## SWINGING FISTS

**DDK:**

Ladies and gentlemen, we have a PHENOMENAL two nights of DEFTv 175! Tomorrow night will see the ACTS Tournament Finals when “Queen of the Ring” Lindsay Troy takes on the success story of this tournament... Rezin! But in tonight’s main event will see the FIST of DEFIANCE on the line! Deacon defends his championship in a first-time ever encounter with the man who earned his shot last week, winning a 4-Way match on the Special UNCUT 125th episode... former two-time FIST of DEFIANCE, Oscar Burns.

**Lance:**

And we’re going to be hearing from Burns here in a moment to kick off our big two-night blockbuster here in Las Vegas! We have questions including this strange new sort of alliance he seems to have with Butcher Victorious, but most importantly his plans for tonight. This tournament was crowned to find a new challenger for the FIST at ACTS of DEFIANCE, but Burns finds himself in a position to flip this entire tournament upside down! So without further adieu, let’s go to the intros.

The lights start to dim in the arena... until one man walks through the spotlight, wearing a dark purple suit. Looking halfway decent for once, he smiles a toothy smile and gets jeers from the crowd.

**Butcher Victorious:**

BUTCH VIC... HAS THE STICK!

The crowd jeers as he raises a finger.

**Butcher Victorious:**

And not only that, but BUTCH VIC is proud to introduce. He is MY Best Friend and he is YOUR next FIST of DEFIANCE... **OSCAR BURNS!**

♪ “Ultimate Battle” by Fredrieoh Habetler ♪

The opening montage plays some of Burns’ greatest hits over the opening intro to the theme... Burns with his two previous FIST and WrestleUTA World Title wins. Burns with his DEFy wins. Burns with his record fiftieth win and his recent SIXTIETH win DEFIANCE! And most recently...

Stealing the win from Pat Cassidy in the 4-Way match with the assist from Ned Reform conveniently edited out. Emerging from the darkness, Burns tilts his head upward, wearing a dark red turtleneck, black dress pants and black loafers because eff shoelaces, that’s why. He eyes Butcher up and down once, but largely ignores him and basks in the jeers.

**Oscar Burns:**

LET’S GET TO THE SPEAKY BIT, GCs!

He makes his way down to the ring, yelling back at a sea of jeering Las Vegas Faithful! With Butcher right behind him, he stops at the ropes. He waits and waits... then seems to wait for Victorious to open the ropes for him. Oscar excuses his mistake and then Butcher sits between the ropes and holds them open for his new boss. Burns wipes his loafers on the apron and then climbs inside. When Butcher starts to climb in, Oscar yells at him to wipe his own feet as well before climbing in. Butcher holds up a hand to say “sorry” and then climbs in.

**DDK:**

For weeks on UNCUT, we’ve seen Butcher Victorious win matches with Oscar’s Fruit Roll-up pin, trying to get his attention because he wanted to learn under him. In that 4-Way match last week, Butcher came out and took a tope from Elise Ares, allowing Oscar to take over.

**Lance:**

And it seems Burns is really putting Butcher to work!

Oscar stands in the ring, arms folded while Butcher goes to bring the microphone over.

**Oscar Burns:**

BUTCH VIC... HOLD THAT STICK!

Butcher holds it up for Oscar to speak into as the music fades out. Before Oscar can speak, the crowd is already filling the arena fast with jeers.

BOOOOOOOOOOOOO!

Oscar Burns leans into the microphone.

**Oscar Burns:**

More jeering. Oscar Burns strokes his mustache and continues.

**Oscar Burns:**

He turns to face his new associate.

**Oscar Burns:**

GC, I told you to stop referring to me in public as your best friend. Yeah nah. I can't have everyone getting jealous at one time. Make sense? Everyone wants DEFIANCE's hard-earned time and not everyone can have it. We clear, GC?

Butcher nods.

**Oscar Burns:**

Excellent. But I do want to say this... for MONTHS now. Everything I have done from showing Conor Fuse and Dex Joy that the pressures of consistent main event status... everything I've done to lead by example to this locker room. Everything I have done in my career for the past five years has been nothing but giving back to the locker room that made this little boy from New Zealand with a dream... to become the biggest megastar this promotion has ever seen. All right before your very eyes!

He continues.

**Oscar Burns:**

Many stars of all sizes have graced this promotion... MY promotion... with their presence. Hollywood nobodies-turned-somebodies. Great big wrestlers who came here for a cup of coffee. Maybe won a title or two and went on to greener pastures when they realized their own hype was just that... unwanted hype. But not a one of them helped pull DEFIANCE out from the party-filled swamps of Louisiana, and elevated this place to the heights it is today without a steady hand to guide them, GCs...

He balls up his own right hand.

**Oscar Burns:**

MY steady hand! For five years! No matter where I have been on the card! Opener! Main event! The middle! The near end! The second! ANYWHERE that Oscar Burns has been, I have gone above and beyond for all of you! I have never lied to you! I've never steered you wrong. I've never taken a sick day. Never missed an interview. Never missed a press junket. Never missed an autograph session. And because of that hard work and that reliability... we're touring now! Show after show across your great United States! There is not a thing that I cannot do! I don't need the FIST to know my worth... but tonight, I'm taking it!

BOOOOOOOOOOOOO!

Butcher rolls his eyes at the reaction.

**Oscar Burns:**

In spite of all I've done and more... I'm being met with resistance from EVERYONE in the back. Save a small number of people... there is almost NOBODY in that locker room willing to take the advice of the best damn wrestler in that locker room! NOBODY back there is willing to better themselves by listening to what I have to say or by learning from the examples I set with my hard work. But this man right here? Butcher Victorious? He wanted to be somewhere other than UNCUT. He wanted to make himself better. He wanted to learn from THE BEST. And who better to educate this man... than me! Butcher Victorious... welcome to my learning tree!

Butcher starts to take the mic back.

**Butcher Victorious:**

Dude, thank y...

**Oscar Burns:** (pulling the mic back to himself)

I'm not finished.

Butcher looks sad and nods.

**Oscar Burns:**

Just when I was UNFAIRLY kicked out of round two of the ACTS Tournament by that silly little ponce, Conor Fuse... Favoured Saints gave me and three other great stars one last life preserver... the opportunity to wrestle for the FIST tonight on DEFTv 175! And because of my great skill, my unparalleled technical ability and unmatched ring awareness, it was I that took that life preserver and EARNED this title match tonight!

Now Oscar's attention turns to the ramp.

**Oscar Burns:**

That brings me to you, Deacon. I meant every compliment I had for you on UNCUT. Your career, much like your physical stature, is impressive. You're a decorated wrestler with many years under your belt. We have a few similarities! We're both tenured veterans with great skills. We're both respected. We're both beacons of good. And you have me beat here, Deacon... you're no doubt a special attraction, GC. But these days... you're JUST a special attraction.

**DDK:**

Ugh! This again! He once labeled Dex Joy as a special attraction and Dex proved him wrong. TWICE, might I add.

Oscar presses on.

**Oscar Burns:**

Now, sure, you've been a special attraction for years in this business and you've outlasted many other giants. You've been slinging the proverbial gun for a long time, Deac... but answer this question, honestly. How many MORE of these big matches do you have left, eh? How much longer can you really be feeling strompy? How much longer do you have to fight your good fight until you can't fight said good fight any more? You've had great matches already against the likes of Dex Joy and against the likes of Malak Garland, but at the end of the day, neither man has been where I have and neither man knows how to HURT you the way that I do.

Burns pulls his hands out.

**Oscar Burns:**

I don't need flips. I don't need Conor Fuse and a million other stooges. I just need one limb, Deacon. One limb. You can either give me the FIST... or you can give me your limb. The choice is yours which one I have at the end of the night! Because Deacon, while you speak of belief in a higher power... between these four corners that I stand in... \*I\* am the ONLY power that matters in this ring!

Magdalena steps onto the stage, microphone at her smirking mouth.

**Magdalena:**

It's been - what? Almost a year, Oscar? 24K, right? Deacon got the call to join Team DEF to remove the scourge of 24K from DEF like the smell of a frappe left out too long in the Las Vegas sun. It was Deac, and you, and the guy who took the FIST from Mr. Unlikely. Who was that fourth guy with us?

**Oscar Burns:**

I'm not here for your trivia questions!

**Magdalena:**

That's good, cause I always forget someone when I have to talk about more than three people.

**Magdalena:**

Naw, Rezin was fighting for the Favoured Saints title, not the FIST at Maximum DEFIANCE 2021. I guess it doesn't matter.

Butcher wants to put his arm down at this point cause it is tired, but Burns moves it back up.

**Oscar Burns:**

You're right. Nothing is going to matter except whether Deacon leaves with one broken limb or two!

**Magdalena:**

(Playfully) Not what I meant, Oscar. Of course I expect you to try to take Deacon's limb, win the FIST. More importantly, that big Mute Freak hanging out behind the curtain expects you to try. But here's the thing, Oscar. That man called Deacon was a special attraction at the age of twenty two. He was a highlight reel at the age of 24. And here's the thing - he's not stopped being it. Take a look at his matches. How many 7 footers can do a ladder match that steals the show? That was Deacon at about 27, and again a couple of years ago. How many can go "Stalkers rules" and follow that up with a banger with your friend, and mine, Dex Joy (mega pop. She gives the crowd a moment to chill back down). That was a few months ago?

**Oscar Burns:**

Yeah, I already said that. Good match, there, but how many more does he have left, GC? These people may want us to "fight forever", but tonight isn't going to be a "banger." It's going to be a massacre of a legend. I am the only power that matters in this ring!

**Magdalena:**

Oh, he heard you the first time, but it's not the first time he's heard that spiel. You see, Oscar, he's not the FIST because he beat the Crimson Stalker - the Deacon was a champion when he stepped into that locker room. He was a man that carried, not just the will to fight, but a reason to fight that you, clearly, don't quite understand. And while Deacon may get pinned for three, and that very possibly could happen tonight, the pain you give him won't matter. The limb you take, you can have. Oscar, what do you do to someone who has already given up everything? What do you take from someone who holds nothing in his hands? What do you do to a life that willingly gives it up? What do YOU feel when you're standing next to a special attraction who carried his faith across the world with no fear of what the crowd said, whether in Rome or Las Vegas? What do you do?

Magdalena gives a pause.

**Magdalena:**

I can tell you what a lot of people have done (another big pause). They lose.

The lights go black and when they return, Magdalena is gone! Burns nods at Butcher and he's had enough of the verbal tete-a-tete. Butcher is finally relieved he can put his arms down, but sighs when Oscar points at Butcher and makes him once again open the ropes.

**DDK:**

There you have it! A war of words between Oscar Burns and Magdalena! Burns has one goal in mind to become one of only two men to become a three-time FIST while Deacon looks to retain against arguably his stiffest competition yet! We'll see that match in our main event!

**Lance:**

We've got this and a whole lot more including The Lucky Sevens Lucky Lottery for the Unified Tag Team Titles later tonight! Stay tuned!

## AARON KING vs. THEODORE CAIN

**DDK:**

We have a very personal match coming up next. Better Future Talent Agency's newest member Aaron King goes one on one with his ex-partner Theodore Cain of the Gulf Coast Connection. This will be Aaron King's first official match since becoming a member of Tom Morrow's group!

**Lance:**

It has been some time since Aaron King severed ties with Gulf Coast Connection but those bitter feelings were renewed two weeks ago when they were pitted as partners in the first Lucky Sevens Lucky Lottery. The Lucky Sevens successfully defended the Unified Tag Team titles thanks to Aaron King not only leaving Cain high and dry, but taking Morrow's business card!

**DDK:**

Aaron King looks for a successful debut as a member of Better Future Talent Agency and Theodore Cain wants payback!

**Darren Quimbey:**

This match is a grudge match and it set for one fall! Representing the Gulf Coast Connection, weighing 246 pounds... THEODORE CAIN!

♪ "The Saints" by Andy Mineo ♪

Where the Gulf Coast Connection would normally be handing out beads, Theodore Cain is doing nothing of the sort tonight and he is walking to the ring with a cross expression on his face. The Smash Surfer as he is known by, wants to smash his partner. When Cain gets to the ring he rolls under the ropes and then gets up. He's waiting for Aaron King right now and is yelling for his ex tag team partner to come on out. Instead of getting his partner ... he gets Tom Morrow.

**Tom Morrow:**

Theodore Cain ... I will have you know that you have ruined our evening! We have a victory celebration to be planning for when SIN CITY'S TWIN SONS THE LUCKY SEVENS retain their Unified Tag Team titles! Aaron King was looking forward to pre-gaming and taking home some of SIN CITY'S FINEST LADIES but now he has to take five minutes out of his night to settle your petty little beef because he has moved on to bigger and better things!

Aaron King is yelling at Tom Morrow to shut up but Tom Morrow continues.

**Tom Morrow:**

**DDK:**

Aaron King ... we've seen a nonchalant attitude about him, but right now he looks like he's irritated at having to stop partying to wrestle.

**Lance:**

That might be the wrong attitude to have.

Aaron King heads to the ring, but Theodore Cain climbs outside first and then the two men start fighting in front of the ring! The party is over and the fighting has just begun.

**DDK:**

The match hasn't started yet, but Cain and King don't care! These two used to be brothers. Things got bad after he left them for the Scourge but King joining BFTA and getting his ex tag team partner involved in the Lucky Sevens Lucky Lottery brought up some unresolved issues!

A knee from King to Cain's chest leads to Cain getting his head smacked into the ring apron. King then takes the head of Theo and moves over to smack his face into the steel steps now. A thud echoes through the arena and the Las Vegas Faithful are jeering him.

**DDK:**

The Lucky Sevens got a massive ovation earlier tonight and have the local crowd on their side despite being some of DEFIANCE Wrestling's biggest scum bags, but Aaron King doesn't have the same benefit!

King pushes Theodore Cain back into the ring so things can officially get going. The Pensacola Playboy tells the referee to call for the bell so he can get back to his party. When he checks to make sure that Theodore Cain is ready to fight and Cain tells him he wants to go ahead the bell rings.

**DDK:**

And that's the aggression that we've seen Tom Morrow promise out of Aaron King! If he can harness this this might be the best version of Aaron King we have seen in DEFIANCE Wrestling!

Aaron gets warned about the repeated elbow strikes in the corner but he does not pay attention to the referee. He grabs Cain for a suplex and then elevates him off the mat into a big front suplex on the top rope. The rib check drops him and he lands feet first on the apron and then hits a drop kick to knock Theodore Cain off to the outside floor.

**DDK:**

Ooh! That was a spill! The look on Aaron King's face, though.

Theodore Cain looks hurt on the outside, but he is still in the fight. At least he is in the fight until Aaron King jumps right through the ropes with a powerful tope suicida that smacks Cain further back into the barricade! After the big move Aaron King throws Cain back inside.

**Lance:**

Aaron King goes back to the ring! Cain's in a very bad place to be.

The fall outside seems to have hurt a rib of Theodore Cain, but the Smash Surfer tries to crawl. King strikes him with another elbow and then sets him upside down in the Tree of Woe. Aaron King crawls away from the corner as he is upside down and then runs forward to hit a spear to the ribs as he is stuck in the Tree of Woe!

The bell keeps ringing until finally Crescent City Kid and Titus Campbell start running to the ring. Tom Morrow warns him that help is arriving. Aaron King sees it and then he leaves. The other members of Gulf Coast Connection are helping out Theodore Cain while Aaron King doesn't even think to look back at the ring. Morrow hands him that drink he didn't finish before the match. He drinks the last of the whiskey with a smile and waves bye bye to his past.

This singles match is set for one fall! This is your main event of the evening and will be contested... for the FIST OF DEFIANCE!

Oscar Burns leans back in his corner with Butcher Victorious on the outside cheering him on quietly.

### **Darren Quimbey:**

Introducing in the corner to my left, he is the challenger! Accompanied by Butcher Victorious... from Wellington, New

Zealand, weighing in at 237 pounds... **HE IS DEFIANCE... OSCAR BURNS!**

The Kiwi steps forward and raises a fist in the air; a sign of clear intent of the title he wants tonight.

**Darren Quimbey:**

And his opponent... he is the reigning and defending champion! Accompanied by Magdalena... from Alexandria, Egypt, weighing in at 320 pounds... he is the FIST OF DEFIANCE... **DEACON!**

The Mute Freak holds up the title for all to see from his corner before handing it off to Carla Ferrari. She then raises the championship for the Las Vegas Faithful and then gets ready to ring the bell for the battle ahead. Deacon and Burns stare one another down as Ferrari calls for the bell.

**DING DING**

The former and current FIST circle around and as they prepare to lock up... Burns sidesteps and then goes to lean against the ropes, demanding the Las Vegas Faithful get behind him!

*BOOOOOOOOOOO!*

**DDK:**

I don't know what Burns is trying to do here. Mind games aren't going to work the same on a veteran like Deacon like he has done to others.

**Lance:**

Oscar Burns testing the waters here, I'm thinking. Deacon has to do the same. Oscar was not kidding earlier in the night. If you give him just one chance to take a limb... he wins a lot of matches in that very manner.

**DDK:**

He's submitted some of the biggest names in DEFIANCE. One of the very few to do it to Lindsay Troy. Kendrix to win his second FIST of DEFIANCE. Mikey Unlikely.

The two lock up again... or at least start to, but Burns goes low with a sharp kick. He has Deacon on the defensive when he fires two more kicks to the leg. Deacon shoves him back into the ropes to separate the two men, only for the former two-time FIST to come right back and BLAST Deacon with a big flying uppercut off the ropes! Deacon doesn't go down, but staggers as Burns rises up. He hits the ropes again like a rocket and NAILS Deacon under the chin!

**DDK:**

He went for the legs, but when that didn't work, he follows through with the uppercuts!

Magdalena watches Deacon get hit with a third consecutive running uppercut from Burnsie! Big Match Burnsie comes back off the ropes then manages to hit a running high knee against his chest in the corner. Deacon stumbles out of the corner and falls to a knee, allowing Oscar to hit a diving European uppercut off the ropes!

**Lance:**

Burns chops Deacon down to size quickly! Cover!

*ONE...*

*TW... KICKOUT!*

The Mute Freak powers out! Burns can't believe that Deacon has kicked out after a one-and-a-half count after the barrage of strikes! The FIST sits right up and stares down Burnsie.

**DDK:**

Great strategy by Burns... but didn't count on Deacon being able to absorb all that punishment so early on!

Burns grabs Deacon by the head and hits another European uppercut! He then tries to grab the limb he promised at the start of the night. He goes for an arm and tries to twist it around, but Deacon pulls Burns into a SICK shot of his own, via one big clothesline! The Las Vegas Faithful cheer the long-time veteran as he stands over his challenger.

**DDK:**

Deacon now taking Burns to his feet... big whip in the corner!

The defending FIST follows through with the whip by hitting a HUGE corner clothesline! Burns twitches from the impact while Butcher Victorious winces on the outside. Burns doesn't go down because he gets launched cross-corner. Deacon waits for Burns to hit the corner, then charges in to hit another big corner clothesline worse than the first! He waits for Oscar to stagger out before he LAUNCHES him up into the ceiling lights with a huge back body drop!

**Lance:**

Oscar doesn't even need a plane! He just got taken on a flight, courtesy of Deacon!

Magdalena watches the match and cheers on Deac as the big man waits for Burns to try and get up. He sends him for the ride again and catches him with a big sidewalk slam right into a hook of the leg!

*ONE...*

*TWO... NO!*

**DDK:**

Kickout by Burns! We've seen Burns also be able to weather storms and fight from underneath. Sadly now he's using those abilities for the wrong side these days.

**Lance:**

Deacon hasn't shown any trepidation for what Oscar Burns can do. He's kept him at bay with that power!

Burns gets hooked by the neck and then taken up in the air for a huge vertical suplex! Deacon holds him high in the air while Magdalena encourages the fans to count along for how long he can be held up. Butcher is in Oscar's corner telling the crowd to shush, but they count anyway!

*ONE! TWO! THREE! FOUR! FIVE! SIX! SEVEN! EIGHT! NINE! TEN!*

After a solid ten seconds of the blood rushing to his head, Burns gets DROPPED to the mat with a heavy crash! Deacon sits up and goes for a second cover!

*ONE...*

*TWO... NO!*

Another kickout, but Deacon grabs Oscar's arm to keep him from rolling away. He CLUBS him right in the back with a trifecta of grueling shots, before hooking him in a standing headscissors. The Mute Freak signals to the crowd with his arms outstretched!

**DDK:**

Uh-oh! Could it be the Altar Call already?

He picks Burns up and then tries to set him up for the Altar Call to a LOUD ovation from the crowd... but Oscar crazily kicks his legs until he gets free from Deacon's grip and rolls to the floor!

**Lance:**

No! Burns had the Altar Call no doubt planned for! He avoided it.

**DDK:**

Oh, no.

Deacon doesn't waste time and climbs over the ropes to give chase to the challenger outside the ring, but Butcher Victorious stands in front of him!

**Butcher Victorious:**

BUTCH VIC... IS GONNA KICK IN YOUR SH...

BIG BOOT TO THE FACE!

**Lance:**

Deacon doesn't care what Butch Vic was going to do that rhymed with Butch Vic!

**DDK:**

And look! Oscar is still running!

Deacon continues to give chase when Oscar ends up around the other side of Magdalena! He pushes Mags at the Mute Freak and then rolls back into the ring! Mags tells him that she's fine. Deacon stoically stalks after Burnsie. He climbs back into the ring...

BUT BURNSIE CHOP BLOCKS THE LEFT LEG UPON REENTRY!

**DDK:**

OOH! Oscar had to have that planned in the back of his mind!

**Lance:**

He found his limb of choice!

The Mute Freak is still upright, albeit barely as he stumbles back. Burns gets a chance to attack and then launches another running uppercut to the chin that knocks the defending champion back to the corner. The Mute Freak is back in the corner while Burns is trying to catch his own breath following the beatdown from earlier. When he sees Deacon, he charges at the corner...

**Lance:**

No! Deacon tries to get the boot up... but Oscar catches it!

Burns has the leg hooked over his shoulder, then falls to his own knees to jutt Deacon's knee further! Deacon is left hobbling after the big counter move!

**DDK:**

Oooh! Burns might have wrecked that knee further! Deacon is still on his feet, but just barely!

He once again uses his power advantage to shove Burns away from a possibly compromised limb... but Burns goes off the ropes and then hits another diving chop block from the front, this time finally knocking Deacon clear off his feet! The crowd jeers as Oscar now kneels over Deacon and laughs that he finally has control of the match!

**DDK:**

He did it! Oscar Burns might be in possession of the FIST very soon!

**Lance:**

Everyone's the same size on their back! One of the most important fundamentals of the squared circle!

And with that lesson in mind, Oscar leaps up and hits a running senton across the chest of Deacon to knock the wind out of the champion further. When he gets back up, Deacon tries to protect his ribs, but leaves his leg wide open for

Burns to jump up and hit a big stomp to the leg! The crowd jeers as Oscar starts grinning. He pins Deacon's leg down with one boot on top, then starts clapping as the giant tries to free himself.

**Oscar Burns:**

NEXT FIST! LET'S GO, BURNSIE!

STOMP-STOMP-STOMPSTOMPSTOMP!

**Oscar Burns:**

LET'S GO, BURNSIE!

STOMP-STOMP-STOMPSTOMPSTOMP!

Burns stops and gets jeers from the crowd, but he waves a hand high in the air and eggs the crowd on.

*BOOOOOOOOOOOOOOO!*

**Oscar Burns:**

-URNS. THANK YOU.

**DDK:**

Ugh. He's a jerk. And you see how easily he left Butcher Victorious to take that big boot from Deacon? Not once has he checked on a guy that only wanted to learn from him.

**Lance:**

With the title on the line, though, Burns is obsessed with one thing and that's becoming the FIST again! He'd be only the second man to hold the title three times.

Oscar tries to grab the leg of Deacon while he's hurt... but Deacon shoves him off with an upward kick using his other foot! The Mute Freak tries to fight back up, but the former two-time FIST moves quickly. He tries to catch him...

GOOZLE!

Deacon has Oscar by the throat and the Las Vegas Faithful are cheering for a chokeslam!

**DDK:**

Up he go... NO! ELBOW!

Burns fires an elbow and fires several more before he can finish the job. Deacon staggers back and that allows Burns to hit a low dropkick to the knee, sending him back to the corner again!

**DDK:**

Oscar continues to give that knee problems! Now what is he doing?

He grabs the leg of Deacon... then UPPERCUTS just under the knee joint! Deacon tries to push himself free, but Oscar strikes the knee with another shot! The Mute Freak hobbles back when Burns props the foot up and then snaps down with a dragon screw! Deacon has no choice when he topples forward and hits the mat!

**DDK:**

Oscar Burns, call him whatever you want... but tonight, he called his shot. He was taking a limb and he has been working over Deacon's leg! He's possibly compromised a large part of the champion's offense!

**Lance:**

It's true! One of the most ruthless and effective wrestlers. He can roll you up, like we've seen against Arthur Pleasant and Pat Cassidy. He can tap you out. So much versatility.

Oscar stands up and then pulls the knee pad down. When Deacon tries to get back up, he gets knocked back down by a running knee strike by Burnsie!

**DDK:**

Deacon's flat on his back!

Burns doesn't go for a cover, but inches the knee pad back up and then heads for the top rope! There's only ever been one reason for Oscar to go up top and that's so he can take flight...

Deacon kicks out... but Burns has the leg in a heel hook now!

**Lance:**

Kickout! No! Oscar goes right into the heel hook submission! This was the same move he tapped Lindsay Troy with during their Two Out of Three Falls match long ago!

The hold is locked in tightly mid-ring with Burns yelling for The Mute Freak to tap out! He cranks back on the leg and the knee at the same time, but Deacon crawls! His tall frame allows him to inch closer to the ropes...

Closer...

Closer...

**HE MAKES IT!**

**DDK:**

Deacon gets the ropes! But... no! Burns isn't breaking!

He holds the hook as referee Carla Ferrari counts! She makes it until the count of four when Burns finally lets go! He rolls back from the ropes while the crowd applaud the guts on display from Deacon!

**DDK:**

Oscar Burns has just been a menace with that leg work! I don't know how Deacon is even trying to stand!

**Lance:**

Deacon gets back up, but Burns tries to hook the leg again! Deacon shoves him away, but Burns fires back with a big Hard Out Headbutt to the chest! The Mute Freak stumbles back... but then launches forward and **CRACKS** Burnsie with a bigger, heavier headbutt of his own!

**DDK:**

OOOH! Burns with the Hard Out Headbutt! That move has stopped many wrestlers in their tracks... but tonight, he

headbutted the wrong man!

**Lance:**

This has been Deacon's best chance in a while to go for broke! Can he fight back?

Oscar gets left staring up at the lights while Deacon checks his head to make sure he's not bleeding after the headbutt. He sits up and starts favoring the leg as well while Magdalena is willing him back on. Butcher is slowly up, holding his face in pain and is trying to figure out if the answer to two plus two is orange.

It's not, Butcher.

**DDK:**

Deacon sends Oscar into the ropes... OOOH! Big back elbow!

**Lance:**

And he's not done!

The Mute Freak has the applause of the crowd as he goes for the ride a second time and SLAMS Burns down once more with a huge clothesline! Deacon looks out to a sea of loud Las Vegas Faithful and then tells him what's next. He HURLS Oscar to the corner with a hammer throw! He bounces out of the corner right into another goozle from Deacon... and this time, SCORES with a big ring-shaking chokeslam!

Deacon goes for a cover and the Faithful count along with him.

Oscar got slam-dunked into the mat with that Chokeslam! How did he kick out?!

**Lance:**

I don't know! But Deacon has got him! I think he's thinking Altar Call, but can he even lift Burns up after all the damage to the knee!

It does seem to slow down The Mute Freak for a moment, but Deacon wants The Altar Call one more time. He hooks Burns up once again... but as he has him up on the shoulder, the knee gives out! Burns slips out and picks the leg with a figure four before leaning back!

**Lance:**

The knee just buckled! Burns takes advantage!

The crowd goes ballistic after the kickout! The count is so close, that Oscar makes the rare mistake of jumping right at Carla Ferrari!

**DDK:**

Burns thought that was it! That was so close! Burns has been finding ways to roll-up opponents for recent victories! He beat Cassidy with that figure-four roll-up pin, but not Deacon tonight!

**Lance:**

Deacon stays in this, but The Altar Call almost cost him!

Seemingly rattled, Oscar gets back up after shoving past Ferrari. He uppercuts Deacon one more time, then gets him rocked back to another corner. The former two-time FIST yells before he charges back out at Deacon...

ONLY FOR DEACON TO PICK HIM UP AND THROW HIM INTO THE BUCKLE!

**DDK:**

MISSED! Oscar was looking for another corner uppercut, but Deacon throws him right at the corner!

Deacon has Burns positioned up on the middle rope! He leans back and hooks the arms of Burns quickly, using the corner to aid him in getting Oscar up without having to power him straight off the ground...

**Lance:**

Smart move! Burns got launched into that corner and now Deacon pulls him up...

Deacon then LAUNCHES Burns forward, sending him crashing to the canvas from over seven feet up...

**DDK:**

ALTAR CALL! ALTAR CALL! THAT'S IT!

After the CRASH, Deacon hobbles over to the body of Oscar with the knee giving him trouble, but hooks both legs tightly as he lays back! Magdalena counts!
