LORD SEWELL v COUNT NOVICK

DDK:

Welcome to UNCUT! I'm "Downtown" Darren Keebler and as always, I've got Lance Warner alongside at the Commentation Station to break down the in-ring action, as well as the happenings from DEFtv 208! We are here at the Cool Insuring Arena!

Lance:

A BRUTAL Carjitsu Street Fight saw Pat Cassidy be the one to walk away after beating FIST of DEFIANCE Malak Garland within an inch of his life to earn a title match at Acts of DEFIANCE, but will either man even MAKE it there? The card is really starting to take shape!

DDK:

And coming up first to kick off the show, a grudge match from a few weeks ago! Sgt. Safety and Count Novick have formed a newfound team, but have run afoul of Gentlemen's Agreement after Safety defeated "Royal Guard" Earl Roberts a couple weeks ago in singles action! Count Novick was knocked out with the signature loaded white glove of Lord Sewell in retaliation, leading to this singles match up next!

Lance:

It's royalty vs. royalty! DEFIANCE cult favorite Count Novick takes on the pompous Lord Sewell up next!

On the DEFiatron, a castle on a hill. In a crackling thunder storm. The entire screen turns black and white with a filter that makes it look like an old talkie. And with that, the cape is dramatically swirled away, revealing Count Novick! The Count is dressed in usual gothic inspired ring gear! Novick grins a dastardly grin to the sea of Faithful cheering for him, creeping toward the ring with an exaggerated stride as his head shoots back and forth. Halfway down the ramp, he stomps directly in front of the camera to raise both eyebrows in quick succession before continuing his creepy dance to the ring.

He calls himself "The Peaceful Weapon." He proclaims himself to be a "pacifist" but you have to wonder how true that is when we've already seen him take cheap shots on behalf of M4NTRA.

Lance:

Regardless, he has a unique suplex and kick-based style that he can use to disorient opponents!

Once Archer reaches the ring, he walks up the steps. He throws a few kicks in the air and then spin kicks the air in front of him before dropping to a seated position on the mat, almost as if he's meditating. His music cuts as he waits for his opponent.

Darren Quimbey:

And his opponent... from Buffalo, New York... weighing in at 260 pounds... **"THE YOUNG BULL" TATE NEWELL!**

The fans give a cheer to the home state big man coming out from the back! Wearing a dark green wrestling singlet and black boots, the young man points right at the ring with his index and middle fingers, then ZOOMS down the ramp! He slides right under the bottom rope, climbs to his feet and then leaps in place several times to get himself fired up!

DDK:

Tate Newell was trained by Dex Joy and only a year into his career, got signed with BRAZEN! He's been another prospect touted for great things, and this could be a massive upset if he defeats Archer Silver tonight.

Lance:

And Archer's... still meditating.

He doesn't appear to be paying much attention to The Young Bull. Tate leans back in his corner getting ready to fight and he has the home state advantage. Archer remains stoic as he remains in a cross-legged position.

Newell gets cheered by The Faithful. He runs at Archer... but Archer catches his leg! The Peaceful Weapon hangs onto his leg and Newell tries to balance himself on one foot as Archer rises. He throws the leg of Newell down and brings his knee up, NAILING him in the face!

DDK:

OH, MY GOODNESS! ARCHER GOADED HIM INTO THAT FIRST STRIKE!

It looks like Newell's bell has been rung as he stumbles around the ring glassy-eyed. Archer smiles as he raises his hand, then ROCKS Newell on the jaw with a standing side kick! The blow sends Newell through the ropes and out to the floor!

Lance:

What a counter knee strike by Silver to start off the match! He calls himself a Pacifist because in his words, quote... he's "passing on using fists in favor of kicks, knees and elbows."

DDK:

It runs in the family! His father, Steven Silver and uncle Sonny Silver... both men Hall of Famers. When they wrestled, striking was their specialty. Archer has a black belt in karate as well as being an expert kickboxer prior to getting into pro wrestling.

Silver goes back to his meditating position and waits on Newell, who is currently being counted out. Referee Rex Knox is making the count.

Rex Knox:

One... two... three... four... five... six...

With the will of The Faithful on his side, Tate Newell slowly starts to get back to his feet

Rex Knox:

Seven... eight...

But he makes into the ring! Archer opens his eyes, then rolls backwards up to his feet. As Newell tries to get back to his feet, Archer is already on him with a running corner elbow smash! He rocks The Young Bull with a few more shots before he is brought to a grounded position in the corner. Knox warns Archer against what he's doing, so he leaves the corner and takes in the jeers of The Faithful. He then runs towards the corner and lands a huge hesitation dropkick on The Young Bull!

DDK:

What a shot! He calls that the Arrow in Flight!

Archer grabs The Young Bull and gets him out of the corner before he goes for a cover.

Newell gets a shoulder up to cheers from The Faithful! Archer looks surprised that he hasn't scored the win!

DDK:

That opening knee strike rocked Newell, but he's a tough young man that can take a hit! Archer better not give this kid an opening.

Lance:

Archer might have heard you. He's locked in that grounded abdominal stretch!

Newell gets grounded by Archer who has the submission locked on tightly! The hold continues to tighten around the barrel chest of Newell and he tries to fight out while Archer is quietly meditating again.

DDK:

Is this really the time to be doing this?

Despite Archer's attempts to remain calm and grounded, Tate Newell is being cheered by The Faithful! He starts to stand up to his feet despite Archer doing everything he can to keep him in the hold! Newell gets to his feet and SNAPS him over with a big hip toss counter to a big cheer!

DDK:

What a big throw! Newell escapes, but he's suffered a lot of punishment. Is he going to be able to even follow up?

The powerful young New Yorker leans back in the corner while Archer limps to his feet. The Peaceful Weapon kicks Newell with a back kick to the gut and then whips him to the ropes... but doesn't count on the 260-pounder LEAPING to the second rope and flying back with a huge crossbody out of the corner!

Lance:

Goodness! I've heard of when pigs fly, but bulls?

DDK:

You should talk to a guy named Bam Markham! But back to the action! Newell back up!

Newell still looks like he's feeling the effects of the initial knee strike, but does his best to shake it off. He grabs Archer and THROWS him as hard as he can into the corner with what he calls a Bull Whip! Archer recoils from the throw in the corner and staggers out in pain, right into a big overhead belly-to-belly suplex! Archer lands over in the other corner and has The Faithful in his corner!

Lance:

We could be on the verge of a huge upset!

The Young Bull is hurt, but he leans back in the opposite corner and then charges like his namesake to hit a huge running cannonball in the corner!

DDK:

Dex Joy's old finishing move! I'm told that Dex passed that move down to his student to have as his own!

Archer gets the shoulder up just after two! Newell punches the mat, but then decides now's the time to go for broke. He leans back to the nearest corner and gets ready to charge.

Lance:

It's put down just about everybody in BRAZEN!

Archer is starting to stagger when Tate Newell can feel it in the air that he could win. He charges towards Archer... only to get **BLASTED** with a spinning back elbow smash!

Lance:

No! Archer countered with that elbow right on the button! That was extra lethal!

DDK:

Ugh... I'm told he calls that Eat, Pray, Elbow.

Newell is out on his feet when Archer turns towards the ropes. He leaps to the nearby middle rope and **CRACKS** Tate right on the jaw with a springboard gamengiri kick to the face!

Here is your winner... **ARCHER SILVER!**

After scoring the win, Archer nudges Tate Newell's body away from the ring with his feet, then goes to have a celebratory... meditation? He catches his breath and falls into a cross-legged position, leaving a hand up for the official to hold. Rex Knox comes over and holds it.

Lance:

A good debut win for Archer Silver! Showing quickly why those lethal elbows and feet are a must-have in the arsenal of M4NTRA.
