuts first to the wild, wide, white eyes of Alpha staring out of the havoc of hair and black paint... then to a nervous Walter Levy, pacing at ringside as he eyes his opponent.

**Darren Quimbey:**

Call him... CORRRRRVOOOOOOO ALLLLLPHAAAAAAAAAAAAAAAAAAA!!!

The red lights quickly begin going out all over the arena until one last red spotlight hovers over Corvo just before the house lights slowly come back up. The faithful are a mess of boos and uncomfortable murmuring.

**DDK:**

After months of waiting, Corvo Alpha has arrived in DEFIANCE!

**Lance Warner:**

Uh... uh-oh--

**DDK:**

Oh! We, uh, appear to be being joined by Lord Nigel Trickelbush!

The camera cuts to the announce table where Lord Nigel is creepily pulling up a chair between both Lance and Keebler. He almost robotically removes his bowler cap as he takes a seat, offering a slight nod to Keebler as he accepts a headset.

**Lance Warner:**

Uh... welcome back to DEFIANCE, Lord Trickelbush!

**Lord Nigel Trickelbush:**

Yes, yes, it's ever-so lovely to be back, Mr. Warner, and what a lovely and auspicious evening it is!

**DDK:**

Sure! Incredibly auspicious!

**Lord Nigel Trickelbush:**

Behold, if you dare, DEFIANCE! Corvo Alpha has, as Mr. Keebler so eloquently stated, "arrived"!

Our shot cuts to the ring where Referee Benny Doyle orders the bell to be rung!

**DDK:**

And, uh... Here we go!

The energetic Levy bounces around the ring, trying to size up Alpha. Alpha, on the other hand, stays largely still, still hunched in the corner.

**DDK:**

The Birdman, like many of us, I think is trying to get some type of vibe for just what Corvo Alpha is all about... and Corvo isn't giving him much! Levy gingerly steps towards Alpha... taps him with his foot... and--

Suddenly, Corvo Alpha EXPLODES from the corner with a brutal clothesline that turns Levy inside out.

**Lance Warner:**

What a murderous clothesline from Alpha! And now he is just seated on Levy's chest laying in some absolutely hellacious closed fists! One after another! Levy is covered up but some of those are landing!

**DDK:**

And finally, Alpha relents retreating back to his corner...

**Lance Warner:**

...and he's just waiting there, hunched over, comfortless...

**DDK:**

Uh... wanna tell us what we are looking at here, Lord Nigel?

**Lord Nigel Trickelbush:**

Oh, just rage given human form, Darren Dear Boy. Simply put, you are seeing the culmination of years of sacrifice, years of tireless work and focus, years of patience. That is what the world is seeing.

Levy works himself back to his feet. Doyle checks on him and Levy assures him he is ok to go.

**DDK:**

The Birdman shakes it off.... Look at the determination etched on the face of this young star on the rise! He runs, springboards off the middle rope and lays in a spin kick to the side of Alpha's head! Alpha staggers out of the corner!

Levy -- again -- with a head full of steam! Hits the ropes, Corvo with a WILD swing that Levy deftly ducks, hits the far ropes, coming back and -- Alpha spears him!

**Lance Warner:**

That IMPACT!

**DDK:**

Nearly cutting Walter Levy in two with that one!

Levy rolls under the bottom rope and to the outside, clutching his chest. Corvo is close behind, first clubbing Levy across the back of the head and neck with a brutal forearm. Then another.

**Lance Warner:**

Levy might be in trouble out here... crawling, he's found the ring steps....

**DDK:**

Alpha with a thunderous boot to the side of Levy's head!! Did his head hit the steel stairs there, Lance?

**Lance Warner:**

It did! This kid is in a lot of trouble, Keebler! He came out to this ring smiling... he sure ain't smiling now!

**DDK:**

Corvo Alpha is relentless. Just pressing Levy back, pursuing him, clubbing him, beating him... Levy, give the kid credit, is trying to just create some separation between he and his opponent but Alpha is just on TOP of him! As the referee reaches the count of seven here!

Levy, clearly pained, crawls back onto the apron and into the ring -- halting the referee's count -- before Alpha clutches him by his hair and yanks half his body back under the rope and hanging off the ring apron.

**Lance Warner:**

The Birdman is in a precarious spot! Corvo CLUBS Levy across the face! Oh MY! Is that blood on Corvo's hand? Is Levy bleeding?

**DDK:**

I believe that's red paint on his hand but I wouldn't be surprised if we don't see some blood soon! Walter Levy is just being bludgeoned!

**Lord Nigel Trickelbush:**

Lovely.

Camera cuts to a tight shot of Walter Levy's face, not bleeding, but incontrovertibly hurting. His upper body and face smeared with the black and red paint that marks his opponent. The Birdman takes a moment to search the crowd for some inspiration, which the faithful happily provide in the form of rhythmic clapping. The camera pans back to find Corvo Alpha menacingly climbing the ring's apron.

**DDK:**

The camera catches Levy's approach, Corvo Alpha kneeling in the opposite corner, his face and hair a horror of black paint and sweat. Through it, his eyes flash white.

## A RED DEATH: THE CERBERUS

Courtney seems irritated with Teresa's presence. Ravanna stoically stares at her for a second before returning to the monitors. Reaper the Grey returns his attention back to the silent tank containing Jason 'Stalker' Reeves. As Ravanna gets ready to address the figures once more.

**Ravanna:**

The message has been received, and Scrow will take out his mark.

For Teresa's teaching aspect, the names of the voices have been given a prominent title. Harvester, Mr. Fear and Guided Hand's images are hidden behind a shadowy visage, each person's voice modified for secrecy of course. They were The Kabal - keeping secrets is something they are very good at.

**Harvester:**

If he does not his punishment will be more severe than a simple pat on the back from Reaper the Grey.

**Fear:**

The Marks were sent on with purpose, I have faith that Scrow will see through with the master plan.

**Guided Hand:**

He will do it alone at Maximum Defiance, you Miss. Ravanna will send Hive to me.

Ravanna looks to her left at the monitor.

**Ravanna:**

I will do as you wish. Then there are the issues of Better Future and now what appears to be two other factions emerging in Defiance this FML, and these ones, the ones splintered from The Guided Hand's book. Ravanna points to current FIST contenders. A display of images shows one by one Jay Harvey, Oscar Burns, Gage Blackwood, and of course Deacon.

**Fear:**

Well, it's clear that the book may have been misinterpreted.. Considering Deacon's reaction...

**Guided Hand:**

This again?

**Harvester:**

Quiet. We have a new member, no reason to bring up dead subjects.

Ravanna turns to the two women sitting at the table. Courtney Paz is plugging away at her laptop while Teresa seems to be communicating something into her phone. Like a 'whisper' or something of that nature.

**Ravanna:**

Reaper the Grey, please escort these two out of the room. Their priorities seem to be elsewhere.

**Courtney Paz:**

Excuse me? I'm the lawyer for The Kabal. But Teresa - yeah she should definitely be gone.

**Teresa Ames:**

I was just looking at Jason's StalkMe bio. Did you know someone has been driving his Uber around since he's been in the tank? Don't you think we should look into that?

**Courtney Paz:**

Um. No. Pretty sure that is creepy Tyler anyways. It would explain why he's gone all the time. He never gave me back Jason's keys.

Ravanna is simply perplexed at the exchange and nods for Reaper the Grey to snap out of it and escort them both out.

**Ravanna:**

I do not care what you two think or care WHO was driving Stalker's charger. This meeting is confidential at this point and I am the one that is the liaison here, not you two. You will know what is discussed here when the time is right.

**Reaper the Grey:**

Let's go ladies.

Teresa's already leaving as she smirks into her camera phone before shutting it off. She inserts it into her pocket while smiling at Reaper the Grey, almost studying him with her eyes..

**Teresa Ames:**

You can take me to your bedroom if you want, hon.

Reaper the Grey pauses for a moment before Courtney Paz let's out a disgruntled groan.

**Courtney Paz:**

Come show me what you mean about Jason's App.

Attempting to pass an olive branch to Teresa, she ignores Courtney's request and leaves Scrow's Lab. Reaper nods to Courtney who packs up her laptop and follows.

As they are ushered out, Reaper turns to Ravanna.

**Reaper the Grey:**

Miss Ravanna, what about Reeves?

She looks at the capsule then back at RG.

**Ravanna:**

He will be fine. See to it they do not come back in here.

**Reaper the Grey:**

I will see to it.

RG leaves, just outside the door he plants himself with his arms crossed ignoring the complaining of Courtney and Teresa. Back in the room, Ravanna turns to the three heads of the Kabal.

**Ravanna:**

I would suggest recruitment of a monster to back up Rezin, Mr. Vacio, and Scrow.

**Fear:**

I already have someone picked out.

**Guided Hand:**

Don't be ridiculous, that target is not worth our time.

**Harvester:**

You underestimate the benefits of a perfect vessel. We can benefit from having him... using him.. And reaping from his talents.

**Ravanna:**

Then of course there is Rezin.

**Fear:**

There is a reason why I brought him into the fold. His talents will prove that he is the Superb High Flyer in DEFIANCE.

**Guided Hand:**

.... The books don't see it as so. I've told you this... J...

**Harvester:** *[interrupting]*

This opportunity can not be passed up. In order to control Defiance and bring about The Chaotic Climax, The Kabal must hold the gold. Without it we control nothing.

**Ravanna:**

Victor has done his part and taken Mr. Cortez out of the picture for the moment. The reports look good for us.

**Fear:**

See to it that Victor finishes the job on Cortez, we can not have that loose end not tied up and be a possible factor in Rezin's match.

**Ravanna:**

Yes sir. Now a minor detail here.... Teresa Ames.

**Fear:**

She is not who I wanted here. You all are well aware of this.

**Guided Hand:**

But regardless - that's where she is at. She volunteered to participate in the master plan. We all know what's at stake here. Control and deception here is key. We want to control it all, the red death is what matters here most.

**Harvester:**

You mean.. Stalker's return? The confidence that you feel that this will 'change' him enough to accept 'the pledge'. What if this plan doesn't go to what the books have been saying? Teresa Ames is a variable that we will have to take into account. You say her wanting to participate in the plan makes her an ally I say, look at who she is friends with.

**Fear:**

It's my Proving Grounds that she won. I will keep an eye on her actions. Stop bickering.

Suddenly a pounding on the glass is heard. Ravanna quickly takes her attention from The Cerberus. As she looks inside, Stalker's eyes suddenly pop open! Ravanna pulls out her cell and dials a few numbers putting the phone to her ear.

**Ravanna:**

RG get in here.

The glass begins to break as Stalker slams his fists harder on the glass. Reaper quickly enters the room. Followed by Paz, and Teresa. The glass continues to break.

**Ravanna:**

Get him out of there!

RG runs over to the release valve as the cracks continue on the glass. He hits the lever the glass slowly opens up toward the ladies of The Kabal. Jason falls face first on the floor covered in water. His breathing is heavy before looking up. He recognizes Ravanna and Courtney but then notices Teresa Ames. He continues to cough, noticing Ames now doing some sort of finger flicker with her fingers. His eyes widened once more and.....
