Darren Quimbey:

From Chicago, Illinois, weighing in at 220 pounds... he is Officer of OSHA and The Safest Man in DEFIANCE... this is **SGT. SAFETY!**

The fans cheer as Sgt. Safety comes out with a shiny new Noise-O-Meter! The crowd cheers get louder as he points it to different sections of the arena to see who can make the most noise! After he does, he steps into the ring and then holds it out one more time for each side of the arena before handing off the decibel meter. The spotlight shines on the man, the myth... the Count! Count Novick, his usual vampiric self, hiding behind his cape before sweeping it behind him dramatically. He heads to the ring. He looks at Sgt. Safety, who has a hand out. The Count looks at him...

Oliver Tarquin Monroe with a dark gray sleeveless coat. He takes it off to reveal a sleeveless button-up shirt and tie, which he adjusts, but his arms are free to show off his chiseled guns. "The Royal Guard" Earl Roberts, wearing a clean black singlet and wearing his black Royal Guard hat. Once all three men make it to the ring, Lord Sewell and OTM shake hands with one another, while Earl Roberts stands still with his arms folded behind his back.

Oliver Tarquin Monroe:

When the old-timey tag team get jeered, Lord Sewell and OTM climb inside the ring and stand across from The Count and The Sarge. Sewell and OTM get ready. Sgt. Lance:

No other way to call it!

Huber does it and The Faithful cheer! He dares FLEX to do it next. He flexes his pecs... and gets booed! FLEX stomps a foot into the mat gives up as Huber is declared the winner.

DDK:

Derrick Huber wins the pec dance-off!

FLEX dares Huber to come in for a collar-and-elbow tie-up and the veteran tag team wrestler engages. He holds a hand up...

...then gets SMACKED from behind by DLJ! FLEX runs behind him and he crashes into Adam Roebuck on the apron with a running forearm smash! Sonny directs traffic for the two powerhouses to single out Derrick Huber!

DDK:

That was a great trick! The House have the tag team experience, but that was a call out of the Sonny Silver playbook!

Carla Ferrari warns DLJ about getting back to his corner, so The Front Runner does just that. FLEX headlocks Huber and tags in DLJ to give The Fastest Big Man Alive a free shot. DLJ zooms off the ropes and SMACKS into Huber with a flying clothesline off the ropes! After he goes down, FLEX adds in a biceps-flex before dropping a huge jumping elbow to the chest! FLEX moves for DLJ to try and go for the pin.

ONE!

TWO... NO!

Lance:

There's a kickout by Huber, but look at how well FLEX and DLJ are teaming up!

DDK:

FLEX will likely be leading the charge there. He's a former Unified Tag Team Champion as well as a World Trios champion when those titles were active!

FLEX returns to the corner and wants a quick tag from DLJ. James tags in and the GC Universe members whip Huber to the ropes. Unbeknownst to them, Roebuck makes a blind tag as both men duck for a double back body drop. Huber kicks over DLJ and then FLEX, allowing Roebuck to CRASH into both with a stereo clotheslines! Sonny is in shock while The Faithful cheer for The House! Huber and Roebuck pose in the audience!

Lance:

The House are showing what's made them so successful. Seventeen Tag Title reigns over two decades is remarkable!

DDK:

And now they've got FLEX!

"Big Bucks" Adam Roebuck grabs FLEX and then drops him with a back suplex on the mat! FLEX wrenches his back in pain as Roebuck slowly gets up and tags Derrick Huber back in. Huber and Roebuck launch FLEX to the ropes and run him down with a double shoulder block! FLEX is back up in a daze and the two powerhouses from Sin City pick him up and drop him with a huge double body slam.

Roebuck drops a huge elbow drop.

Then Huber does the same!

DDK:

Lots of double-team moves have been fired off by The House! Cover on FLEX!

Huber hooks the leg!

FLEX kicks out.

DDK:

He kicks out, but Huber and Roebuck are holding court right now!

Sonny Silver is angry at ringside and didn't expect this much resistance from their opponents this evening! Huber grabs FLEX by the neck and tries to suplex the Strongest Man in the Universe... but he doesn't expect it when FLEX powers HIM up in the air and sends him crashing to the mat with a huge standing release suplex that wows The Faithful first!

Lance:

How the turntables for FLEX... wait, darn it. Can I start that call over?

DDK:

We're live, buddy... sorta. But what my partner means to say is the GC Universe have taken over by sheer virtue of FLEX's strength.

Huber is down on the canvas and FLEX drops a big knee drop into his chest! Big Slick is hurt when FLEX reaches over and tags in DLJ. The Front Runner leaps over the ropes and waits for Huber to stand before the 270-pound athlete leaps up and back off the ropes, crashing into Derrick with a HUGE springboard back elbow off the middle rope!

DDK:

Good grief! More agility and speed on display by the likes of DLJ! I never thought that same goofy kid from Titanes Familia would turn out this way, but Uriel turning his back on him really did a number didn't it?

Lance:

It surely did. But studying under the learning tree of Sonny Silver and OSCAR BURNS has really helped accentuate some of his physical gifts.

DLJ grabs Huber by the neck to pull him to his feet, but Huber fights back! A pair of big rights connect to the side of DLJ's head before Huber whips him to the corner. Huber charges in, but gets a boot from The Front Runner first before he's slammed head-first into the neutral corner. DLJ then points to the corner and runs cross-corner before coming back to smash into Derrick with a running corner splash! DLJ points for one more and zooms across the ring before doing it a second time!

DDK:

And there's DLJ picking up the pace. That speed and power combined is what's made him such a force! With victories over Rezin and Butcher Victorious in the past, the future is bright for this young man!

Huber is pulled out of the corner as DLJ charges off the ropes to hit him with the Dash and Bash! Huber goes down hard and DLJ celebrates!

DLJ:

I GOT HIM, BBY!

Then gets jeered as he goes for a cover!

KICKOUT!

Huber kicks out!

Lance:

Another uncalled-for shot at Elise Ares, but Huber kicks out again!

DDK:

Where is Huber getting this from? These two powerhouses are picking Huber apart!

Roebuck is pacing on the ring apron like a grizzly bear ready to strike. He stomps on the ring apron with The Faithful cheering along, but DLJ has Huber in the corner for a tag from FLEX. DLJ charges in the corner and hits a flying back elbow, then throws him into the grip of FLEX who drives him down with a big front spinebuster! FLEX poses on one knee and stacks Huber for the pin.

DDK:

Another kickout by Huber! I don't think Sonny Silver expected this would be so competitive, but DLJ and FLEX are working really well together under the circumstances.

Lance:

Huber's taken a lot of punishment, though, and he knows he has to make it to Adam Roebuck.

FLEX cranks down on his hands like he's gonna go for the full nelson that put down Nicky Synz last week. He snatches Huber up slowly while he's on a knee and locks in a half nelson. He tries to fully secure the full nelson... but Huber gets a burst of strength from The Faithful and sends FLEX up and over with a hip toss! FLEX cracks the mat and stands up in a daze, only to get blasted with a huge discus clothesline by Huber! Both big men are down now!

DDK:

What a shot by Huber! He calls that The Money Line and now he needs to reach out to Roebuck.

Roebuck is frothing at the mouth to get in and hurt somebody. Sonny shouts at FLEX to get to DLJ and points towards the corner. In a complete daze, FLEX reaches out to the corner and he's able to get DLJ. Danny Three Sports gets in to the ring...

TAG.

DDK:

The Big Bucks is in! Adam Roebuck is in!

The big man dares DLJ to come at him and he does, but Roebuck mows him down with a huge clothesline first! James tries to stand after with no idea of where he is when a second clothesline from Roebuck knocks him down. The veteran tag team wrestler pulls DLJ up by his head and then the 360-pounder hits a STANDING DROPKICK to James!

Lance:

What the heck! The House still got it! Roebuck rocks that dropkick at forty-seven years old!

Roebuck slowly stands up as he waits on DLJ to stand, then scoops him up. He walks around the ring with 270 pounds in his arms and then scores with The Bottom Dealing!

DDK:

That's The Bottom Dealing! That walking scoop powerslam just shook the ring!

FLEX there in the nick of time!

Sonny's concerned expression says it all outside the ring. The Strongest Man in the Universe delivers clubbing forearms across the back of Roebuck and attacks him, but Huber comes back in and goes after FLEX with a volley of right hands!

Lance:

And the action is breaking down! Carla Ferrari might have lost track of who's legal!

Huber and FLEX fight until FLEX pulls his neck over the ropes! The recoil snaps Derrick's neck!

DDK:

FLEX turns it around on Huber! Carla checking on him!

But as Carla's attention is on FLEX, Roebuck has DLJ set up for a Bad Hand until he feels two hands wrap around his waist! Roebuck can't react when FLEX suplexes the 360-pounder with a HUGE release German suplex! FLEX leaves the ring to jeers while DLJ takes a moment to compose himself!

DDK:

I don't believe what I just saw! The Strongest Man in the Universe might be an appropriate billing after he german suplexed Adam Roebuck!

Lance:

And now DLJ has a free shot!

The legal men are DLJ and Roebuck. DLJ winds his arms back and runs off the ropes before he SMACKS Roebuck right between the eyes with his signature running palm strike! The man mountain falls onto his back!

DDK:

GODSPEED! GODSPEED BY DLJ!

DLJ holds his hand in pain from hitting such a large man, then ducks down into the cover! He hooks a leg for good measure on the big man! Huber tries to interrupt, but FLEX is there to cut him off!
