

PRE-SHOW: ONLYFLIPS VS. HIGH INVESTIGATIONS VS. DEFCEPTICONS VS. CUSTOMER SUPPORT

The opening match is a scramble tag team match and the crowd goes crazy for the action! The big men Al Sparks and T-Rex Titalayo bumrush one another to cheers from the crowd, but Trevor Manning comes in to try and steal a pinfall quickly with a roll-up! The crowd continues cheering when OnlyFlips both get into the action as fights go out to the floor...

DOUBLE TOPE CON HILOS TO THE OUTSIDE!

The OnlyFlips crew pose for a photo-op for their Premium Content, but Ryan Knox smashes through both of them with a running shoulder tackle! The rest of the DEFcepticons at ringside distract Simon Kinsberg and allow Al Sparks to CRACK him with a huge spin kick!

The action gets more intense with a few nearfalls including the Balance of Power (double jump springboard moonsault on Eddie Cheno, but it's broken up by T-Rex and he gets chokeslammed on the apron before he gets wiped out with a big Rhino Smash (running spear) by Knox!

The DEFcepticons hit Transformation Complete (double package powerbomb) on Eddie Cheno for the three-count!

WINNERS: The DEFcepticons via pinfall @ 10:45 (Sparks pins Cheno)

PRE-SHOW: LUKE ALI'I VS. GUNTHER ADLER

Luke Ali'i - 6'4" and 367 pounds of fast-moving Hawaiian.

Gunther Adler - 6'5" and 301 pounds of badass German brawler.

Put them together and you get a pre-show HOSSFYTE! The crowd cheers at the start when Luke shows off his agility, LEAPFROGGING over Adler then hitting a thrust kick on the return! Ali'i lets him have it with chops and splashes in the corner, including a big powerslam followed by a falling headbutt. But when Adler takes it to the floor, Ali'i goes after him... only to get posted!

Gunther Adler impresses the crowd himself with a release German suplex on the massive tank of a man! But Luke Ali'i's recent mentorship under BRAZEN Champion Ryan Batts seems to be helping him counter his sleeper finisher into a big throw on the mat! He gets him back up and then hits a samoan drop in the return! Ali'i starts to roll back to his feet and then measures up Gunther in the corner with a hip attack, followed by a roll out of the corner into a big splash, then a huge release suplex of his own! Ali'i gets ready to put things away...

IMPACT CRATER!

Luke gets him on his shoulder with the fireman's carry powerslam for the three-count! Luke celebrates with the crowd as the big man's roll continues on in BRAZEN!

Declan "DEC4L" Alexander © vs. Leyenda de Ocho!

Two pre-match shows saw Luke Ali'i and the DEFcepticons victorious! But now, we'd start the show proper with two of the best and brightest in BRAZEN right now!

Long-time fan favorite and the second holder of the BRAZEN Star Cup, Declan "DEC4L" Alexander versus the luchador that has been making waves both in BRAZEN and recent DEFTv appearances... LEYENDA DE OCHO!

BRAZEN STAR CUP: DECLAN "DEC4L" ALEXANDER VS. LEYENDA DE OCHO

"Happy Song" by Bring Me The Horizon plays out the defending BRAZEN Star Cup holder first to kick off the show proper! One of the youngest and most cheered athletes in BRAZEN trained by former FIST Lindsay Troy and women's wrestling pioneer Vivica J. Valentine, Declan has a great degree of skill under his belt and has been making the Cup his own since winning!

"Hold Back The Night" by The Protomen plays out his challenger! Winning this opportunity by virtue of winning the first-ever New Year, Who Dis Trios Tournament alongside Jack Halcyon and the current BRAZEN Onslaught Champion August Lazar, Ocho has been taking up for his mentor Henry Keyes on DEFtv and looking impressive in recent outings!

The rules display for the Cup! Fifteen minutes on the clock. The most falls in that time limit will be the holder of the Cup!

Leyenda starts off FAST with a huge running dropkick! Alexander gets wiped out and then a second dropkick to the outside! Leyenda goes for broke quickly with a double jump plancha to the outside on Alexander, bringing the crowd to their feet! He throws Declan back inside and hits a senton bomb to follow... for two! But when he tries another move...

YEET!

The young and powerful Declan THROWS Leyenda up with a huge throwing flapjack before crashing to the ground! Declan works over the luchador in the corner next with chops and forearms, really laying into LDO. A DDT out of the corner next gets a two-count!

With half the time down, Declan Alexander works over Leyenda's back to keep him from flying with a pair of body slams then goes old school with a boston crab, really cranking on the back! Despite the big fanbase DEC4L has, Leyenda gets support from the Faithful as well as he tries to get to the ropes...

Almost...

Almost...

He makes it!

Leyenda fights back with a pair of flying forearms on Declan followed by a big running dropkick in the corner, then a hesitation dropkick! He goes up top...

WINNER: And NEW BRAZEN Star Cup Holder, Leyenda de Ocho! Wins one fall to zero at end of the fifteen-minute time limit!

Leyenda de Ocho can't believe it and is given the trophy for the win! He holds it out in disbelief as Declan Alexander looks on in shock, not believing that Leyenda scored the win at the last possible seconds left! Declan gets up and then shakes his head with disappointment, but he does the right thing and raises Leyenda de Ocho's hand as a sign of respect. He heads out of the ring as Leyenda de Ocho celebrates with his first major championship in BRAZEN!

BRAZEN ONSLAUGHT FIVE-WAY: AUGUST LAZAR (C) VS. MICHAEL VAN WARREN VS. PAUL DUNSON VS. BRAGG VS. GERARDO VILLALOBOS

DEFIANCE's Largest Athlete, "Big Aug" August Lazar won the New Year, Who Dis? Trios Tournament to earn the right to cash in a title match for the BRAZEN Onslaught Title. He cashed in on the villainous previous champion, Michael Van Warren. Since then, Big Aug has been a fighting champ and wanted the challenge of taking on four previous title holders at once! Tonight, it's one fall to a finish!

The first-ever champion, big Gerardo Villalobos comes out first to cheers from the crowd, followed by the second man to hold the title... Paul Dunson, to jeers! The Golden Opportunist hung onto the title with help from his family who are barred from ringside for tonight!

"The Big Bad" BRAGG is the hometown favorite and was never pinned to lose the Onslaught Title! The man who unseated Paul Dunson now heads to the ring. The longest-reigning champion, Michael Van Warren is out next to jeers as well, wanting back the title that Big Aug used a title win to cash in on to lose it!

Finally, standing seven foot four and three-hundred eighty-five pounds, the massive Romanian-American wears the Onslaught Title around his neck. He bumps fists with fans in the audience before he climbs inside. Once he is there, he stands out as the bell rings...

AND IT'S ALL MAYHEM FROM THE START!

Villalobos goes after mVw and BRAGG goes right for Big Aug while Paul Dunson hangs back and watches the action unfold. BRAGG continues throwing body shots to Big Aug while Michael Van Warren and Villalobos trade shots. Eventually it's Van Warren using his Wakizashi Slasher (discus lariat) on Villalobos, but Dunson hits a low blow on Dunson, then tries to steal the cover, but only gets a two-count! Dunson tries a DDT on Villalobos, but gets picked up and then put down with a big belly to belly suplex!

BRAGG goes for They All Fall Down on Big Aug, but he's too big and shoves him away. When he comes back. Big Aug has him up on his shoulders and DRIVES BRAGG down with ease using a forward fireman's carry slam...

but mVw takes him out at the knees with a chop block before he can go for the cover! Villalobos throws a body splash at him! mVw hits a spinning heel kick on the grounded Wakamatsu... then Paul Dunson comes out of nowhere with a diving headbutt at fifty-three years old! Then a running senton... and a HUGE TOP ROPE SPLASH FROM BRAGG! He tries to cover Big Aug!

ONE... TWO...

But mVw pulls him off before his own cover!

ONE... TWO... NO!

Big Aug kicks out, but ALL FOUR challenges continue to work him over with stomps! BRAZEN's Largest Athlete gets picked up by BRAGG and Villalobos and they double team him with an aided POWERBOMB! Big Aug is kicked out of the ring...

The giant heads into the barricade...

ZODIAC SPEAR THROUGH THE BARRICADE!

Big Aug gets taken out!

Micheal Van Warren gets out of the wreckage and heads to the ring, but before he can do anything... Dunson surprises him with a roll up in the ring!

ONE... TWO... KICKOUT!

Another kickout by Michael Van Warren and when he gets back up, he takes him out with a Masamune Driver! He hits the fireman's carry into the spinning powerslam! He gets knocked out of the ring, just as Geraro Villalobos continues to throw bombs! mVw trades shots with the first-ever holder of the Onslaught Championship. He kicks mVw to the corner with a push kick and then a big splash before a sidewalk slam! He gets him down and then tries for Stay In Escuela....

SORRY ABOUT YOUR JAW!

BRAGG fires off a right hand and stumbles him backwards, then Watch The Last Step! The inverted chokeslam plants Villalobos..

ONE! TWO! DUNSON BREAKS THINGS UP!

Dunson tries to get back into the ring... but he gets pulled out! BIG Chokeslam on the ring apron by Big Aug! The big monster is back! Bloodied and all, but ready to fight!

He gets back into the ring where BRAGG tries a right hand, but Big Aug blocks and fires back with a headbutt... DUNKED ON! (ripcord cobra clutch slam!) Big Aug goes low for a cover... but mVw is back!

LIMIT BREAKER BY MICHAEL VAN WARREN!

Van Warren has Big Aug trapped with a kata hajime and then locks up the hold! Big Aug looks like he might be fading... but Gerardo Villalobos breaks it up!

STAY IN ESCUELA ON VAN WARREN!

Villalobos tries to get back up... but Big Aug has him by the throat! Headbutt! Headbutt! Headbutt! DUNKED ON!

He pins Gerardo!

ONE! TWO! THREE!

WINNER: And STILL BRAZEN Onslaught Champion, "Big Aug" August Lazar @ 15:41 (Lazar pins Villalobos)

The battle of the Onslaught Champions ends with BRAZEN's Largest Athlete retaining the gold! Bloodied face and all, he stands tall both figuratively and literally! The former NBA standout leaves the ring and heads to the back while an angry Michael Van Warren stands up... he sees Villalobos...

Grabs a chair from ringside and then BLASTS him with it again and again and again! BRAGG starts to enter the ring when mVw sees him coming and then heads out, but he's frustrated that twice now, he has lost out on the Onslaught Champion due to circumstances beyond his control. No way his pursuit of the title ends here tonight.

The following match would make a BIG opportunity for whoever wins. The next match is a twenty-person "Golden Opportunity" Rumble! Cross and Dan Leo James try to eliminate one another, **(13) Sarah Winterton** of the Storybook Kingdom simply reads from her fairy tale tome and watches the audience. Winterton leads her masked Storybook Kingdom monster to the ring! He goes inside! CLOTHESLINE to Dan Leo James! JAMES IS ELIMINATED! Bicycle Kick to Archer! Big lariat to Troy and another big bicycle kick to Megan Kron!

But at the end of it... **(16) KILLJOY!** The only two-time BRAZEN Champion and LET's Beast! He enters the ring quickly and things come to a dead stop! Megan Kron goes after Killjoy...

Right hand! Right hand! Right hand! But Killjoy shrugs them off and PICKS her up with a body slam before dumping

her over!

MEGAN KRON ELIMINATED!

Winterton is laughing at Megan Kron... so Megan Kron gets angry and THROWS Winterton back into the ring...

And right into Killjoy, who grabs her up...

Before he can do anything more, A. Grimm runs and hits another bicycle kick to Killjoy, sending him stumbling backwards! He pummels Killjoy with more rights, but he gets grabbed and gets an ugly overhead belly to belly suplex over the ropes!

BRAZEN TAG TEAM TITLES: RAIN CITY RONIN (C) VS THE CONCLAVE

The Rain City Ronin of Zack Daymon and Leo Burnett have been running roughshod through the BRAZEN tag team division since winning the titles, but come up with a team that features the first-ever and longest-reigning BRAZEN Champion Reinhardt Hoffman and his tag partner, Rhys Collins! Can Rain City Ronin continue their streak?

“Dvorak Symphony No.9” plays for the challengers. The BRAZEN luminary Reinhardt Hoffman and Rhys Collins come out, nod and head to the ring with no pomp and/or circumstance. No Gunther Adler tonight since he was taken care of earlier by Luke Ali'i meaning the Conclave were going it alone.

“Get Got” by Death Grips plays and the defending champions look ready as ready can be! Hoffman and Collins are a very technical team, but the Rain City Ronin have been trained by the ultra-tough Rocky Daymon and have been ready for challenges on both BRAZEN and the main roster.

The match starts with Collins and Burnett taking things to the mat, exchanging holds and going right to working the mat. Collins tries to work the leg quickly, but Burnett kicks him away and then almost takes the win with a few roll-ups in the form of an inside cradle and a backslide! Collins tries another leg lock and then tags to Hoffman. They both work the arm of Burnett quickly, but he doubles him over and then faceplants Hoffman with a facebuster. Zack Daymon tags in and the two hits a double dropkick and then follows up with a standing moonsault from Daymon and then a running knee drop by Burnett for two! Daymon works over Hoffman with stiff chops and then a snapmare/dropkick combo!

Daymon tries to go up top, but before he can take any move, Collins distracts the official long enough for Hoffman to shove him off the top rope where he crashes into the barricade below! From there, the two brutal technicians work over Daymon!

They put the boots to Daymon and work over the rib cage. They continue to elbow him in the chest before Hoffman hits a swinging gutbuster! The two combine forces and then continue working over him with a double gutbuster!

ONE! TWO! NO!

Daymon kicks out, but Collins locks in a grounded cobra twist and then works over the midsection. Daymon tries to fight his way out with elbows and gets to his feet, but a kitchen sink knee by Collins leads to a tag and then Hoffman with the STIFF penalty kick! He goes for the cover!

ONE! TWO! THR... NO!

The crowd cheer on The Rain City Ronin as they continue to fight against the two technical marvels, but Hoffman don't let up on Daymon! They take turns cracking Daymon with a series of uppercuts to rattle him and then Hoffman fires off with a headbutt that rocks Daymon and busts him open... but he fires back with a pele kick when Hoffman tries to grab him again! He falls to the mat and tags Collins but when he tries to stop Daymon, he ducks and CRACKS Collins with a massive rolling forearm smash!

TAG TO LEO BURNETT!

Burnett heads in and runs through both men with big suplexes! A big release german suplex for Collins! Hoffman tries to get back into the ring, but he ducks and hits him with an overhead belly to belly suplex followed by a kip-up! A big running forearm rattles the brains of Rhys Collins and then another big northern lights suplex!

ONE! TWO! NO!

Burnett tries the double chickenwing facebuster, but Collins rolls through...

COLLINS CRANK!

The modified indian deathlock hold has the knee and then cranks back trying to submit Burnett! He tries to claw to the

ropes, but Collins keeps it locked in...

FROG SPLASH BY ZACK DAYMON!

Daymon breaks up the submission with the big move! But Hoffman comes in and then throws Daymon out of the ring! He drags Collins over and makes the tag... but Burnett catches him with a HUGE running knee strike!

Daymon is back in his corner and then gets the tag!

Leaping Reverse STO/Double chickenwing facebuster on Hoffman! He rolls him over and then Daymon hooks the legs!

ONE! TWO! THREE!

WINNER: and STILL BRAZEN Tag Team Champions, The Rain City Ronin @ 14:26 (Daymon pins Hoffman)

Not only have the Rain City Ronin retained the BRAZEN Tag Team Titles once again, but Daymon has just pinned the first-ever holder of the BRAZEN Championship! A bloody Daymon and a beaten Burnett both sit on the ring apron with the Tag Team Championships in tow, raising the titles for all to see as the show moved along to the main event!

BRAZEN CHAMPIONSHIP: "BANTAM" RYAN BATTS VS. JACK HALCYON

It's time for the main event of the CLASH Special! The former DEFIANCE veteran and returning BRAZEN talent "Bantam" Ryan Batts ended the 300-day reign of 2021's BRAZEN Star of the Year Killjoy! Much like his tag partners, in the New Year, Who Dis? Trios Tournament earlier this year, Jack Halcyon earned the World Title match. Already, Leyenda de Ocho won the BRAZEN Star Cup, August Lazar came in and walked out with the Onslaught Title. Would Jack Halcyon make the trifecta tonight and upset the DEFIANCE wrestling vet?

We would find out right now!

"Lonely Boy" by The Black Keys hits first and out comes a very bound and determined challenger tonight. He holds a victory over Ryan Batts in tag team action in the lead-up to this show, but tonight the title is on the line. Halcyon bumps fists of whoever wants on his way down the ramp before he climbs into the ring. The young standout sits on the top turnbuckle, taking in the scenery around him before his music fades and waits on his opponent.

"The Last Garrison" by Enter Shikari is next and from challenger to defending champion! The man called "Bantam" Ryan Batts walks out with the BRAZEN Championship around his waist, all fired up. The much more experienced Batts stares down the pitbull-like Halcyon and like him, is also a scrappy wrestler. But unlike Halcyon, has a good deal more experience and is looking to use that against the up-and-comer. When Batts gets to the ring, he climbs to the middle buckle and raises the championship over his head before leaping down and heading into the ring. He holds it out for all to see before he turns it over to referee Benny Doyle. The bell rings and champion and challenger come face to face. The bell rings.

DING DING

Batts offers a hand and Halcyon takes it... but gets swept off his feet quickly and almost taken down right into The Fastest Armbar in the West... but Halcyon makes the ropes quickly! The Faithful let out an "oooooh" as Batts rolls back and holds up his hands that he was that close. Batts is clearly trying to get into Jack Halcyon's head.

The two lock up a second time and get extra aggressive with the lock-ups on the mat! The crowd starts cheering on both men as they execute a flurry of quick standing switches until Halcyon trips Batts up with a drop toe hold... then tries to lock in the Calf Crusher called On Tilt, but Batts quickly makes the ropes! Halcyon plays a little of Batts' game and tells him he was that close! Batts looks annoyed, but he gets back up to his feet to continue the match.

Batts and Halcyon lock up a third time and Batts goes for a series of arm drags followed by an armbar, but Halcyon rolls forward out of that and then tries to go for the leg. Batts kicks him away but when he comes back, Halcyon is the first to catch him with a dropkick! Batts rolls to the floor, but it's not long when the kid called "One Shot" climbs to the apron...

SPRINGBOARD ROLLING SENTON OFF THE APRON!

Halcyon gets the first big move of the match and then follows up by tossing Ryan back inside and then hitting a springboard missile dropkick... for a two-count! Halcyon has Batts on the back foot for the moment and then measures up Batts... dropkick on the left leg! Halcyon works over the knee of Batts, no doubt both men looking for their respective submission holds. He slams the knee of Batts into the mat three times, and then tries a knee bar! He cranks back, but once again, Batts makes the ropes!

Batts tries to get up, but Halcyon tries for a German suplex. He tries to get him up and over, but Batts ROCKS Halcyon with a swinging back elbow smash, then a STIFF running penalty kick to the arm after he goes down to the mat! Batts' left knee is still hurt, but he shakes it off and delivers a double knee armbreaker to the left arm! Halcyon continues to get his arm picked off. Batts beats down on the arm with a few shots, then delivers a trio of shoot kicks to the arm! Halcyon tries to fight back, but Ryan puts another kick to the back followed by a jumping senton right on the arm!

The crowd is watching the technical dissection of the challenger by the champion. He measures him up for another

penalty kick, but Halcyon moves! Batts turns around and Halcyon tries a standing hurricanrana into a pin!

ONE... TWO... NO!
