## DOEY-EYED SINCERITY

The wrestlers who make up the Midcard Experiment wouldn't ever be confused for A-listers by anyone. Hijo del Fishman Deluxe (*or Fishman Jr if you're into the whole brevity thing*) is a little overweight. A llave specialist and a damn good one, if he had a clearer head on his shoulders he might have been something special. Walter Levy, The Bird Man, is a journeyman that's been hacking away at the independent scene for years. On the smaller side with a chip on his shoulder about it, Walter's temper has tended to keep him shackled in obscurity.

The two men are perched on a road crate deep in conversation with Fish Jr's uncle (*the original Fishman Deluxe and Walter's former long time tag team partner*), DEF official Hector Navarro.

### Hector Navarro:

So yeah, Jane and Nicky challenged you for Uncut. I told you sticking your nose into Blood Diamonds business would get you in hot water. Boxer and Ed aren't to be fucked around with... now that being said.

Hector smiles and claps his nephew on the knee.

### Hector Navarro:

You stuck your necks out for your compadres, for your locker room. I'm *damn* proud of you boys.

### Hijo del Fishman Jr:

Thanks unc. We just couldn't stomach Ed and them's doggin' on the developmental guys anymore. Dabs and Dougie really got us motivated. When we saw Campbell and the Gulf Coast boys getting torn apart... I mean, we had to do something.

### Walter Levy:

Dabney can be pretty convincing. Him and his stupid doey-eyed sincerity...

The portly referee laughs.

### Hector Navarro:

Those Doubleday's are somethin' ain't they? They'll have your backs. Good kids.

We hear repetitive yelling from somewhere off camera, way down the hallway.

It's coming closer.

### Walter Levy:

He's bound and determined, Dabs. If his eyes were anymore on the ball he'd have pinkeye.

### Hijo del Fishman Jr:

So we're booked against Katze and Corozzo? Any... umm... advice, unc?

Navarro smiles warmly at his nephew then over at his old friend and tag team partner.

Walter puts an arm around Jr's shoulders.

### Walter Levy:

Buddy of mine we've sat around in catering long enough. We're gonna try, damnit, we're gonna try our best and do it over and over and over and regardless of the result we're gonna make a name for ourselves around here, hear me? We're...

The repetitive yelling gets louder and closer.

A blur of black and white whizzes past the camera.

“... A VAMPIRE, I'M A VAM...”

The three men completely ignore the strange interruption.

**Walter Levy:**

As I was saying, we're gonna do our best to nut up and kick those two Associates back up Eddy's keister. They're egos are bruised after losing to Dr. Sato and The Atomic Punks. They've been put through hell and literally poisoned. They're coming into this with as much to prove as we do. Nicky Corozzo is big and that's about it. We've fought our share of big dumb monsters in this game. And Jane? She's always dangerous, her ring IQ is higher than most... but Fish, so is yours. She's comin' into this pissed, embarrassed, wanting to prove to Boxer and Ed she's worth their time putting her in the ring. We can use that.

He claps Fish Jr on the back.

**Walter Levy:**

Regardless, it's a payday, am I right? Lights camera action, pal o' mine!

Walter hops down and stands quietly. His compatriots start to say something but Levy just holds a finger to his lips and quietly shushes them.

**Hijo del Fishman Jr:**

Just don't hurt him, Walter.

The repetitive yelling once again is heard, closer and closer...

Walter holds out an arm and braces himself, CLOTHESLINING the blurry figure off his feet ass over teakettle. We can see now the blurry yellor is none other than the Midcard Experiments mascot slash third member they guess the Nic Cage themed luchador, CAGE! Eternally besuited in a slightly tattered black ensemble the mysterious oddball pops to his feet and adjusts his strange white mask.

The line drawing of Nic Cage's unblinking face stares back at them.

**CAGE!:**

Oww. I'm a vampire.

**Walter Levy:**

We know, pal. Now, stop running around like a mental patient and listen closely. We've got some strategizing to do.

**CAGE!:**

Bees?

**Walter Levy:**

No, no bees. Not the bees.

As soon as the words escaped his mouth Walter realized his mistake and sighs a long sigh.

**CAGE!:**

NOT THE BEES, AAAAHHHHHHGH!

The masked whackadoo sprints off back down the hallway waving his arms, swatting away an invisible swarm of bees.

Walter closes his eyes and pinches the bridge of his nose in frustration.

**Hijo del Fishman Jr:**

I'll get him.

Hijo del Fishman Deluxe hops off the road crate and hoofs it down the hall in the same direction.

**Hijo del Fishman Jr:**

CAGE, BUDDY! Come on dude, don't make me run. I hate running.

Hector Navarro, just grinning from ear to ear at Walter sniffs and starts to take his leave.

**Hector Navarro:**

Good luck. You're gonna need it.

Walter waves off handedly. As Hector leaves the frame Walter starts off after his stablemates.

**Walter Levy:**

Good grief and gravy. I'M TELLING YOU FISH, WE NEED TO JUST GET HIM CHIPPED... maybe a shock collar or something.

We fade out and cut to the next segment.

**Darren Quimbey:**

Making their waaaaay to the ring, at a combined weight of 430 pounds being accompanied to the ring tonight by the man they call CAGE! HIJOOOO DEL FISHMAN DELUXE! "THE BIRD MAN" WALTER LEVY... THE MIDCAAAARD EXPERIMENT!

Fishman Jr. carefully emerges with his tag team partner perched on his shoulders. Fish Jr carries his indie-legend tag team partner down the ramp. As the crowd cheers and Walter mugs for the ringside crowd the cheery, celebratory entrance is cut short as the big lumbering seven footer Corozzo reaches over the top rope and PLUCKS Walter from Fishman Jr's shoulders HEAVING the smaller wrestler across the ring as though he were a child. Big Nicky's awesome natural strength on full display.

*BOOOOOOOOOO!*

Fishman Jr quickly makes his way over and hops up into their corner. Clear concern for his partner on his mostly masked face.

CAGE! follows him and posts up below him at ringside.

Referee Carla Ferrari, having officialted enough of the Associates matches knows to go ahead and call for the bell. This is as clean a start as she ever expected from these two.

**DING DING**

**Lance:**

Nicky sure does have a *unique* ring style, Darren.

**DDK:**

If you can call it that. Corozzo has about as much interest in trading holds in there as you or I do. All big Nicky wants is to inflict as much pain and punishment as humanly possible.

**Lance:**

Simple, sloppy, brutal and above all *dirty*.

As though on cue, Nicky thumbs the eye of poor Walter for no good reason. Levy having been on the defensive literally since the bell rang. Corozzo's stiff Irish whips into the corner and continued running big boots have left poor Walter reeling. The beatdown seemed to be headed towards squash territory when after an attempted powerbomb attempt, Levy managed to utilize his quickness and in-ring IQ to skin the cat and slip out the back of the maneuver.

*RAAAAAAAAAAAAH!*

The Bird Man leaps as dramatically as possible towards Hijo del Fishman Deluxe and manages the hot tag. Corozzo is about to start circling the husky luchador when we notice Jane Katze snap her fingers and hold out her hand for a tag. Nicky acquiesces with a grin. Katze steps seductively through the ropes. She kicks off her high heels, shucks her suit jacket, hikes up her skirt and approaches Fishman Jr with a scowl.

The two start to circle one another, waiting for the right opening.

**Lance:**

It should be mentioned. Hijo del Fishman Deluxe is the nephew of the original Fishman Deluxe, our very own referee Hector Navarro. While Hector would describe his own ringwork as that of a *lucha exotico*... Jr has taken a little bit of a different path, hasn't he Darren?

**DDK:**

While nobody would ever look at him and expect it, Hijo del Fishman Deluxe is a gifted practitioner of the *lucha submission* grappling style of *llave*. His lack of motivation and focus aside, Jane will have her work cut out for her here.

Keebler and Warner's words play out in front of us as the two grapplers sink into a spectacular display of hold-for-hold pro wrestling. Jane's well-honed MMA-inspired jujitsu maneuvers are countered over and over by Fish, the portly luchador turning every hold into one of his own. Counter after counter the two eventually break apart, Katze unable to hide her frustration, kicking the bottom rope and scowling back at her opponent.

Fishman Jr just waves back at her with a smile, much to the delight of the NOLA Faithful.

*RAAAAAAAAAAAAH!*

**DDK:**

That young man is a living example of why you shouldn't judge a book by its cover, folks.

**Lance:**

You said it, Keebs.

*BOOOOOOOOO!*

Finding himself within grabbing distance of Corozzo and Katze's corner, big Nicky reaches in, grabs Fish's mask and TWISTS it around backwards! Official Carla immediately gets in Nicky's face, the seven-foot enforcer denying any wrongdoing.

As Carla's back is turned, occupied by her partner, Jane Katze drops Fishman to his knees with a brutal kick to his

tender netherregion. Katze pushes past Carla Ferrari and tags Corozzo back into the match, both sporting sinister shit-eating grins.

The next several minutes are all Nicky Corozzo just straight up assaulting a blinded Hijo del Fishman Deluxe. Even with his mask eventually righted on his head the damage is done. Fish can barely muster any offense. Several mudholes are stomped into the luchador before...

*RAAAAAAAAAAAAH!*

The crowd roars with laughter as Fishman manages to pants Corozzo!

**Lance:**

HAHA! Do his undies have Ed White's face on them or am I hallucinating?!

**DDK:**

Oh my, these two just can't catch a break can they?

**Lance:**

Couldn't happen to two nicer folks, am I right or am I right Keebs?

One quick yank and the big seven footers slick black leather pants are around his knees. As he scrambles to pull them back up Fishman Jr slaps the big man right on the bum, right on his Edward White branded tighty whities. Fish collapses in their corner, Walter making the blind tag and immediately scaling the turnbuckles.

The Bird Man makes a big todo as he makes his way up top. He stands triumphant atop the turnbuckle flapping his arms for a second, hyping up the crowd before LAUNCHING himself towards Nicky Corozzo... but alas, Nicky has hitched his britches and was ready and waiting to once again effortlessly snatch the much smaller wrestler out of the air like he were a wee babe.

Nicky wastes no time readjusts Levy in his arms.

**DDK:**

Here comes the one actual wrestling move big Nicky knows folks!

**Lance:**

Oh God, poor Walter...

Corozzo trucks Levy's head and grabs his helpless criss-crossed arms.

**DDK:**

END OF THE WORLD!

In one quick, devastating motion Corozzo compresses poor Walter's spine with his patented straightjacket tombstone piledriver.

Levy's body goes limp as Fishman and CAGE! can only watch on in dismay as Corozzo takes his time, dropping down, not even hooking the leg for the inevitable, textbook pinfall.

Carla slides in for the count.

ONE.

TWO.

An in vain attempt at rolling his shoulder up can be seen to no effect. There's just too much Nicky Corozzo and not enough Walter Levy for that to happen, even with a halfhearted cover.

THREE.

***DING DING DING***

As "O Fortuna" starts to play again, Fishman Jr attempts to retrieve his fallen comrade to ringside. Things can never be that simple when the Blood Diamonds are involved, now can they?

**DDK:**

Oh for the love of...

**Lance:**

One match, ONE match without this crap is all I ask!

Katze and Corozzo immediately start laying boots to both men.

*RAAAAAAAAAAAAAH!*

**Lance:**

CAGE! with the huge save!

Like a bolt from heaven, CAGE! comes screaming into the picture with a shotgun dropkick from the top rope right to the chests of both Associates, sending Jane sprawling to the mat and Corozzo stumbling back into the ropes.

**DDK:**

He's an odd one, but he just saved his tag partners butts tonight!

**Lance:**

Above and beyond the job of a "mascot" to be sure!

Enough time is bought to retrieve his partners and all three of them to escape to ringside. Jane and Nicky recover and stand triumphant against the ropes, scowling down at the Midcard Experiment trio.

**Lance:**

More fuel on the fire in regards to the growing ire between the Blood Diamonds and our talent down in BRAZEN, Darren.

**DDK:**

Even in loss the MCE boys definitely showed a lot more focus tonight, holding their own against two of the canniest competitors in DEFIANCE.

## OSCAR BURNS vs. JUN IZUCHI
